A wonderful cricket season has just concluded for Tambellup lads Jack and Guy Taylor. Guy (left) established himself in the first grade team at WA Premier League Club, Subiaco Floreat CC, this season. Batting predominantly as an opener, Guy amassed 594 runs at an average of 42.43 across 15 matches.

Brother Jack also enjoyed a successful season, playing as an opening bat also, for the Subiaco Marist CC in the one day 3s competition. Across 14 matches Jack amassed 695 runs at an average of 53.46, including 63 runs in a man of the match performance in the grand final against Western Suburbs CC. Though playing for teams with Subiaco in their names, both men remain bonded to the sheep n wheat and the red n black of the Tambellup CC!

Sympathies to the family of former Tambellup man Bevan Murray Taylor, who has recently passed. Bevan, Kerry and their children

Larissa and Sam lived and farmed at "Stirling View", Tambellup up to the end of 1982. A passionate sheepman, Bevan was integral in the establishment of the Australian Merino Society (AMS) across WA and Australia in the 1970s. Thoughts and condolences to Larissa, Sam, their children, and Bevan's partner Christine.

Broomehill Post Office, corner of India and Journal Streets, Changes Hands

From Annie Dunn

Shortly before midday on February 28th 2025 Australia Post completed the assignment of the post office to us and we got straight into trading as a Licensed Post Office.

The transfer was not without its moments and we have learnt so much during Australia Post Training over the last 3 months. However, we are learning much more each day, both by practice and discovery.

My greatest pleasure is using the Broomehill Post Office date stamp. It takes me right back to my childhood playing "Post Offices" with my sisters.

We have been overwhelmed with the visits from the community and please don't stop!!

Apologies in advance for any errors regarding your mail, it will take a while before we are completely on top of all that we need to know and do.

Broomehill Recreational Complex- Water Security Plan Stage 2

The Council has endorsed Stage 2 of the Water Security Plan for the Broomehill Recreational Complex.

The aim of this plan is to enhance water security for the Broomehill Recreational Complex, to help provide the Complex with enough water throughout each year to maintain the Oval and gardens.

Stage 1 of this plan was endorsed at the December 2024 Council meeting, consisting of 4 actions, 2 of which were completed shortly in the new year, with alternative agreements made during consultations with the Broomehill Recreational Complex Committee for the remaining two actions.

Stage 2 is comprised of 6 actions, which includes the purchase and installation of a new generator and pump, improvements to connections for the existing solar pump, clearing around the catchment area at the Complex Dam and ongoing advocacy for power to be connected to the Catchment Dam.

For more details about this Plan, please visit our website and view the Ordinary Council Meeting Agenda

Donald Street Standpipe Usage Charges

The connection of the water mains to the tank on Donald Street in Tambellup has recently been completed, making the standpipe controller available for use.

The Council has agreed to the usage charge of \$11.00 per kilolitre for water used at this standpipe, keeping with the current adopted fees for the other standpipes with the same service connections.

Historic Jarrah Floorboards & Skirting — Up for Auction!

Own a piece of local history! These 75+ year-old jarrah tongue-and-groove floorboards once covered 60 square metres of the former Western Australian Bank (est. 1906) and later saw the bustling days of Snowy Wilson's Store (est. 1928) before the Telecentre (now CRC) opened in 1995. While mostly in good condition, some boards were damaged during removal. Skirting boards, likely of similar age, measure 170mm high with over 20 linear metres available.

We're looking for more than just the highest bidder — we want to know how you'll give these historic pieces a second life, ideally right here in the community! Whether you're bidding on the floorboards, the skirting, or both, you must take the full lot.

- Starting Price for Skirting: \$50
- No Starting Price for Floorboards

Bidders are welcome to view the floorboards and skirting before placing an offer. Submit your offer and your reason for purchasing **by April 30, 2025**, to manager@tambellupcrc.net.au or hand it in at the CRC. All offers will be presented anonymously to the selection committee. Don't miss this chance to give history a new home!

CAR RALLY SUCCESS

The Tambellup Lions club would like to thank the community for another successful car rally.

In attendance were 15 cars and around 50 participants.

The car rally travelled 140km of the local area. Each team was given a set of directions and staggered to leave at five-minute intervals. There are questions along the way about the surroundings. This was not a race rally but more a leisurely Sunday drive with a lot of laughs along the way. There were several teams of new members to the community who recruited a local or two to join their team.

Once we all made our way to the final destination, (the Pavilion), BBQ meat packs were available to purchase, and salad and dessert provided. A drink or two to stay hydrated was also on offer.

The proceeds of this Lions club event was \$400, and this been donated to the Lions Childhood Cancer Research Foundation.

Again we thank you, our community, for making this possible.

START LINE

The Tambellup Lions Club recently held our annual election of executives. The new positions are effective as of July 2025.

The Tambellup Community Cropping Group was established in 2013 with the ambition to help support and grow the Tambellup Community. The group comprises of a dedicated collective of community members who, each year, volunteer their time to establish a crop, supported by farming families, individuals and local business. The annual profit goes directly back into the community through locally developed projects, driven by the people of Tambellup.

Update from the committee

2025 is off to a strong start, with another successful AGM behind us. This year's event was highlighted by the exciting news of a great harvest, generating several hundred thousand dollars in profit, all of which will be reinvested directly into the community. The TCCG's commitment to the caravan park cabins remains a top priority for many, while we are also thrilled to contribute to the St John Tambellup fundraiser, as detailed below. Sadly, we bid farewell to our incredible treasurer, Leon Squibb, who has dedicated many years of service to the role. Leon stepped down into an ordinary committee

member position and we would like to acknowledge his hard work in helping us reach where we are today. On a positive note, we are excited to welcome a fantastic new addition to the committee—Maddi Wray, our new treasurer. We're thrilled to have her on board and look forward to the upcoming seeding day!

Summary:

At our 2025 AGM, the St John Tambellup team requested funding from the TCCG to support their ambulance fundraiser event. The volunteers are aiming to raise \$250,000 to replace the community ambulance and are organising a country music fundraiser to help reach their goal. Make sure you buy a ticket to support this essential community service!

The community crop would not be possible without the continuous support from the local community, agricultural industry and the Broomehill-Tambellup Shire. Thank you to all those who contribute to the crop each year.
