### Dilley's Electrical Service

Dilley's Electrical Service is closing on the 30 June 2025. We thank all our past and present clients for supporting us over the years, but everything must come to an end. We are looking forward to cleaning out the office then sitting on the back verandah with a wine/coffee and enjoying the sunset.

So, thank you once again

David and Lynn Dilley

### From BH Post office

In the Post Office gardens, we have been discovering lovely plants whilst pruning. Beautiful fragrant roses, loved by the bees - tree dahlias and many others that we have yet to identify. We did not continue the gas bottles service, but now Henry Jones Cafe and Winery can now help you if you need one. At the CWA Op Shop on Saturday 17 May, Sue Youngman organised a Swap Share garden crops and cuttings session. It was great fun and we all ended up with a bunch of lovely produce to take home. Look out for the next one in July.

Apologies to everyone - we have now lost the phone number for the Broomehill Post Office....It's a long story. We will have a new number by 1st June.

As I finish writing this, I'm off back to day one of the Antiques and Collectables in the Village Hall now- what a great event!

### History Book

I have a history book of Stephen Montague Stout.

Is this anyone's relation?

### Tambellup Primary School P&C

Thank you to everyone who supported our fundraising stall and raffle on Federal Election Day. Our members were thrilled to watch our produce disappear so readily off the tables.

The wood raffle was so well supported, we decided to draw two winning tickets.

The winners were; Andrew Bradshaw & Noah Letter

A big thanks to Phil and Terri Hams for the generous offer in the Silent Wood Auction.

## River of Life

### Book 3 Update!!

We have nearly finished putting together Book 3 of the Tambellup: River of Life booklet series. We're planning to have a book launch in the new financial year — so keep your eyes peeled!

Book 3 includes stories from those who lived in Tambellup in 2024, as well as stories from former residents who have shared their memories and connections to the town.

While working on Book 3, I also gave Books 1 and 2 a fresh new look to coincide with its release, including a new cover and updated layout.

We can't wait to share it with you and celebrate the stories of our local community!

### Donated Books

Did you know that the Tambellup Public Library has a few bookcases full of donated books that locals and travellers alike can swap or exchange for other books? Don't have a book to swap? Donations are always welcome!

Now that renovations are completed in the back rooms, the bookshelves have been returned to their original spots and filled with books once again!

From well-known authors like Danielle Steel, James Patterson, and Bryce Courtenay to authors such as Dan Brown, Nicci French, and Karin Slaughter, we have a wide range of books available.

Also, don't forget that as a Public Library, we offer a broader selection of items on our shelves for library members (Library Membership is FREE). Additionally, as a library member, if you can't find a book you want, we can order it in for you.

## Help Make Our Morning Tea a Winner!

This month we're hosting a Biggest Morning Tea to raise funds for the Cancer Council!

To help make our raffles and games as fun and successful as possible, we're kindly asking if anyone has a small prize they'd be willing to donate.

Every little contribution helps — whether it's a handmade item, a voucher, or something fun or useful. Your generosity will go a long way in supporting a great cause and bringing the community together!

### Community Spirit in Action

At the CRC's recent Sundowner, a generous community member organised and donated a couple of meat packs to raffle off, with proceeds going to Tambellup St John Ambulance to support the purchase of a new van.

We'd like to thank everyone who bought raffle tickets.

We're happy to announce that the raffle raised \$500, which has been donated to TA St John!

## BATTERY DRIVE DONATIONS

### Lions club Battery Drive

The Lions Club has donated proceeds from their recent Battery Drive to St John Tambellup.

They are conducting another drive this year and are requesting anyone with batteries to donate to please contact Gus at 0427 950 829 or Trevor at 0488 704 483 to arrange collection by the Lions.

All proceeds will once again support the purchase of Tambellup's new Ambulance.

### TAMBELLUP CARAVAN PARK TAKING SHAPE!

Exciting progress is being made at the Tambellup Caravan Park, with the site buzzing as we move closer to bringing this much-anticipated project to life!

Essential services are now in place and ready for final connection, while sand pads for the first three cabins and the laundry/store building have been completed and signed off. The internal road is also starting to take form, setting the foundation for a welcoming and accessible space.

June will be a milestone month – the cabins are scheduled to arrive and be placed on site!

Following that, work will continue at pace with installation and connections, construction of the laundry/store, and the first stages of paving and landscaping.

With so much activity on-site, the coming weeks will be full of transformation – and we can't wait to see this exciting new addition to Tambellup taking shape.

Stay tuned – your next great stay is just around the corner!

### NATIONAL RECONCILIATION WEEK 2025

National Reconciliation Week is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

The Shire is pleased to partner with Reconciliation WA during National Reconciliation Week 2025. Residents will have noticed the new banners flying in Broomehill and Tambellup. The official banners carry a design called 'Snake Nest' by indigenous artist Darryl Dempster (Snake Nest © Darryl Dempster/Copyright Agency 2025).

We were delighted to collaborate with local artist and former Shire employee Patricia (Pattie) Farmer on the design of the Shire banners. During Pattie's time with the Shire, she developed a design that reflected our two towns and the connections between them. Administration staff shirts proudly carry Pattie's design, and elements have been incorporated into the banner design.

## 2024-25 WORKS PROGRAM WRAPS UP STRONG

As we close in on the end of the financial year, our 2024-25 Works Program is almost complete – and what a productive year it's been across the Shire's roads and infrastructure!

From reseals to road widening, here's a snapshot of the key upgrades that have been delivered to improve safety, connectivity and driveability across our region:

**Gnowangerup-Tambellup Road** – Surface correction complete for a smoother ride

**Broomehill-Kojonup Road** – Major failure repairs and surface improvements now done

**Warrenup Road** – A fresh two-coat seal applied to 4.5km of road

**Tie Line Road** – Widened to support safer traffic flow

**Tambellup West Road** – Resealed and refreshed

**North Terrace** – New asphalt overlay laid

**Taylor Street** – Asphalt overlay completed

**Nymbup Road** – Gravel sheeting and culvert upgrades wrapped up

**Crosby Road** – Vegetation slashed and gravel patching completed

We thank our works crew and contractors for their efforts – and the community for your patience during construction. These upgrades are part of our ongoing commitment to maintaining safe and reliable infrastructure across the Shire.

## FIRING UP AT THE GORDON RIVER RECREATION AREA

There's something sizzling at the Gordon River Recreation Area – and it's not just the scenery!

We're thrilled to announce the installation of a brand-new electric BBQ under the gazebo, ready and waiting for your next sausage sizzle, family picnic or lazy Sunday cook-up. Whether you're stopping by for lunch or planning a casual get-together, this space is shaping up to be one of the Shire's favourite spots to relax and unwind.

Recent sealing works have made access easier and cleaner, with more finishing touches – including final seal and line marking – set to roll out in the coming weeks.

As the area becomes more popular, we kindly ask everyone to do their bit: give the BBQ a quick clean when you're done and pop any rubbish in the bin. That way, it stays welcoming for the next visitor.

It's your space – enjoy it, respect it, and make the most of this fantastic community asset.

## EMBRACING CUTTING-EDGE ROAD TECHNOLOGY

We have recently implemented an advanced road mapping system that integrates robotics and artificial intelligence to enhance road safety and asset management. This innovative approach allows for the geospatial mapping of all road assets and the identification of defects, hazards, and potential safety risks across the entire network.

By leveraging AI-driven analysis, the system provides real-time, accurate data, enabling informed decision-making without the usual time constraints. The data collection, completed in just four days using vehicle-mounted sensors, captures comprehensive footage of road conditions. This information is then processed to identify issues such as potholes, surface deterioration, cracking, edge drops, faded line markings, and signage problems.

**Contact the Shire**

**P: 9825 3555 E: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au) In Person: 46-48 Norrish St Tambellup**

We have already utilised this data to generate comprehensive audits, including signage, footpath, curve and channel, and pavement and line marking assessments. Traditionally resource-intensive, these audits can now be produced swiftly, allowing for proactive maintenance and improved road safety outcomes.

#### NEW RULES FOR RAINWATER TANK INSTALLATIONS

Planning to install a rainwater tank connected to your house?

In addition to local Planning Approval and a Building Permit, new State regulations now apply to plumbing work.

From 10 February 2025, only individuals with a Restricted Plumbing Permit (Rainwater Storage) can legally connect a tank to a dwelling.

You can either:

- Hire a licensed plumber with the permit, or
- Apply for your own permit if you wish to do the work yourself.

Permits are free to obtain at this stage but must be applied for by 10 February 2026.

Applicants must:

- Complete a short training course
- Provide evidence of two previous installations
- Submit a National Police Check

For more information, visit [www.dmirs.wa.gov.au](http://www.dmirs.wa.gov.au), email: [plumbingreview@dmirs.wa.gov.au](mailto:plumbingreview@dmirs.wa.gov.au) or call 1300 489 099.

#### A LASTING TRIBUTE REFRESHED IN TAMBELLUP

As part of broader beautification efforts, the Avenue of Friendship in Tambellup has been thoughtfully renewed.

The commemorative plaques placed at each tree – many of which had weathered decades of sun, wind, and rain – have now been replaced to ensure each dedication remains visible, dignified, and respectfully preserved for years to come.

These plaques were originally installed by individuals wishing to honour someone special to them, and the refreshed Avenue continues to offer a quiet, meaningful place for reflection and remembrance.

### HELP SHAPE OUR CUSTOMER SERVICE FUTURE

We're working on a new Customer Experience Strategy – and we want your voice to be at the centre of it.

This isn't just about answering calls or replying to emails – it's about building a culture of respect, responsiveness, and community focus across all Shire services.

By completing a short survey, you can help us:

- Understand your expectations
- Highlight what's working well
- Identify opportunities for improvement

Your feedback will directly influence the development of a new Customer Service Charter and long-term improvements in how we support our community.

Please provide feedback by 18 July 2025 at 9pm by:

- Completing the online survey: <https://www.surveymonkey.com/r/K96BT8V> or scanning the QR code:
- Emailing us: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)
- Mailing us: Shire of Broomehill-Tambellup - 46-48 Norrish Street, Tambellup WA 6320

For any questions, please contact Karen Callaghan at the Shire Office on (08) 9825 3555.

### PAWS FOR THOUGHT – A DOG PARK FOR TAMBELLUP?

The Shire is exploring the idea of a new off-lead dog park in Tambellup – and we want your input.

Proposed for East Terrace, just inside the entrance gate to the Tambellup Sports Ground, this space aims to offer a safe, social area for both dogs and their humans.

Whether you're a pet owner, nearby resident, or simply passionate about enhancing local spaces, your feedback will help guide the design, location, and features of this new park.

Please provide feedback by 14 July 2025 at 9pm by:

- Completing the online survey: [www.surveymonkey.com/r/XXD699D](http://www.surveymonkey.com/r/XXD699D) or scanning the QR code:

## Sundowner Success, Fresh Ideas, and What's on the Horizon

Thank you to everyone who joined us for our recent Neighbourhood Centre Week Sundowner – it was a lovely evening full of great conversations and community spirit. A special thank you to Linkwest and Lotterywest for sponsoring the event – their support made it possible for us to provide dinner on the night.

We also appreciated all the fantastic ideas shared for future events, training and workshops. Suggestions ranged from regular community dinners, games nights, and mechanics for non-mechanics, to pool trips and veggie gardening sessions. We're excited to start working on bringing some of these ideas to life over the next 12–18 months. We know that community events and programs work best when they're supported by the people they're for. Every bit of involvement – from attending an event to helping spread the word – makes a real difference. Your participation helps keep these activities going and encourages new ideas to take shape.

Another suggestion we've heard a few times is to host a screening of the film *Just a Farmer*. We're keen to make this happen and are currently waiting on funding approval to secure the necessary public screening licence, so that we can make the screening low-cost and accessible to all. We'll share more details as soon as we're able.

Sadly, our Low Impact Exercise sessions with Marni will wrap up on June 10th. While we're sad to see them finish, we're grateful to Marni for running the sessions and to those who came along. We're always open to feedback and new ideas for future health and wellbeing activities.

Although June and July might appear a little quieter, we're busily preparing for a full program of events in the second half of the year. This includes several exciting contributions to the Bloom Festival, the Festival of Small Halls, a photography workshop, an AusChem course with TAFE, and more.

We're also continuing to work with the Albany Business Centre to deliver practical info sessions and workshops to support local business and employment skills. And don't miss our Biggest Morning Tea in June – there'll be games, friendly competition, and plenty of tea and treats. If you have any small prizes you'd like to donate, they'd be gratefully received.

Thank you as well to everyone who helped out at the recent busy bee. The back rooms of the CRC are looking fantastic, and we're now able to offer them for hire again. Whether you need a quiet spot for life admin or a small conference room with video conferencing – we've got you covered.

Finally, as always, we're on the lookout for volunteers for Soup and Sweets. If you'd like to contribute something delicious – sweet, savoury, or anything in between – we'd love to hear from you.

Thank you for your continued support and for being part of our Centre and community – we're looking forward to a vibrant second half of the year and can't wait to share what's ahead. Let's keep working together to make our community a great place to live, connect, and grow.

*Grace Jones*

# Broomehill Produce Swap

The Inaugural Broomehill 'End of Autumn not quite Winter yet' Produce swap was held on Saturday the 17th May and was a great & happy success. We had 10 happy swappers. They came from in town, outta town and other towns. Residents old and new, some meeting for the first time.

What's a produce swap you might ask? The idea is that people bring in their excess produce, and everything is swapped. No money changes hands. So at home, you might have too much of this or not enough of that. Fruit dropping all over the ground etc... bring it to the swap! We all met at 10 am outside the Broomehill op shop. With tables & gazebo set up we all laid our produce on the table and started swapping.

No produce? No problem, just bring something swappable, like empty egg cartons or pots, seedlings, plants cuttings, preserves etc.....

Produce swaps have been happening around the country for a while now, city and rural. Not a new thing. Covid knocked a few on the head for a while but we are out the other side now and there's no time like the present.

Produce swaps address food wastage, cost of living crisis, and social isolation, and they're free.

This time round we had a pretty short lead up with advertising but next time (yes there'll be a next time) we will have a longer lead up, with the aim of being an ongoing seasonal event. Always happy for feedback and ideas too.

Also like to say a big thanks to Rick & Annie for use of their gazebo, and the Broomehill op-shop for allowing us to set up outside.

# Broomehill Antique & Collectors Fair 2025

The Antique Fair was another success. Although numbers were down from last year, all 14 vendors were very pleased and are happy to return next year.

The Classic Cars were great to see, even though we had less than last year.

I would like to thank the Committee & Members of the Broomehill Heritage Group for their tireless efforts leading up to and including the days of the Fair. It really is a team effort.

I would also like to thank the Shire of Broomehill-Tambellup and Tambellup CRC for their fantastic support.

Congratulations to Joylene Presser for winning the raffle this year.

If you want to find out more about what we do or are keen to join the Heritage Group please contact us at [broomehillhg@gmail.com](mailto:broomehillhg@gmail.com).

## AI Basics: Unlocking the Potential of Chat GPT

Workshop #13 of 14

**Thursday, June 5, 2025 - 11:00AM to 1:00PM**

How to use AI in several ways for your small business

**Presented by Zoe Campbell and [Business Foundations](#)**

In this workshop, we will explore how Chat GPT can add value to your business operations while saving you time. You will learn how to use Chat GPT for three practical tasks: automating responses to frequently asked questions from customers, streamline the creation of social media and blog posts and efficiently sort through customer reviews for useful insights.

Participants will leave the workshop with skills they can immediately apply to enhance their business communications.

We all gathered on a crisp morning with a hot cuppa in tow, amongst plenty of chatter and business to discuss.

On the 4th of May we provided sandwiches, cakes and slices for the Community Cropping Group that were seeding. Thank you to the Cropping Group and the CWA Ladies for another great day and everyone's efforts were much appreciated.

Thank you to all those in the community that purchased tickets for the CWA Mothers Day Raffle. The CWA Ladies gathered for a hot cuppa on the 9th of May, at the post office to draw the winning Ticket. Trevor Prout had the honour of drawing the winning ticket. The winner being Anne-Marie Lockyer!

Our Next Meeting will be held on the 12th June, 2025, at the CWA Rooms, commencing at 10am. Please come along and join us over a hot cuppa.

## TRY BEFORE YOU BUY!

Did you know that the Tambellup Public Library has an iPad, Android tablet, and a Kobo eReader available for library patrons to try out?

These devices are currently for **in-library use only**, but if you've ever been curious about eResources or different types of technology, now's a great time to explore!

Throughout June, I'll have the devices logged in and ready to access our full range of eResources — perfect if you've got an hour to spare and want to read a good book or get familiar with using digital devices.

To make sure a device is charged and ready for you, feel free to let me know in advance if you plan to come in.

**(Please note - Broomehill also has these devices available please contact Jacinta at the Broomehill library for more information)**

With the recent renovations to the back rooms of the CRC, we've rearranged some furniture and moved the couches out the back to create a quiet corner — the perfect spot to curl up with a book and a cup of tea for a little break.

### Public Library Memberships are FREE!

With your membership, you'll have access to all the books in both the Broomehill and Tambellup Libraries, as well as hundreds of thousands of online books, audiobooks, movies, and TV shows.

Can't find the book or movie you're looking for? **Ask us** — we can search other libraries or order a copy from the State Library for you!

### Did you know?

The Broomehill and Tambellup Public Libraries are part of the Regional WA Library Consortium.

### What does this mean for our members?

You can now use your Broomehill or Tambellup library card at any of the 34 libraries currently in the consortium — no need to sign up for multiple memberships!

For Broomehill and Tambellup residents, this means your card works from Katanning to Albany! (for the full list scan the QR code)

For more information on the Tambellup Library visit the **TA Community Resource Centre**, call **9825 1177** or email **library@tambellupcra.net.au**. You can also browse our physical catalogue online here - <https://broomehill-tambellup.spydus.com/>

The Tambellup Community Cropping Group was established in 2013 with the ambition to help support and grow the Tambellup Community. The group comprises of a dedicated collective of community members who, each year, volunteer their time to establish a crop, supported by farming families, individuals and local business. The annual profit goes directly back into the community through locally developed projects, driven by the people of Tambellup.

### Update from the committee

A big thanks to everyone who came along to this year's Community Crop Seeding Day on the 2<sup>nd</sup> of May!

We got 250 hectares in the ground, seeded to Jurien lupins.

This year, we also set up a couple of trials: a wetter trial at three rates (0, 2, and 4L/ha), and a variable rate cropping fertiliser trial across four rates (0, 30, 60, and 90 kg/ha). We'll be keeping a close eye on the results and will share updates at future community days, so stay tuned and we'll see you out in the paddock again soon.

The legendary Tambellup CWA ladies were back in action, dishing up one of their famous lunches that hit the spot. Later in the day, we fired up the bonfire, had a few beers (cheers to Stirling Ag), and tucked into some top-quality WAMMCO lamb chops, cooked to perfection by Daz from Sheep Logistics. Massive thanks to all those who donated their time, machinery, and inputs, we couldn't have done it without you. Events like this remind us what a great community we've got out here. Thank you to the Shire and others for their work around the shed, something we will continue to improve for future events.

Wishing everyone all the best as seeding wraps up – bring on the rain!

The community crop would not be possible without the continuous support from the local community, agricultural industry and the Broomehill-Tambellup Shire. Thank you to all those who contribute to the crop each year.

## STAYING IN PLACE COMMUNITY HOME SUPPORT PROGRAM

*Are you or a loved one in need of assistance to maintain your independence at home?*

Staying in Place is a Community driven plan to make it possible for older people to have a Home Care Package provided by local people contracted through an innovative model of Community Management of aged care services.

Our Staying in Place Community Home Support program is here to help you live comfortably and securely in your own space. Our dedicated and compassionate support workers are ready to make a difference in your life.

### Services could include:

- **Social Support:** Enjoy companionship and engage in various activities to keep you active and connected to the community. Learn new skills, share stories, and make new friends.
- **Help Around the Home:** Let us take care of the chores. We'll handle tasks like ironing, changing sheets, laundry, defrosting the fridge, and tending to your garden. Your home will always be in top shape.
- **Travel Assistance:** Need to run errands, attend appointments, or just want to enjoy a day out? We've got you covered with transport to the shops, appointments, or even a relaxing day trip to the beach.

Our support workers may also have qualifications in aged care, nursing, or therapy, ensuring that you receive the best care possible.

Don't hesitate to join our community and allow us to assist you in maintaining your independence in the comfort of your own home. Reach out to us and let's make your life easier and more enjoyable.
