#### Calling all knitters, crocheters, and crafters:

We're organising a community project for ANZAC Day and aiming to create as many poppies as possible! We're seeking donations of red or grey wool, or red or grey fabrics. Please drop off your donations at the CRC.

Join us on the 2nd and 4th Tuesdays for a cuppa, crafting, and chats. Whether you're making poppies with us or working on your own project, it's a great opportunity to connect.

### From BH Post office

**Phones:** We did get a new phone number for the Broomehill Post Office, but it wasn't by the 1<sup>st</sup> June (as mentioned in the June TOPICS). With hours and hours of hanging on and 'chatting' with Telstra, we finally welcomed a visit from Dominic (Telstra Technician) on 23 June!! Only 2 or 3 hours investigative work for him before he could fix the problem and now we have a number for anyone who needs to call regarding Post Office business. Thankyou Dominic. The number is : 9824 1839.

We are looking forward to an evening at the Broomehill Recreation Complex on Friday 27<sup>th</sup> June. There will be some live music. We miss the regular music session that was part of our lives whilst living in Perth. Maybe there will be feedback and some photos in this issue that you are reading, on the Winter Vibe night.

It has been a lot colder in the past few weeks, nicely balanced by the endless very beautiful sunrises and sunsets. I am glad we have passed 21 June (shortest daylight day of the year). We look forward to seeing our seedlings grow but have a great challenge preventing snails and slugs from feeding on our little plants. Our tiny Everlastings have taken a beating. The green leaf vegies are surviving and growing well (hope I 'm not speaking too soon) after an early assault by slugs. The Liquid Amber and other deciduous trees have nearly all stopped dropping their leaves and there are many buds on trees that I still can't remember the names of!

Each week at the CWA Op Shop I manage to find one or two clothing items at the most incredibly low prices. There's also lots of interesting and bizarre conversations going on in the background as you fossick through the stock! There is a wonderful crew opening for us all on Thursdays and Saturdays. Good quality donations are welcome and they can give you guidance for what to do with stuff that isn't quite up to scratch.

I hope to get along to the craft morning at the Fire Station on Wednesday mornings as I have a lot of fixing and repairs to clothing that needs doing and I might get a bit of guidance if I go along. However, I have been planning to attend since we arrived on 28<sup>th</sup> February. Will I get there this month????

### THE AVENUE OF FRIENDSHIP TAMBELLUP

This is a record of the True Facts relating to the Damage and Non Caring of the Avenue Plaques.

In mid 2021 I stopped to view The Avenue. I found many Plaques out of place and scattered everywhere. A high percentage were bent out of shape by the ride on lawn mower.

I picked up a Stakeless Plaque which was dislocated from its correct position. It could have belonged left or right from where it lay.

This Plaque was presented to the Shire President at the next Monthly Meeting.

The CEO acknowledged where it had come from (mid 2021)

After frequent reminders that this terrible disrespectful issue should be addressed, sadly nothing happened for 2.5years.

It's only where a conversation with Karen Callaghan in Jan 24, I mentioned my frustrations on the issue.

The Works Manager advised the Plaques would be removed on 19 Feb 24 which was the case.

Then the Courier lost the package for Three Months which added to the time frame.

Yes I am happy that this exercise is now complete, but years behind because of the Shire's Non Action.

Thank you to Karen, Peter & Works staff for their efforts.

Lastly the Our Shire article on the Lasting Tribute should have included a final comment -  
**THANK YOU WARREN (JEATER) FOR YOUR VALUED SUGGESTION OF REMEDIAL REGENERATION**

### **Tambellup Caravan Park – Progress Update**

*Things are taking shape at the Tambellup Caravan Park, and we're excited to share the latest with you! Stage 1 site works are almost complete, with just the right weather needed for contractors to seal and kerb the internal roadways.*

*In great news, we welcomed the arrival of the first three cabins in late June! Built in Perth and transported to site, the cabins have been carefully positioned on their new foundations, ready for the next phase of works, including utility connections.*

*There's still a bit more to do before the cabins are open for guests. Coming up next: installation of a prefabricated laundry, paving of car bays, steps to each cabin, fencing, and landscaping around the area to create an inviting, comfortable setting.*

*We've hit a small snag with the power connection, but rest assured we're working closely with Western Power to get things moving as quickly as possible. Thanks for your patience, this is an exciting step forward for our town, and we can't wait to see the park come to life!*

### **What's Been Happening Around Town**

*With this year's major roadworks program now wrapped up, our works crews have shifted their focus to some smaller, but equally important projects across the Shire.*

*At both the Broomehill and Tambellup cemeteries, new water tanks and taps have been installed, making it easier for visitors to care for grave sites and floral arrangements. The tanks, cleverly positioned behind the Niche Walls, are topped up by rainwater collected from the gazebos—and thanks to recent showers, they're already filling up.*

*Over at the Tambellup cemetery, the old niche wall has been removed and the area cleared and mulched, ready for new plantings. It's already making a noticeable difference to the overall look and feel of the site.*

*The upgrade of the Gordon River picnic area and walking trail continues to progress well. We've sealed and kerbed the car park for better access and repaired a washout on the trail to improve safety for walkers enjoying the area.*

*Our ovals are looking great but we're keeping a close eye on water supplies that keep our parks and sporting grounds green. The recent rain has given us a welcome boost, and we're hopeful for a good wet season ahead to top up our dams.*

*Thanks to everyone in the community for your continued support, it's your Shire, and we're proud to keep it looking great.*

### **McGuire Road – Drive Safe**

*We've recently heard from residents about concerns about driver behaviour on McGuire Road. In response, the Shire will be requesting a formal review of the current speed limit by Main Roads WA.*

*In the meantime, new signage has been installed to remind motorists that McGuire Road is a no- through road and to encourage safe and sensible driving. As always, we ask everyone to drive to the conditions and show consideration for nearby landowners and fellow road users.*

*Let's work together to keep our townsites safe and respectful to all. Slow down, stay alert, and help look after our community.*

### **Customer Service Survey**

*As part of our Customer Experience Strategy Project Plan, the Shire is undertaking a community-wide survey to understand how we're tracking and where improvements can be made. The survey is open now via <https://www.surveymonkey.com/r/K96BT8V> (or scan the QR code below) and will close on 18 July 2025 at 9pm.*

*Enquiries can be directed to Karen Callaghan on 9825 3555.*

### **Tambellup Dog Park Survey**

*We're seeking community feedback on the development of an off-lead dog park at the Tambellup Sports Ground (inside the East Terrace entrance). The survey includes questions on location preferences, fencing, amenities, and access. The survey is open now via <https://www.surveymonkey.com/r/XXD699D> (or scan the QR code below) and will close on 14 July 2025 at 9pm.*

### **Broomehill Primary School on Display!**

Broomehill has a splash of fresh colour thanks to the talented students at Broomehill Primary School, whose vibrant artworks are now proudly flying on the banner poles around town!

The students were asked to illustrate what makes their school special, and their responses say it all. An orange school bus, the Noongar seasons mural, our school uniform, Bill's Garden (nature play), the Shire mural, and of course, the school's name and logo!

A huge congratulations to all the students and staff involved, the banners look fantastic and truly showcase the spirit of the school and our community.

If your community group or organisation would like to get involved in the banner program, we'd love to hear from you. Please contact Pam Hull at the Shire on 9825 3555 to find out more.

## TAMBELLUP CWA

On the 12th June we all gathered over a hot cuppa and scrumptious morning and got down to business amongst lots of discussion.

The highlight for June is the State Conference 101 being held in Albany over a 3 day period. Thank you to Anne-Marie Lockyer & Amanda Bryce for representing Tambellup CWA and hope you have a wonderful time catching up with other CWA members from across the state.

The CWA Ladies have nominated to do Seniors Soup and Sweets on the 17th July, 2025 and look forward to catching up with the Seniors within our community.

At the conclusion of our meeting Thalma Nazzari presented Naomi Costello our newest member with a State CWA badge.

Our next Meeting will be held on the 8th August, 2025, at 10am at the CWA Rooms, Henry Street, Tambellup. Please come along and join us for a cuppa and learn about your local CWA as we are just not tea and scones.

## Biggest Morning Tea

Thank you to everyone who joined us for this year's Biggest Morning Tea! Together, we raised over \$540 for a great cause. A big thank you to those who donated prizes and items, and to the Community Bank for their beautiful raffle prize, and Nutrien Ag Tambellup for their generous donation. Your support means so much!

The AGM of the Corner Shop Museum Inc was held and all members who put their hands up for a position have once again re-nominated. Thank you to all for your support.

We had Pam Hull from the Shire of Broomehill-Tambellup attend our meeting to explain the intricacies of "Geo-Caching" and how we may assist in the development of the heritage trails with providing historical information and photographs of interesting points. This will provide another project for our committed members to work on throughout this year.

That then provides our topic for discussion for this month:

**If you were driving through the district to search for some on-line points of interest, what GPS points would you list? We would appreciate your feedback!**

My first one would be the River Regatta & boatshed site.

# Welcome to the team

Over the last few months, Gillamii has welcomed aboard two Project Officers,  
**Catherine Johnston and Jenna Walliser.**

Catherine has been busy engaging landholders and taking on our Fitz-Stirling Priority Place Project and Feral Cat Management Project, and Jenna will be delivering our Climate Action Project along with other Gillamii initiatives and projects within the region. We have no doubt the community will make both of our wonderful Project Officers welcome as they continue to learn about Gillamii and immerse themselves within our special part of the world.

In June, our Executive Officer Ash Marjoram will be going on maternity leave. Our passionate and knowledgeable committee continue to steer the organisation and we encourage anyone to reach out to any of our committee members listed on our website and staff to engage with Gillamii during this time. If you haven't already considered an annual membership with Gillamii and want to stay up to date on agricultural and NRM project opportunities and findings please sign up through the [gillamii.org.au](http://gillamii.org.au) website or pop into the office and say hello.
