Broomehill Heritage Group

On the afternoon of Saturday 3rd August, one of our esteemed members was awarded Life Membership to the Broomehill Heritage Group.

Dan Bignell has been actively involved in the Museum since The Broomehill Historical Society's inception in 1978. He has donated items to the collection as well as taking part in busy bees.

After a 2 year recess, the Historical Society re-emerged in 2019 as the Broomehill Heritage Group with Dan being nominated as President – a role he held successfully for 3 years.

Under Dan's guidance, the Museum display area was remodeled with new display cabinets, and a new roof was placed on the old Roads Board Shed.

Dan also generously donated his time, equipment & expertise to

relocate shed display items from the Broomehill Shire Depot to the old Roads Board Shed. He also coordinated the delivery and instillation of the sea container into the shed which now houses our office and archives.

He has also showcased his very artistic side by designing and making our fabulous shearer and wool presser models housed in the Museum.

Dan has been a very positive member of the Heritage Group. His attitude of *'do it now, then it's done'* has got us to the very satisfying stage of where we are today.

Congratulations Dan on an award that has been thoroughly deserved.

Anne Guazzelli

President

Broomehill Heritage Group

From Annie at the Broomehill Post Office

The biggest excitement during August in the Post Office has been the installation of a new entrance door. The hazardous nature of the door has been a concern of ours since we arrived in March. Hoping that we have pleased some of you who visit us especially those with small children.

We were unsuccessful with our bid for the carpet tiles in the most recent Shire surplus items auction. There were a lot more than we needed for recovering the PO floor. If the owner of these tiles reads this and has too many for their needs, please get in touch.

We love supporting recycling and have now visited the Containers for Change site in Katanning. There's much more to it than cans and bottles. The Broomehill Primary School P & C will have completed their Battery Recycling Drive and community inclusive 'Clean up Australia Day' event by the time this issue comes out. On the day, Rick and I will be doing our bit within the village.

There will be a Men's Shed Enthusiasts get together in the first week of October. Contact us for more details.

The Mount Barker Photo competition has been

happening for 23 years ! We have a poster and some entry forms with details about it at the PO. Rick enjoys the, quite spectacular, views he gets of the sunrise while on the twice weekly postal delivery run. He will enter a photo or two – Maybe others are already doing the same? If there are enough 'others', we could have a tiny exhibition of the Broomehill entries in the shop space of the PO after the Mt Barker event is over.

As another feature during the Bloom Festival which we couldn't get into the hard copy programme, Rick will be guiding a draw/paint/sip indoor event in Broomehill - at the weekend in the first half of October. Hoping the flowers will put on their best show for this!!

During the next school break, we will set up some children's activities out the front of the PO. We are still planning the times and types of fun but one good idea given to us is that we could set up a card or 'letter' writing session with stamps, envelopes and posting in the letter box. Good practice for 'letters to Santa' in the coming months!!

Thank you for reading and your feedback.

Excitement Builds as Tambellup Caravan Park Nears Completion

The Tambellup Caravan Park is on the brink of a vibrant new chapter, with final preparations underway for its grand opening.

Following a successful appeal from the Shire President to the Minister for Energy, power connection is now expected very soon marking a major milestone in the park's development.

Modular has officially handed over the cabin keys.

Final touches are being made, including the installation of a prefabricated laundry, paving of car bays, construction of cabin steps, and the addition of fencing and landscaping. These enhancements will ensure the park is both functional and welcoming for future visitors.

The Shire is thrilled with the progress and eagerly anticipates opening the doors to a facility that reflects the community's commitment to growth, hospitality, and innovation. Tambellup Caravan Park is set to become a proud asset for the region.

Successful Regional Road Safety Grant

We have successfully secured a grant under Tranche 1 of the Regional Road Safety Program – Local Roads. This will deliver significant safety improvements across the Broomehill-Kojonup Rd, including:

- Shoulder widening of 0.2m each side to achieve 7.4m width;
- Audible line marking over 30.83km;
- Targeted vegetation clearing; and
- Reinstatement of critical road furniture, including guideposts, culvert markers, and intersection signage.

This outcome represents a strong return on the time and effort invested in the submission and our ongoing commitment to safer regional roads.

Stronger Communities Grant – Tambellup Town Hall Ramp

We have also been successful in securing a Stronger Communities Grant to install a new disability access ramp at the Tambellup Town Hall.

This project supports the independence and inclusion of people living with disability, and improves accessibility for seniors, parents with prams, and others with limited mobility.

It is a long overdue improvement that will:

- Promote community inclusion and equitable access;
- Meet disability access regulations and standards;
- Improve safety and reduce risk; and
- Encourage broader community participation in public events and activities.

2025–2026 Budget Adopted

The Council adopted the 2025–2026 Annual Budget at its July Ordinary Council Meeting. This marks the start of what will be an exciting and productive year for the Shire. The total budget is \$14.81 million, including \$6.35 million allocated to capital works and \$8.46 million to operating services.

This budget includes a number of important, community-focused projects across infrastructure, roads, recreation, youth, environment, and planning. Some of the major highlights include:

- Tambellup Youth Centre upgrade and carpark sealing (Lotterywest funded);
- Tambellup Town Hall accessibility ramp and painting;
- New cabins, bollard lighting, and fencing at both caravan parks;
- Acoustic upgrades at the Tambellup Pavilion and improved lighting;
- Major road projects: Tambellup West, Tieline, Beejenup, Taylor, Pallinup and Warrenup Roads;
- Heritage trail development and ongoing support for our museums; and
- Records digitisation, review of the Strategic Community Plan, and consolidation of the Town Planning Scheme.

Improvements around Broomehill

The Shire's commitment to improving local amenity and safety continues. Recent works include:

- Installation of new lighting around the Broomehill Caravan Park. These lights activate automatically before visitors step onto the curbing, creating a much safer passage at night.
- Affixing of a bench at the Holland Track Start Point to provide a place to rest for visitors while they read the information provided.

- Replacement of internal lighting at the Broomehill Recreational Complex with modern LED fittings, which has resulted in a significant improvement in brightness and energy efficiency.

Vietnam Veterans Commemoration – Remembering Private Brian David Waters

Councillors, staff, and members of the public gathered at the Tambellup gravesite of Private Brian David Waters of the 6th Battalion, Royal Australian Regiment, to commemorate and recognise his sacrifice, and of all those killed or injured in the Vietnam War.

Brian was born in Guilford on the 9th of January 1945 and came to Tambellup in early 1966 in order to manage a farm owned by Mrs Paisley on Beejenup Rd. Brian's war records show he joined the 6th RAR in June of 1966 and was involved in Operation Bribie on the 17th of February 1967, also known as the battle of Ap My An, named after the nearby abandoned local village. This battle was reminiscent of the battle of Long Tan in that the Australian forces were severely outnumbered by the Viet Cong and the North Vietnamese army. Brian was a member of 5 Platoon, B Company, 6th Battalion, which was involved in a lead role in the battle and, unfortunately, suffered heavy casualties. Brian died on 17th February 1967.

We gather yearly to remember and reflect on the bravery, teamwork, and endurance of our Vietnam Veterans, and in honour lay a poppy on the grave of Private Brian David Waters.

Farewell Kay – Thank you for 18 years of Service to the Shire

This month, we said farewell to Kay after 18 years of dedicated service to the Shire. Kay has been a consistent presence in our organisation, known for her knowledge, commitment, and the support she has given to staff, the Council, and the community over many years.

Her contribution across the organisation has been significant, and her willingness to share her experience and support others has left a lasting impact.

On behalf of Council and staff, we thank Kay for her work and wish her all the very best for the future.

drumMUSTER is proudly operated by

Recycle your clean, empty AgVet chemical drums with *drumMUSTER*

Since 1998, *drumMUSTER* has recycled more than **45 million drums**, diverting more than **47,000 tonnes from landfill**, turning them into useful products like fence posts, pipes, and even **new chemical drums**.

How it works:

- ✓ Triple rinse your empty chemical drums to remove all residue
- ✓ Remove lids and let them dry completely
- ✓ Find your nearest collection site and drop them off for recycling.

RINSE THEM OUT
ROUND THEM UP
RUN THEM IN

By recycling your drums, you help keep farms clean, protect the environment, and support sustainable farming practices.

EXTRA!! EXTRA!!

RIVER OF LIFE BOOK LAUNCH

**TUESDAY 9TH SEPTEMBER
FROM 10AM
AT THE TAMBELLUP CRC**

We're thrilled to announce that River of Life – Book 3 is ready for release!

The River of Life booklets, lovingly compiled by a local Tambellup resident, share the treasured life stories of Tambellup residents – past and present.

★ Book 1 – Octogenarians in Tambellup in 2015

★ Book 2 – Septuagenarians in Tambellup in 2016

★ Book 3 – Septuagenarians in Tambellup in 2024, including former residents who missed out on earlier editions

As part of this special release, Books 1 and 2 have also been refreshed with a new layout and updated covers!

📖 Available in two sizes:

📌 **A5 Booklets** – \$15 each or the full set (Books 1–3) for \$35

📌 **A4 Booklets** – \$25 each or the full set (Books 1–3) for \$65

Celebrate the lives and stories that make our town unique – a perfect keepsake or gift for anyone connected to Tambellup.

Extract from book 3's forward

While there were more individuals who fit into this category unfortunately we couldn't obtain all their stories. Therefore we have included narratives from long-time Tambellup residents who have since retired to other towns but maintain strong ties to our community. Additionally, some stories from past residents who have passed away were submitted by their family members.

***“WE ARE
GRATEFUL TO
ALL THOSE
WHO
PARTICIPATED
AND SHARED

The Tambellup Community Cropping Group was established in 2013 with the ambition to help support and grow the Tambellup Community. The group comprises of a dedicated collective of community members who, each year, volunteer their time to establish a crop, supported by farming families, individuals and local business. The annual profit goes directly back into the community through locally developed projects, driven by the people of Tambellup.

Update from the committee

While there's not much new to report from the committee at this time of year, the lupin crop has been doing most of the heavy lifting over the past few months. There's some variation between paddocks, but overall, the crop is shaping up to be a solid one this year.

Many of you will have noticed the progress at the Caravan Park. We're pleased to share that we'll soon be purchasing additional cabins. It's been a long time coming, but we're excited to be moving forward, and grateful that, even after the recent property purchase, we're still in a strong position to invest in this project.

Keep an eye on this page as we get closer to harvest, plans for the 2025 Harvest Day are well underway, and it's shaping up to be our biggest and best yet!

The community crop would not be possible without the continuous support from the local community, agricultural industry and the Broomehill-Tambellup Shire. Thank you to all those who contribute to the crop each year.

Southern Dirt is celebrating the remarkable success of the *Cultivating Sustainable Futures: Community Saltbush Project*, heartwarming community initiative tackling one of our region's toughest environmental challenges, salinity.

Backed by FRRR and the Australian Government's Future Drought Fund, the project united farmers, school students, educators, Indigenous rangers, shires, and volunteers across Kojonup, Boyup Brook, Broomehill, and Tambellup. Together they rolled up their sleeves to restore degraded land with the help of one of nature's hardest plants, saltbush.

More than 170 students, ranging from pre-primary to Year 10, took part in the project. Far from being confined to the classroom, they got their hands dirty exploring the realities of farming, soil health, and sustainability. Through educational sessions, soil experiments, and planting days, students discovered how salinity threatens farmland and how native plants can help restore ecosystems. Each school Boyup Brook District High School, Broomehill Primary, Kojonup District High School, and Tambellup Primary was paired with a local grower, building strong connections between young people and the land. Even the rain couldn't dampen spirits, as kids got muddy, dug in and planted thousands of seedlings, and made a difference to our environment.

This was not just a school activity, but a whole-community movement. Farmers, educators, Indigenous rangers, and volunteers came together for community planting days in Kojonup and Boyup Brook, sharing knowledge on drought resilience, water conservation, and the role of native vegetation in bringing degraded soils back to life. The Wagyl Kaip Noongar Kojonup Rangers contributed their knowledge and support at the school planting days, while Lucinda's Everlastings donated wildflower seeds, which the children used to make "seed bombs" to scatter across the landscape.

Across six salt-affected sites in Muradup, Boyup Brook, and Tambellup, more than 6,000 Old Man Saltbush plants were established. This hardy native shrub, carefully sourced from locally adapted stock, is reclaiming degraded land, lowering salty groundwater levels, improving water infiltration, and providing a valuable fodder source for livestock through the tough summer months. Some farmers also trialled alley plantings, integrating salt-tolerant pasture species alongside saltbush to boost biodiversity and create a more balanced diet for stock. With smart land preparation—

using ripper mounders to lift seedlings above the salty profile, these plantings are set up for long-term success.

Participating farmers have committed to continuing salinity management with saltbush, saline-tolerant trees, and pastures. Students and community members alike showed a dramatic increase in knowledge and awareness of salinity, drought resilience, and sustainable farming. Schools are eager to maintain their new connections with farmers, ensuring students have ongoing opportunities to learn on-country and experience agriculture firsthand.

The project has also highlighted the urgency of action. Each year, valuable farmland across the Great Southern is lost to salinity, reducing productivity and profitability. Rising saline water tables damage pastures, lower crop yields, and degrade water supplies, placing growing pressure on farming businesses. Yet, as this project demonstrates, salinity can be managed with the right tools, knowledge, and community spirit. Strategic revegetation, water management, and regenerative practices like saltbush planting can transform unproductive ground into thriving forage, boost biodiversity, and build resilience against drought.

For landholders facing salinity challenges, now is the time to act. Fencing off fragile creek lines can allow natural regeneration to begin, while revegetating ridge tops with deep rooted trees helps use up excess water reducing pooling in lower areas. And with tools such as DPIRD's Saltland Genie app, farmers can access practical, property-specific management strategies. Southern Dirt's project officer, Jess Sunderland, is also available to provide hands-on advice and support.

With the generous support of FRRR and the Future Drought Fund, the Saltbush Project has shown what can be achieved when education, community, and land regeneration come together. A video of the project is on the Southern Dirt website so be sure to go check it out.

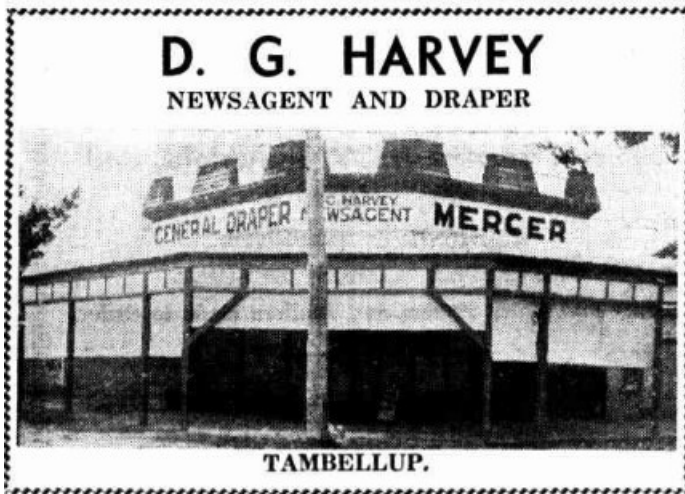

Southern Dirt, based in Kojonup, is a not-for-profit grower group that brings farmers together to share knowledge, trial new practices, and drive innovation across the region. To find out more, or to become a member, contact Southern Dirt on 0455 581 729

CORNER SHOP MUSEUM INC.

Station Master's House
Norrish Street, Tambellup WA 6320

We have had a number of visitors and enquiries regarding old Tambellup families of late. The family of Julius, Albert and Eric Gmeiner have contacted us to see what information we may have. Albert Gmeiner farmed at Toolbrunup and Eric & father Julius at Watergarrup.

Does anyone have any recall of the Gmeiner family in Tambellup? According to our research, Albert Gmeiner purchased the Drapery/Newsagent Store in 1918 and sold it to the Harvey's in 1922. The Harvey's then built the current Bendigo Bank storefront as their new Newsagency/Drapery Store in 1924.

We have also had a visit from the grandson & great grandchildren of Gordon and Ella Cousins. They called in and visited our Museum and were thrilled to find photographs of the family and some more information to add to their history. They now live in Gympie, Queensland.

Remember, the last Friday of the month the Museum is generally open and we welcome

We are meeting at the

Over a hot cuppa and an awesome arrangement of morning tea on a chilly August morning we gathered for our meeting. We welcomed Lottie Bishop who joined us for the morning in amongst lots of chatter.

Jules took charge and wanted to highlight the CWA Cookbook during the generations of her family. Being Dairy Farmers we were very lucky to be spoilt with choice, but the meals being simplistic, tasty and fulfilling. The CWA Cookbook was a huge part of our cooking and My Grandmother's and Mother's only cookbook with lots of other recipes on bits of paper within its pages.

We were never short of melting moments, anzacs, patty cakes, raspberry shortbread, slices & cakes, sausage rolls to just name a few. It has also been duly noted that sons during the generations have sold their morning teas to friends at school to purchase goods at events (such as the Dowerin Field Day to name one) The pantry was always full of bottled fruit, Jams, Pickles and chutneys.

When times were tight Gran would improvise the sausage meat and add Kangaroo meat and the visitors and ourselves were non the wiser! But none of us could be persuaded to dine on her 28 parrot soup! However tasty it was! And thankfully not in the context of the CWA CookBook.

The Meeting was then adjourned and Anne-Marie gave us a report on the CWA 101 Conference that was held in Albany. Well attended and great to meet with women from all over the state.

The Tambellup CWA will be not having a meeting in September 2025 BUT going on a road trip being the Broomehill Postie Run and then onto the Horsepower Highway where we will finish off with a lovely lunch in Gnowangerup. Look forward to seeing you all on the road trip.

Tambellup CWA's next meeting will be held on the 9th October, 2025 at the Meeting Rooms commencing at 10am, 34 Henry Street.

Please come along and join us over a hot cuppa. We are more than just Tea & Scones.

HARVEST BAN HOTLINE PHASE OUT

The Shire would like to advise the community that the **Harvest Ban Hotline will not be in operation this fire season**. The phone service has been changed from a copper line to a digital service. This means that if there is a power outage, the Hotline will not function – which is a risk during the fire season when timely information is critical.

To make sure you stay informed, we encourage everyone to:

- **Follow the Shire of Broomehill-Tambellup** on Facebook or Instagram for information about Harvest and Vehicle Movement Bans and Total Fire Bans
- **Download the Emergency WA app** for up-to-date alerts and warnings.
- **Subscribe to the Shire's SMS service** to receive direct notifications about Harvest and Vehicle Movement Bans.

To subscribe to the SMS service, simply email mail@shirebt.wa.gov.au or phone the Shire office on 9825 3555.

These channels are the most reliable ways to receive information during the fire season. Please take the time now to set them up and be prepared.
