### From Annie at The Post Office, Broomehill

The last month has been full of natural entertainment.

Wildflowers – just everywhere: how do people remember all their names?

Birds from tiny little wrens and finches to the big ravens/crows – all singing magnificently.

Blossoming edible fruit trees and ornamentals of all sorts - feeding bees, insects and other creatures.

And then, in the blink of an eye they are starting to fruit and produce their leaves.

Then there's the roses(some people say that they grow like weeds in this area!!! and the aphids. Some people say they are like weeds!! They also say that the aphids will pass and they are here every year. I have very little knowledge of roses and will have to wait and see how they go through the next 5 months – The ones we have at the Post Office are all very old and I think they are growing on me.

Anyone wanting a baby Oak tree, please get in touch as we have a few of them doing their own thing at the moment!

We were very pleased to have 10 all ages people attend the Paint and Sip at Henry Jones. There were some lovely

paintings that emerged and think it would be good to have another one happen in the first quarter of next year, maybe around Easter time?

We went to Ongerup for the opening of the Bloom Festival. The museum there is great. We will now try to get back to visit the Yongergnow Australian Malleefowl Centre which is a fantastic, fairly new, facility. There is an art gallery and a lovely café and the CRC for the area are based there. Their own Vision description says it all – Community, Culture, Conservation. We arrived there too late for a good look so we want to go again – anyone else interested? Let us know and maybe we can organise a small bus trip.! We have more written information at the PO or you can look at [www.yongergnow.com.au](http://www.yongergnow.com.au) We have the Show at Katanning to visit tomorrow, and we have entered some pieces for the first time – craft, art and photographs.

Music in November – please ask us if you want more details. Saturday 15<sup>th</sup> and Saturday 22<sup>nd</sup> are two dates for a run through together as we will be singing Christmas Carols in the Village in December. The date in December is still to be determined. All are welcome, all instruments and voices are encouraged. Prima donnas are not !!! but we do really encourage all.

Next issue is December - Lots happening then and I can't believe Rick and I will be here for New Years Eve - !!

### Community Breakfast Brings Locals Together

The Shire hosted a Community Breakfast on Friday, 24 October 2025, bringing residents together for a morning of good food, conversation, and connection.

Following breakfast, CEO Karen Callaghan gave a short presentation outlining current projects and future plans for the Shire. Deputy Shire President Cr Sara Robinson, on behalf of the Councillors, then invited residents to share their ideas, ask questions, and provide feedback.

Thank you to everyone who joined us and contributed to the discussion. Your input is valued and will help guide future decisions.

Community engagement is key to shaping the Shire's direction, and we appreciate your continued involvement.

### From the Council Chambers

Our new Council has officially been sworn in following the 2025 local government elections.

We are pleased to announce that Cr Sara Robinson, Cr Connie Witham, Cr Craig Dewar, and Cr Carl Letter were elected unopposed to serve four-year terms, concluding in 2029.

Cr Doug Barritt has been elected as Shire President, and Cr Sara Robinson appointed as Deputy Shire President.

A warm welcome to Cr Connie Witham, our newest Councillor, and sincere thanks to Cr Michael White for his leadership as Shire President over the past four years. We're grateful he'll continue to serve on Council.

We also extend our heartfelt thanks to Julian Wills for his dedicated service and commitment to the community during his time on Council. His contribution has been greatly valued.

### Broomehill is Lighting Up the Night!

Broomehill is shining brighter than ever. We're excited to announce the completion of a town centre lighting upgrade that's transforming our evenings into something truly special.

This project brings a fresh glow to our community, making it safer, more walkable, and more welcoming, just in time for those lovely, balmy nights.

Here's what's new:

- New solar lighting along the footpaths on the railway line entrance to town, offering a sustainable and stylish welcome.
- Enhanced lighting in Sheridan's Memorial Garden, adding to its peaceful charm.
- Improved lighting around the Town Hall and Holland Park, highlighting their heritage and inviting community spirit.
- Well-lit paths into and around the Caravan Park, ensuring safe and easy access for visitors and locals.

This upgrade isn't just about lights—it's about creating a vibrant, safe, and inviting atmosphere that celebrates the beauty of Broomehill and the warmth of our Shire. Whether you're strolling through the gardens, heading to an event at the Town Hall, or enjoying a quiet evening walk, the new lighting makes every moment feel a little more magical.

### Little Street Libraries in Broomehill

Two new Little Street Libraries are now open at Holland Park and the Broomehill Caravan Park.

Funded through a recent community grant, these mini libraries make it easy for everyone to enjoy free books in our public spaces. Take a book, leave a book, or simply stop by for a browse during your walk or stay.

Thank you to the Katanning Men's Shed for their craftsmanship, and to the Broomehill Primary School students whose bright artwork makes each library stand out.

More than just a place for books, these libraries celebrate community, creativity, and connection. Visit, explore, and share the joy of reading.

### Tambellup Caravan Park Update

Progress continues steadily on the Tambellup Caravan Park project, with several key milestones already achieved.

Construction of the laundry building is well underway, and site works are nearing completion. The internal roads have now been sealed and kerbed, with only the installation of bollard lighting remaining. Final commissioning and handover of the site are expected in the coming weeks.

While significant progress has been made, there are still a few tasks to complete before the cabins become operational. These include:

- Paving the car park areas
- Installing steps and balustrades for the cabins
- Erecting perimeter fencing
- Completing landscaping and reticulation
- Fitting out the cabins and laundry

Development of the online booking platform is also progressing well and will follow the same format as the existing Broomehill Caravan Park system, ensuring a smooth and familiar experience for users.

Once complete, the new facility will offer a comfortable and welcoming space for visitors, helping to showcase our community and support local tourism.

### Safer Roads Ahead for Broomehill-Kojonup Road

We're pleased to share that the Broomehill-Kojonup Road is set to receive a major safety upgrade, thanks to funding from the Safer Roads Grants via Main Roads WA.

A total of \$1.6 million has been allocated across the 2025–26 and 2026–27 financial years, with 100% of the funding provided externally. An additional \$150,000 may also be secured for signage improvements.

The upgrade will cover approximately 30 kilometres, stretching from the Broomehill townsite to the Shire boundary.

Planned improvements include:

- Widening the sealed shoulder by 0.5 metres on each side
- Installing audible lines on both edges and down the centre of the road
- Adding white edge lines on both sides
- Improving road signage
- Extending several culverts
- Tree pruning where necessary
- Patching of worn and potholed areas

These enhancements will significantly improve road safety and driving conditions for all users, making travel through our region safer and more reliable.

### PROHIBITED BURNING PERIOD COMMENCES 1 NOVEMBER 2025!

The Prohibited Burning Period commenced on 1 November 2025 and is in effect until 1 March 2026. No burning is permitted during this period.

All residents have an obligation to prepare their property prior to the fire season, to reduce the risk of fire. For more information please refer to the Fire Break Order 2025-2026, on the Shire's website at <http://bit.ly/47Q5HKB>.

### A REMINDER TO STAY INFORMED THIS FIRE SEASON

With the old Harvest Ban Hotline no longer available, use these channels for updates:

- Emergency WA: [www.emergency.wa.gov.au](http://www.emergency.wa.gov.au) or the app
- ABC Radio Great Southern: 630AM or 558AM
- DFES on Facebook
- Shire SMS alerts: call 9825 3555, email [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au) or use <http://bit.ly/42CoGol>

*The QR code below directs to the Emergency WA website, which then prompts to download the app.*

### Stand-Alone Power Supply Systems Firebreaks

Property owners with a Stand-Alone Power Supply are reminded to maintain a 2.5-metre firebreak immediately outside the enclosure for the upcoming fire season.

Creating and maintaining this break helps reduce the risk of wildfire damage to your power system. This can be achieved by spraying vegetation or cultivating the soil to form a mineral earth break.

For further information, please contact your local Fire Control Officer.

### Shipping Containers

The Shire has noticed an increase in shipping containers being placed on properties across Broomehill and Tambellup. This impacts the look and feel of our towns and rural areas.

Local Planning Policy No. 1 – Sea Containers (<https://www.shirebt.wa.gov.au/documents/217/local-planning-policy-no-1-sea-containers>) outlines when and where containers can be placed. Planning approval is required in most cases.

Over the next month, the Shire will focus on container compliance. Property owners are encouraged to review existing containers or contact the Shire's Development and Regulatory Services team for advice before placing new ones.

Let's work together to keep our community tidy and consistent.

### FAREWELL TAMBELLUP

It is with mixed emotions that we, as a family, bid farewell to Tambellup — a community that has not only been our home for the past six years, but also a place where we have experienced warmth, friendship, and belonging beyond measure.

On behalf of three of us, we would like to express our deepest gratitude to the Shire of Broomehill-Tambellup, the Tambellup Co-op, and the Tambellup Community for the trust, support, and encouragement you have extended to us. From the very first day, we were welcomed with open arms, and your kindness and generosity have made us feel truly part of this wonderful community.

We are sincerely thankful to the 124 store staff, especially Kate, Jules and Jasmine for their unwavering support, guidance, and friendship. Over the years, we have come to regard you not merely as colleagues, but as family. Your professionalism, warmth, and fellowship have made every day at work a meaningful and memorable experience.

We also want to extend our heartfelt thanks to Rita and Roma, and all the residents at Sandalwood Villa. The love, care, and companionship you have shown to us and specially our daughter have been remarkable. She has been joyfully spoiled on her birthdays, at Easter, and Christmas with gifts, attention, and affection, creating memories she will carry forever. A special mention to Nanna Rita Chadbourne for looking after her, playing board games, and keeping her company while we were at work — your care and generosity have touched our hearts deeply.

We will always cherish the memory of Grandpa Duncan Chadbourne, who is no longer with us but will forever remain in our hearts. The special connection and bond we shared with him has been invaluable, and his memory will continue to be a source of inspiration and warmth for our family.

We will also deeply miss our daily conversations, laughter, and friendship we have shared with all of you. These moments, though simple, have been a source of joy, comfort, and connection, and they will remain among our most treasured memories.

While leaving Tambellup is a deeply emotional and difficult decision, it is guided by our desire to pursue new opportunities for the growth and well-being of our family. Even as we look forward to the future,

we will carry with us the bonds, friendships, and fond memories that this community has so generously given us.

On behalf of our family, we sincerely thank each and every member of the Tambellup community for your love, trust, and support over the years. You have welcomed us, supported us, and made us feel at home in ways that words cannot fully capture. Tambellup will always hold a very special place in our hearts, and we hope to remain connected with all of you, no matter where life leads us.

Thank you.

Amandeep, Gurwinder & Harjas

### HARJAS FAREWELL SPEECH

Hello everyone,

I want to say a big thank you to the all Tambellup people for all the love and care you have given me. From the very first day, you made me feel so special, and I will always remember that.

I feel so lucky to have grown up here, surrounded by such kind and caring people. I have received so many gifts on my birthdays, at Easter, and at Christmas — you have truly spoiled me in the best way, and I will never forget your kindness.

I also want to say thank you to Rita, Roma, Kate, Jules for always making me smile and fun times. A Special thank you to Nanna Rita for looking after me while Mum and Dad both were at work, for playing board games with me, and for giving me company. Even if I beat you in all the games you still want to play with me .

And to the coffee group thank you as well for your patience with me while I served you at the till, counted money and practiced my maths — you always encouraged me and made it fun. You have been such a big part of my life here.

I also want to add that I will keep coming to Tambellup for tennis tournaments and catch up with you then.

I have made so many special bonds and friendships, and those bonds can never be broken. I will miss everyone so much, but Tambellup will always stay in my heart.

Thank you for everything. I will never forget you.  
Harjas

# CORNER SHOP MUSEUM INC.

Station Master's House  
Norrish Street, Tambellup WA 6320

The Corner Shop Museum has been gifted a bag of memorabilia which must have been packed up from Snowy Wilson's shop when it was sold. It had made its way through Auction Houses and friends of friends and has made its way back to Tambellup care of some people in Albany and help from our own Melissa at the CRC. As we know, Snowy was an integral part of the development of Tambellup from Secretary of the Tambellup P&C, committee member of most sporting clubs including the Tambellup Boating Club and then Aquatic Club.

An interesting item among the Snowy Wilson Collection of papers was a Bank of NSW Passbook for the Junior Punters Club which was active between June 1966 and July 1969. Names mentioned include Herbert, Hankinson, Hebson, Olden, Johnston & Ackley.

## **Broomehill Heritage Group**

### **President's Report 2025**

We have had another busy year, completing the following:

- Brick paving completed on west side of shed
- Sea container - lino laid down, shelving installed, items relocated from back room of Museum
- Lighting installed in sea container & timed lights installed in shed
- Security cameras installed for gazebo & shed
- Telephone Box relocated to the Broomehill Men's Shed (thank you to Jonno Webster for his assistance in the relocation & to Brian Sanger & Leigh Smit for the restoration work)
- Laminated glass panels purchased for the Telephone Box
- 6 aprons purchased for members to use at events - eg: ANZAC Day breakfast & The Antiques Fair
- New enamel mugs (Holland Track) were purchased and on sale at the Broomehill Museum
- Dan Bignell was made a Life Member of the Broomehill Heritage Group

ANZAC Day & The Antiques & Collectors Fair were once again successful & well attended.

We continue to get positive feedback not only from visitors (comments in book), but from locals as well who have watched the transformation over the years.

As always, I would like to sincerely thank the Broomehill Heritage Group committee, the Shire of Broomehill-Tambellup and the Tambellup GRG for their continued support.

Thank you,

Anne Guazzelli

President
