In August 2025 (as part of their pre season training), members of the Subiaco Floreat Cricket Club spent a weekend "on the farm", with one of their objectives being the task of cleaning out the sheep manure from under the shearing shed. This they did, very well - the 2 shuttles pictured were but a small fraction of their efforts! The cricket lads wish was to see the 2 shuttles sold, with all proceeds to then be donated to the TA St John Ambulance. So, an opportunity to support a great cause, and to do your garden, or vegie patch, a big favour! Estimate that each shuttle would be around 75-80 % of a cubic metre. Free delivery to anyone within the BHTA shire, and you can keep the shuttle if you want! Reasonable offers please- it's for a great cause! Thankyou

Volunteers Wanted

The Tambellup CRC is looking for volunteers to help ensure Family Fun Day runs smoothly.

We're looking for friendly helpers to possibly assist with:

-  Set-up & pack-down
-  Bouncy Castle Supervision
-  General help on the day

Why volunteer?

-  Even a short time helps
-  No experience needed
-  Many hands make light work, the more volunteers we have the less time everyone will be needed
-  Be part of a fun, family-friendly event

Council Meeting Wrap-Up: 18 December 2025

The final Ordinary Council Meeting for 2025 was held on Thursday, 18 December, bringing another busy year for the Shire of Broomehill–Tambellup to a close. A wide range of items were discussed, covering planning, community facilities, governance, and financial management.

The meeting included updates on local facilities, such as the Broomehill Rest Stop reflecting the Shire's continued maintenance and oversight of key community assets.

As usual for the final meeting of the year, a comprehensive package of governance and reporting documents was presented. Council reviewed the Monthly Financial Report and Payments Listing for November 2025, ensuring transparency and sound financial stewardship heading into the new year.

Also received were the 2025 Auditor General's Report, the 2024–2025 Annual Report, updates to Council delegations, and new and updated policies such as the Equal Employment Opportunity (EEO) Management Plan 2025–2027, and the Elected Member Training and Professional Development Policy. These documents help ensure the Shire continues to operate effectively, responsibly and in line with its statutory requirements.

The meeting closed with Council reaffirming its commitment to good governance, community engagement and ongoing improvements to local services and facilities. With planning reforms underway and several key operational documents now updated, the Shire is well-positioned for a productive year ahead.

Tambellup Caravan Park Nearing Completion

Exciting progress is being made at the Tambellup Caravan Park, with a range of works now underway as the project moves into its final stages. Staff are currently coordinating trades to complete important external tasks including boundary fencing, landscaping, paving, concreting, and the installation of balustrades and steps to the new cabins.

Inside the cabins, the Shire's works team has begun installing furniture and equipment, bringing the interiors close to their finished state. Behind the scenes, the online booking platform has now been fully set up and is ready to accept reservations when the park officially opens.

Accommodation charges were adopted as part of the 2025/2026 budget, with nightly cabin rates set at \$150 per night. Guests booking seven nights or more will enjoy a discounted rate of \$135 per night.

The Shire is continuing to work toward the cabins being ready for guests by the end of February 2026, and we look forward to welcoming our first visitors to the newly improved Tambellup Caravan Park.

Bushfire Season Update – Let's Stay Prepared!

To date, our volunteer bushfire fighters including farmer response units, Broomehill Central, and Tambellup VFES have responded to 11 fires across our farming community. One of these incidents, on 16 December, escalated to an Emergency Warning due to its location within a hobby block adjacent to the Broomehill townsite.

This serves as an important reminder: depending on a fire's location, emergency services may not have time to circulate alerts through media channels such as Emergency WA or the Telephone Warning System. If a fire starts close by, it could impact your property quickly.

Do not wait for a notification to leave your property if you are not prepared.

A big shout-out to our local farmer response units who gave up valuable time during harvest to assist our neighbours with the Mindarabin fire. Your efforts make a huge difference!

Take Action This Month – Bushfires Don't Wait for You to Be Ready!

Here are five practical steps you can take now:

- **Do your Bushfire Reality Check:** Walk around your home, talk with your family, and identify areas for improvement. No action is too small.
- **Update or create your bushfire plan:** Use the Emergency WA app to ensure your plan is ready for this season. Share it with everyone in your household.
- **Connect with your community:** Share these tips with neighbours, friends, and local groups. The more people who are prepared, the safer we all are.
- **Stay informed:** Monitor fire danger ratings and local alerts. Sign up for notifications on the Emergency WA app so you're always up to date.
- **Reach out for support:** If you need help or resources, contact your local Community Preparedness Advisor or the DFES Community Preparedness Directorate <https://www.dfes.wa.gov.au/hazard-information/bushfire/prepare>

For step-by-step guidance, checklists, and practical tips, download the Bushfire Preparation Toolkit from the DFES website.

Keep Your Home Mozzie-Free This Summer

With warmer weather comes an increase in mosquito activity, and many people are surprised to learn that the biggest breeding grounds may be right in their own backyards. Mosquitoes only need a small amount of still water to lay their eggs, and they will use anything from fresh to salty water. Common hiding places include pot plant drip trays, ponds, pet bowls, old tyres, roof gutters and even items of rubbish that collect rainwater.

The good news is that you can significantly reduce mosquito numbers around your home by following a few simple steps:

- Remove standing water: Empty or throw away containers and rubbish that may hold water.
- Clean roof gutters: Blocked gutters create perfect pools for breeding.
- Refresh outdoor water: Empty, clean and refill birdbaths, stock troughs and pet bowls at least once a week.
- Maintain your pool: Keep swimming pools clean, filtered and free of leaf litter.
- Clear wading pools daily: Empty wading pools at the end of each day.
- Use fish in ponds: Fish help control mosquito larvae naturally.
- Cover large water openings: Fit mosquito-proof mesh to rainwater tanks, septic openings, wells and similar
- Trim vegetation: Keep the edges of dams and ponds free of dense plants, and mow lawns regularly to reduce mosquito resting sites.

By taking these steps, you can help protect your household and contribute to reducing mosquito numbers across the community.

Taking Care Of Your Mental Health and Wellbeing in 2026!

- Being active, having a sense of belonging and having a purpose in life all contribute to good mental health and wellbeing, and builds stronger communities.
- Being proactive and prioritising our mental health and wellbeing is key. The most effective way to promote and support your mental health is found in the principles of Act Belong Commit.

For good mental health:

- Act. Do something. Keep active – mentally, physically, socially, spiritually, culturally... Go for a walk, say hello, read a book, meditate or pray.
- Belong. Do something with someone. Keep connected – to friends, family, and your community. Join a book club, join a sports team, take a cooking class, go to community events.
- Commit. Do something meaningful, important and valuable to you. Volunteer, learn something new, take on a challenge, take up a cause, help a neighbour.

Complete the Act Belong Commit Mental Wellbeing Quiz and take the first step to boosting your mental health and wellbeing.

Crowden Street/Henry Street Intersection Modifications

The Council has endorsed a streetscape upgrade for Crowden Street, which will include the planting of street trees, installation of street furniture, and alignment of the eastern end between Taylor Street and East Terrace. These works are intended to enhance the overall amenity of the area and provide a more welcoming pedestrian entry to the Tambellup Sports Ground.

As part of these improvements, the Shire is also reviewing the current traffic arrangements at the intersection of Crowden Street and Henry Street. Historically, Henry Street was the priority road into the town centre from Gnowangerup–Tambellup Road. Following modifications to the five-way intersection at Taylor Street / Henry Street / George Street, the eastern end of Henry Street was converted into a cul-de-sac; however, traffic signage at the Henry Street / Crowden Street intersection was not updated to reflect this change.

To better align the signage with the existing road layout and improve safety and functionality, it is proposed that Crowden Street be designated as the priority road, with give way signage relocated to Henry Street.

The streetscape plan for Crowden St showing the proposed modifications is available for inspection at the Shire Administration Offices, and on the Shire's website at <https://www.shirebt.wa.gov.au> under 'Shire Plans'.

Community members are encouraged to provide their comments or raise any concerns regarding the proposal. Written feedback is invited, and can be provided:

- By mail to the Shire at 46-48 Norrish St Tambellup 6320;
- By email to mail@shirebt.wa.gov.au; or
- By using the online feedback form at <http://bit.ly/42CoGol>.

Submissions close on 4 March 2026.

Karen Callaghan
CHIEF EXECUTIVE OFFICER

Welcome to 2026! Another year ahead to support those within our community and neighbouring communities through Country Women, for Country Women. Volunteering within our small regional areas is a valuable tool/asset to keep our towns alive and progressive.

A recap on the end of year/activities for 2025, saw us host Kings Park Fashions at the ambulance sub centre on the 26th November. Morning tea and a raffle were also incorporated into the morning with lots of chatter. Thank you to those that supported this event at such short notice. Kings Park Fashions will be back with their winter range later in the year, we will keep you posted.

The 19th December was a busy day whipping up salad rolls, preparing fruit platters and cutting up slices at our well organised stations in amongst banter, in preparation for the Tambellup Community Cropping Group Harvest Day workforce. It was a great day out in amongst the farmers giving us updates on how the harvest was progressing. It was great to see the number of up and coming farmers tagging behind their fathers getting into the next big piece of machinery. The kids even improvised with a piece of wood they found and played a game of cricket. It was a great sight to see and brought much laughter amongst the adults. Later in the evening the CWA ladies helped out serving up hamburgers after the arrival of Santa and the Auction of the grain. Thank you to the Cropping Group for asking the CWA again to be involved.

Thank you to all our CWA Members for a great 2025 through friendship, helping community and beyond and here is to 2026 another year ahead and many more adventures.

Tambellup CWA will be holding their AGM on the 12th February, 2026, at the CWA Rooms, 34 Henry Street, Tambellup commencing at 10am, followed by our normal meeting.

Please come along and join us over a hot cuppa. We would love to see some new faces and embrace any idea's or suggestion's for our coming year. We are more than just Tea & Scones we look forward to seeing you

A Thought.....

If we travel through life
With a song in our hearts,
We'll have less of trouble and cares.

If we travel through life
With love in our hearts,
We're sure to find love everywhere.

If we travel through life
With a dream in our hearts,
What miracles we may behold.

For, with love in our hearts
With a song and a dream,
We'll never have time to grow Old.

The above poem was found in the Tambellup Hospital Board Records in 2022 but the Author is unknown. Can anyone enlighten us to the history of this little piece.

Hoping to see lots of visitors during 2026.

FROM THE BH POST OFFICE: HARVEST REFLECTIONS & SIMPLE JOYS

An update from Annie at the Broomehill Village Post Office

It seems ages since we received a copy of Topics, yet it is only one month that has been missed, I guess this will be a bumper edition!!

Our Caroling in December was a good introduction, for a small group, of us to informal singing and playing instruments together. We look forward to building on these musical beginnings.

For Rick and I this harvest season was our first time to witness what a dominant feature of Broomehill life it is. How unpredictable the schedule for each farm can be. How stressful for many involved – we hope that the holidays of January help all to come back refreshed and ready for whatever 2026 offers.

This year we look forward to attending the monthly, Friday Sewing Session using sewing machines at the Fire Station in Broomehill. It is really going to get some mending and alterations of clothes done by me, at last. The session is informal and free to attend.

We had a fantastic harvest ourselves during January. Flavoursome apricots from a lovely old tree that we managed to prune and net before the parrots feasted on them. However, they made the most of our old apple tree which we didn't get to prune and net and numbers of other birds also joined in that harvest.

I didn't make too many new year resolutions, but here are some sustainable practices I hope to revive or do better in 2026 --

- Bring reusable bags, bottles and cups wherever I go
- Shop locally and support small producers
- Grow herbs and/or veggies at home, even using our windowsills!
- Repair, repurpose or swap before buying new items
- Reduce food waste – plan meals
- Switch off and slow down – value time and value connection with others
- Often have a walk through the Village after we close at 5pm

“each small act adds up to a ripple of positive change in our neighbourhood” (from Transition Town Vincent – Perth)

Thank you for reading and all feedback is appreciated.

Story Time

Storytime Volunteers Wanted!
Love reading aloud and sharing stories with little ones? We'd love to have you join us at the library!

We're looking for volunteers to help with Storytime once a month. Even if you can only do one month, that's still fantastic!

What's involved? Read a few books, sing a rhyme or two. Optional: Help with a simple activity (library provides the materials!) We'll take care of the theme and supplies- you just bring the magic of stories!

What do you need? A Working With Children Card, OR Just bring along your own child to join in the fun!

contact Jacinta at the Library for more information.

Broomehill Library

FREE COLOURING IN PAGES

Did You Know?

There are always FREE colouring-in pages at the Library!

You can colour in while you're here

Or take them home to enjoy later

On theme days.

We also have Puzzle & Activity Pages.

Perfect for curious and creative minds!

Drop by your local library and join the fun!
