FULL EVENT DETAILS INSIDE

From Annie at the Broomehill Post Office

I missed last month 's issue and wonder if anyone noticed?

We were so involved with getting ready for our Bloom Festival event in the Broomehill Hall that I could not give writing my 'bit' enough attention.

The last month has been full of anticipation and planning for the exhibition of art and craft that we worked on with 6 other enthusiasts. It has been a lot of fun and the end result was magnificent. I am hoping that many readers got to see it. The hands-on mosaic activity/workshop was very popular as was the Gargoyle painting and playing with clay. Great imaginations were displayed in the making of Peg People along with the beautifully displayed art and craft works from over 30 different artists. Hoping that some photos will be shown of these in this edition.

Art, craft, poetry, singing, reading and telling stories etc, all so enjoyable and nourishing. Sport is great too (for those who like it).

I am going to enjoy looking for wildflowers in October.

Thanks for reading –

Til the next time-

Thank you

On behalf of Irene, Dom, Alice, Ray, Susan, Bruce and their families, we would like to extend our heartfelt thanks to everyone who attended the funeral service of our beloved mother, Roma Baxter.

We are deeply grateful to our communities who contributed and helped in so many ways, to those who reached out with a call or message, sent flowers, donated food, offered their support or simply kept our family in their thoughts during this difficult time.

Special thanks to the C.W.A who ran the kitchen for us. It was truly appreciated.

A huge thank-you to the Sandalwood Villas community for their friendship & being great neighbours to Mum.

Your love, kindness and support have meant more to us than words can express. We are so grateful to have felt surrounded by so much love and care as we said goodbye to a very special lady.

Accommodation Project Continues to Take Shape in Tambellup!

Exciting progress continues on the Tambellup accommodation project, with the new one-bedroom cabin now delivered and in place. The four-room modular accommodation building is also progressing well and is currently anticipated to arrive in Tambellup by mid-October.

Once the remaining installation, utility connections and final commissioning works are completed, both the new cabin and four-room modular building are expected to become operational shortly thereafter, providing valuable additional accommodation options for the community.

What makes this project particularly special is the strong community spirit behind it. The project would not be where it is today without the generous contribution by the Tambellup Community Cropping Group, whose investment has played a significant role in helping bring this important initiative to life. Their support demonstrates the power of local people working together to create lasting benefits for their community.

We would like to sincerely thank everyone who has supported the project along the way. It is wonderful to see local organisations investing in projects that strengthen the town's future, support economic development and help make Tambellup an even more welcoming place for residents, workers and visitors.

With construction continuing to move forward, the community can look forward to seeing this exciting project reach completion in the coming months.

Bloom Festival Photography Competition 2026 – Competition Extended to October 11!

Have you captured a breathtaking wildflower display, a stunning local landscape, a hardworking farming scene, or a special community moment? Now is the perfect time to share it with the wider community!

We are inviting residents and visitors to take part in the 2026 Bloom Festival Photography Competition, celebrating everything that makes our region a wonderful place to live, work and visit.

This year's theme, "Bloom Where We Live," encourages photographers of all ages and skill levels to showcase the beauty, character and spirit of our community through their lens. Whether you're using a professional camera or simply your smartphone, we'd love to see your unique perspective.

More than a competition, this is an opportunity to share the stories, places and moments that make Broomehill-Tambellup special. By submitting your images, you'll be helping celebrate our community and create a visual showcase of the landscapes, people, wildlife, wildflowers and local character that we are proud to call our own.

Let's celebrate where we live by sharing the places and experiences that make our communities unique. We encourage everyone to get involved, share their perspective and help create a collection of photographs that truly captures the heart of Broomehill-Tambellup.

For more information and entry details, visit: <https://tinyurl.com/3h6peak2> or scan the QR code. Grab your camera, start exploring, and show us how you "Bloom Where We Live!"

Meet the Judges Behind the Bloom Festival Photography Competition

The Shire is delighted to welcome two talented and experienced photographers to judge this year's Bloom Festival Photography Competition.

Jo Kempin, a former Broomehill-Tambellup local, brings a lifelong passion for photography and a strong connection to the Great Southern. Jo has been a member of the Wagin Camera Club for more than 18 years and the Albany Photographic Society for six years, serving as President of both organisations during that time. Through numerous exhibitions, competitions and photographic displays across the region, Jo has built an impressive portfolio showcasing the beauty, landscapes and character of regional Western Australia. Jo also serves as Secretary of the Albany Branch of the Wildflower Society of WA, making her well placed to appreciate the natural beauty celebrated through this year's competition.

Joining Jo is Jenny Feast, a respected Great Southern photographer who specialises in business, event and wedding photography. Through her work, Jenny showcases the region's people, businesses and stories, capturing everything from community events and festivals to local brands and milestone celebrations. Her vibrant and creative style highlights the unique character of the Great Southern and the communities that call it home.

Together, Jo and Jenny bring a wealth of experience, creativity and local knowledge to the judging panel. Their shared appreciation for the landscapes, wildlife, wildflowers and community spirit of the region will help celebrate the stories and images that make Broomehill-Tambellup such a special place to live.

Have your say on the future of Sheridan Gardens Broomehill

Community Survey 2026

We are seeking community views on the future use and ownership of Sheridan Gardens, the Shire-owned garden between the Broomehill Hall and the Imperial Hotel, officially named Sheridan's Memorial Garden in 2013.

The Broomehill Village Co-operative, which owns the Imperial Hotel, has put forward a proposal to develop Sheridan Gardens as a community beer garden and event space, and has asked the Shire to transfer ownership of the land to the Co-operative. At its meeting on 17 September 2026, the Council agreed to seek community views before considering the proposal further.

Please note:

- The Council has not made any decision to lease, transfer or sell Sheridan Gardens.
- The Broomehill Hall is not part of this proposal. The Hall is not proposed to be sold, transferred or leased to the Co-operative.
- This survey is early consultation on possible future use and ownership. If the Council later proposes a specific lease or transfer, further formal public notice would be required by law and the community would have another opportunity to comment.

The survey takes about 10 minutes and closes at 5pm on 27 October 2026. You only need to complete it once.

Please note: Your responses are collected by the Shire for the purpose of this consultation. Results will be reported to the Council in a public agenda as a summary. Written comments may be quoted without names. Names and contact details will not be published. Where many responses use identical wording, they will be counted and reported as a group.

How you can participate in the survey:

- Scan the QR code
- Open link - <https://www.surveymonkey.com/r/N8RSQMV>
- A copy will be sent to your post office box
- Paper copies will also be available at both Broomehill and Tambellup post offices
- Paper copies and help completing the survey are available from the Shire offices in Broomehill and Tambellup or by phoning 9825 3555.

Every voice matters. Share your feedback and help shape the future of Sheridan Gardens for our community.

Restricted Burning Period Commences 1 October 2026!

Spring is definitely here, and while everything is green at the moment, it won't be very long before it dries out, and with that, comes the increased risk of fire. TO REPORT A FIRE PLEASE CALL 000!

From 1 October 2026 to 31 October 2026, residents wishing to conduct a burn are required to obtain a permit from their Brigade Fire Control Officer. Please note that permits will not be issued during this period for burning of logs, stumps or timber heaps.

Fire Control Officers:

Broomehill East Brigade	Buddy Holzknecht	0427 241 312
Broomehill West Brigade	Brendan Boyle	0428 241 084
Broomehill Central Brigade	Jonathon Webster	0429 441 246
Tambellup East Brigade	Carl Letter	0427 282 053
Tambellup West Brigade	Martin Deely	0400 826 027
Tambellup VFES (Town)	Mandy Plant	0418 777 903

The Prohibited Burning Period commences on 1 November 2026 and is in place until 1 March 2027. No burning is permitted during this period.

New Fire Break Notice Released for 2026/27 Fire Season

The 2026/27 Fire Break Notice is now available, and all property owners across the Shire of Broomehill-Tambellup are encouraged to review the requirements and ensure their properties are prepared for the upcoming bushfire season. All fire hazard reduction measures are to be undertaken by 15 October 2026. The notice outlines landowner responsibilities and compliance requirements designed to reduce bushfire risk and help protect our community.

All residents have an obligation to prepare their property prior to the fire season, to reduce the risk of fire. For more information, please refer to the Shire's website <https://www.shirebt.wa.gov.au/shire-services/fire-and-emergency-management/property-owner-information.aspx>

Welcome to Our New Community Emergency Services Manager

The Shire is pleased to welcome our new Community Emergency Services Manager (CESM) Roger Northey, who will be working across the Shires of Broomehill-Tambellup and Woodanilling.

With nearly 30 years of involvement in Bush Fire Brigades and more than 20 years with Volunteer Fire and Emergency Services, Roger brings a wealth of experience in bushfire preparedness, emergency management and volunteer support. Passionate about strengthening local brigades and working closely with communities, Roger will be a valuable asset to the Shires and we look forward to welcoming him to the region.

Roger will work closely with volunteer Bush Fire Brigades, local emergency management groups, landowners and the wider community to enhance bushfire preparedness, strengthen brigade capability, coordinate mitigation programs and support emergency management planning across our region.

We encourage residents to take the opportunity to introduce themselves and work together to help keep our communities safe.

On behalf of the Council, staff, volunteers and community, we extend a warm welcome and look forward to working together to build a safer and more prepared future for the Shire of Broomehill-Tambellup.

Lotterywest Funding Secured for Tambellup Youth Centre Redevelopment

We're pleased to announce that the Shire has secured a grant from Lotterywest to redevelop the Tambellup Youth Centre, creating a modern, welcoming and accessible space for local young people. The redevelopment will transform the ageing facility into a vibrant community hub where organisations can deliver youth programs, activities and events that promote health, wellbeing, social connection and personal development.

The project includes relocating and expanding the existing building with a second transportable, constructing a covered deck to link the two buildings, upgrading the bathroom and entry to improve accessibility, and refurbishing the centre with a new kitchen, flooring, painting, furniture and equipment.

The upgraded Youth Centre will provide a flexible, functional space that better meets the needs of children and young people while supporting community organisations to deliver a wider range of programs and activities. The Shire sincerely thanks Lotterywest for its support of this important project and its ongoing commitment to strengthening regional communities. This investment will help create a facility that young people can enjoy for many years to come.

As works commence, the Youth Centre site will become an active construction area and will be closed to the public for the duration of the redevelopment. The Shire asks the community to respect all safety barriers and signage while works are underway. We appreciate everyone's patience and understanding as we deliver this exciting project and look forward to reopening the upgraded facility for the benefit of our young people and the wider community.

Protect Yourself from Mosquito-Borne Diseases

Mosquitoes aren't just annoying, they can spread serious illnesses in Western Australia, including:

- Ross River virus
- Barmah Forest virus
- Kunjin virus
- Murray Valley encephalitis
- Japanese encephalitis (JEV)

The best protection? Avoid mosquito bites!

Cover Up - Wear long, loose-fitting, light-coloured clothing.

Repel - Use insect repellent containing DEET, picaridin, or Oil of Lemon Eucalyptus (OLE/PMD).

Clean Up - Remove or cover water-holding containers and keep grass short to reduce breeding sites.

What We're Doing Locally

For the past 2 years, the Shire has been running a proactive mosquito control program that targets breeding areas before mozzies hatch, rather than fogging after the fact.

Our team:

- Monitors larvae numbers
- Baits wetlands, drains, and other likely breeding spots during warmer months
- Responds quickly to any hotspots that emerge

This approach, based on advice from environmental health specialists, has proven effective in other Shires and is working well here too. We'll continue the program throughout the season to help keep mosquito numbers down and reduce disease risk.

Community Pride as Ranger Steph Recognised Among WA's Best

The Shire of Broomehill-Tambellup is proud to celebrate Ranger Stephanie Swain, who was named a finalist in the 2026 WA Rangers Association Ranger of the Year Awards.

Being recognised among just five finalists from across Western Australia is a tremendous achievement and a reflection of Stephanie's dedication, professionalism and commitment to our community.

Many residents know Stephanie through her work supporting community safety, animal management and local events, always taking the time to assist and connect with people across the Shire. Her approachable nature and genuine care for the community make her a valued member of the Broomehill-Tambellup team.

This well-deserved recognition is a proud moment for our community and highlights the important work being done in regional Western Australia.

Congratulations, Ranger Steph. We are incredibly proud of your achievement and thank you for the positive difference you make in our community every day.

Keeping Our Pets Safe and Connected

Pets are an important part of many households across our community, and responsible pet ownership helps ensure they remain safe, healthy and connected with their families. Taking a few simple steps now can make a big difference if a beloved pet ever goes missing.

We encourage all pet owners to take a moment to check that their pet's details are current and that they are meeting their responsibilities as pet owners. By doing so, you're helping create a safer, more responsible community for pets, their owners and the wider community.

For everything you need to know about pet registration requirements, fees and how to register, please see the attached fact sheets.

A personal request

from Tambellup Community Resource Centre,
Chairperson; *Naomi Costello*

Within 3 months of relocating to Tambellup, I became Chair of CRC, someone had to. I quickly realised by accepting this position I needed to become involved in the community. I started to resemble a "committee groupie", I joined the Co-Op, Lions, CWA, Business Centre, Cropping Group, DHAC Rep, Museum and more recently Pavillion. I work as a Support Worker to help those who need help. Most of my time is volunteered. I am wired to be a volunteer. Feel good vibes. Brownie points in Heaven. Living the dream. Hair blowing in the wind. Etc, etc.

I help others, now I need help to help the CRC. I am personally asking for you to, firstly, find out more about the CRC at our **AGM Monday 12th October 2026 @ 7pm**, and secondly, joining the CRC Committee on this very same night. Beverages and Nibbles will be available, simply because I like Beverages and Nibbles. The least you can do is find out why we need help, what is the problem and how can you help, if at all. (Heads up – the problem is not Me; it's the "C" word – "Constitution").

At this point I can only offer you limited info about the CRC: Currently managed by one paid employee. Funding from DPIRD covers this employee income. With a full committee of six people Tambellup controls the CRC. If this committee is not represented, then DPIRD can, and will, likely take control of the TA CRC. I am not willing to let this happen on my watch, yet I know I cannot do this alone. Help me keep the CRC in the hands of the Tambellup people.

This coming AGM we could have three bodies, at a push. I refer to 'push' as I could be seen physically 'pushing' two of these three people in the door. I am one of the three. I may have to tie these bodies to chairs, just to meet the rules of the Constitution. Ooops.. the "C" word again. There is nothing in the rules about how the positions are filled, so it's a free for all as far as I am concerned. Yes, I know it is illegal to tie anyone to a chair. Unless they consent of course. My apologies, I seem to have gone off track.

Please be mindful that we will accept committee members who have an interest in Tambellup, though not currently living in TA. Weird right, yet acceptable. Committee can attend meetings via phone or skype or zoom. Relevant to those who have concerns of being tied up by some clearly deranged woman. Also, a great option for your family to be involved in your community if they now live out of town. Students gaining business experience, looks awesome on CV.

AGM Monday 12th October 2026 @ 7pm, located at TA CRC, Norrish St.

CRC must have six (6) Committee members – Chairperson, Vice Chairperson, Treasurer and Secretary plus two (2) General committee, minimum.

Committee must be holding current CRC Membership *

Committee members need to be of the age group 18 - 95 yo +.

Time required over the entire year to attend meetings is @ 9 hours OR LESS!! Contribute what you can, please.

Meetings are every second month. It's not a lot, is it!

***Flash Sale on Membership Fees, join now for \$5.**

Note: CRC has 50 members suitable for committee. I currently have 3 willing. (There is something very wrong with these numbers!!)

Dog Registration Fact Sheet

Did you know?

- All dogs in Western Australia over the age of 3 months must be registered with a Local Government in addition to being microchipped under State Legislation (Dog Act 1976)
- This includes farm working dogs, who receive a working dog registration discount
- You can register your dog for different terms at different rates; 1 Year, 3 Years or Lifetime
- Pension Concession Card holders receive a 50% discount on all registration fees

Why must my dog be registered?

- Registration assists Rangers in reunification of lost dogs back to their owners
- Provides a legal form of ownership to the dog
- Assists Local Governments in identifying statistics and traceability of dogs in the area
- Above all else, is a legal requirement for dog ownership

What are the penalties if I don't comply?

Owners can be issued with an on-the-spot fine of \$200 or face a maximum penalty of \$5,000 for not registering their dog

TAMBELLUP PRIMARY SCHOOL

A Busy and Exciting Term 3

It has been another busy and rewarding term at Tambellup Primary School, with plenty happening both inside and outside the classroom. As Term 3 draws to a close, it is a wonderful opportunity to reflect on and celebrate some of the highlights from across our school.

Faction Sports Carnival

One of our biggest events was our Faction Sports Carnival, which was a fantastic day filled with participation, determination and excellent team spirit. Our students should be incredibly proud of the way they competed, encouraged their teammates and demonstrated wonderful sportsmanship throughout the day.

The competition could not have been much closer, with Tamar coming out as the overall winners by just five points! Congratulations to Tamar and to every student who participated and contributed points to their faction.

A huge thank you must go to our wonderful P&C for the enormous amount of preparation and work that went into supporting the carnival. We are very fortunate to have such a committed group of parents and community members who continually give their time to support our students and school.

Learning, Growing & Connecting

Father's Day Fun

Another special occasion this term was our Father's Day afternoon. It was wonderful to welcome so many dads into the school to spend the afternoon with our students. There was plenty of fun, laughter and friendly competition, and it was fantastic to see our families enjoying time together at school. Thank you to everyone who joined us and helped make the afternoon such a positive community event.

Growing in Confidence

There has also been plenty happening in our classrooms. We are incredibly proud of the growth our students have demonstrated throughout the year. From our youngest students developing their independence, early literacy and social skills, through to our older students becoming increasingly curious, confident and responsible learners, there is so much to celebrate.

Our School Community

Around the school, our grounds are also receiving plenty of attention. A recent P&C Busy Bee saw families and community members generously give their time to help refresh and improve our school environment. We are very grateful for the continued support of our P&C and wider community as we work together to make Tambellup Primary School a place our students and community can be proud of.

Sharing Our Learning

We finish the term with our Open Afternoon, providing another opportunity to welcome families into the school and for our students to proudly share their classrooms, learning and achievements from throughout the year.

Term 3 has certainly demonstrated the wonderful sense of community we have at Tambellup Primary School. Thank you to our students, staff, families, P&C and wider community for your continued support. We look forward to another exciting and productive Term 4.

TERM 3 2026

Walking Together—NAIDOC Celebration

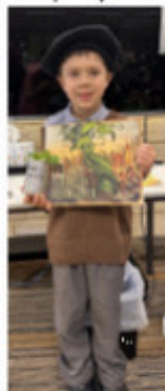

What a Brilliant way to start term 3! A meaningful opportunity to celebrate Aboriginal culture, history and the relocation of our flagpoles, including the additional Indigenous flag. Students engaged in a range of learning experiences that encouraged reflection, respect and understanding of First Nations.

Thank you to our Aboriginal facilitators and Elders, who generously shared their time, knowledge and experiences with us.

Book Week Parade

Book Week -A Symphony of Stories:
Our students dressed up as their favourite book character and took part in a poster competition. We were joined by our cute little Broomehill Playgroup friends.

Author Dianne Wolfer visited our school and shared her process in writing her amazing books!

TAMBELLUP GOLF CLUB NEWS

2026 Yearly Wrap Up

Saturday the 19th of September was the closing day of golf for the 2026 season. It was an ambrose event and well supported by our members. Following the golf, we enjoyed a BBQ dinner and wind-up presentations.

The 2026 season started off well; we gained some new members and the vibe around the club was positive. In the last two seasons the Tambellup Golf Club spent time and energy on club house renovations and hosting several major golf events. This season our club chose to consolidate and focus on building our membership and continuing to maintain a friendly welcoming club, to encourage golfers of all abilities to join and feel at ease.

The club successfully purchased a second-hand Torro self-propelled fairway mower. This purchase came after much deliberation and was spurred on by the situation in which we found ourselves with a worn-out tow-along fairway mower which had serviced us well for many years. The new Torro mower did come at a cost for the club, and we are deeply grateful for the support from the Bendigo Bank for facilitating a loan for a large portion of the cost. We also received good support from the Tambellup Shire who assisted us in the interim period by mowing the fairways until our new mower arrived. We also thank them for their encouragement of this purchase.

On Sunday the 20th of September, which was the day after our wind-up, the golf club held a working bee at Snowy Sheridan's to crutch his sheep. This was well supported by all club members and the money raised will be put towards the loan for the mower. We thank the Sheridan family for giving us the opportunity to fundraise and sincerely thank them for their hospitality for providing food and drinks. A big shout out to a few young blokes who came along and helped lighten the load at this working bee. Hopefully we'll see them on the golf course as members next year.

The Tambellup Golf Club would like to sincerely thank all the sponsors and donors for their support in making our golf season successful. Without your support the club would struggle.

We ran several well attended days including the AFGRI club day where we had many outside golfers attend. We also hosted the inter-club challenge between Cranbrook, Kojonup, Tambellup and Broomehill. Tambellup was successful in securing the cup.

We would like to thank all the golfers who took the time to attend open days in our association throughout the season. A special mention to Nick Lockyer who won the Great Southern Carnival.

Finally thankyou to all the committee members for completing their various roles. Thanks, Monica Nazzari, for her efforts for coordinating catering, sponsors, and the lovely afternoon tea we have every Saturday. Thankyou to all those who donated food and time for the various dinners we held during the season. Thanks to Rhys and Kahliia Brown for handling all the financials and stocking the bar. A big thankyou to Tim Donaldson for his work managing the course. I believe the new mower has made this job a lot easier. Thanks to Nick Bowman for sweeping the greens. Thank you to Alicia Bakewell for cleaning our clubhouse on a weekly basis. Its always impeccable. Thank you to Nathan Willmott who did a great job as Club Captain. Nigel Sheridan was again reliable as ever as our Club handicapper. Thank you to all the other members who have helped around the club on a regular basis in a variety of ways to make the Tambellup Golf Club a great club to belong to. Finally, thanks to Winton Nazzari for his efforts as President. His meticulous and encouraging approach to running our club really stands out and results every week in a friendly environment for all to share.

See you all next season.

THANK YOU
