🦙 Sheep Wanted – 5 Acres Available

My name is Keely we have approximately **5 acres of vacant land on Tambellup Road West** and are looking for someone who may have a few sheep needing somewhere to graze.

The property has a **water trough that we keep filled**, with water rates covered by us. Having sheep on the block would help keep the grass down and reduce the potential fire hazard over the warmer months.

It could be a great **win-win arrangement** – helping a local livestock owner, keeping our property maintained, and giving a few sheep some extra grazing!

The CWA Ladies and the Tambellup Craft Ladies adventured out to Ray & Alice Squibb's for a delightful morning tea and luncheon that was organised before our dear friend Roma passed away. We had a wonderful day with Alice, Irene and Susan, reminiscing over photo's of Roma's life achievements.

We all had the opportunity to wander through Alice's beautiful garden. It was amazing and displayed Alice's talent at constructing simple garden sculptures/garden art using recycled materials from around the farm. We all came away with great enthusiasm, inspiration and idea's for our own gardens.

Our next meeting will be held on the 12th November, 2026 at the CWA Rooms at 10am. Everyone is welcome to join us as we are more than tea and scones.

Be Bushfire Ready This Season

Bushfires can happen anywhere, at any time, and more than 90% of Western Australia is considered bushfire-prone. The best way to protect yourself, your family and your property is to prepare before an emergency occurs.

Know your risk. Whether you live near bushland, paddocks, grasslands, coastal scrub, parks or reserves, bushfire can be a threat. Factors such as steep hills, dense vegetation and limited access roads can increase your risk.

Make a plan. Discuss with your household when you'll leave, where you'll go, and how you'll stay in touch during an emergency. Having a bushfire plan in place can help you act quickly when every minute counts.

Prepare an emergency kit. Include essentials such as drinking water, a first aid kit, battery-powered radio, spare batteries, sturdy shoes, woollen blankets and protective clothing.

Stay informed. Monitor weather conditions, Fire Danger Ratings and emergency warnings throughout the bushfire season. On days rated Extreme or Catastrophic, leaving bushfire-risk areas early may be the safest option.

Know the rules. During a Total Fire Ban, activities that could start a fire, including campfires and some outdoor cooking, are prohibited. Always check current restrictions before lighting a fire.

Don't wait until a fire starts. Take a few minutes now to prepare and give yourself the best chance of staying safe this bushfire season. For more information and resources, visit Department of Fire and Emergency Services (DFES) at https://dfes.wa.gov.au/.

Celebrating Children's Book Week 2026

In September the Broomehill and Tambellup Libraries were delighted to celebrate Children's Book Week 2026 with students from Broomehill and Tambellup Primary Schools.

Thanks to funding provided through Children's Book Week® 2026, supported by the Government of Western Australia through the Department of Creative Industries, Tourism and Sport and the WA Branch of the Children's Book Council of Australia, students enjoyed a very special literary experience.

A highlight of the week was a visit from acclaimed author Dianne Wolfer, who presented the Behind the Pages exhibition at both schools. The interactive exhibition offered students a fascinating insight into the creative process behind some of Australia and New Zealand's most loved books, showcasing the research, ideas and inspiration that bring stories to life.

Students also had the opportunity to hear Dianne read from several of her published works, giving them a unique chance to connect directly with an author and explore the stories behind the books.

The Behind the Pages collection featured an engaging range of picture books, junior fiction and young adult titles, including works exploring Australian and New Zealand wartime history. Through the exhibition, students gained a deeper appreciation of the creativity, dedication and storytelling that goes into every book.

The libraries would like to thank Dianne Wolfer, our schools, and all those involved in making Children's Book Week 2026 such a memorable and inspiring event for our local students.

Smoother Travels Ahead on Beejenup Road

Over the past two weeks, we have been hard at work completing gravel re-sheeting on a 3-kilometre section of Beejenup Road, Tambellup. As a key local route and part of the Tambellup school bus network, these improvements will make travel safer and more comfortable for students, residents, farmers and visitors who use the road every day.

Funded through the Australian Government's Roads to Recovery Program, the project highlights the value of ongoing investment in local infrastructure and the dedication of our works crews in delivering practical improvements for the community.

A personal THANK YOU

from TA CRC Chairperson Naomi Costello

Last month I reached out for help, and this month I am very grateful for the response I received.

Thank you Tambellup!

Several people reached out during the first weeks of October offering help "IF" they had to, which was gratefully acknowledged, though you are now safe ... until next year! Lots of other's simply stopped to tell me they had a 'giggle' and 'thanked' me for being 'Me', which was comforting really. Tambellup proved to me that you care, which was great to see. Makes it a lot easier to put our own time in when you feel valued to the community.

The turn out on Monday night was surprising and impressive for an AGM. A full committee was secured, and the CRC will continue to serve Tambellup for another year.

I still have an issue with the "C" word, the "Constitution", which will be looked at with a new team and a fresh approach. Things do not happen overnight.

Much to my disappointment I was not required to tie anyone up, surprisingly I didn't get one offer. Not sure why. I will work on that throughout 2027; first thing on the agenda!

Please WELCOME the TA CRC COMMITTEE for 2027!

- **Chairperson** - Naomi Costello
- **Vice Chairperson** – Juli-Ann Merritt
- **Treasurer** – Rebecca Golding
- **Secretary** – Khalia Brown
- **General Committee** – Kat Cullen, Garry Sheridan, Brian Osborne and Janine Sadler

Don't feel backwards about coming forwards, if you have any ideas that you'd like to share for events, training, courses, catchups, groups, etc etc .. Grab me and we can talk about it.

I need to know what **YOU** want from the CRC. I can tie you up, but I cannot read your mind!

SEE YOU IN THE CRC!!

From Annie at the Post Office

BROOMEHILL • OCTOBER

This is our second October in Broomehill and such different weather. Despite the very chilly/windy/ warm/wet changes each day, we are still enjoying the fantastic cloud formations and sunsets - the big bonus that come with these weather conditions. Sadly, I have not been wildflower seeking as I had thought I might be, time and energy has been in short supply and has not been available this year for that pleasure.

I have left the writing of this month's contribution until today as I really wanted to visit the Katanning Show to be able to comment on my visit in this issue. What a display and what a great amount of energy it must have taken to get it ready for 8.30 this morning, and it was really, really cold at that time. Broomehill School had a great artistic display including snakes made in the style of paperchain which I recall from my childhood as Christmas decorations and so adaptable and suitable for making snakes. In the main indoor hall there were some beautiful and interesting displays. Rick took some photos of two notable Broomehill folk who were judged to be the best of the entries in their categories, (crochet, flowers and knitting) Maybe there will be space for them in this issue to show them!

We were pleased to see the Fluffy Mischief Company there with their Valais Blacknose sheep – No Highland cattle though (I'm rather fond of them) - the sheep are very soft and friendly. The Poultry Pavilion was an interesting place with so many bird conversations going on, from corner to corner and across the whole 'barn', I could hardly hear myself speak!! I missed the shearing activity as I thought it would be too exciting and we were short of time.

When we stopped to have an early lunch, which was delicious, some people with a dog came and joined us on the same table. Well, I said 'dog' but she is no ordinary dog, she is the world famous 'Pocket Rocket' who won the 2026 Perth Royal Show (Jump?) by jumping 2.58 metres high!!!! Can you imagine that?

It was such a surprise to discover this as early this morning with our morning cups of tea we listened to ABC National radio country hour and heard for the first time about a jumping dog event in Queensland. Later we heard that Pocket Rocket jumped the highest in his section at the Katanning Show!! Our neighbours in the village witnessed it and I think they said that it was a height of 3.6 metres. You can check on this @pocket_rocket_Toa_dog. Colleen (owner with trainer and partner Dane) told me that Toa is the Maori word for warrior. We had a lovely chat with Colleen and Dane and we hope they will call in at the Post Office before they leave to continue their journey.

There was such a lot to see and we were restricted on the time as we needed to leave at midday - pennant lawn bowls is on the agenda most Saturday afternoons now, for Rick.

Next Friday there is a quiz night at Gnowangerup, organised by their CRC. I hope to go and it would be great to have a Broomehill table. Anyone wishing to join in and want to join our table, let me know soon as possible.

We have successfully grown broad beans this year and have lots of them to give away so if you are fond of them, please call in at the PO as we are giving them away!

Thanks for reading

Til the next time …….

TAMBELLUP PRIMARY SCHOOL

Year 5/6 Camp – An Adventure to Remember!

What an incredible week of adventure, challenges and fun for our Year 5/6 students from Tambellup and Cranbrook Primary Schools!

Five Days of Adventure

From 12–16 October, students headed to Perth for five action-packed days, staying at Point Walter Recreation Camp. The camp provided a fantastic opportunity for students from both schools to build friendships, develop independence, challenge themselves and create lasting memories.

Throughout the week, students participated in a huge range of exciting activities, including high ropes, mountain biking, archery, paddling, orienteering, hut building and catapult challenges. These activities encouraged students to step outside their comfort zones, work as a team and have a go at something new.

Exploring Beyond Camp

The adventures didn't stop there! Students also enjoyed a visit to Bounce, a fascinating tour of Fremantle Prison, a library workshop, mini golf and a trip to the movies. There was certainly no shortage of excitement, with plenty of laughs and stories to share along the way.

Teamwork & New Challenges

One of the highlights of camp was watching students support and encourage one another as they tackled new challenges. Whether it was conquering a fear of heights, learning a new skill or working together to solve a problem, everyone had opportunities to demonstrate resilience, teamwork and determination.

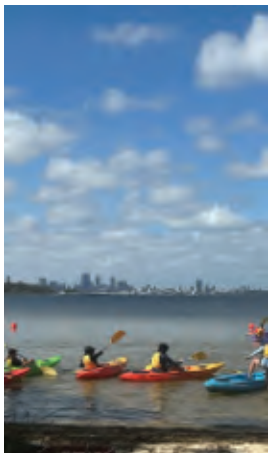

A Heartfelt Thank You

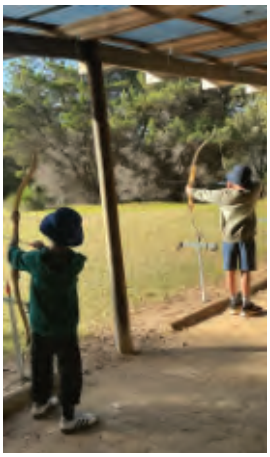

A huge thank you to Jacinta and Jessica for giving up their time to accompany our students and help make the camp such a wonderful experience. Your care, enthusiasm and support throughout the week were greatly appreciated.

We are incredibly proud of all our students for the way they embraced the experience and represented their schools. What a fantastic week of adventure, friendship and memories that will last a lifetime!

Thank you, Derek, for all the work you have done, and continue to do for our club.

THE TAMBELLUP HOCKEY CLUB Turned 100

On Saturday 22nd August, the Tambellup Hockey Club celebrated their centenary. The hockey club was established in 1926 when a women's team was formed, followed by a men's teach in the 1950s.

To commemorate this significant event, the club held a normal home game with a few different things happening throughout the day, followed by an evening of good music, food and drink, and plenty of memories shared amongst those who were there. Thank you to everyone who attended, especially those who travelled back for the event; it was a fabulous celebration!

Bill Rourke Education Fund

Bill Rourke had through his life a fond attachment to Tambellup, growing up there in his early days before entering his teaching career. Bill Rourke's son wished to do something to honour his father and with the establishment of the Community Bank Tambellup Cranbrook of Bendigo Bank, a plan was put in place to assist children from Tambellup with the ongoing costs of transferring to High School. With rising cost of living pressures, we have recognised that these challenges are also faced by families in other local areas that we support. This fund is a local Tambellup Primary School initiative which was originally developed in 2007 has now been extended to & received by Cranbrook Primary School and Frankland River Primary School which hopes to be selfsustaining to allow every graduating student a voucher to use towards books, uniforms or school fees for their High School education. Many community minded members have contributed further to this fund. If you would like to deposit a sum towards the Fund, please ask any of the staff at our Community Bank Tambellup Cranbrook Branches and they will be happy to help you. (Please advise the branch staff the school fund you wish to donate to)

Please join us in welcoming Stephanie who has joined our team in branch at Community Bank Tambellup Cranbrook
