The next meeting of Council will be held on Thursday 15th November 2018 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

We were shocked and saddened to learn of the passing of our work colleague Tim Williamson as a result of a car crash on Great Southern Highway on Saturday 13th October. Tim had been with the Shire works team for almost 5 years, and during that time, had earned the respect of both the works crew and administration staff. We extend our sympathy to Tim's family and friends – he will be missed. RIP Tim.

FROM THE OCTOBER COUNCIL MEETING

Council considered and approved amendments to the 2018-2019 annual budget to correct an over estimate of the surplus carried forward from 2017-2018.

Council endorsed the Draft Strategic Community Plan 2018-2028 and determined to advertise the document for public comment during November 2018.

Council received the Great Southern Sport and Recreation Plan prepared by the Department of Local Government, Sport and Cultural Industries, and the Great Southern Outdoor Recreation Strategy 2018-2021 prepared by the Great Southern Centre for Outdoor Recreational Excellence, and as requested, will advertise both documents for public comment during November 2018. These documents will be available on the Shire's website, and copies will be available at the Shire Administration offices, and Tambellup CRC.

Tenders for the provision of bitumen services for Council's road construction program were considered and awarded.

Council considered a proposal to amend the Restricted Access Vehicle Network assessment for Crosby and Birt Roads to RAV Network 4, and will recommend to Main Roads WA that the proposal should be approved with conditions.

Council will undertake a consultation process to obtain community feedback in relation to the proposed design of the area around the Tambellup War Memorial, as part of the townscaping project.

Council considered a request from the Department of Communities to consider development of government officers housing in Tambellup. Council will investigate this proposal further before committing.

WORKS

Following the recent review of Council's Workforce Plan and the staff changes that resulted, staff member Joshua Ford has been appointed to the new position of Technical Services Officer. Josh will be assisting the Manager of Works across a range of areas relating to the works area, including road and asset management and work planning, traffic management planning, traffic counters, Occupational Safety and Health and standpipe maintenance. He will also be providing back up operations on various machines as required.

The construction crew has been working on Pallinup South Rd where clearing works in preparation for the widening and sealing of a 3.5km section are underway. Drainage works are also underway in this area as part of the project, and contractors have advised that there may be occasions over the next few weeks where the road will be closed to all traffic. Detours will be in place, via Anderson and Tallents Rd for light vehicles and via Beejenup Rd for heavy vehicles. We will endeavour to provide as much notice of these closures as possible through the Shire's SMS service. We appreciate your patience in this regard.

Roadside vegetation pruning continues on various roads around the Shire. At the time of writing, the machine was working on West Peringillup Rd. With a full crew back on deck, the maintenance graders have been grading and gravel patching on Eureka Rd, West Peringillup Rd, Peringillup East Rd, Jam Creek Rd, Green Rd, Collins Rd, Crosby Rd, Watgarrup Rd, Sprigg Simpson Rd, Hankinson Rd and Dartnall Rd during late September and October. Bitumen patching has been completed on various roads including Tieline Rd and Pallinup Rd.

Our ovals have benefitted from the recent rain, and are in good condition. Dam levels are looking good as we move into the warmer months, and we will shortly commence using treated water to reticulate the oval and gardens in Tambellup.

STRATEGIC COMMUNITY PLAN – HAVE YOUR SAY!

The Shire conducted a community consultation process earlier this year to inform the development of the Strategic Community Plan, Council's highest level document which drives the activities of the Shire over the next ten year period. Consultation methods included workshops in Broomehill and Tambellup, a postcard survey located at businesses in both communities, and a survey that was mailed out to all households and was also available through the Shire's website.

Council considered all the feedback and ideas received through these processes, and from that, the Draft Strategic Community Plan 2018-2028 was developed.

We now invite the community to have their say on the draft document – have we accurately captured the themes that came through in the consultation process? Is the Shire heading in the right direction? The draft document is available on the Shire's website www.shirebt.wa.gov.au, and will be mailed or emailed to those people who requested further information through the consultation process. If you would like to receive a copy, please contact Lesley at the Shire on 98253555.

Comments should be directed to the Chief Executive Officer, Shire of Broomehill-Tambellup, 46-48 Norrish St, Tambellup 6320, or emailed to mail@shirebt.wa.gov.au, and should be received by 4.00pm on Friday 30 November 2018.

An Invitation from the Committee and Staff of the TAMBELLUP CRC

The AGM of the Tambellup Community Resource Centre

has been rescheduled to take place on
Thursday 22nd November 2018 at 7:00pm
at the CRC building, Norrish Street, Tambellup.

- **WHY SHOULD YOU COME** – Tambellup/ Broomehill community people that currently use the CRC say that the CRC should continue. Well, come and show us by attending the AGM. Have your say. What makes you use the CRC? What would you like to gain from the CRC? What would you like the CRC to offer? Ask your children what they want from the CRC.

Come and hear what our achievements and battles have been in the last 12 months. Come and find out what your membership does and what it is used for. Are you really a “member” or on the sidelines?

Come and discuss where our CRC will be heading for 2019 and beyond. Do you know about the latest funding plan? Are we meeting community needs or does our mission have to change? Is it worth keeping our CRC alive? Should we be something else?

Help elect or be apart of a vibrant community committee to support and work with our staff.

- **SO WHY SHOULD YOU CARE** - because we need enthusiastic community members who are willing to be part of our CRC committee and to fill positions that make the committee function. A community is only as strong as its people.

The current model of running our CRC is not working and is not viable. For example, programmes being planned are not being attended at all or in very small numbers. Are we providing what the community needs? Come and tell us.

Without a strong and supportive committee, we cannot employ or engage new staff that we are going to need in 2019. We will not be able to use our funding wisely and in a manner that is community driven and

Heaven forbid, the Tambellup CRC could disappear. **That is why you should care.**

If any community member is genuinely interested in our CRC **committee** job descriptions, please contact Tambellup Community Resource Centre Ph: 0898251177 Fax: 0898251187

E: manager@tambellupcrc.net.au

**Come & share some wine & cheese or tea & coffee with other
like-minded community people that care about the future of the CRC Tambellup**

We need your support!

Please attend!

BOOK REVIEWS

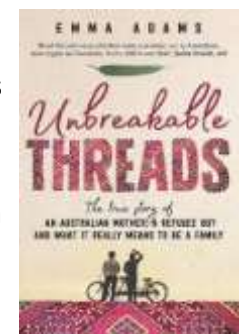

MY DAUGHTER Anna is in jail. She belongs there. She murdered an innocent person.

We will never come to terms with the horrific fact she took a man's life. But my family and I have watched with amazement as something has happened which we'd lost hope for. Inside the Dame Phyllis Frost Centre, Victoria's maximum security prison for women, Anna has turned her life around.

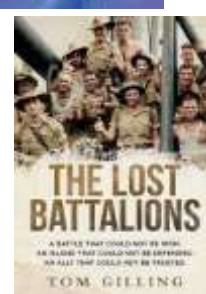

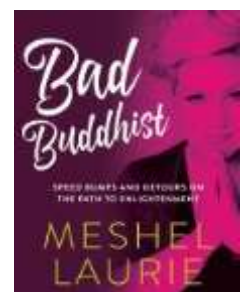

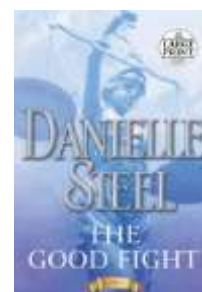

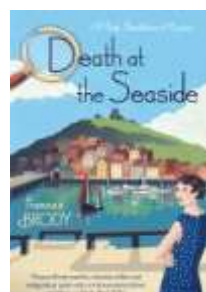

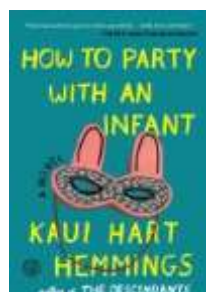

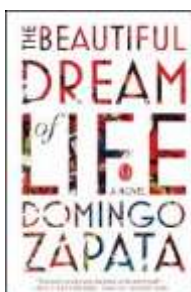

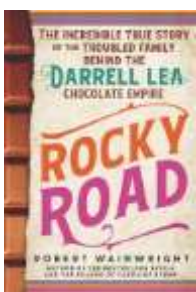

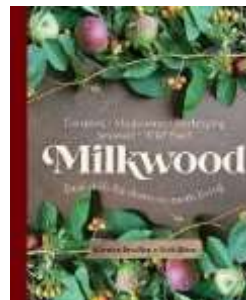

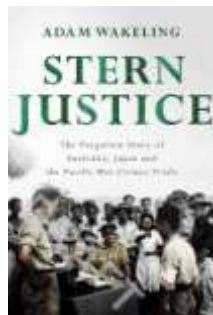

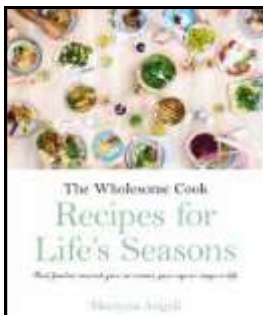

In jail she is finally getting the help we've begged for, for so many years. It's just a tragedy it took a man's death to get her that help. She should have been helped many, many years before it got to this point.

Award-winning writer Mary K. Pershall details her heart-rending experience of raising a beloved child

Abdul is dignified, defiant even, but his poise is beginning to wear thin in this place. He needs surgery for a chronic shoulder injury sustained when he was hit by a car in Kabul. Like the others in detention with him, he faces an uncertain fate, and years in limbo. Most of the people in the centre have already had their spirits broken.' When psychiatrist and mother of three Emma Adams travels to Darwin as an observer of conditions for mothers and babies in the immigration detention centres there, she expects the trip to be confronting. What she doesn't expect is to return to Canberra consumed by the idea that she must help a sixteen-year-old unaccompanied Hazara boy from Afghanistan - Abdul.

Tambellup Movie Night

The Tambellup Volunteer Fire & Emergency Service Unit hosted a movie under the stars on Friday 19th October, at the Tambellup Community Pavilion. The event formed part of the Bloom Festival, and set out to raise funds for our local St John Ambulance Sub Centre. We were fortunate to jag a fine, still (cold) evening between two blustery days, and were able to set up on the Oval as planned. Around 100 hardy souls braved the cold and turned out for the screening. Master Projectionist Geoff Hams provided the pre-movie entertainment, showing a selection of old 16mm reel to reel movies, including a couple of cartoons, some informative fire safety movies, and an advertisement for Torana cars. We're sure the youngsters in the crowd were somewhat bewildered – not a lot of colour in these movies! But interesting none the less. The main screening was enjoyed by all, and we are certain there is opportunity for this event to be repeated – maybe early in the New Year when the weather is kinder. About \$450 was raised for St John, and we thank everyone for coming out and supporting the cause.

Thanks are due to the following:

Shire of Gnowangerup for the loan of their outdoor cinema

Tambellup CRC for the loan of the popcorn machine and projector

Tambellup Primary School for the loan of speakers (our weather contingency plan – take it inside!)

Tambellup Community Pavilion Association for the venue and opening the bar

Shire of Broomehill-Tambellup for fogging at the oval and technical assistance in setting up

Tambellup VFES members – for everything they contributed on the night – you are legends!

Thank you to those that sponsored the day, we greatly appreciate it.

1/C 15895 BALL:

I have been attached to the Tambellup Police Station since the end of April 2018 previously working out of Midland Police Station. I first joined the police in October 2010 in England where I originated from. I worked for Thames Valley Police, where I met my now wife Leanda who was also a police officer. In 2015 we made the decision to move our life to Australia when the WA Police Force conducted a recruitment drive. Having no friends or family in Australia it was a big decision, but one that has been an incredible adventure so far, we were lucky enough to fall pregnant and have our little boy here (Archie). No doubt some of you will see me with my family when I'm off duty (I'm just a normal person) please say "hi" and introduce yourself.

Tambellup Police to date:

Although there is only two of us and we have a vast area to cover stretching from the Albany Highway in the East to the borders of Gnowangerup in the West, from the borders of Katanning in the North to the borders of Cranbrook in the South. If this isn't enough we have been as far afield as Mount Barker and Lake Grace assisting our colleagues when required. We may not always be at the station but if you call and we are not here it will divert to the station mobile and if we are lucky enough to be off duty it will divert to Albany who can always recall us if required.

In recent months we have had numerous burglaries, assaults, stealings, vehicle crashes, family violence and alcohol related disorder. I'm pleased to say that we have had a successful outcome to the vast majority of these, but as always there will be one or two incidents that we cannot solve, not through a lack of trying but just the evidence doesn't support a positive outcome.

Used Car Safety Rating Brochure Now Available

The latest Used Car Safety Ratings Buyers Guide has been released, helping buyers to identify the safest, affordable second-hand car for them.

Launched last month, the 2018/19 Used Car Safety Ratings Buyer's Guide provides buyers with safety ratings on second-hand vehicles to help them choose a vehicle with the best driver protection and greatest number of safety features.

Some vehicles can significantly reduce your chance of being seriously injured in a crash, and can even help avoid a crash altogether. Safety features can also offer good protection to other road users, such as people walking and cycling if the vehicle was to collide with them.

The safety ratings provided in the new Guide are based on the latest data from real world crashes and are evidence by rigorous research.

To find out more, visit the How Safe is Your Car website; www.howsafeisyourcar.com.au/ and to download the Guide, visit; <https://www.rsc.wa.gov.au/RSC/media/Documents/2018-UCSR-brochure.pdf>.

WA NATS IN CANBERRA TO MEET WITH FEDERAL AG MINISTER

The Nationals WA have held talks with the Federal Agriculture Minister in Canberra encouraging him to come to Western Australia as soon as possible to meet with sheep producers and live exporters.

Spokesperson for agriculture Colin de Grussa and Roe MP Peter Rundle, whose electorate is home to the highest concentration of sheep producers in WA, visited Canberra on Wednesday to meet with Minister David Littleproud.

"The purpose of the meeting was to strongly impress upon the Minister the importance of the live sheep trade to regional Western Australia's economy," Mr de Grussa said.

"Both Peter and I told the Minister we were eager to have him come across to WA as soon as possible to meet with a number of key industry players.

"I am happy to report Minister Littleproud indicated he was very interested in coming west and we are working towards a date for that to happen."

The Nationals WA duo also met with the Deputy Secretary of the Department of Agriculture and Water Resources, to be briefed on reforms within the sector.

Other issues raised during meetings included Federal funding for the extension of the State Barrier Fence.

"While in Government, The Nationals provided more than \$10.5 million through Royalties for Regions for upgrades and extensions to the State Barrier Fence," Mr Rundle said.

"This included upgrading the existing fence to wild dog standard by installing lapwire to the base of the fence and constructing the 170km 'Yilgarn Gap' between Southern Cross and Hyden.

"Now the priority is to extend the State Barrier Fence eastwards from its current termination point near Ravensthorpe, extending north around Salmon Gums and terminating east of Esperance near Cape Arid National Park."

Mr de Grussa said Minister Littleproud was very generous with his time.

"The Nationals believe face-to-face advocacy is better than the preferred method of WA's current Labor Agriculture Minister who tends to shout and stomp her feet through the media until she gets what she wants," Mr de Grussa said.

"Clearly, that approach isn't working for WA pastoralists."

#GIRLGUIDESGOPLACES

Tambellup members of the Katanning Carnaby' Girl Guides unit have been out and about recently participating in lots of interesting activities.

Outdoor Muster

On Sunday the 16th of September Lexi and D'Arcy travelled to Perth to take part in the Outdoor Muster with over 200 Girl Guides from around the state. Throughout the day they worked in a patrol group to complete tasks to do with the outdoors and camping. There were lots of fun games and activities starting with creating a patrol flag and then morning and afternoon sessions that included a Tent Peg Relay, Shower Dash, Blind Trail, Cargo Net Climb, Bedroll Toss and Knotting Spaghetti. D'Arcy's favourite part of the day was the blinded trail as she stepped in some slime and it felt weird. She also enjoyed the obstacle course as she got to climb on the frame and other equipment. Lexi enjoyed making bug hotels out of repurposed paper rolls. She loved doing the obstacle course that included walking on tyres and climbing a large wall. She also learnt how to use a compass and created a craft using string and nails to show the directions. We're so proud that two of our younger Guides took on this challenge and participated in this State event.

Girls Takeover Parliament

On Thursday the 11th of October Brianna took part in 'Girls Take Over Parliament' (GTOP). Thursday the 11th was International Day of the Girl Child. 19 Girl Guides were given the opportunity to take part in a unique program that aims to give young women a voice and encourage them to pursue leadership roles. It gives young women the opportunity to step into

the shoes of a Western Australian parliamentarian and experience what it is like to be a politician for a day. Brianna was teamed up with Hon. Diane Evers, MLC for the South West. Leading up to the takeover day the girls took part in two full days of training to learn about Parliament, and expectations for how the day would progress. Brianna was one of the youngest participants and said she found the day very interesting and informative and that she would have more confidence now to consider a role in politics in the future.

Sydney Jamboree

Brianna and Carolyn had an opportunity to attend a Girl Guide Jamboree during the school holidays, held in Sydney along with 1500 girls from around Australia and overseas. During the week there were lots of different activities for the girls to participate in including a city explore day, world

explore, an outdoor adventure, and lots of fun on site activities. The girls all camped in Bell tents with a patrol group of 5. One of the best things about Jamboree is getting to meet girls from far and wide and make some truly strong friendships that often last well into the future. Some of the onsite activities that the girls participated in included science and technology games and tasks, gadget making, outdoor games, indoor games from many different countries and dances from around the world.

Each girl who attended the Jamboree had the opportunity to choose an outdoor adventure day. Brianna chose to do 'High Ropes and Hippos' which involved a high ropes course at Taronga zoo and an afternoon exploring the zoo and meeting animals.

A highlight of the week was the opportunity to explore the city of Sydney. Girls were placed into groups of 5 with one leader to accompany them. The girls had total control of what they wanted to see and where they wanted to go, the leader was just with them for safety and assistance when needed. The movement of 1500 girls and leaders into the city

from our campsite at Sydney Olympic Park was truly impressive. Buses moved the girls to the nearest train station, then everyone set off for the city on several trains. We're not sure that the public knew what had hit them. Girls were identified by the Jamboree shirts they were wearing and brightly coloured hats. The groups all set off in different directions depending on their choices. The Opera House was obviously a popular destination as was Sydney Harbour Bridge, Luna Park and Darling Harbour. Girls were also able to visit the Botanic Gardens, museums, travel on ferries, the list of possibilities were endless. There was much excitement as groups passed each other on the street, we might not have known each other but it really felt like a huge family travelling around and meeting up every now and then. The looks on many leaders faces (especially around lunch time) was familiar – "I need coffee! And a rest!" On the trains on the way home many leaders and girls were comparing the numbers of steps they had taken throughout the day and the distance walked, and all were above the 10 km mark, some reaching 15km or more. There were some very tired girls and leaders at the end of the day.

The week's activities ended with 100mls of rain falling in two days which made for a damp (*understatement*) end to an awesome week. The girls' stayed positive and carried on with enthusiasm, despite wet sleeping bags, wet tents and mud, mud, glorious mud!

Learning Language

Research shows us that

- A child's vocabulary is directly linked to their achievement at school.
- The size of a child's vocabulary predicts his or her ability to learn to read.
- The more words a child knows, the more information they have access to.
- Having a large vocabulary helps children think and learn about the world.

As Parents and Caregivers we can help build our little one's vocabulary by talking to them, labelling items correctly and explaining any unfamiliar words when reading to them.

Tambellup Bowling Club news

The season has started with our opening day on Saturday 13th October. We had invited Gnowangerup bowling club to join us for the day, with a great turn out from both clubs. Our singles winners from last season, Trixie Hampton & Norman Herbert rolled the first bowl to start the season off.

On Sunday 14th October we travelled down to Cranbrook for the annual Clive Thorn shield with Tambellup scraping in by 5 shots up. It was a bit wet but an enjoyable day of friendly competition.

Our first pennant match for the season was on 20th October, the men played here in Tambellup against Jerramungup winning 78 - 64.

The Ladies travelled out to Jerramungup and went down by one shot 19 - 18
