## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

**The next meeting of Council will be held on Thursday 20th September 2018 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

### FROM THE AUGUST COUNCIL MEETING

Council considered and approved a request from the Tambellup Business Centre to grant a concession on the rate charges for the 2018/19 financial year. The Tambellup Business Centre is a not for profit organisation that provides training and assistance for small businesses, as well as assisting start-up of new businesses. The Business Centre is unique in this area and is managed by a volunteer committee made up of local and regional members, of which Council currently holds a position.

Council approved a request for financial assistance from Southern Agcare, committing to a contribution of \$1000 per annum for the next three financial years.

Council considered a request for a financial contribution towards the development of a coffee-table style book showcasing stories of people living and working within the Great Southern region. The matter was deferred to enable staff to obtain more information about the project.

Council considered a request from the YMCA WA for hall hire fees in Broomehill to be waived when the building is required for 'Play in the Park' activities during inclement weather. Council declined to waive the fees, however will make a donation to YMCA WA for the equivalent on the occasions when the Hall is used.

Council endorsed the renewal of the lease for the management of the Broomehill Recreational Complex to the Broomehill Recreational Complex Committee Inc. for a further twenty year period.

Council granted permission for the Tambellup Tennis Club, through the Tambellup Community Pavilion Association, to erect a tennis hit-up wall on the lower courts, subject to building approval being granted. The Club is seeking funding to achieve this.

Council endorsed an application to be submitted to the Community Sporting and Recreation Facilities Fund Small Grants Program, for the upgrade of the Crawford St basketball half court.

### COMMUNITY EMERGENCY SERVICES MANAGER

Cindy Pearce, CESM for the Shires of Woodanilling, Katanning and Broomehill-Tambellup, has accepted a temporary position as Acting Area Officer for a number of southern Shires, during September and October 2018. The CESM role during that period will be filled by Kelly MacLeod from Denmark. Kelly can be contacted on Cindy's number – 0417 071567. Welcome Kelly!

### WORKS

Works staff have been patching blowouts on a number of roads during August, including Toolbrunup Rd, Collins Rd and Eureka Rd. With grader drivers at a premium this month due to staff illness and leave, a reduced maintenance grading program has been carried out on the following roads: Nookanellup Rd, O'Neill Rd, Clinic Rd, Birt Rd, Warrenup Rd, Holding Rd, Matiske Rd and Grahams Well Rd. We look forward to the full crew being back on deck during September.

The maintenance crew has spent time working to extend the drainage at the Broomehill Oval to alleviate water pooling. These works will be completed prior to the commencement of the cricket season. Contractors have recently removed all asbestos fencing from the Tambellup Bowling Club site, and maintenance staff have commenced the removal of the shelters. This work is ongoing. Roadside spraying on bitumen roads was completed during August.

The gardens crew has established two new gardens in recent weeks, between the Hall and Shire office in Broomehill, and on the Tambellup West Rd/Garrity St intersection. With the rains we have received, mowing and weeding are still priority activities.

Planning for the implementation of the next stage of the Townscape Plan is underway, with a surveyor being onsite during August to complete a features and services survey of the area around the Tambellup War Memorial. The Plan includes the development of the area around the Memorial to provide better access and improved safety for pedestrians, as well as enhanced amenity of the area.

### CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices - Tambellup office 8.30am-4.30pm Monday to Friday, Broomehill office Tuesday to Friday 8.30-12.00, 1.00-4.30pm;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

For all methods, please include your name and contact details so we are able to respond to you.

### SENIORS MOBILITY AND FITNESS CLASSES

A fortnightly senior's fitness class commenced at the Tambellup Community Pavilion on Wednesday 15<sup>th</sup> August, with fitness coach Rebecca leading the program. The program was initiated by staff at the Shire of Cranbrook, who were successful in their funding application to the Department Of Communities 'Age Friendly Communities' grant program. The fitness classes will be held fortnightly at the Pavilion and the opportunity to participate has been extended to all seniors in Cranbrook, Broomehill and Tambellup. The classes will run until mid December.

### HIDDEN TREASURES OF THE GREAT SOUTHERN - BLOOM FESTIVAL

The 2018 Bloom Festival kicks off on 22 September, with a huge range of events planned across the Hidden Treasures shires – Woodanilling, Kojonup, Katanning, Kent, Broomehill-Tambellup, Cranbrook, Gnowangerup and Plantagenet. Our Shire is represented, with four events planned over the four weeks of the Festival:

- 'Books and Blooms' at the Henry Jones Winery and Café, Tuesdays to Sundays 9.00am – 5.00pm
- 'Fantasy Flowers' at the Tambellup CWA, Saturday 6<sup>th</sup> and Sunday 7<sup>th</sup> October from 10.00am – 5.00pm
- Old Time Outdoor Family Movie Night at the Tambellup Community Pavilion, Friday 19<sup>th</sup> October from 6.00pm
- Holland Track Busy Bee, at the Track entrance off Lathom St, Sunday 21<sup>st</sup> October with a BBQ lunch in the bush, from 9.00am – 1.00pm.

For more information about these, and all events planned during the Festival, we encourage you to pick up a copy of the program, which will be available from the Shire Offices, Henry Jones Winery and Café, Tambellup CRC and Tambellup Post Café shortly. Alternatively, the program can be downloaded from the Hidden Treasures website - [www.hiddentreasures.com.au/bloom](http://www.hiddentreasures.com.au/bloom)

Maps and guide notes for the self-drive wildflower trails around the Shire are available once again, from the Shire offices and Tambellup CRC. The rain patterns so far this year have been different to last year and it will be interesting to see the impact this has on wildflowers. We would love to see your wildflower photos taking within the Shire - please contact Pam at the Shire for more information.

We thank those people who have committed to hosting events during the Bloom Festival, and encourage everyone to track down a program, get out, play the Tourist and see what our region has to offer!

### SNAP SEND SOLVE

The Shire of Broomehill-Tambellup is trialling the 'Snap Send Solve' app, which is a free app that easily allows you to report issues to the relevant authority – in this case, the Shire. When downloaded to your mobile device, it allows you to take a photo of the problem, make notes, add contact details, record the exact location, and then send – this generates an email which is sent to the Shire for actioning.

We have had a couple of instances in recent weeks after strong winds where residents have used the system to advise of fallen trees. The benefit of this system is that the ability to provide a photo of the issue allows the Shire to determine the best course of action without necessarily having to go out and inspect first – for example, does the tree require a chainsaw or a loader to remove from the road? This in turn saves time and resources.

The Shire is keen to trial this system and we encourage residents to download the app through either the App Store or Google Play. Reports can also be submitted from your desktop PC, through the Snap Send Solve website – [www.snapendsolve.com](http://www.snapendsolve.com). If you would like to know more please contact the Shire on 9825 3555.

**RESTRICTED BURNING PERIOD**

As we move into spring, all residents are reminded the **RESTRICTED** burning period commences on **19 SEPTEMBER 2018**. From this date you are required to obtain a permit to burn before lighting any fires, and all conditions of the permit must be complied with. Permits to burn can be obtained from your Brigade Fire Control Officer, or the Acting CESM, Kelly MacLeod.

The **PROHIBITED** burning period commences on **1 NOVEMBER 2017**. No burning is permitted from this date until **14 FEBRUARY 2018**.

Copies of the 2018-2019 Fire Break Order booklet were distributed to all households by mail early in August. Additional copies are available at the Shire Administration offices if required.

**BUSHFIRE HAZARD REDUCTION – SPECIAL RURAL AND RURAL RESIDENTIAL LAND**

The Shire has recently written to all landowners in the Special Rural and Rural Residential zoned areas of the Shire, to request action towards compliance with the following requirement of the Fire Break Order:

**2.0 LAND ZONED RURAL RESIDENTIAL/SPECIAL RURAL (Townsite and Suburban areas)**

*During the period from 31st October 2018 to 15th April 2019 inclusive you shall have fire breaks in the following positions:*

*2.1 Clear firebreaks not less than 2 metres completely surrounding and not more than 20 metres from the perimeter of all buildings, haystacks and fuel storage areas situated on the land.*

*Minimise fire hazardous material to the satisfaction of the Chief Fire Control Officer by stocking, slashing or other means. The height of all grass on the land is to be less than 150mm in height. Properties will be inspected and orders may be issued.*

Over the past few years the management of Special Rural and Rural Residential blocks by owners/occupiers to comply with this requirement has resulted in less than satisfactory outcomes. This year the Shire will be conducting inspections to ensure all Special Rural and Rural Residential zoned properties comply and maintain compliance throughout the required period. The Shire has power under the *Bush Fires Act 1954* to issue infringements and/or have the work required undertaken by a contractor at the owners expense if compliance is not achieved. We encourage all owners with land in Special Rural and Rural Residential areas to assess what they need to do to be compliant, undertake these works and monitor their land for bushfire hazards during the fire season. If you would like more information please contact Acting CESM Kelly MacLeod on 0417 071567, or the Shire on 9825 3555

**KEEP AUSTRALIA BEAUTIFUL – TIDY TOWNS AWARDS**

As reported, the Shire entered the Tidy Towns Awards program this year for the first time in many years, on the back of the completion of the Tambellup Depot water harvesting and washdown bay project.

This project has provided significant opportunities for harvesting of water off all three sheds into two new tanks with capacity of 520,000 litres. The installation of a filtration system to capture contaminants from water used to wash vehicles, will also allow up to 80% of the water used to be recycled back through the system, eliminating the use of scheme water for this purpose.

The Tidy Towns judges visited in July to complete their inspection, and based on their report which included all aspects of the community, the Shire has been advised that Tambellup has been selected as a finalist in three categories: Community Action and Wellbeing, Environmental Sustainability and General Appearance. The awards presentation will be held in Perth on 21<sup>st</sup> September.

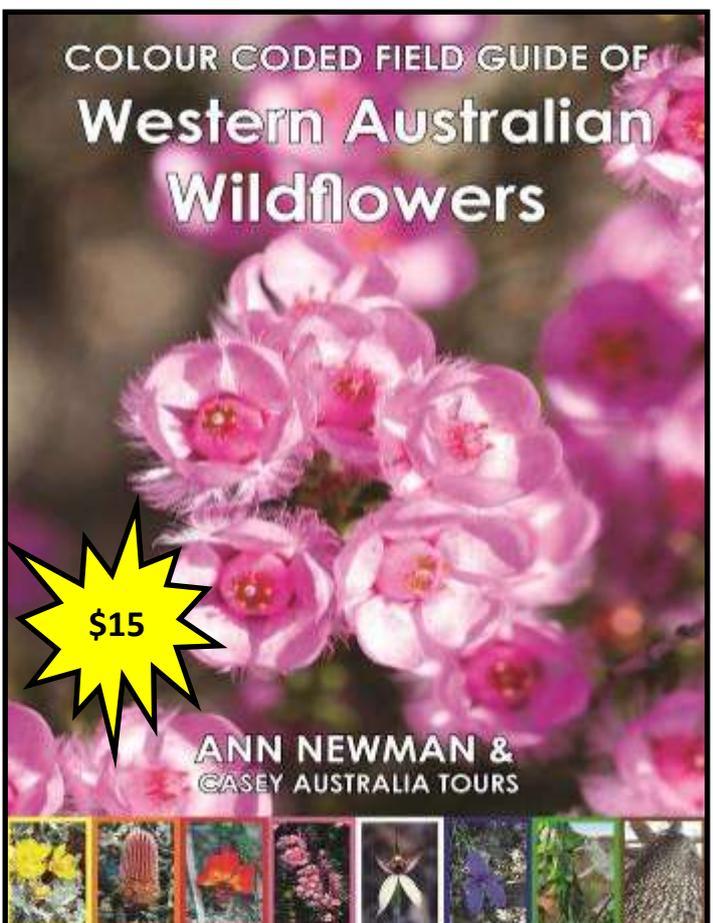

**COUNCIL AGENDAS AND MINUTES**

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

# CRC Roundup - Govt Funding and CRC Meetings (AGM)

## **FUNDING**

As most of you will know, the McGowan Government has thought with their heads and decided to reinstate full funding to the Community Resource Network and will be extending the current contracts until 30 June 2020. This is wonderful news to all CRC's who were looking down the barrel at huge funding cuts as part of a number of the budget savings announced in 2017. This would have seen CRC closures, staffing cuts and a reduction to opening hours.

CRCs will soon be receiving a letter confirming the Governments decision regarding how the budget will be used and offers will be sent out towards the end of this calendar year. This payment, as always, is dependent on CRCs meeting their contractual requirements as per normal procedures.

Whilst this is good news for Tambellup CRC, it is of no value if we don't attract enough people within the community to support our offered services such as Government Access, Training and Workshops and information access - the CRC will not be able to fulfil its outcomes that are required for continued funding.

We will be offering some full day workshops during October and march next year and hope to have a reasonable response - see next pages for details.

If anyone has a request for a certain training course (accredited or not) or a day workshop, please let us know so that we can organise with a training partner to deliver these courses. Many courses can be delivered here in Tambellup.

## **AGM & Management Committee**

The **AGM** of the CRC Management Committee will be held **Tuesday 16th October** at the CRC at **7pm** - there will be some vacant positions and if anyone has certain skills (either financial or management) to bring with them, they will be looked upon very favourably indeed.

We would like to invite as many interested people as possible to come along to this meeting, particularly if you have an actual interest in keeping the centre alive. We would love some enthusiastic members who wouldn't be frightened to be an active part of a committee to decide the future pathways for the CRC and to help implement events suitable to our community. The paid staff are there to manage the day to day operations of the CRC but the Management Committee are the drivers behind the scenes, instigating new programs.

# FOOD FOR THOUGHT “Low Waste Living” WORKSHOP

**(30% OF ALL THE FOOD WE BUY WE THROW AWAY)**

Where: Tambellup CRC

Date: October 18<sup>th</sup> 2018

Time: 10am - 12pm

Cost: \$10

Registration required by 16<sup>th</sup> October - 9825 1177

On the 18<sup>th</sup> of October we aim to raise awareness about food waste and the impact it has on our environment by running a Low Waste Living Workshop to help us to avoid food waste at home.

Presented by Ella Maesepp from Katanning-Eco House.

Ella was 2016 Australian Landcare Leader Winner & was recently featured on ABC radio, ABC online and Earth Garden Magazine.

Learn tips and tricks from an average family of four who have successfully **reduced their weekly household waste to less than 1 litre per week (that's less than half a bread bag)**.

See how low waste solutions can be integrated into real home living.

## What is food waste?

*Food waste is a complex social, economic and environmental problem that is having an increasingly negative impact on our world.*

*Food waste results from preparing and cooking food. It is the food we throw in the green landfill bin, we feed to our pets or toss in the compost bin or worm farm. It's the food we bought to eat but then threw away. There are two types of food wastes, avoidable and unavoidable food waste.*

*A avoidable food waste includes food that gets wasted because we buy more than we need or it is out of date before we use it, gets wasted because we cook more than we need.*

*Unavoidable food waste usually be eat-ple skins, tea and vegetable food waste we do anything apart from or putting in bin.*

*food waste is that can not en eg. Pineap-bags and fruit peelings. It is can not really further with composting it the landfill*

## TOPICS - paper or digital?

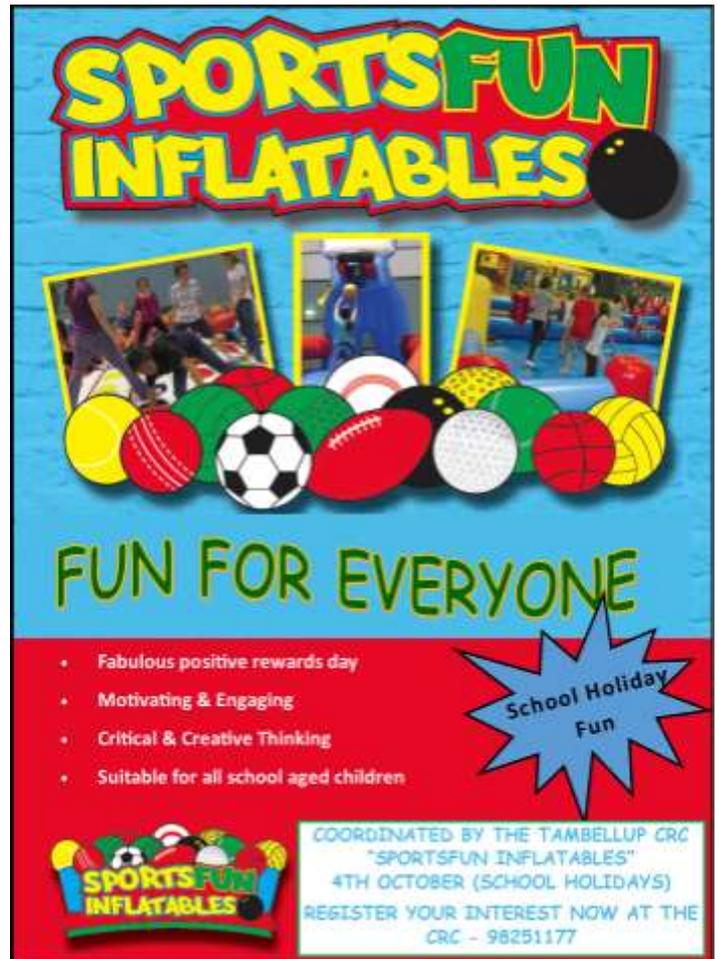

Did you know that "Topics" is available in digital format?

Do you want to help the environment and save on paper copies of "Topics"?

If you would like to be on our "Topics" emailing list, just send in your email address to [tambellup@crc.net.au](mailto:tambellup@crc.net.au) and we will add you to our list email you a digital copy of "Topics" every month in PDF format.

We print around 500 copies of "Topics" per month which is a lot of paper (a lot of trees), a lot of ink, which has to be disposed of safely, and the environment would be better off without all this extra paper which eventually ends up in landfill.

"Topics" is also available on the Shire of Broomehill-Tambellup website [www.shirebt.wa.gov.au/](http://www.shirebt.wa.gov.au/) and will soon be available on the CRC website as well but this site is being updated at the moment.

# Tambellup New Adult Fiction

Wine and murder - nothing is more likely to rouse Auntie Poldi's love of the chase. Still relishing the notoriety from her spectacular resolution of the Candela case, Poldi is alive to the faintest whiff of criminality. What to others might seem a series of misfortunes - the water supply cut off, a poisoned dog - is clearly, to Poldi, an escalation: the Mafia have had her in their sights ever since she solved Valentino's murder. Poldi has tasted blood. No one is above suspicion. And trouble will surely follow...

The year is 1969 and ten guests are about to enjoy a country house weekend at Tavistock Hall. But one amongst them is harbouring thoughts of murder. . . The guests also include the young detectives Arthur Bryant and John May - undercover, in disguise and tasked with protecting Monty Hatton-Jones, a whistle-blower turning Queen's evidence in a massive bribery trial. Luckily, they've got a decent chap on the inside who can help them - the one-armed Brigadier, Nigel Fruity' Metcalf. The scene is set for what could be the perfect country house murder mystery, except that this particular get-together is nothing like a Golden Age classic. For the good times are, it seems, coming to an end.

## Approved Bar Managers Course

The Tambellup Community Pavilion Association and the Tambellup CRC are going to be running a Bar Managers Accreditation Course for community members to upskill themselves and become Approved Managers - accepted Australia wide.

**Where:** Tambellup CRC  
**When:** Tuesday 4th September 2018  
**Time:** 7.30pm

### Prerequisites:

- Unique Student Identifier (USI) - you can create one at: <http://www.usi.gov.au/>
- Responsible Service of Alcohol (RSA) - this must already have been completed - bring your certificate
- Obtain a National Police Clearance (NPA) - must be current (within the last 3 months) - bring it along

### On the night:

- Complete the online training course at the CRC - (\$139.00 through Clubs WA)
- Complete the RGL online Approved Manager Application at the CRC
- Lodge the Application Summary and pay required fee - (\$181.00)

After completion of lodgement, you will be issued with an Approved Manager ID Card which must be carried with you at all times whilst serving alcohol.

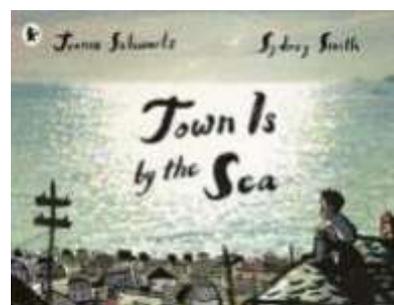

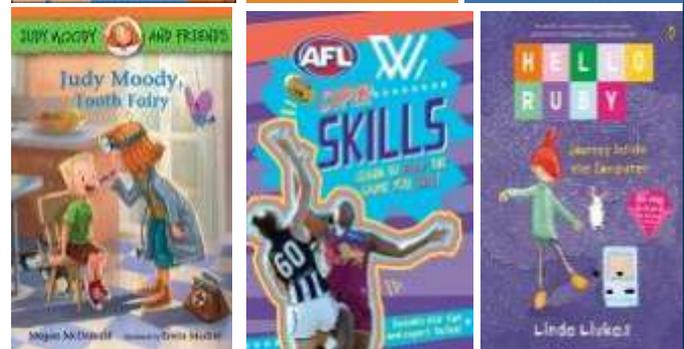

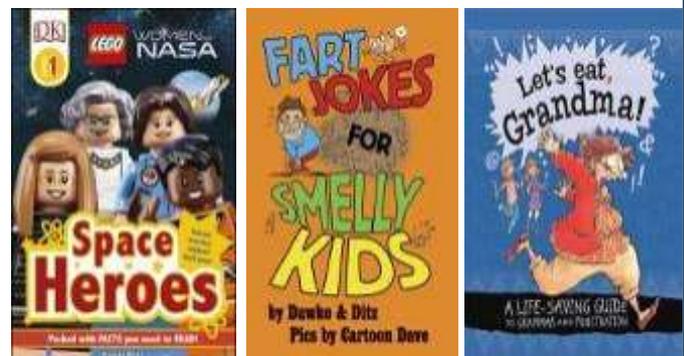

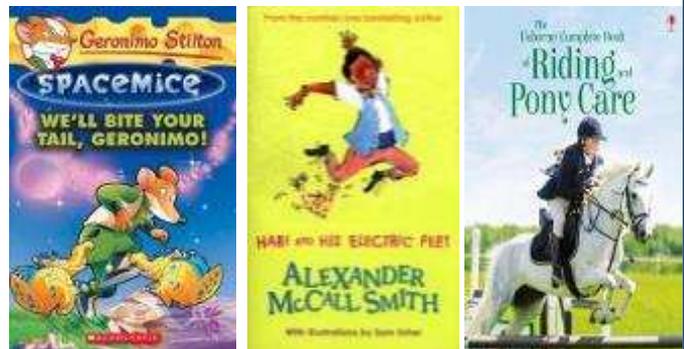

As all the current Bar Managers at the Pavilion are acting in a voluntary capacity, it would be great to see as many members as possible become Approved Managers to lighten the load on the current few.

This months news:

Our constitution is complete and sent to members. Copies for members without email are available at the shire office.

We will be having the meeting to ratify the constitution on Saturday 15th at 2pm at the museum.

The majority of the packing is complete, now waiting for storage details to be concluded. The renovations will commence in the near future by the shire. On completion of the renovations we hope to have a market day and unveil our revitalised museum in conjunction with the Men's Shed.

### To Our Community

As many of you are aware a committee has been formed to investigate the community purchasing the Tambellup Deli.

The committee has met several times including with a lawyer and accountant.

At these meetings we have resolved the following.

:Chairperson Michael White.

:That we form a distributing cooperative to purchase the building and plant.

:A distributing cooperative can return profits to shareholders at the boards discretion but is not compelled to pay a dividend.

:The name Tambellup Cooperative.

: The business to be leased to an appropriate lessee

:Shares in the cooperative to be valued at \$1000 a share.

:Each shareholder will get 1 vote irrespective of how many shares they hold these are cooperative rules.

:A board of directors to be elected by shareholders and to comprise of 8 shareholders.

: The committee would also welcome small investors so that everyone in our community can be involved if they so choose. Smaller investors can make a donation and be recognised with a special donation share however these shareholders would not be entitled to a vote and would not receive a dividend, unless at the boards discretion it was considered appropriate. This reflects the rules and guidelines of a cooperative.

**PLEASE NOTE the email address on the flyer that has been circulated should have a small w and should read [whitey60@outlook.com](mailto:whitey60@outlook.com)**

I would also like to advise the community that while the Shire of Broomehill—Tambellup is assisting the committee with the formation of the cooperative, it will have no financial interest in the cooperative or an ongoing role in its management. Some councillors may choose to be on the board but this will be purely from a shareholder basis.

In closing the committee would urge members of the community to consider becoming a shareholder or donor shareholder in order to keep our deli open.

Regards,

Michael White  
Chairperson

## Soup & Sweets for Senior's

A big thank you to the Tambellup members of the Katanning Carnaby's Girl Guides Brianna Cunningham, Alexia Ewing, Rikki Bliss and Tambellup CWA members Aileen Prout and Trixie Hampton along with Carolyn Cunningham for their fabulous soups and sweets last month.

Very much appreciated.

## BANNERS IN THE TERRACE

Congratulations to the Broomehill Primary School who were awarded a high commendation for their fabulous 2018 Banners in the Terrace entry.

66 Local Governments entered the Banners in the Terrace competition run by the WA Local Government Association as part of its annual Convention at the Perth Convention and Exhibition Centre.

Countless hours are spent creating the artworks, showcasing an incredible level of creativity and artistic standards.

## Broomehill Netball Wrap-Up 2018

And that's a wrap for another year!

With two new members and a squad of 11, our playing season commenced in Division 1/2 of the Katanning Netball Association. After nine rounds, we finished fourth on the ladder meaning the next six rounds we would play in Division 1 against the top three teams of the Association. The games were tough and challenging and we played some of our best netball. We held our own every week and were very proud of how our team stood up to the challenge. The semifinal was a hard-fought game, going down to Katanning Olympians 1.

Many thanks to Lisa Stanley for your coaching this year and pushing us that little bit more when we needed it. We look forward to a fabulous 2019 and to see where it will take us. We say goodbye to Bec & Jason Leyte who have been dedicated members since we began playing five years ago. You will be missed greatly.

**Tambellup St John Ambulance Thanks to continued support from the Katanning sub centre our new building has been fitted with a very smart looking set of security screens.**

IS ON AGAIN!**

**22 September - 21 October 2018**

**What's happening in Broomehill and Tambellup???**

- **Books & Blooms** - Relax with a coffee or lunch and browse a selection of wildflower books in the new library room at the Henry Jones Winery and Café, India St, Broomehill. **Open Tuesday - Sunday 9.00am - 5.00pm.**
- **'Fantasy Flowers'** - **Saturday 6<sup>th</sup> and Sunday 7<sup>th</sup> October 10.00am - 5.00pm.** A display of beautiful locally handcrafted sugar flowers at the Tambellup CWA, Henry St Tambellup. Demonstrations, morning and afternoon teas available, door prize, raffles, iced cakes and cake toppers for sale. Entry by gold coin donation with proceeds to Crawford Lodge.
- **Old Time Family Movie Night – Friday 19<sup>th</sup> October from 6.00pm** at the Tambellup Community Pavilion. Who remembers going to the pictures and rolling Jaffas down the aisle? The Tambellup Volunteer Fire and Emergency Service will take you back! Our master projectionist will delight with some pre-movie 'films' - complete with old style reel-to-reel projection equipment - before the screening of a current release family movie. Snacks and drinks available to purchase. Bring your camp chairs, picnic rugs, bean bags or sleeping bags for an evening on the Terraces! Gold coin donation to Tambellup St John Ambulance Sub Centre.
- **Holland Track Busy Bee – Sunday 21<sup>st</sup> October from 9.00am,** at the start of the Track off Lathom St. Calling all locals to join in for a family fun day clearing the walking section of the Holland Track. Enjoy the wildflowers while clearing the track that has been here since 1893 before getting together for a BBQ lunch in the bush. Bring a sun hat, gloves, sturdy shoes and a water bottle. Please RSVP to Emily Hardie 0408 900337.
- **Self-Drive trails** - the hunt for wildflowers is on! Pick up a self-drive trail map from the Shire offices in Broomehill and Tambellup or the Tambellup CRC, and make a day of it, checking out likely hotspots around the Shire. Combine this with a touch of history as you go, pack a picnic and you have the makings of a fun, easy day out discovering parts of your Shire that you may not have been to before!

For a full listing of events happening within the Hidden Treasures of the Great Southern region, pick up a copy of the Bloom Festival brochure - available at the Shire offices in Broomehill and Tambellup, the Tambellup CRC, Henry Jones Winery and Café and Tambellup Post Café. Alternatively, download your copy from the Hidden Treasures of the Great Southern website: [www.hiddentreasures.com.au/bloom](http://www.hiddentreasures.com.au/bloom) .

***Just a note of caution - if you are going on a wildflower hunt, please be aware that at this time of the year with the days getting warmer, snakes are becoming more active. If you should encounter a snake, you should walk away quietly and leave him to his business. He has no more desire to interact with you than you do with him!***

# Central Great Southern families – Please tell us what you need

The WA Country Health Service invites local families from the Central Great Southern to chat with us about child health.

We are interested in your thoughts about what is needed to help children aged 0 to 8 years grow up to be healthy and strong.

- What do you think are the main health issues for children aged 0 to 8?
- What would you like to see happen in the region to meet the health needs of children?
- What experiences have you had with child health services?

Any information you share will help to better understand the health needs of children and families in the region.

DID YOU KNOW...

*It happens to every child in one form or another - anxiety.*

*As parents, we would like to shield our children from life's anxious moments, but navigating anxiety is an essential life skill that will serve them in the years to come.*

*Ways to help your little one when they are anxious or worried. . . .*

- ◆ Remind them that you love them and they are safe
- ◆ Have them pretend to blow up a big balloon to the count of 10.
- ◆ Have them draw or paint their worries or fears . This often helps if they do not have the language to explain how they feel.
- ◆ Let them know that they are not alone and that every one has things that worry them. Give them examples of things that have worried you.

## MAKING SENSE

## SUMMARY

by "Fossil"

The three segments of "Making Sense" which 'Topics' have generously printed, are an attempt to place a local perspective on a "continuing to develop" science of Geology. This "Fossil" would hope that our readers have the message that our world has been here for a very long period of time and has always been changing, perhaps evolving is a better description.

Unfortunately among we humans there are some of us that see evolution as all doom and gloom. But with our sun now believed to have been earth's master for 4300 million years and probably yet to reach half way through its life cycle, there are many sunrises ahead.

We have talked about what the manned space station has revealed. This giant ball of magnetism ceaselessly manufacturing our minerals, our weather, our water, our energy and our food. How our continental landmass has evolved from five cores (one under our very own feet in Broomehill-Tambellup). How they are floating around earth's engine room core, changing through sedimentation and reforming through volcanism, and, on the way, leaving a vast array of intelligence for us to develop and exploit.

We have talked about our Stirling Ranges, our Graben Faults, our decaying granite shield base, our seismically active centre in the middle of the shire, our ancient paleo river (the Cobline) and of course Twonkawillup and Gordon River pools.

What we have not talked about is what we are still to learn and this is a vast amount of future knowledge indeed. We spoke of the doom and gloomers amongst us. At the opposite end there are also a few with optimistic and speculative outlooks and for those believers there are some tantalising possibilities, for Broomehill-Tambellup and our neighbouring shires awaiting technology, development and a will to investigate.

There are large deposits of kaolin clay. This clay is the result of decaying feldspar, one of the main constituents of granite. The spongelite sediment rocks can be associated with lithium and possibly also water. Traces of fine gold are observed in pool sediments at Peringillup - possibly transported by the ancient Cobline as sediment from the Yilgarn. The Stirling Axis between Tambellup and Cranbrook (also the boundary of the Yilgarn and Fraser Provinces) is geologically prospective for diamonds and the subject of surface sampling along its margin. One can only speculate what may have also been transported and is under the large silica sand accumulation between Peringillup and Cranbrook.

And, on the subject of freshwater, the Bremer Graben Fault lines, which extend at least to the Darling Scarp and the proven Yarragadee formation, must be seen as conduits for fresh water at depth, not to mention the prospectively of the Yilgarn Fraser boundary extending to the Great Artesian Basin in South West Queensland, with the ancient Night Well south east of Borden on its fault line. The point at which one or more of the Graben Fault and the Yilgarn-Fraser origin collide is likely somewhere north of the Stirling's and possibly south of Broomehill-Tambellup Shire.

Couple all of the above, which can be supported with some legitimacy, with the speculative view of well credentialed geologists, that somewhere in the triangle from Kulin to Tunnytown to Jerramungup as being prospective for a major Broken Hill type ore body, there is reason for some optimism despite a lack of surface evidence, and this can be explained as due to our aged landform being sediment over.

We await the development of technology which will eventually come from "eye in the sky" and super fast drills combined.

It's time for Fossil to "Fossilize" but in doing so, "Making Sense" has been compiled with the assistance of a number of WA government publications, and, in particular, Dr Paul Raper, Department of Industry and Regional Development, Bunbury, and "The Story of the Earth", whose co-authors Peter Gattemole and Richard Moore are chief advisors to N.A.S.A. and the exploration probe to Mars.

I recently sent to you a request to see if any of your readers could help me learn more about my ancestor, Samuel Norton which you kindly published.

I have been overwhelmed by the response. Too many to name.

However, I would like to make special mention of Gwenda, Colin Moore, Morton Tunney, Lyn (Broomehill), Bill Waldron, Norma Ball, Paul McCarthy, Jeff Marshall, **Derek (St Mary's)**, Maddison

Wright and Lorreen Greeuw. My sincere thanks to everyone who has assisted me. I now have several photos and stories to **add to our family's history.**

I now know that Samuel was taken in by James and Mary Tunney. Samuel assisted James Robert Tunney to establish "Rainscourt" after having called "Gracefields" home. He built a humpy for himself; Bill kindly took a photo of where it had stood. Bill also told me about **"Norton's hole", he apparently dug it with a pick and wheel barrow."**

I now know that Samuel was buried in the Kojonup Cemetery on the 23 July 1932. Unfortunately, his plot number remains a mystery, however to know where he rests is wonderful, and I am extremely appreciative to all who have assisted me.

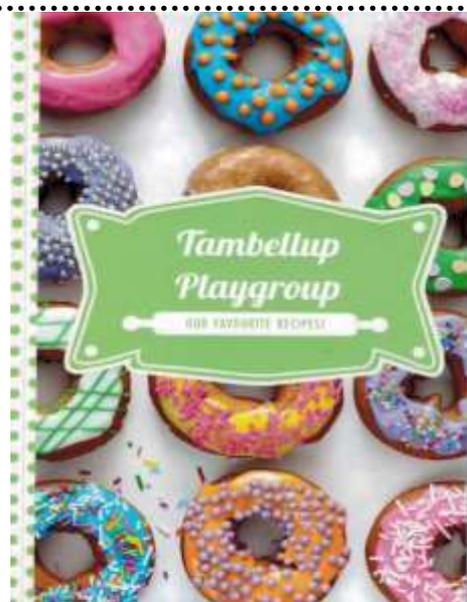

To the descendants of James and Mary Tunney, I thank you. All I have read and heard about these early pioneers is that they were very kind and generous and I glad that they became Samuel's Family.

## Earthquakes strike suddenly and without warning

They can strike anywhere and at any time as tectonic plates mash and grind against each other. You may think Australia is relatively safe, being in the middle of a tectonic plate, but we are actually rattled by roughly one small earthquake a day.

Earthquakes are the shaking, rolling or sudden shock of the earth's surface. Earthquakes happen along cracks (called fault lines) in the earth's surface. Earthquakes can be felt over large areas, although they usually last less than one minute. Earthquakes cannot be predicted — although scientists are working on it!

## BEFORE:

- Prepare an emergency kit.
- Prepare a communication plan, make sure you have important numbers such as family and emergency contacts.
- Know the safe spots in every room – under a sturdy table or against an inside wall.
- Ask your family to hold earthquake drills – drop, cover, and hold on!

## DURING:

- DROP** to the ground.
- Take **COVER** under a sturdy table or other heavy furniture. If there is nothing to get under, cover your face and head with your arms and crouch near an inside wall.
- HOLD ON** until the shaking stops.
- Stay away from windows, glass, lighting fixtures, or furniture that could fall – like bookcases.

## AFTER:

- Expect aftershocks. They are usually not as strong but can cause damage.
- Open cabinets carefully. Objects might have moved and could fall on you.
- Wear long pants, long sleeves, and shoes to protect your skin from getting scratched by broken objects.
- Turn off electricity, gas, and water. Do not light matches. Check for gas or fuel leaks and damaged wiring.
- Unplug appliances and broken lights to prevent fire starts when the power is restored.
- Listen to the radio or television for information from authorities. Follow their instructions.

Building damage caused during the 2010 Kalgoorlie-Boulder earthquake.

## When to call the SES

### When to call the SES

The [State Emergency Service](#) (SES) is a volunteer division of the Department of Fire and Emergency Services (DFES), Western Australia's leading Hazard Management Agency (HMA) for natural disasters. SES volunteers play a vital role in responding to natural disasters and emergencies on behalf of the community.

### What is the SES telephone number?

- 132 500

### Before you call the SES think about the following:

- The nature of your enquiry and whether the SES is appropriate for your needs
- Call [triple zero \(000\)](#) for fire and life threatening emergencies call
- Call 132 500 for urgent property repairs that you cannot fix yourself.

### When you call the SES

Due to the high level of demand during a natural disaster people need to remain patient and be prepared to wait.

- Speak slowly and clearly
- Tell us exactly where to come
- All requests are prioritised by urgency
- Major structural damage will be attended to first
- Avoid clogging up emergency hotlines with unrelated requests

### What will the SES help me with?

- Assisting with significant structural damage like collapsed roofs or ceilings
- Making temporary emergency repairs to homes and buildings
- Removing fallen trees that have damaged homes and cars
- Sandbagging areas in danger of flooding
- Pumping out flood water
- Rescuing trapped or injured people, and helping people relocate if they are in danger

### What won't the SES help me with?

- Clearing debris and organising permanent repairs
- Attending to broken fences, trees that have fallen on fences or if there is debris around your property or in your pool
- Basic repairs that you can manage yourself

**Tambellup Seniors Day Club**

Our monthly meetings are held at the  
Tambellup CWA Hall on the **First Friday of  
each month at 1:30pm.**

All members and any persons interested in  
joining with us would be most welcome for a  
social afternoon with Ronnie Whitmore our HAAC lady.

We all join in for some quiz games and  
sometimes Bingo, in an informal afternoon  
with a small cost of \$1.00 and then a cup of  
tea with a biscuit.

In the warmer months we travel on the HAAC  
bus to places of interest for the day, so there  
is always something to keep us busy. If you are a senior  
come and join us. Inquiries phone 9825 1167

**Tambellup Card Players Group**
