Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 17th May 2018 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE APRIL COUNCIL MEETING

The Council meeting in April followed a busy afternoon program for Councillors, including a visit from Russell Harrison of Lincolns Accountants (Council's auditors), a presentation by Shelly Pike representing the Southern Agcare service, and a discussion with Marg Hemsley, the consultant engaged to assist with the review of the Workforce and Community plans.

Council agreed to a request from the Department of Biodiversity, Conservation and Attractions (DBCA) to revoke a vesting order on a reserve located adjacent to the site used for the Tunney Sampling Station on Albany Highway. The reserve was vested in the Shire in 1926 for a General Sports Ground, however has never been developed or used for any purpose. DBCA has assessed this and two adjoining parcels of Crown land as having conservation value, and intend creating a nature reserve at this location.

Council considered a proposal submitted by the Department of Fire and Emergency Services (DFES) to extend the Tambellup Fire Shed to enable the new fire truck to be located there. Currently the new appliance is stored at the Business Centre as it is too high for the existing shed, and as such, DFES has requested that Council subdivide a portion of Lot 22 Taylor St (the old powerhouse site) to ensure emergency vehicles can safely access the shed into the future. The proposal was supported by Council.

STREET LIGHTS

Have you noticed street lights in your area are not working? Western Power has provided an online option to enable easy reporting of faulty street lighting:

<https://westernpower.com.au/power-outages/report-a-faulty-streetlight/>

When you open their page, enter Tambellup or Broomehill as the location and a map of the town and all street lights will appear.

Click on the street light/s that aren't working and it provides the street information (you can select more than one light in the same report), fill in the rest of the info on the right hand side and click on submit.

BUDGET 2018/2019

Council is about to commence preparation of the 2018/2019 annual budget. As part of that process, community and sporting groups are invited to submit requests to Council for consideration in the budget. Written submissions should be forwarded to the Chief Executive Officer, 46-48 Norrish Street Tambellup by the end of May.

WORKS

Shire works staff recently installed a third flagpole at the Tambellup Administration Office to allow the Aboriginal flag to be flown daily. The funding secured to purchase this flagpole and a second one installed at the Tambellup Police Station was initiated by Sgt Allan Mallard and the project was supported by Council.

The construction crew has been working on a number of drainage sites over the past month, getting roads prepared for bitumen sealing in early May. These funded projects are located on Warrenup Rd, Tambellup West Rd, Broomehill-Kojonup Rd and Gnowangerup-Tambellup Rd. The focus will then shift to the intersection of Nardlah Rd and Broomehill-Gnowangerup Rd, where the intersection will be modified and sealed. This project is funded by the Black Spot program.

The maintenance crew has been busy across the Shire, carrying out pot hole patching, clearing fallen trees, pruning trees, sign and guide post maintenance and assisting with other construction and parks and gardens tasks.

The parks and gardens team were engaged in developing the fenced area and surrounds at the Broomehill Museum, ready for the Market Day held by the Broomehill Historical Society during April. Other tasks included routine recreational maintenance and repair, weeding and mowing, and oval maintenance. Dam levels are slowly going down, so some rain now would be of value to the parks, gardens and ovals, as well as increasing water holdings.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Keith Williams

CHIEF EXECUTIVE OFFICER

STAFF MOVEMENTS

We welcomed Lesley Paskevicius to the Shire during March. Lesley was the successful applicant for the Customer Service Officer position in Tambellup, and comes to us after a number of years travelling around Australia with her husband Peter. Lesley has had a wide range of experience in Local Government, State Government agencies and private enterprise, and she and Peter are looking forward to settling into the community.

The position at the Broomehill office has been awarded, and more information will be provided when the new officer commences early in May. Siegrid Reed has kindly agreed to stay on for a little longer to ensure that the position (and her office!) is handed over effectively - thank you Siegrid, we really appreciate this gesture.

As previously advised, the Shire has been working through a review of its Workforce Plan. The review has identified that due to the ongoing evolution of the Shire since the 2008 amalgamation, the internal staffing requirements had changed, resulting in the Manager of Corporate Services position becoming redundant. As such, Judy Stewart has ceased employment with the Shire. We thank Judy for all her work over the six years she has been with us, and wish her well for the future.

COMMUNITY STRATEGIC PLANNING WORKSHOPS/SURVEYS

Thank you to those residents who have submitted survey responses or attended the planning workshops conducted in Broomehill and Tambellup on the 18th and 19th April. The workshops presented an opportunity for robust discussion, providing a wealth of information that Council will consider in setting priorities for the next 10 year period.

The feedback from all consultation methods will be collated and presented to Council for consideration and prioritisation, and from there a draft Community Strategic Plan document will be prepared. The draft plan will be advertised in due course for public comment, and we would encourage all residents to have a look and provide feedback.

It should be noted that while this is a 10 year plan, it is subjected to a minor review at the two year mark, and then a full review at the four year mark, so if the community's priorities change, there is opportunity to include new and updated information for the next period.

If you would like to receive a copy of the draft Community Strategic Plan and provide comment, please contact Pam Hull at the Shire.

CONGRATULATIONS.....

To the Broomehill Historical Society on hosting a successful market day in Broomehill on 14th April. Many local residents and passers by were engaged by the beautiful weather and the opportunity to peruse a wide selection of market stalls, and the location of the markets at the museum ensured that people passing through town could not miss the air of vibrancy in Broomehill. Congratulations to all involved!

To the Tambellup Community Pavilion Association, Tambellup Hockey Club, Tambellup P & C and all those involved in hosting the recent Ongerup Football Association fixtures at the Tambellup Sportsground on 14th April. The fixtures included four grades of football, two grades of hockey and three grades of netball, providing a sports feast for players, their families and residents of our communities. The event provided an opportunity for the Tambellup Community Pavilion Association, and the sporting clubs, to showcase the new facilities, and also the oval which is in excellent condition at the moment thanks to the Shire's parks and gardens team. The canteen, afternoon tea and dinner, as well as bar sales, provided a fundraising opportunity for local groups. Well done to all involved on a great example of regional collaboration and cooperation.

And again, to the Tambellup Lions Club, the Tambellup CWA and the Broomehill Historical Society for their hosting of the Anzac Day services in Tambellup and Broomehill. Once again, both events were very well supported by the community. The national focus is presently on the centenary of the end of WW1, however the local services provided an opportunity for reflection on the commitment made by members of our own communities to serve their country, in all conflicts. We appreciate the efforts of those who were involved in the organisation of each service.

BROOMEHILL SHIRE OFFICE HOURS

Residents are advised that due to recent staff movements the Broomehill Shire office hours will be as follows:

Tuesday – Friday 8.30am – 4.30pm

Closed for lunch 12 noon – 1.00pm.

These hours will be in effect until further notice.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices - Tambellup office 8.30am-4.30pm Monday to Friday, Broomehill office Tuesday to Friday 8.30-12.00, 1.00-4.30pm;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

For all methods, please include your name and contact details so we are able to respond to you.

The family of Judy King would like to thank you very much for the cards, phone calls and kind expressions of sympathy shown following her sad passing.

Your support at this difficult time was very much appreciated and of great comfort to all the family.

From the King Family

Deepest sympathy to the families of Don Bush
(formally of Tambellup) and
Joyce McDougall (nee King).

Deepest Sympathy
So sorry for your loss

Our sympathy to the families
of Mrs Judy King on her recent
passing.

Our thoughts are with you all.

*with deepest
sympathy*

Dean, Hannah and Maddalyn Hull wish to thank the community of Tambellup and beyond for all your support, care and sympathy extended to us at the tragic passing of our cherished wife and mother, Joanne.

She made broken look beautiful and strong look invincible. She walked with the universe on her shoulders & made it look like a pair of wings.

Robin & Bill Lay and families would like to sincerely thank friends and the community of Tambellup and surrounds for a ending Joanne's "Celebra on of Life" at the Tambellup Golf Course on the 28th March.

Special thanks also to all who helped on the day. Such a beau ful day which we will hold in our hearts forever.

Bey and Jim Hull and extended families would like to thank everyone for their phone calls, cards and expressions of sympathy in the recent loss of their daughter-in-law Joanne. Also many thanks to everyone who contributed to the working of the farm during this dicu lt period. Thankyou, thankyou, thankyou

SOUP & SWEETS FOR SENIORS

In the communities of Broomehill and
Tambellup

Yes it is that time of year again for our
Soup and Sweets for Seniors!

Date: **Thursday 17th May 11.30am**

At the Tambellup CRC

Please RSVP on 98251 177

Tambellup Community Pavilion Assoc.

The AGM of the TCPA will be held on 21st June at 6.30pm at the Pavilion.

We invite all members to attend. How do you think the past year has gone? What can still be done?

The TCPA committee comprises the delegates from each of the five foundation clubs (Junior Football, Bowls, Hockey, Tennis and Cricket) plus two community delegates who are currently the Secretary and Treasurer.

The incoming committee will include the five foundation club delegates and two community members - please see page 29 for Voting rights and Election of the Executive Committee.

The Tambellup Community Pavilion Assoc. would like to thank the Community of Tambellup for their wonderful help and support at the Gnowangerup Football fixture held at our Pavilion Complex on Saturday 14th April.

It was great to see so many local people watching the various sports being played all at the same venue and on the same day.

Thank you to Gnowangerup for offering us this home fixture and it would be great if it could continue next year.

Thank you to the Hockey Club (lunch canteen), Tambellup P&C (afternoon tea) and to the TCPA for the evening dinner and bar.

Is anyone interested in creating a Community Garden in Tambellup?

What is a community garden?

A community garden is a piece of land shared by the community to grow fruit, vegetables and herbs.

A Community Garden could be managed in many different ways and will bring many benefits to our community, including

- access to fresh, nutritious food
- increased physical fitness and health
- increased waste minimisation and recycling
- a place where all people in our community can come together
- the establishment of an educational and beautiful landmark in our community

If you would like to be involved please contact Jane Cunningham on 0438160577 or marlo@westnet.com.au

Everyone Welcome!

ABORIGINAL SKILLED FOR LIFE INTENSIVE COURSE

Thank you to Vicki & Sass from Skilled4life for there very informative workshop held at the Tambellup CRC.

Helpers wanted!!

The Tambellup Community Resource Centre is looking for community members to generously give of their time to help with projects at the Centre.

- Gardening - if anyone has some spare time, any help with weeding and maintaining our back garden would be greatly appreciated.
- Reading Group - we are looking for any community members who may have some spare time one afternoon per week to come into our Library and listen to reading with some of our Primary School students - reading is required as part of homework and needs to be signed off by an adult so any assistance with this would be appreciated and a roster can hopefully be implemented.

Please contact the CRC for further information.

Winter Fire Safety

As the seasons change and we start looking to
warm up our homes don't forget to do a few simple
safety steps before to help keep your home and
your
family safe.

- 1 Smoke Alarms – Make sure they are working
and have a new ba ery installed. It's all very
well to have one in your house but they
need to be tested regularly to make sure
they will work when needed.

They can be the di erence be-
tween life and death by giving
you and your loved ones the
early warning you need should
the worst happen and your
house catches re .

- 2 Clean your chimneys – Before ligh ng the
rst re for the year clean your chimney and
re place or get someone to do it for you.

Every year re brigades are
called out to chimney res
across the state. If the home
owner is lucky the re can be
contained to the chimney. If
not, the re can quickly spread
and engulf an en re house.

By spending the me now, you can help safe guard
your family from the horric reality of a house re .

As of the 1st April, Tambellup CRC will be closed on Mondays. The CRC will be open at the following times:

Tuesday - Friday 9.00am to 5.00pm

DID YOU KNOW...

RESILIENCE is the ability to cope with ups and downs, and bounce back from the challenges that may be experienced during childhood – for example moving house, changing schools, failing to succeed or dealing with the death of a loved one.

Building resilience helps children not only to deal with current difficulties that are a part of everyday life, but also to develop the basic skills and habits that will help them deal with challenges later in life, during adolescence and adulthood.

Research has identified that young children today are experiencing higher levels of stress and anxiety.

Children with greater resilience are better able to manage stress. and anxiety.

Find out what you can do to help and support your children to build their resilience by attending the upcoming workshop

**‘Building Strong, Resilient Children’ presented by Wendy Muller of
‘Wiring Kids**

**Everyone is welcome ... remember it takes a whole village to raise
a child.**

Jamie will be running ‘Play in The Park’ at the Old Kindy Building on the Wednesday 16th so the children who are in the crèche will be able to a end.

Topics Submissions

All submissions for Topics are due by 25th of the month.

Email—tbtopics@gmail.com

The Hidden Treasures of the Great Southern (HTGS) is now calling for Expressions of Interest (EOI) to host events in the 2018 Bloom Festival. This year the festival will run from Sat, 22 September to Sun, 21 October, with the launch event scheduled for Sat, 22/09/2018 in Cranbrook. The closing event will be held in the Shire of Kent, location and date to be confirmed.

The popular Hidden Treasures Bloom Festival is an opportunity for community groups and local businesses in the Hidden Treasures region to offer new or existing events to help promote and showcase their towns. Last year the Bloom Festival attracted over 15,000 visitors to the region over the course of the festival and we had such a positive response to the new layout of the programme.

Event holders benefit from a range of marketing campaigns and exposure including a printed programme, posters and flyers, press releases, newspaper, TV and radio advertising, at no cost. They will also receive support from the Bloom Festival Coordinator as well as resources with tips on running the event.

Expressions of Interest and Memorandum of Understanding forms, containing further information for event holders can be obtained by contacting Pam at the Shire of Broomehill - Tambellup.

Please submit your completed and signed form by no later than 4pm, Thu 31 May 2018, to **bloom@hiddentreasures.com.au** or mail to **222 Chester Pass Rd, Albany WA 6330, A. Katy Shekell**.

Should you have any questions or queries about the festival, or require assistance with developing a 'Bloom' theme for your event, please do not hesitate to contact the Bloom Festival Coordinator Katy on 0422 118 839 or via **bloom@hiddentreasures.com.au**.

Katy is looking forward to continue working with all past event holders and to hearing about new events which could be added to the programme to create a vibrant and successful 2018 Bloom Festival. Please forward this email to other potential event holders!

Best Regards, Katy and the HTGS

Katy Shekell

Bloom Festival Coordinator

WA perspective highlighted in live export meeting

A delegation from WAFarmers, supported by the National Farmers' Federation, has today met with Hon. Sussan Ley MP to discuss the future of the live export trade.

WAFarmers President Tony York said the group, comprising of himself, WAFarmers Livestock Section President David Slade, Chief Executive Officer Trent Kensett-Smith, and NFF Chief Executive Officer Tony Mahar, delivered the latest industry data to Ms Ley, ahead of her planned private member's bill to Parliament.

"In this meeting we aimed to present the most holistic view of the industry and highlight the importance of the trade to Western Australia in particular, given its representation of 85 per cent of the national live export trade," he said.

"Having presented the WA perspective, we believe Ms Ley now has a greater understanding of how the trade affects our farmers and the larger economy; however, there is some way to go in demonstrating the widespread repercussions that a cessation of the live export trade would have."

Mr York said Ms Ley was very generous with her time, and showed a genuine interest in learning how the trade impacts Western Australia.

"While we understand that Ms Ley is still determined to present a private member's bill and will be suggesting a phase-out period for live export, she showed a genuine appreciation for our efforts in working towards upholding live export animal welfare standards, and was accepting of the Mecardo economic impact report we commissioned," he said.

"This is undoubtedly an issue affecting the whole of the Australian live sheep export trade, and as an industry we are all heading in the same direction in striving to uphold strict live export animal welfare standards.

"We can only hope that through continued engagement with industry and with consideration of the findings from the Federal Government's review, that the best outcomes for the live export trade in conjunction with the highest standards of animal welfare can be realised."

Mr York said the issue of live export was deeply emotive, and required strong collaboration across industry and government.

"Anyone who has seen recent media reports on animal welfare issues could not argue that urgent improvements are required so that the highest standards of live export animal welfare practices can be upheld, and that regulators and inspectors need to be held to account in maintaining these standards," he said.

"Together with the National Farmers' Federation and other industry bodies, we will continue to push as hard as possible to ensure all livestock are protected and kept in the best of health for their journeys.

Oval Season 9 - 2018

Old fella's footy fun and laughter has enjoyed another great year on and around the tracks of Tambellup and Broomehill. At the end of writing (22nd of April) we have spent 11 consecutive Mondays on the track beginning back on February the 5th, handling the leather, getting a bit of a sweat and pump up and having a bit of a laugh in the process. Once again we had wonderful support from our OFFAL brothers from Kojonup and Gnowangerup to the extent we consistently averaged around 25 fella's on the track each week.

In the early parts of the season it was obvious that the black beetles and rabbits had been having a bit of fun with our wonderful oval, yet with the odd bit of rain to complement the watering, and strategic use of Hully's boom spray it was amazing how the grass was able to bounce back.

We eased our way into the season, ensuring we warmed up properly before getting into a bit of ball work. With so many of this seasons oval being original from 2011 it's important to remember that a lot of us are now aged 50 years and over! (no excuse to not get out there though). We also learnt a couple of new drills (thanks to guest coach Gavin Goose Norrish). Favourite among these was the hour glass or bow tie. We liked it.

In week 6 and 9 we headed up the road to train in Broomehill. Thanks to the great work of Andy "Hercules" Webster (he carried Broomehill again this season) and the kind support of Andrew "Gibbo" Gibbins, Jonny Dye and Todd Green (portable light tower providers) we enjoyed two great nights of training. The Broomehill oval, at night under lights has something of an amphitheater feel and this will be further enhanced when the new permanent light tower is in action. Good stuff Holland trackers.

In another first for OFFAL (in weeks 8 & 10) we were joined in TA by the Gnowangerup bulldogs footy team. With the bulldogs opening their OFA season in Tambellup on April 14 (successfully as it turned out) Chris Rumble and his lads took the chance to take in the wide-open expanses of our oval. On both nights, OFFAL and the dogs came together for a drill at both the beginning and end of training with fellowship then following. It was good fun, particularly the second night when we had around 100 fella's running around.

Week 11 was our special night for this season. The evening of Monday April 16 was a beauty, (the weather as it always is, was perfect for training) The oval looked fantastic and OFFAL came from far and wide, we ended up with around 130 fellas in attendance, approximately 80 of whom trained. Those who didn't hit the track we referred to as OFFALX (OFFAL with extra age and experience) Many of OFFALX were former residents who returned to 6320 just for this evening. Our team photo bears witness to an age range of 11 – 90 years!

Our special guest was all round 1970/80s footy legend Graham Moss of Essendon and more importantly Claremont Tigers fame. Mossy took us for a couple of drills (this must have been frustrating for him as the coach kept bungling) and when asked at the end of training how we went was heard to comment "pity whoever we play on Saturday because we would thrash em!!" The vibe was fantastic, everyone was having fun.

We then adjourned to the new pavilion for dinner, a few beers and an intimate chat with Mossy. He took us through his sporting and working career, both in Victoria and Western Australia. It is incredible to think that Mossy could have signed to a VFL club (Essendon) prior to the commencement of the 1974 season for the princely sum of \$1500. He then went on to tell of his involvement with the signing of the original West Coast Eagles players in 1986/87 through to his present-day leadership role with Claremont.

At age 68, Mossy still presents himself in good nick and was able to share with us some of his secrets to staying fit healthy and active in middle age.

There were many individuals who contributed to the smooth running of our special night, indeed many blokes who contributed throughout the season, and we hope to acknowledge them all in next months topics.

As the coach has always said "the hardest part of training is turning up." So with this in mind many thanks to all those fellas who made it to training throughout the season, with special thanks to the 20 to 25 individuals who managed to get along more weeks than not.

Cheers coach.

Tambellup Bowling Club News

Our 2017/2018 season has come to an end with our club wind-up and presentations held in conjunction with the tennis club. We had a fantastic night of steak & salad and supported each club.

Congratulations to all receivers of club awards over the 2017/2018 season.

On the day we had our annual match of East v's West with some club members jumping ship to help the out the West side. But in the end it was the East that won!!

With pennants finished the only game on the agenda was the men's club fours and our ladies club pairs & the Invitation Classic.

A very successful Tambellup Invitation Classic was held by the Tambellup Bowling Club on April 10 & 11.

We had a full field of 16 teams competing. The eventual winners were G Baine, R Rodgers, K Henderson and A Ashworth from the Albany Bowling Club.

The driving competition on Monday evening was won by B Sturges from Corrigin.

All the visitors were impressed by the hospitality and the facilities.

I would like to thank all of our sponsors for their support.

A special thanks to Pip and all those who helped with the catering and our captain Martin.

The men played the club fours with Norman Hebert, Allan Hankinson, Mark Diprose & Garry Sheridan declared the winners.

The Ladies played their club pairs, held over two weeks. Our club winners are Pip Newing & Judy Harder.

With winter coming we are going to trial Jack Club on Sunday. Our first game will be this Sunday (29th April) starting at 12.00 for a 12.30 start on the green. Then stay on and watch the Western Derby on the big screens at the Pavilion. Come support our local Sporting Hub!!

Cranbrook Mens Shed

The Shed is coming to progress – the boys have been busy and the rear wall of the Shed is now complete including ashing, just need to reinstall the front guttering and we will have three sides fully completed. Mal has been busy applying two coats of paint to the walls and Kev has done a fantastic job on all the architraves and skirting boards, I am sure if you call in for a look you will be very impressed with the finished product. We have managed to start a couple of our projects including restoring an old linen chest and preparing some recycled timber which will be used to build a bed frame. As previously mentioned we are only at the Shed one day a week and as we have been busy working on the Shed improvements our project list is progressing slowly. On Monday we hosted the six monthly Men's Shed zone meeting and hosted 22 Shed members from Denmark, Albany, Woodaniling, Kojonup and Gnowangerup and thanks to our local shire we were able to utilise the Hub as the venue for our meeting and lunch. During the lunch break we all walked down to our Shed for a look and all participants were impressed with the work our members have undertaken to complete the Shed improvements. We will be holding a Mother's Day market at the Shed on Saturday the 12th of May from 0900 – 1200, we will have our hot toasted bacon and egg sandwiches with tea and coffee available at only \$5.00. If you would like to reserve a bay and hold a stall on the day please give Pete a call on 0428077353, there is no cost to stall holders to attend. Dad's why not drop mum off at the Sports Club for breakfast and then call into the Shed with the kids for a lovely sandwich and let the kids have a look around and they could find a lovely treasure to give mum. Our monthly meetings are now being held on the first Thursday of the month starting at 0830 – the meetings are preceded by a toasted egg and bacon sandwich and these meetings are open to all Shed members and any member of the public who would like to attend. We are open on Thursdays and we encourage men to drop in have a look around and enjoy some fellowship over a cuppa.

If you want any further info please call Steve 0429 942 852 or John De Burgh 0419 957 962.

Government of Western Australia
WA Country Health Service

The WA Country Health Service wants to hear from you

Working with our community is valued by the WA Country Health Service Great Southern. We strive to maintain a safe and quality health service that focusses on your health needs.

We know it's important that our community is able to have a say, and we are keen to listen. To make sure we continue partnering with the community, we're creating opportunities for Great Southern residents to meet with us to make their views heard.

How can I get involved?

Come along to share your views over lunch at the Katanning Health Service.

Where: Katanning Health Service (Lois Beasy room), Clive Street, Katanning

When: Friday May 4 from 12:00 – 1:30pm.

A complimentary light lunch will be provided.

You can also take part in a brief online survey to share your views privately with us. You can access this survey by visiting <https://www.surveymonkey.com/r/8KTWX25>

To find out more, or to register your interest in participating in the consultation event, please contact Amber Giblett on
Ph: 98427504 or amber.giblett@health.wa.gov.au

Further information is available on the WA Country Health Service (Great Southern) community Facebook page '**Great Southern - Great Health.**'

Your voice counts in shaping your health service

AGM - Voting and Election Procedure

Voting rights as per TCPA constitution:

- (1) **Ordinary members**, are aged 18 and over, do not have voting rights (unless they are elected to an Executive Committee position) but are entitled to speak at general meetings. Ordinary members must be affiliated with an affiliated club or user group.
- (2) **Social members**, who are not members of an affiliated club or user group but are regular users of the facilities. Social members do not have voting rights (unless they are elected to an Executive Committee position) but are entitled to speak at general meetings.
- (3) **Junior members**, are aged 17 or under, do not have voting rights but are entitled to speak at general meetings. Junior members must be affiliated with an affiliated club or user group, and be nominated by a parent or guardian.

Election of Executive Committee Members as per TCPA constitution:

- (1) The business and affairs of the Association will be managed exclusively by a Executive Committee consisting of:
 - (a) One delegate from each of the Affiliated clubs/user groups;
 - (b) up to two community delegates; and
 - (c) up to two additional Affiliated club delegates; and
 - (d) one Shire of Broomehill-Tambellup appointed delegate.
- (2) The Office Holders for the Association will be chosen from the nominated delegates and shall include:
 - (a) A Chairperson;
 - (b) A Secretary; and
 - (c) A Treasurer.
- (3) The remaining nominated delegates shall be ordinary committee members.
- (4) The maximum number of committee members shall not exceed 11 members.

Nomination of committee members as per TCPA constitution:

(1) Affiliated clubs/user Groups Delegates:

- (a) Affiliated clubs/user groups will conduct their own elections to determine **two representatives** (delegate and proxy) for the committee and provide the names of these representatives at the AGM
- (b) Nominations must be received in writing to the secretary at least 7 days before the AGM
- (c) All delegates and proxies must be a member of the club they are representing and be appointed by their club as the recognised delegate

(2) Community member delegates

- (a) At least 28 days prior to the AGM the secretary must publicly advertise on a notice board based at the Tambellup Community Pavilion a request for nominations for community member delegates.
- (b) Written notice of a nomination must be received by the secretary at least 7 days before the AGM;
- (c) The written notice must include a statement by another member in support of the nomination;
- (d) If the nominations equal the number of vacancies the delegates will be duly elected at the AGM.;
- (e) If more members have nominated than are available positions, the members at the meeting must vote in accordance with procedures that have been determined by the committee to decide who is to be elected to the positions;
- (f) Each member present at the meeting may vote for one member who has nominated for the position;
- (g) A member who has nominated for the position may vote for themselves.

TAMBELLUP PUBLIC LIBRARY NEW BOOK EXCHANGE

When you read this book, you will make many assumptions. You will assume you are reading about a jealous wife and her obsession with her replacement. You will assume you are reading about a woman about to enter a new marriage with the man she loves. You will assume the first wife was a disaster and that the husband was well rid of her. You will assume you know the moves, the history, the anatomy of the relationships. Assume nothing.

In southern Texas, on Saturday nights, women are disappearing. One vanishes from a movie theatre. Another is ripped from her car at a stoplight. Another vanishes from her home while checking on her baby. Rookie FBI agent Caitlin Hendrix, newly assigned to the FBI's elite Behavioural Analysis Unit, fears that a serial killer is roaming the dark roads outside Austin. To track the UNSUB, Caitlin must get inside his mind. How is he selecting these women? Working with a legendary FBI profiler, Caitlin searches for a homology—that elusive point where character and action come together...

After nine years in prison, a man is coming back to the old neighbourhood for revenge, but Detective Sergeant Nick Miller, whose methods are perfectly suited to the graveyard shift, is determined that only one of them will see the dawn.

This is how it begins. With a near-empty building, the inhabitants forced out of their homes by property developers. With two women: idealistic, impassioned blogger Ella and seasoned campaigner, Molly. With a body hidden in a lily bush. But how will it end?

TAMBELLUP PUBLIC LIBRARY NEW BOOK EXCHANGE

Susie's mum is thrilled to hear that Susie is going to Clemene's party... except she hasn't been invited yet. So even though Susie would much rather stay home to read, she uses all her problem-solving skills to become the life of the party!

In 1798 orphaned Barney Bean now has a flourishing farm in the New South Wales colony and everything he ever dreamed of ... except his childhood friend Elsie. But when Elsie falls ill and Barney rushes to be by her side, he finally learns the deadly secret she has been hiding. Who is this strange and beautiful girl who will not speak? And could France ever attack the isolated colony? -- Publisher.

Cranbrook Motorcross

Sukey Hill Track Designer Impressed

Greg Moss cast his eyes over the Sukey Hill track for the first time on Friday 13th April and was duly impressed, especially at how little the track maintenance team had strayed from his initial design.

The 20ha Sukey Hill site is not restricted by space, which allows for an American style track to be created that is flowing compared with the standard Australian design which is stop go. In addition to the natural terrain available which is what you see in Europe, this track is set to be unique in Australia and capable of hosting national events. Moss was also pleased to see jumps especially Harveys Hill which a beginner rider can attempt but at the same time has aspects which challenge the elite riders.

The Cranbrook Districts MCC club capitalised on Greg skills combining the visit with a two day coaching clinic. Fifteen riders attended which included local members, state riders and national riders as well as Cranbrook Districts MCC coach John Young. Greg Moss is an Australian renowned motocross and supercross coach who runs Moss Institute based in Nerrigina NSW.

Building progress on the Scrubner / First Aid Hut is progressing well with completion expected late July.

May events John Young coaching clinic Saturday 26th May 2018, Come and Try Day Sunday 27th May 2018. www.cranbrookmx.com

TAMBELLUP PUBLIC LIBRARY NEW BOOK EXCHANGE

Get gut healthy, eat well, eat die rent. Many modern Brits are struggling not only with their weight but also with a sensitive gut. Food intolerances and digestive problems are on the rise. The 28 day gut health plan is an innovative book explaining how our modern diet and reliance on processed foods has decimated the good bacteria in our gut. This is not a book of science, rather a dedicated and simple 28 day plan that anyone can follow to improve their gut health and lose weight.

In Hollywood McGowan was continually on display, and stardom soon became a personal nightmare of constant exposure and sexualisation. She escaped into the world of her mind, something she had done as a child, and into high-profile relationships. She was supposed to be silent and cooperative and to stay the path. Instead, she rebelled and asserted her true identity and voice. This is her raw, honest, and poignant memoir/manifesto: an exposé about an entertainment industry built on systemic misogyny.

"As seen on Investigation Discovery's Murder is Forever."

"The crimes in this book are 100% real. Certain elements of the stories, some scenes and dialogue, locations, names, and characters have been fictionalized, but these stories are about real people committing real crimes, with real, horrifying consequences." -- page opposite verso.

BROOMEHILL PUBLIC LIBRARY

News of the Week

The Very Rev. Dean Gegg left early on Thursday morning by special conveyance, for Eticup near Kojonup, where his daughter, who has recently been teacher of the Eticup Government School, has been taken very seriously ill. The Very Rev. gentleman expects to return by the overland mail in a bout a fortnight's time.

- The West Australian Friday November 18 1887

I, Thomas Norrish, Farmer, married, now residing at Eticup, in the district of Kojonup, do hereby give notice that it is my intention to apply at the next Licensing Meeting, to be holden for this district, for a Way-side House License for the sale of Fermented and Spiritous Liquors in the house and appurtenances thereunto

belonging situated at Eticup, containing one sitting room, three bedrooms and one bar, exclusive of those required by my family, my own property, and occupied by myself; never been licensed, and which I intend to keep as an Inn or Public House.

I have never held a License before.

Given under my hand this 5th day of November 1887.

Thomas Norrish

HOUSEHOLDER'S CERTIFICATE FOR A WAYSIDE HOUSE LICENSE

We, the undersigned, householders, residing within the district of Eticup, do hereby certify that the above THOMAS NORRISH, of Eticup, is a person of good fame and reputation, and fit and proper to be licensed to keep an Inn or Public House for the sale of Fermented and Spiritous Liquors therein.

Witness our hands this 5th day of November 1887.

Louis Van Zuilecom

James Treasure

P Carmody

R F Krakouer

A Nelson

- The West Australian Tuesday February 7 1888

SANDALWOOD

The undersigned invite tenders for the PURCHASE of 600 tons (more or less) of SANDALWOOD, more lying about 25 miles north of Eticup, and within a convenient distance of the Albany-Beverley Railway, now being constructed. Tenders to state a price per ton delivered on the ground, or a lump sum for the whole as it now lies.

Tenders must reach the undersigned at the under-mentioned address not later than NOON on FEBRUARY 29th, 1888, and must be accompanied by a Deposit Cash, Bank Draft of Marked Cheque for £100.

The lowest or any Tender not necessarily accepted.

Further particulars as to the locality of the sandalwood may be obtained from Mr Alfred Quartermaine, near Eticup, or Mr Thomas Norrish, Eticup or from the undersigned.

Angus McDonald

Trustees of the Estate of John McKail & Co

Terrace Store, Albany

- The West Australian Wednesday June 20 1888

NEWS AND NOTES

Splendid rains are reported from Eticup, where until recently, some of the farmers were carting water.

The dowager lady Campbell lost a number of sheep on the Great Southern Line the other day. It appears, from the Albany Mail, that a flock of sheep belonging to her ladyship were sleeping on the line at Pootenup, when an engine ran into them, turning fifteen into mutton.

- The West Australian Monday July 23 1888

SUICIDE AT ETICUP

(By Telegraph)

(From Our Correspondent)

Kojonup, July 21

A man named Edward Brown, a carpenter residing in Eticup, poisoned himself with strychnine this morning. The cause of the deed is unknown. The deceased was married, and leaves a wife and four children.

- Southern Advertiser Tuesday July 24 1888

MAKING SENSE Part 1 *by 'Fossil'*

My peers have reminded me that the science we call 'Geology' is still to develop in a complicated world of vested ideologies. Should you happen to think this is in itself a little complicated, spare a thought for those real geologists trying to understand this world of ours. I am not one of them, perhaps a keen observer. So with "Topics" off to a flying new start, now might be an opportune time to interest its readers with what science is now telling us in and about Broomehill-Tambellup and also our nearby neighbours.

When the manned international 'Space Station' was first positioned a couple of hundred kilometres from earth's surface, the wider vista immediately revealed a more or less continuous stream of lightening flashes, almost from pole to pole. A real life phenomenon close up of the twinkling stars we can see on a clear night. Our earth is in fact surrounded by layered gasses - a protective shield, and is behaving like a giant magnetic ball. Spinning like a top, warmed from within by its part molten core, and a ceaseless sun on its surface. Our sun we believe has been in situ for about 4300 million years, and is maybe half way through its life cycle. From this invisible magnetism is born our gravity, our weather systems and cycles, our water, minerals and derivatives, us and, of course, mother earth - in short our engine room.

So with all in place there remains an infinite amount of everything to come for we humans. That is, provided we manage things responsibly.

History is now telling us that this remarkable place has seen all manner of major upheavals, from which our world has had the capacity to recover, heal and flourish.

From, within its crust, manufacturing our minerals and transporting them. On the crust, our plant life with something to grow everywhere, an atmosphere from soil and sea and, again, transporting their derivatives. It has taken some 300 words to reach this stage in a simple analogy of making sense, and it can all be applied and is relevant for Broomehill-Tambellup.

We have a short history of occupation, including our Noongar friends, of maybe around 40,000 years, and in that time we have comprehensively burnt, grazed, tilled, sprayed and cropped our landform. Some among us would say abused.

In fact we are still learning the science to manage sustainably, and in a climate that we all know is variable. In short, an endless season of cycles.

With or without we humans, our world has been there before.

The fact is that right now we are all part of it.

We in Australia live in what is considered a dry continent. Some part of our landmass is often in drought in any one year. We are not entirely immune in Broomehill-Tambellup with seasons generally reliable though erratic in intensity. We have experienced drought periods in our 160 year odd period of organised occupation,
