SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555

Fax: 98251152

Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday **15th March 2018** commencing at 10.00am in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE FEBRUARY COUNCIL MEETING

- Councillors attended a number of meetings during January and February, including a Special meeting (to adopt the Annual Report and set the date for the Annual Electors meeting), Independent Living Seniors Committee and Building Committee, and at the full Council meeting minutes and recommendations from those meetings were considered and endorsed as required.
- Council granted retrospective planning approval for the construction of a car port, verandas and a swimming pool at a property on Ettakup Rd. Residents are reminded to check with the Shire before commencing any extensions or new constructions at their property in case planning or other approvals are required.
- Council considered a request for a financial contribution to the Lions Cancer Institute's 'Special Children's Big Day Out'. A donation of \$1000 was approved, and Council will write requesting the organisers to consider holding future events within the region.
- Council received the half year report from the Community Emergency Services Manager.
- Council considered a planning application for a telecommunications tower at Lot 3606 Broomehill-Gnowangerup Rd. This is part of the mobile Black Spot program aimed at improving regional telecommunications. Adjoining landowners will be consulted for comment on the proposal.

MARCH ORDINARY MEETING OF COUNCIL

All residents are advised the time of the March Council meeting has been changed, and will now commence at 10.00am, rather than the usual 4.00pm. As always, members of the public are welcome to attend this meeting.

BROOMEHILL SHIRE OFFICE HOURS

Residents are advised that due to recent staff movements the Broomehill Shire office hours will be as follows:

Tuesday – Friday 8.30am – 4.30pm

Closed for lunch 12 noon – 1.00pm.

These hours will be in effect until further notice.

SANDALWOOD VILLAS

We are pleased to advise that for the first time since the construction of the Sandalwood Villas was completed, all units are now occupied. We welcome our newest residents, Kevin Dawson and Vern Hunt, to Tambellup.

STAFF MOVEMENTS

Our long time Broomehill office regular Siegrid Reed has recently advised of her intention to retire at the end of March. Siegrid has been with the Shire since 2006, and has provided a friendly and efficient service to our local residents and also to many visitors to the Shire. We will miss her immensely, but know she and Kevin have exciting times ahead. Good luck and happy days Siegrid!

At the Tambellup office, Customer Service Officer Marni Lloyd-Woods has accepted the position of Finance Administration Officer, vacated in January by Kathy Brigg. Congratulations Marni on taking on this new challenge!

As a result of these staff movements, we are currently advertising two staff vacancies, for Customer Services Officers in the Broomehill and Tambellup offices. The advertisements for these positions are included in this edition of Topics, however if you would like more information please contact Louise at the Shire on 9825 3555.

We also farewelled one of our younger staff members during February. Damon Powell, who worked as part of the maintenance crew, left the Shire to concentrate on his own small business venture. We wish him well in his future endeavours.

Applications for a Horticultural Traineeship closed on 16th February. This traineeship has been partly funded by the Department of Local Government, Sport and Cultural Industries, and will be delivered by ATC Worksmart and Southern Regional TAFE, in conjunction with the Shire. At the time of writing interviews for the applicants were being arranged, and we hope to be able to introduce our new team member in the April Topics.

ANNUAL ELECTORS MEETING

The Annual Electors meeting was held on Wednesday 21 February in the Council Chambers. A small number of residents took the opportunity to question Councillors and staff about a range of matters including future use of the old Tambellup Bowling Club, the kerbside recycling service, facilities at the Waste Transfer Stations and the road closure SMS system. Thank you to those people who attended the meeting.

ABORIGINAL SKILLS FOR LIFE INTENSIVE PROGRAM

Unfortunately this program had to be postponed, due to other commitments in the community. We have rescheduled the two days of workshops to Thursday 12 and Friday 13th April, to be held at the CRC. Anyone interested in participating is welcome to contact Pam at the Shire to register.

WORKS

As advised in the last Topics, a new Manager of Works has been appointed. Peter Vlahov, who comes to us from the Shire of Wickpin, will commence duties mid-March. In the interim, John Farmer, our Works Supervisor, has been appointed to the position of Acting Manager of Works, and is coordinating the works program.

Works staff took delivery of a new Caterpillar grader during February, and the oldest member of the grader fleet was sold. The new grader will be in the care and control of our Construction Leading Hand, Ricky Riley.

The construction crew has completed a number of jobs in recent weeks, including the construct and seal of a section on South Pallinup Rd, the reseal of an 8km section of Toolbrunup Rd, stabilising and patching of a 6m section of Toolbrunup Rd, and clearing required prior to the construct and seal of a 2.2km section of Warrenup Rd.

The maintenance graders have been working mainly in the north west part of the Shire, with roads graded during February including Old Broomehill-Kojonup Rd, Punchmirup North Rd, Brassey Rd, Greenhills South Rd, Nardlah Rd, Etna Rd, Nookanellup Rd, Jam Creek Rd, Holly Siding Rd, Holly East Rd, Beejenup Rd, Washington South Rd, Holding Rd, Mattiske Rd, Parnell Rd, Moore Rd, and Wandoo Rd.

Residents will have noticed the gravel sections on Taylor St, and at the North Terrace/Norrish St intersection at the moment. Stabilising of these sections has been completed, and sealing will be carried out at a later date, in conjunction with other scheduled sealing jobs.

The maintenance crew has been busy across a wide range of activities in recent weeks, including the installation of bus stop signs, and maintenance of culverts at various locations.

At this time of the year the main focus for our Parks and Gardens team is watering of areas in the townsites that are not able to be connected to reticulation, and also the maintenance of the reticulation systems. Both ovals have been mowed and the Broomehill tennis courts have been treated to a high pressure clean which has provided an excellent result. Our team has also undertaken landscaping at the new St John Ambulance Sub Centre in Tambellup, in time for the March 9 opening.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

RESTRICTED BURNING PERIOD

All residents are reminded that from **15 FEBRUARY 2018** until **15 APRIL 2018** the **RESTRICTED** burning period will be in force. During this period you are required to obtain a permit before lighting any fires, and all conditions on the permit must be complied with.

Please note - the lighting of fires over the Easter weekend 30 March - 2 April 2018 is prohibited.

HARVEST AND VEHICLE MOVEMENT BANS

For up to date information on Harvest and Vehicle Movement Bans:

Harvest Ban Hotline: Residents can phone **98251042** 24/7 to hear pre-recorded information about the status of harvest and vehicle movement bans. This is the most up to date and reliable source of information available.

Harvest Ban SMS: Residents can register their mobile phone number with the Shire, to receive notification of imposing and lifting of harvest and vehicle movement bans, road closures and other emergency information. To register your number for these notifications, please contact Marni at the Shire on 9825 3555. Please be aware that not all areas of the shire experience full mobile signal, and this may result in notifications being delayed. For this reason the SMS system should not be relied on as a sole source of information.

Local Radio: Harvest and vehicle movement ban information is broadcast on ABC radio at 10.05am, 11.05am, 12.35pm and 2.05pm, and on RadioWest at various times during the day. While every effort is made to ensure local information is provided to the radio stations for broadcast at these times, weather conditions can change quickly, and bans may need to be imposed at relatively short notice. Again, please do not rely on this as a sole source of information.

Residents are directed to the Harvest Ban Hotline – 98251042 – as the most up to date and reliable source of information.

If you think the weather conditions have deteriorated to the point where you feel it is unsafe to move vehicles around paddocks – make a judgement call and STOP – whether a ban has been imposed or not.

The Tambellup Cropping Group is seeking a farmer who would be interested in leasing some land to the community group to put a crop in for up-coming season. Ideally 100-200 hectares would be suitable but very interested to look at any size or location that may be offered. A long term arrangement would be beneficial to the cropping group so long term plans can be put in place heading forward.

NO TAMBELLUP SHOW FOR 2018

Unfortunately the Tambellup Show will not be happening in 2018. The Tambellup Agricultural Society would like to organise a community Family Fun day event in its place. We are asking for the community to put forward any suggestions that they would like to see at the Family Fun Day.

What Do You Want ??

Please remove this page, fill out your suggestions and return to the drop off box at the Tambellup Post Office by the 10th April.

Tambellup Lions News

The Tambellup Lions Club is off to a great start for 2018. It is our 40th birthday year since the beginning of the Tambellup Lions Club. We have a founding member who is still active and we would like to congratulate Trevor Prout for his ongoing service. He has received a 40 year Milestone Chevron Award for his service to Lions.

The Tambellup Lions Club will celebrate our 40th birthday on the 14th of July, which coincides with the annual changeover night.

The Club would love to hear from any ex Tambellup Lions who have served with the Club over the last 40 years and hope that they will be able to attend this evening of celebration. Please contact President, Andrew Webster on 0439629209 or Secretary, Andrew Bradshaw on 0467255083, to enable

Great season of Junior Cricket at Broomehill

The 2017-18 season of junior cricket wrapped up this week with the last game against Katanning at Broomehill Oval on Saturday 24th February. Katanning batted first and made 91 which was a hard act to follow as Broomehill could only manage 75 runs. There was a fine display of bowling by Brandon Leyte and Alex Webster while Dom Kennedy top scored batting for Broomehill.

Coach Craig Bignell praised his 14 players aged 8 to 12 saying 'they have all had a great season, and I can see they really enjoyed playing the game with their skills improving immensely.' After the game, the end of season awards were presented to the players. The Most Improved award was won by Dom Kennedy and Matthew Plumb while the Coach's award was won by Rhys Holzknecht. Hugh Beaton won the Fielding Award, Brandon Leyte won the Bowling Award and Rohan Bignell won this year's Batting Award. Both Brandon and Rohan tied to share the Marshall Malone Cricketer of the Year trophy.

Tennis fun at Tambellup for Great Southern kids

12.2.18

Over 50 kids donned hats and sunscreen and took to the tennis courts on Sunday for the Tambellup Tennis Club junior doubles tournament and novice event.

Mums and dads from all around the Great Southern drove their junior tennis players to Tambellup, with players coming from Dumbleyung, Kojonup, Gnowangerup and Broomehill, to name just a few places.

Tennis tournament organiser Sara Robinson said she was very pleased with the turnout and the level of sportsmanship shown on the day.

"It's great to see such enthusiasm for tennis, and to see these kids having so much fun is fantastic," she said.

"It's also great to see them learning tennis etiquette and having real match experience, and tennis is a sport that can stay with you for life," she said.

Sponsoring junior tennis in Tambellup were machinery dealership McIntosh & Son, and Cropline Haulage, and many thanks go to those businesses for supporting the Great Southern's tennis loving kids.

Prize winners in the different categories were as follows:

Novice 8 and under boys: winner and runner up: Tom Dennis & Joseph Gugiatti

Novice 8 and under girls: winner Juanita Polack & Mia Paganoni

10 and under boys: winners Henry Simpson & Dane Moyes, runners up Alby Kowald & Thomas Hamon

10 and under girls: winners Tessa Bignell & Poppy Thompson, runners up: Emmeline Cunningham & Isadora Hardie

12 and under boys: winners Jed Kowald & Blair Ball and runners up Hugh Beaton & Rohan Bignell

12 and under girls: winners Amelia Beaton & Montana Campbell and runners up Josie Simpson & Brooke Trethowan.

Girl Sportsmanship Award: Isadora Hardie

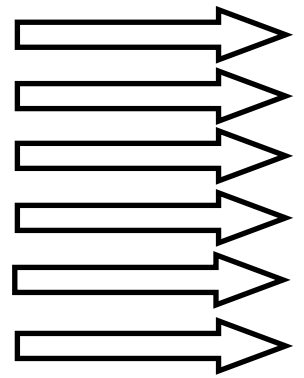

Boy Sportsmanship Award: Thomas Hamon

Congratulations

Jack Batchelor, Damien Boyle and Andrew Bradshaw were selected in the Queens Baton Relay for the Commonwealth Games

TAMBELLUP
BOWLING
CLUB

Tambellup Bowling Club

Hi all we have had a very busy time since Christmas. It all started off with our Club singles played on 6th – 7th January 2018. There were some good games over the two days. Both the men's and the ladies were knock out competition. The men's champion is Norman Herbert runner up was Alan Jones well done. The plate winner was Martin Sadler against Gary Sheridan. Our Ladies Champion is Trixie Hampton winning against Judy Harder, and our plate winner is Jenny Burrridge. Well played ladies.

We had Ray Williams & Allan Hankinson from our club represent Central Stirling's in the men's ILRR (Inter league Round Robin) in Wickiepin on the 12th – 14th January 2018. Then Pip Newing, Pauline Roosendaal, Eleanor Swinburn and Belinda Hankinson played in the ladies ILRR in Albany for Central Stirlings coming third overall which is a fantastic effort for our small zone.

The Ladies Pennants season has ended with our last game on 10th February with Jerramungup top of the ladder and winners for the 2017/2018 season. The very next day 11th Feb we sent a team over to Gnowangerup for the league 4's, with Tambellup coming runners up on the day well done ladies.

The Men have had 3 pennant matches on the

20th January @ Tambellup (81) v's Nyabing (58)

17th February @ Tambellup (88) v's Gnowangerup Red (69)

24th February @ Borden (63) v's Tambellup (73)

On 18th February we held our mixed triple competition which in the past has been sponsored by Hammers, we thank them for their support over the previous years. This year we had on board Primaries. Our winners on the day were, Stan Aylmore, Alan Jones & John Komene.

The Corporate bowls competition is in full swing and will be wrapping up on the 23rd February. There has been some great competition throughout the four weeks. Thanks to everyone who has been involved and helped out with corporate bowls this season. Congratulations to 'Grubs' team who took out the inaugural corporate bowls cup.

TAMBELLUP VOLUNTEER FIRE & EMERGENCY SERVICE

Well, 2017 was a big year for the Unit. Our big ticket item for the year was the delivery of our new 4.4 Broadacre appliance during the week before Christmas - 4000 litres on board a dual cab 4x4 Isuzu truck that will enhance firefighting and rescue capabilities well into the future. The truck is equipped with the latest in crew protection, including the external sprinkler systems, in-cab air and fire blankets and Automatic Vehicle Location system

We also received a second trailer during January. This is a purpose built rescue trailer, and has been reconditioned and reallocated from another VFES unit. The new trailer has been fitted out and is ready for action. The old trailer will be fitted out and used for SES (storm and search) response.

These new acquisitions have been extremely well received and are appreciated by the Unit, however accommodation at the Unit's shed is a problem. The truck, being higher than the old 2.4, only just fits under the roller doors, and trailer space is at a premium. The truck and old trailer are currently housed at the Business Centre on Tambellup West Rd, and we thank Trevor and the Committee for their assistance in this regard. We are currently working with DFES, the Shire and the Department of Building Maintenance and Works on options to modify the shed, to allow for all appliances and equipment to be accommodated.

Our members have participated in a number of DFES courses through the year, including Casualty Handling, Introduction to Structural Fire Fighting and Pump Operations. The last two courses were conducted in Tambellup, and allowed members to gain experience in the use of hydrants and become familiar with the new truck. We have also held Sunday morning and Wednesday night sessions through the year, with a range of activities being undertaken, including car cut-ups, burning of the green waste at the tip, and many opportunities to roll out hoses, operate the pump, draft water, extinguish mock fires, spread firefighting foam and generally practise skills that thankfully are not called in to play often. We are grateful to our more experienced members for walking us through these activities.

Members also attended the DFES Emergency Services Conference in September. The speakers over the course of the weekend were engaging and provided food for thought on the many levels of our volunteering experience, as well as operational issues.

CUSTOMER SERVICE OFFICER - BROOMEHILL

The Shire of Broomehill-Tambellup is seeking a team-oriented person to fill the position of Customer Service Officer predominantly based at our Broomehill office.

The position primarily deals with motor vehicle licensing, cash receipting, library management and other general enquiries and provides occasional support to other members of the administration team. While Local Government experience is preferred it is not essential; however, the ability to work effectively unsupervised in a small but busy office is a must.

A combination of relevant experience, expertise and competence sufficient to perform the duties of the position, effective time management and organisational skills and developed IT skills in a range of software applications are essential to this position.

For more information and an application package please contact Louise on 9825 3555 or mail@shirebt.wa.gov.au. Applications will be accepted until 12 noon on 9 March 2018.

The Shire of Broomehill-Tambellup is an equal opportunity employer.

Tambellup CWA has commenced for 2018 and we welcome our new President, Mrs Trixie Hampton into the chair. Jenny Charlton and Anne-Marie Lockyer remain as Secretary and Treasurer to assist Trixie. We are also pleased to welcome Monica Nazzari, Roma Baxter and Barbara Dawson as new members. A big thank you to Betty Hull for steering our ship last year. Betty is also remaining as the booking officer so if you need to know about the CWA Rooms, she is your "go to" person. Our country of study is Peru so we will be learning some interesting new things as well. Pisco Sours anyone???? All I know of Peru is that the national drink is a Pisco Sour.

Our next activity will be helping at the Wagin Woolarama on Friday, 9th March, 2018. If anyone is interested in coming, we leave from the CWA Rooms at 6.00am and work until 9.00am before heading to the Wagin Showgrounds. Please let Jenny know if you would like to join us.

We continue with our Tambellup Totes project so if you haven't stocked up on bags for your shopping, don't forget to grab some at the Tambellup CRC and the Tambellup PO. All for a gold coin donation.

**NEXT MEETING: Thursday, 8th March, 2018 from 9.45am for a 10.00am start.
CWA Rooms, Henry Street, Tambellup WA 6320**

WHO is going to help or save you or someone in your family in a medical emergency????

Possibly no one unless Tambellup can attract more volunteers to actively take a role in our sub Centre

Are you willing to take that chance for yourself or your family?

If **YES**, then "Good Luck" If **NO** then seriously consider volunteering for our community.

Volunteer Ambulance Officers attend emergency & non-emergency ambulance calls as well as other duties which could be providing first aid at public events & attending training to maintain skills.

If you are interested in clinical & community-based volunteer work, are aged over 18years, have an unencumbered A Class Drivers Licence, can work solo or as part of a team and are fit enough to perform CPR then we would love to hear from you. Volunteer Ambulance Officers receive high quality training which equips them with the essential basic & intermediate life support skills to assist them in stabilising patients enroute to hospital.

Not everyone wants to do "on road work" but there are also roles for **Volunteer Support Officers**

Community members with various skills can also join SJA Regional Stations in a non-medical capacity. Opportunities include being on the SJA Committee, holding a position on the committee, assisting in upkeep of the Sub Centre, Cleaning, Gardening, Catering, van upkeep and other areas that assist the on-road staff to do their job. You need a current First Aid Certificate for which SJA provide free training.

Please contact Tambellup SJA President, Bronwyn Bradshaw 98253046, long time serving Trevor Prout 98251182 or go on line and Google volunteering with St John West Australia. You can get lots of information and even apply online.

Do you know who our local Volunteer on-road Officers are....

Business Local
A Small Business Development Corporation service
Conducted by the Government of Western Australia

Free business advice

Whether you have an idea for a new business, are considering buying an existing one, or already run your own business, you can get valuable guidance from a free session with one of the experienced advisers at the Small Business Centre Great Southern.

Advisers Vicki Brown and Richard Keeler have wide-ranging expertise on all aspects of business operation and management, and their assistance could save you lots of time – and pots of money!

Their extensive service is delivered through the WA Government's Business Local program and funded by the Small Business Development Corporation, so there is no cost to business operators.

Vicki and Richard can advise on all aspects of business, including registration, leasing, work health and safety, business planning, marketing, business management and strategy, financial modelling and the complex area of employing and recruiting staff.

Vicki said she and Richard travelled to all areas of the Great Southern and would hold consultations with clients outside normal business hours if necessary.

"We meet clients face-to-face, online or over the phone," Vicki said.

"And they can come to us or we will go to them – we're very flexible," she added.

Hundreds of people from all 11 shires in the region use the service every year.

Vicki said they were often approached with a business concept.

"We listen to the idea, then we stand back and objectively assess the prospect before giving honest, realistic advice," Vicki said.

Vicki encourages people in business or those considering starting one to give the centre a call first and gain no-cost advice.

"There's no such thing as a silly question," she said.

"And if we don't know the answer, we know who does."

Circulation of over 500 printed copies in the Tambellup and Broomehill District, State-Wide subscribers and electronic downloads. Proudly brought to you by the

Tambellup Community Resource Centre, Shire of Broomehill—Tambellup and

Generous Community Donors:

Jean Allan, Barbara Dawson, Geoff Marsh, Brian & Jane Taylor

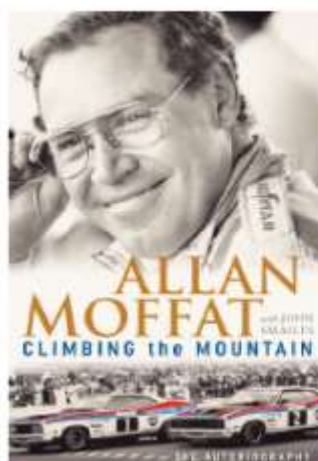

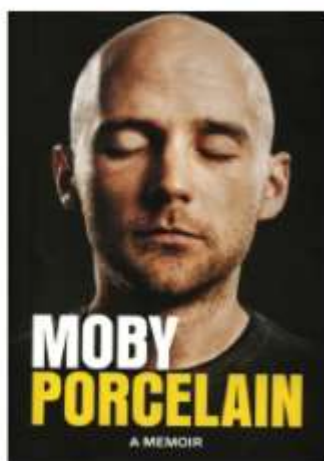

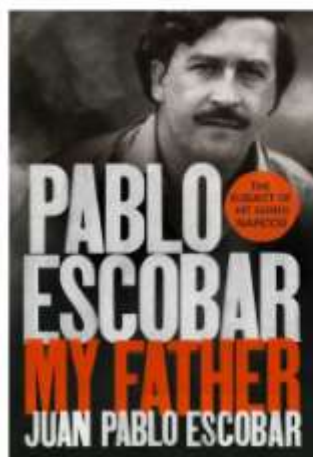

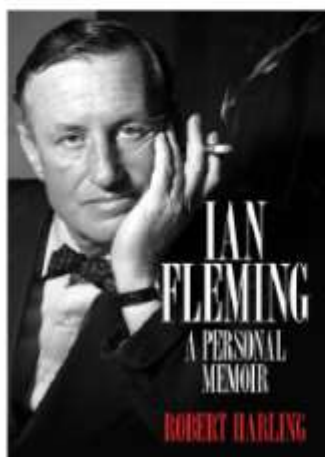

Siegrid & Sheree from Broomehill & Tambellup Public Library would personally like to give a special thanks to the Shire of Broomehill-Tambellup CEO, Mr Keith Williams and Council for their support in the implementation of the new library management system "Spydus10".

Some information for our Community:

- *Eight regional councils from south-west Australia to join the City of Albany to form a nine-council consortium deploying Spydus10.*
 - *Smaller councils to benefit from a world-class integrated library management system (ILMS) with expertise and knowledge shared by officers from City of Albany library.*
 - *Benefits include Spydus10's archival functionality, digital assets management as well as simplified backend and operations.*
- ⇒ The consortium headed by the City of Albany consists of libraries from the **Shires of Broomehill-Tambellup**, Cranbrook, Denmark, Gnowangerup, Jerramungup, Katanning, Kojonup, Frankland, Ongerup, Bremer Bay and Plantagenet.

New Tambellup Library Biographies

A big thank you to Lara from Booktopia for their generous donation of books for the Tambellup Library!
Thank you also to Jenny Colley for campaigning for our library which led to this wonderful donation!

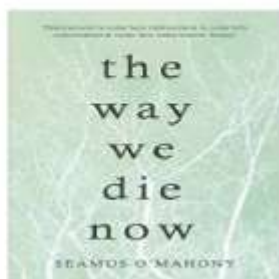

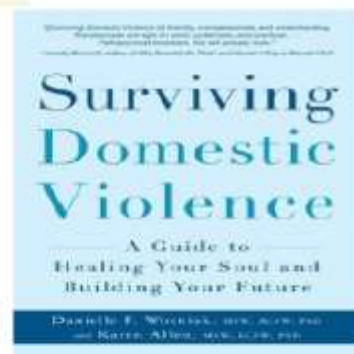

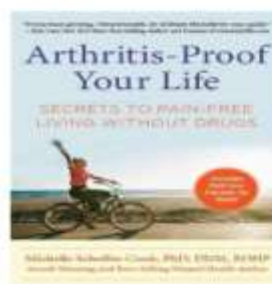

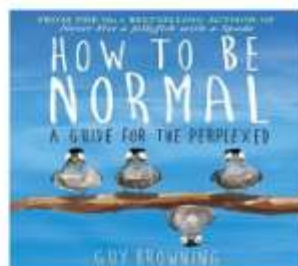

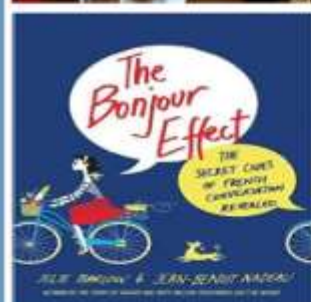

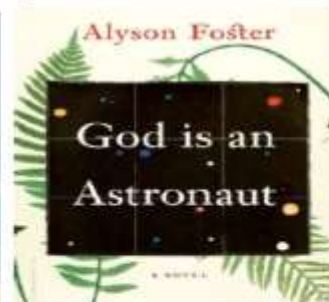

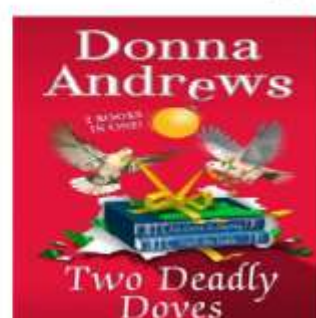

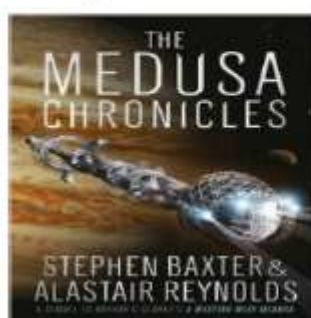

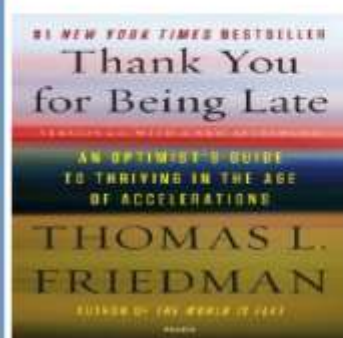

"It is our pleasure to be able to assist the Tambellup Library. We understand how important reading is to a community! The donation box has been shipped, if you do not receive it within the next few days please contact me!

All the best to you and the community of Tambellup.

Thank you for reaching out to us at Booktopia and giving us this opportunity."

Kind Regards, Lara

Cranbrook Mens Shed

Are any Tambellup Men interested in joining? Here is what we have been up to..

Well the boys have been busy since returning to the Shed after the Christmas break – we have finished installing the last section of raised flooring in the workshop and now only have the concrete strip left to complete. Kev has been busy and installed a new personnel access door next to our new rear sliding door – we can now finish re-sheeting the back wall of the Shed. Following the success of our “timber blocks, wheels, nails and screws” at the Eat, Shoot Build day held last year, we have decided to hold a similar event at this year’s Cranbrook Show. For a gold coin donation participating children can build themselves a toy from the supply of blocks and wheels our members have been preparing. We recently located and secured a refurbished Red Cross donated bench seat for our seniors to utilise outside the “Friday Lunch” room door. We are keen to maintain some of the history of our Shed, and we are planning on naming our refurbished supper room the Moir Room in recognition of the first owner of the property, before we do we are seeking community information to verify the information we have is correct. If anybody from the community has any historical information or photos from days gone by we would appreciate the opportunity to gather this info.

Our monthly meetings are now being held on the first Thursday of the month starting at 0830 – the meetings are preceded by a toasted egg and bacon sandwich and these meeting are open to all Shed members and any member of the public who would like to attend. We are open on Thursdays and we encourage men to drop in have a look around and enjoy some fellowship over a cuppa. If you want any further info please call Steve 0429 942 852 or John De Burgh 0419 957 962.

Cranbrook Motocross – Construction Underway

L-R Adrian Van Den Berg (Smith Constructions), Hilary Watterson (Cranbrook Motocross), Peter Northover (CEO Shire of Cranbrook), Scott Gardiner (Scott Gardiner Architects)

Friday 9th February 2018 marks the commencement of infrastructure building at Cranbrook Districts MCC home track Sukey Hill.

Smith Constructions and Scott Gardiner Architects have teamed with the Shire of Cranbrook to build a Scrutineer/First Aid Hut complete with a disabled toilet. This project has been made possible via funds from the Royalties for Regions program.

This is a much-awaited permanent facility and will make life easier for committee members who are currently operating the club out of a mobile trailer. Club President Justin Shepherd, also a Motorcycling WA qualified machine examiner, said he is looking forward to scrutineering bikes undercover in this facility and not having to take home race day flags and vests to wash and dry.

St John Ambulance volunteers are also excited about using the hut, which has a drive through feature that allows easy motocross track access. In addition to having a fully decked out first aid room thanks to the generous donation of surplus doctors surgery equipment by the Shire of Cranbrook.

The building is expected to be completed by June, ready for when Cranbrook hosts the South West Interclub Championships on Sunday 15th July.

It is not expected that site construction by builders Smith Construction will interfere with the clubs scheduled events or monthly practice.

2018 season marks our second year at this venue, which kicks off with an all ages Moss Institute of Motocross & Supercross Coaching clinic on the weekend 14/15 April. For further details and to register your interest head over to www.cranbrookmx.com

'More than just fertilizers'

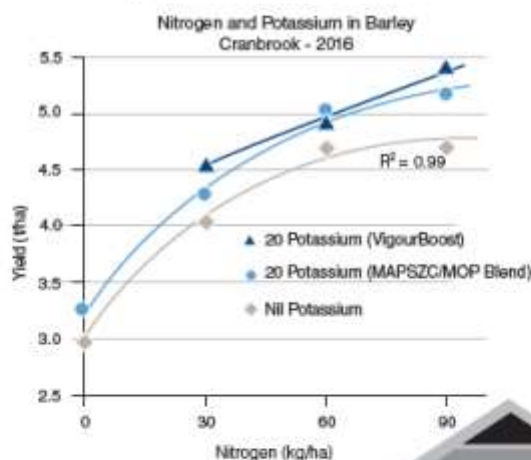

I run on-farm trials to get local data to calibrate and validate recommendations.

It is all a part of the experience that make Summit a supplier of "more than just fertilizers."
