The next meeting of Council will be held on Friday 15th December 2017 commencing at 3.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

The new look Council of the Shire of Broomehill-Tambellup met for the first Ordinary Council meeting in November, following the Local Government election and Special Council meeting to swear in new Councillors in October. The agenda was fairly light in content, providing an opportunity for the new Councillors to learn more about the meeting procedures and standing orders that steer every Council meeting.

Council is required to determine and advertise its meeting dates for the coming year. The following dates have been set for 2018: 15 February, 15 March, 19 April, 17 May, 21 June, 19 July, 16 August, 20 September, 18 October, 15 November (all Thursdays), and 14 December (Friday).

Council granted planning approval for the construction of a shed at Lot 516 Broomehill-Gnowangerup Road, Broomehill.

Council considered tenders received for the replacement of its 2009 Caterpillar 12M grader. The successful tender was submitted by Westrac, who will supply a new Caterpillar 12M grader and trade the existing grader at a changeover of \$208,275.14. Fleet management is driven by Council's ten year Plant Replacement program, and budget provision is made each year to cover costs.

Council determined to sell the skid steer 600mm profiler attachment to the Shire of Gnowangerup. This attachment is surplus to requirements following the purchase of a larger skid steer unit earlier this year.

WORKS

Roadworks are underway on Pallinup South Rd at present, to widen the seal to 7 metres. Stabilising was completed mid-November and sealing was due to be completed by the end of November. A flat pack box culvert has been ordered for installation on Pallinup South Rd, to be completed during the dry period ready for the 2018/2019 construct and seal section. Similar culverts have been ordered for installation on the Gnowangerup-Tambellup Rd floodway, it is planned to install these in January before stabilising areas ready for resealing.

Other roadworks planned or underway include the repair of blowouts and stabilising of patches on Toolbrunup Rd ready for resealing in December, continuation of flood restoration works on Marshall Rd and Tieline Rd and a program of maintenance works including bitumen patching, widening of culverts and construction of headwalls.

The maintenance graders are currently working from the south west part of the Shire to the north, with the following roads being graded during November: Chillicup Rd, Pindellup Rd, Warrenup Rd, Ngopitchup Rd, McGuire Rd, Nelson St, Spencer Rd, Paul Valley Rd, Hassell Rd, Toolbrunup Rd, Nymbup Rd, Crosby Rd, Bessen Rd, Burrridge Rd, Johnston Rd, Watergarrup Rd, Wansbrough West Rd, Moonies Hill Rd, Brown Rd, Peter Valley Rd, Binniup Rd, Aylmore Rd, Barrecup Rd, Kings Cross Rd, Anderson Rd, Carr Rd, Nazzari Rd, Sprigg Simpson Rd, Batchelor Rd, Dartall Rd, Gittens Rd, Newton Rd, Bowman Rd, Thorn Rd, Tallents Rd and Forward Rd.

Developing and prioritising submissions, and advocating on the Shire's behalf for the next rounds of Regional Roads Group, Commodity Route and Roads to Recovery programs have occupied a considerable amount of time for Council's Manager of Works. Successful projects will be advised in due course and these will be factored in to the 2018-2019 budget.

In the towns, trimming of trees under powerlines has recently been completed by Katanning Cherry Pickers. The parks and gardens crew has been busy keeping on top of mowing and watering, and the ovals have seen some attention with spraying for broadleaf and black beetles, fertilising and vertimowing (Tambellup Oval) completed through November. The playground in Holland Park has had new sand installed, and the fence replaced, following construction of the new shelter.

CHRISTMAS AND NEW YEAR ARRANGEMENTS

The Shire Offices will close at **12 noon** on **Friday 22nd December 2017** and reopen again at 8.30am on **Tuesday 2nd January 2018**. There will be no Vehicle or Drivers Licensing services available at either office during that period.

Council's outside staff will commence their Christmas stand down on Friday 15th December 2017. A "skeleton" crew will remain on duty to attend to any matters over the Christmas period.

Rubbish and recycling collections will be carried out as normal over the Christmas/New Year period. The weekly rubbish collection will be carried out on **Thursday 28th December** and **Thursday 4th January**. The fortnightly recycling collection will be carried out on **Thursday 21st December** and **Thursday 4th January**. Contractors have requested that bins be put out earlier than normal, as they may be running early.

Any urgent matters during the Christmas and New Year period can be referred to the Manager of Works, Glen Brigg on 0418 955642.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

HARVEST AND VEHICLE MOVEMENT BANS

For up to date information on Harvest and Vehicle Movement Bans:

Harvest Ban Hotline: Residents can phone **98251042** 24/7 to hear pre-recorded information about the status of harvest and vehicle movement bans. This is the most up to date and reliable source of information available.

Harvest Ban SMS: Residents can register their mobile phone number with the Shire, to receive notification of imposing and lifting of harvest and vehicle movement bans, road closures and other emergency information. To register your number for these notifications, please contact Marni at the Shire on 9825 3555. Please be aware that not all areas of the shire experience full mobile signal, and this may result in notifications being delayed. For this reason the SMS system should not be relied on as a sole source of information.

Local Radio: Harvest and vehicle movement ban information is broadcast on ABC radio at 10.05am, 11.05am, 12.35pm and 2.05pm, and on RadioWest 1071 at various times during the day. While every effort is made to ensure local information is provided to the radio stations for broadcast at these times, weather conditions can change quickly, and bans may need to be imposed at relatively short notice. Again, please do not rely on this as a sole source of information.

Residents are directed to the Harvest Ban Hotline – 98251042 – as the most up to date and reliable source of information. If you think the weather conditions have deteriorated to the point where you feel it is unsafe to continue harvesting – make a judgement call and STOP – whether a ban has been imposed or not.

Our year has passed with CWA keeping busy in our community, quietly helping out where possible and adhering to the motto of.....

A voice for city and country women
Friendship, fun, fellowship and support

Service to the community and leadership opportunities

The ability to engage with Government to improve the wellbeing of all people, especially those in country areas.

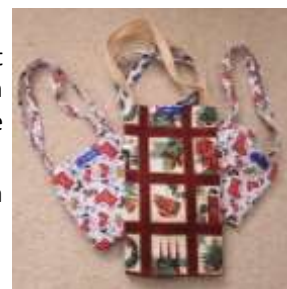

Throughout the year, we have driven the project of replacing single use plastic bags with recycled "Tambellup Totes". Thank you to the many in the area who have donated fabrics, doona covers, old curtains and other materials which have been artfully turned into the very hardy and handy "Tambellup Tote" Bag. They are available from the Tambellup Post Office and Tambellup CRC for a gold coin donation and make a great stocking filler. There are Christmas designs on sale now as well.

As usual, we have provided catering support for the community for local events and as Malta was our Country of Study, we staged a Maltese Dinner to raise funds for our new St John Ambulance Sub-Centre and our new Sporting Pavilion. We have also looked after the mental health of our members and friends of CWA by having some great outings especially the Wildflower Walk at Bluff Knoll on R U OK Day this year.

Our year finished in November with a combined Xmas lunch at the new Geraldine's Restaurant along with the Tambellup Cake Decorators Group. A terrific day was enjoyed by all.

CWA State-wide continues to grow and expand with many new CWA Belles Groups forming in this past year. The Belles Groups adhere to the CWA mantra however tend to have a younger membership with like interests. Some Belles partner with their senior CWA Branch and others have formed where there is nothing of a like mind in their area.

On behalf of all CWA members, we take this opportunity to wish you all a very Merry Christmas and a happy, healthy and prosperous 2018

Community Bank® branches

Who better than a shearer / meat inspector to become an Inaugural Director and possibly the longest serving, on the local Board of one of the most important banks in the country, particularly in Regional Australia. Adrian had no knowledge of the 'Community Bank' story when he took a random phone call asking him to attend a meeting in February 1999 with the purpose of establishing a branch of Bendigo Bank in Cranbrook and Tambellup. But, it was to become a passion with Adrian and his commitment of 19 years to the Community Bank model, the inspiration of Rob Hunt and Bendigo Bank saw Adrian take on roles he could not have imagined. As a member of our Tambellup Cranbrook Community Bank Board, Adrian's enthusiasm for the model has taken him around the State and nationally as a representative of Bendigo Bank in a mentoring role for communities beginning their own journey to bring banking services back to their towns along with the social and economic benefits that follow.

Adrian has earned the respect of all those associated with this Bendigo Bank initiative over the past 2 decades, Bendigo Bank Executives, Staff, Board Directors from around Australia, Shareholders and importantly our customers whose business provides the amazing social and financial capital for many wonderful community programs that have benefitted so many.

On behalf of our local Board of Directors, past and present Staff members and many valued Customers we Congratulate Adrian on a wonderful achievement and we sincerely Thank You for your dedication over the past 19 years. We wish you and Margaret all the very best for years to come. Like us all, Piggy is so sad to see you go!

Drop into our Tambellup Cranbrook Community Bank® Branch to Meet our new Branch Manger. We Welcome Steve Smith to our Community.

The last 15 years Steve has been working as a financial planner, including working with a London Based Financial planning firm in the Tokyo, Hong Kong, Abu Dhabi and Jakarta offices where he was providing International financial investment advice to the Australian Expat communities in those regions. Steve also ran his own Financial planning practice in Subiaco for a number of years in which he sold and looked at a lifestyle change. Steve bought a Hobby Farm in Tenterden this year & he has become a member of The Men's Shed, the Sports Club/Lawn Bowls and he now considers himself to be part of the local community. Steve really enjoys living in the area & has found everyone

Great Southern Community Financial Services Limited

20th November 2017

Dear Editor

Walk past Tambellup or Cranbrook **Community Bank®** Branch in Norrish or Gathorne Streets and what you'll see is a bank branch.

Look a little closer and you'll find that this isn't any ordinary bank branch. This is a business which employs 4 locals and is run by a volunteer board of 5 company directors, in partnership with Australia's fifth largest retail bank, Bendigo Bank.

In 18 years, our **Community Bank®** branch has returned over \$430,000 to local community groups and projects.

From the local agricultural Shows, Primary Schools and P&C's to many of our local sporting Clubs, our Community Bank branch has impacted on hundreds of local people.

Then there are our customers. A national campaign is now underway to say thank you to the people who bank with their local **Community Bank®** branch.

As Chairman of this wonderful community company and on behalf of our 260+ shareholders and over 70 different grant recipients, I say thank you to those of you in our community who now bank with their local **Community Bank®** branch.

It's because of your banking that our company is in a position to return our share of our business' revenue to local groups like the Cranbrook Men's Shed.

As Chairman of this wonderful community company, thank you to all of our customers and shareholders. You really are leading the way when it comes to change in our community.

Yours sincerely

Mr Andrew Murray
Chairman
Great Southern Community Financial Services Ltd

CENTRELINK CUSTOMERS—PLACE IN QUEUE PHONE SYSTEM

The use of phone service has changed.

Centrelink has a CALL BACK service. This gives you the choice to keep your place in the queue without waiting on the phone. How it works:

If your expected call wait time is greater than 5 minutes, you will be asked to leave your details. When the call gets close to the front of the queue, Centrelink will call you back.

How do I get my place in the queue?

If you are receiving Centrelink payments you must:

- be registered for phone self-service
- call Centrelink's main phone services

Bushfire Warning Levels

During a bushfire, DFES under instructions from the Shire or the Parks and Wildlife issue community alerts and warnings for bushfires that threaten lives and property. They are issued once firefighters have arrived at the scene and determine that there is a threat or potential threat to the community.

Understanding the Bushfire Warning System is extremely important in helping you and your family to stay alert and informed when a bushfire starts.

The Bushfire Warning System operates using four levels of warnings.

	ADVICE	A fire has started but there is no immediate threat to lives or homes. Be aware and keep up to date.
	WATCH AND ACT	There is a possible threat to lives or homes. You need to leave or get ready to defend – do not wait and see.
	EMERGENCY WARNING	You are in danger and need to take immediate action to survive. There is a threat to lives or homes.
	ALL CLEAR	Take care to avoid any dangers and keep up to date.

These levels change to reflect the increasing risk to your life or property and decreasing amount of time before the fire arrives.

Know the warnings and stay alert when a bushfire starts. Do not wait and see what happens, this could be deadly.

For more information about Bushfire Warnings:

- Read the [Bushfire Warnings: What should you do?](#) information sheet
- Visit www.dfes.wa.gov.au

Merry Christmas to all

We helped celebrate Play in the Park on Wednesday 15th November at Diprose Park. This program is for families with young children and provides opportunities for socialisation, free play and developmental activities. All of Tambellup Primary School (with some parents) had fun playing outdoors in the beautiful weather. A particular favourite was the two bouncy castles and craft activities, which were followed by a BBQ supplied by Relationships Australia. Thanks to Palmerston, Aboriginal Health, Wanslea and Amity Health for their fantastic work and support.

We are looking forward to our Christmas party and break-up gathering on the 5th of December at the Relationship Australia WA building. Everyone is welcome to join us to celebrate the past year and upcoming festive season. Lunch will be provided.

And lastly we'd like to thank all of the service providers that have helped us over this past year because these are the people that make the Relationships Australia program very successful. They include Aboriginal Health, Southern Aboriginal Corporation, Southern Ag-Care, Amity Health, Communities for Children, Wirrpanda Foundation, Community Resource Centre, Geordie Allen with Drum Beat, Palmerston and a big big thank you to Wanslea. Thank you also to the Tambellup Shire for their generous support and to the individuals, families and community for accessing our programs.

Have a very merry Christmas and holiday season!

Lynthia Flowers, Aboriginal Resource Worker and Jan Warnock, Counsellor.

Tips for a stress-free Christmas

- Discuss your Christmas plans as a family and be open to being flexible and open to doing things differently, as your and the family's needs change over the years.
- Write Prioritised "to do by" lists and delegate tasks amongst family members
- Learn to say no. "Thank you for asking us, but we are sorry we won't be able to fit that in this year," or "thank you for asking, but that won't work for us this year".
- Make the most difficult decisions early on - such as where the children spend Christmas in stepfamilies, or whose house Christmas dinner will be held.
- Set a budget for the day, stick to your shopping list and resist temptation to deviate from it.
- Online shopping can be a blessing, check out sites such as Book Depository and Etsy for books and unique gifts. Some of these have free postage.
- Ensure there is some time set aside for just you or you and your partner to relax.
- Give voice to your thoughts – don't assume your partner or family can mind read.
- Try to avoid over-indulging in alcohol. The less we have had to drink, the less likely we are to contribute to or cause an unnecessary argument.
- Be kind to yourself. Don't label yourself as a failure if Christmas does not work out as you planned. Don't compare yourself and your celebrations with others.
- **DON'T FORGET TO BREATHE.** Noticing when you are stressed, and taking three deep breaths in and out, helps the mind and body to 're-set'.

Are you over 40? Have you had any of these...

... for more than 4 weeks?

- ☐ Blood in your pee or your poo
- ☐ Problems peeing
- ☐ Looser poo
- ☐ Unexplained weight loss
- ☐ An unusual pain, lump or swelling anywhere in your body
- ☐ Becoming more short of breath
- ☐ A persistent cough
- ☐ Changes in a spot on your skin

... once off?

- ☐ Coughing up blood
- ☐ Blood in your pee

If you have...

Cranbrook Motocross

Off season is a time for the riders to recharge, and the spectators to update their qualifications! Have you an interest in the sport, but don't ride and would like to be involved? Possibly even earn some cash? Then consider doing a first aid course and you are half way to becoming a Motorcycling WA qualified Practice Supervisor.

Practice Supervisors are unique to WA, that's right no other states in Australia offer this flexible training opportunities at a Motorcycling Australia approved venue. It is a system which allows people to ride at a track at a non-scheduled event provided they have abided by the club's rules, hold rider insurance (MA licence) and have a Practice Supervisor watching, ratio 1:5 riders. It's a great opportunity for riders to become familiar and confident at the venue in their own time.

The role of a Practice Supervisors is simply to watch the riders limited to a max of five, and seek help or administer first aid in the case of an accident. An ideal job for parents or partners, but sometimes riders struggle to nab someone they know for this role, and this is where the community can step in to help. Cranbrook Districts MCC are seeking interested people who would like to become a Practice Supervisors, to link to these riders, possibly even for a fee! It's also a rewarding role, giving back to the sport via allowing riders to practice in their own space.

Cranbrook St John Ambulance Sub Centre are offering a one day first aid course on Saturday 10th February 2018. Phone 0447240510 or 98414212 to register.

Albany St John Ambulance Sub Centre are offering a one day first aid course on Saturday 16th December 2017. Phone 98414212 to register.

Once you have completed your first aid course you will then need to complete an online Practice Supervisor assessment www.motorcyclingwa.org.au. This is quite straightforward and the committee are willing to assist with any queries you have. Phone 0427380074.

Sandalwood Villas, Tambellup

Independent Living Seniors Accommodation

Located in Taylor Street, Tambellup, Sandalwood Villas offers contemporary accommodation for people aged 55 and over; entry is via remote controlled, electronic gates.
