The next meeting of Council will be held on Thursday 16th November 2017 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

Council considered a change of meeting date for the December 2017 meeting from Thursday 21st December, as previously advertised, to Friday 15th December. Local public notice has been given advising the change of date.

Council endorsed the "Strategic Community Plan 2012-2022 – Progress Report to 30 June 2017". The report outlined the achievements against the various strategies over the life of the plan, and in particular the 2016-2017 financial year. The Plan is due for its 4 year review, and consultation with the community will occur over the coming months.

The Agreement with landholders for access to water from Anderson's Bore was reviewed and renewed. Anderson's Bore is located in the south east section of the Shire, and the bore provides rural residents with access to water for servicing stock and for meeting spraying requirements.

Council considered and approved a proposed car port as an addition to an existing dwelling at Lot 144 (186) Rourke Street, Tambellup with conditions.

Quotes submitted for Tender No: 04/2017 for the Provision of Project Management Services for Flood Damage Related Reinstatement Work (WANDRRA AGRN 743) were considered and Council has awarded the tender to Les Hewer Consulting Services.

Council endorsed the specifications for replacement of the 2009 Caterpillar 12M Grader with a grader suited to Council's needs. This will be tendered through the Western Australian Local Government Association (WALGA) purchasing network.

Council approved an application submitted by Geraldine's Restaurant for a variation to the revised opening hours of the restaurant at Lot 25 (12) Crowden Street, Tambellup to allow opening times of 12 noon Fridays, Saturdays and Sundays.

WORKS

Contractors have been engaged to undertake maintenance grading in the northern section of the shire, which has allowed shire graders to work the mid-east and southern parts of the shire. Maintenance grading has been carried out on the following roads during October: Peringillup East Rd, Peringillup West Rd, Pallinup Rd, Jam Creek Rd, Wray Rd, Gillespie Rd, Martinup Rd, Beejenup Rd and Warrenup Rd.

The new Caterpillar 299D Skid Steer and 1200mm stabilizer have been delivered.

To combat the increase in mosquitoes, fogging has been continuing in both towns. It is expected that this will continue on a regular basis until conditions dry out.

ALSO FROM THE SPECIAL MEETING OF COUNCIL

Council considered a proposal for installation of a grain sampling station at Tunney on the Albany Highway.

In previous years Co-operative Bulk Handling has had approval to install the grain sampling station during the harvest period within a parking bay area on Albany Highway in Tunney. This allowed sampling of grain prior to delivery to bulk storage facilities.

Councils approval, and use of Reserve 18335 should the sampling station cross over onto this land, has been granted for a 3 year period to enable the facility to be installed if, and when, required.

HARVEST AND VEHICLE MOVEMENT BANS

The safety of our community during harvest and the fire season is of paramount concern, and the Chief, Deputy and Brigade Fire Control Officers communicate regularly to monitor conditions, imposing bans on harvesting and vehicle movement in paddocks when required. These calls are not made lightly, however they are essential to reduce the risk of fire in our district.

Harvest and vehicle movement bans are communicated to residents by Council in a number of ways:

Harvest Ban Hotline: Residents can phone **98251042** 24/7 to hear pre-recorded information about the status of harvest and vehicle movement bans. This is the most up to date and reliable source of information available.

Harvest Ban SMS: Residents can register their mobile phone number with the Shire, to receive notification of imposing and lifting of harvest and vehicle movement bans, road closures and other emergency information. To register your number for these notifications, please contact Kim at the Shire on 9825 3555. Please be aware that not all areas of the shire experience full mobile signal, and this may result in notifications being delayed. For this reason the SMS system should not be relied on as a sole source of information.

Local Radio: Harvest and vehicle movement ban information is broadcast on ABC radio at 10.05am, 11.05am, 12.35pm and 2.05pm, and on RadioWest 1071 at various times during the day. While every effort is made to ensure local information is provided to the radio stations for broadcast at these times, weather conditions can change quickly, and bans may need to be imposed at relatively short notice. Again, please do not rely on this as a sole source of information.

Residents are directed to the Harvest Ban Hotline – 98251042 – as the most up to date and reliable source of information.

If you think the weather conditions have deteriorated to the point where you feel it is unsafe to continue harvesting – make a judgement call and STOP – whether a ban has been imposed or not.

DOG AND CAT REGISTRATIONS ARE NOW OVERDUE

Residents are reminded that all dog and cat registrations are due for renewal on **31 October** each year. Notification will be sent to owners of dogs and cats with registration expiring in 2017. Payment for re-registration can be made at either the Broomehill or Tambellup office. If you would like more information about dog and cat registration please contact Siegrid at the Shire.

Troy Norris Golf Day 2017

Troy's annual golf day was held on Saturday 14th October at the Tambellup Golf Club. This year was the exact opposite of last year's weather, really hot and A LOT of mozzies.

A field of 99 players attended from as far as Perth, Mandurah, Gnowangerup, Katanning and our loyal locals to play either 18 or 9 holes of golf. This is the biggest day we have held, an awesome result. We hope you all enjoyed the day.

Congratulations to the winners: 18 hole Shane, Sonya and Courtney Woods, closely followed by Mark Coyne, Kerry Smith, Ray Williams and Declan Kelly. 9 hole winners were Kay O'Neill, Sophie Lane and Snowy Sheridan, with Carolyn Cunningham, Tracey Lamont & Jenny Cristinelli second.

We would like to thank the sponsors for the day: CBH, Matty Durack, Shane O'Neill, Colin Kingston, Tambellup Deli and Kristy Boyle. To Bill Lay for mowing the course for the day, Paul Cunningham for sweeping the greens, Snowy Sheridan for organizing the teams, Marie Sheridan and Sophie Lane for managing the bar, and to all those that helped out in the kitchen, thank you all.

Kade Stewart, from Hawthorn Football Club once again donated a signed jumper from the Hawthorn Football Club. This was auctioned off at the end of the day by Michael Altus. Thanks to those who were bidding. Reece Groves ended up being the highest bidder with a great result of \$1625. Thanks to Kade, Michael and Reece.

Proceeds of the day have been donated to the Tambellup Sub Centre.

Thanks again and hope to see you all next year.

Heather, Marc, Kris and Glenn

Daffodil Night 2017

A wonderful night of fun, friendship and Fundraising was held in Tambellup on Daffodil Day 2017. The theme for this year was 'Light Up The Night' and we were again delighted to see some wonderful costume ideas from some of our guests. This year our little community was able to raise over \$2000 to send to the Cancer Council. Many thanks to all of our guests, stall holders, Chef Craig, kitchen assistants, the Broomehill Tambellup Shire for the use of the hall and to the wonderful ladies who donated raffle and door prizes. Without the support of many wonderful members of our community this night wouldn't happen. In particular I would like to sincerely thank Jo Taylor my co-organiser for this event for her work in organising and running Daffodil Night for the past three years.

Junior Golf

During Term 3 a small group of year 4-7 students from Tambellup PS attended 6 sessions of Golf, which were conducted at the Tambellup Golf Club, with funding from Sporting Schools. Each week the students worked on their putting, chipping and driving skills. On the last week, with assistance from members of the Tambellup Golf Club, the students participated in a mini competition. Congratulations to Chantelle and Tylah for their great results on the day. Many thanks to the Golf Club for allowing us to use the course and facilities and to Tambellup PS for organising equipment and funding. Many thanks to 'Assistant Coach' Paul Cunningham for assisting each week and to Ray Williams, Sophie Lane and Monica Nazzari for your help during our mini competition. Congratulations to the students for their excellent behaviour and persistence when trying to improve their skills.

Farewell to a blooming good time

The Hidden Treasures 2017 Bloom Festival, presented by Act-Belong-Commit, has exceeded all expectations attracting over 11,000 visitors to the record number of 79 events held across nine shires of the Great Southern region, and ended with a grand flourish on October 14th with a garden party held in the grounds of the Mount Barker Old Police Station Museum.

More than 600 people from right across the region took advantage of a beautiful sunny day to enjoy the range of events on offer at the festival finale. As well as live music, some 30 stallholders provided local food, art and craft markets and displays, entertainment and activities. Many people also took the opportunity to visit the museum.

Hidden Treasures of the Great Southern would like to thank the Plantagenet Historical Society, Shire of Plantagenet, Mt Barker Lions Club, ACE Camera Club Albany and the many volunteers for their support in putting the event together. Special thanks also to all the entertainers and stallholders who came out and added to the atmosphere of the day not forgetting the financial and in-kind support of our many sponsors.

Thank you for joining us for the 2017 Bloom Festival. We look forward to seeing you and your friends at the 2018 Bloom Festival which promises to be even more exciting!

Cranbrook Motocross

This year's Motorcycling Western Australia's Volunteer of the Year award was presented to Justin Shepherd from the Cranbrook Districts Motorcycle Club. Following a very strong list of 12 nominations submitted by their clubs, Justin was selected by the MWA board for his exceptional dedication to the construction of the new motocross facility at Sukey Hill, Cranbrook.

As the newly elected president of the club, Justin lead by example by building the initial track in just eight days (yes not a misprint – eight days) for it to be ready for a round of the South West Interclub series. Since then Justin has spent every weekend bar two working on the Greg Moss designed track. In addition, Justin and his committee have worked with the local council to raise significant funds to construct the track, clubrooms and other infrastructure to ensure the new track at Sukey Hill becomes the benchmark in Western Australia.

President Peter Clark said of Justin's efforts "This has been an enormous effort, and while we acknowledge that there are many others that contribute to the building and running of a club, that extra effort by an individual is inspiring to others". Justin, who is more of a doer and worker than a talker said of his Volunteer of the Year Award- "Receiving this award which the majority of the Cranbrook Districts MCC committee and members deserve as a whole - there are a few key people who have pushed and supported me and I think we have built a great venue together. People have been envious of our shire support and I am thankful for the backing from the Cranbrook Shire.

This MWA volunteer award - against great nominations, has given me the confidence and recognition from my peers that I'm doing a reasonable job in my role. Get down to Cranbrook and check out our track we are only 3 hours from Perth!"

IN A BUSHFIRE EVERY FIVE MINUTES COUNTS ESPECIALLY YOUR NEXT FIVE MINUTES

Bushfires move fast; even faster uphill. And they can generate enough heat to melt metal. Your best chance of surviving a bushfire is to plan what you'd do if one was to come your way. Even if you intend to stay and defend your property, you still need a back-up plan. Take five minutes now with your household or neighbour to discuss these three simple questions:

5 MINUTE FIRE CHAT

1 WHEN will you know to leave?

.....

2 WHERE will you go?

.....

3 WHICH way will you go?

.....

That's a great first step to protect your family. However, have you considered what you would do if you are at work when a fire threatens?
