Shire of Broomehill-Tambellup Candidate Profile

NAZZARI, Monica

I was born and raised in Perth, WA. I was educated at St. Joseph's Primary School, St Brigid's High School and then received my Diploma of Teaching- ECE at Curtin University. I have lived and taught in Carnarvon, Dongara, and Morawa, before being appointed to Tambellup Primary School. I taught at TPS for 3 years before I married and had children. I have lived in Tambellup ever since- 22 years. I have held positions and been involved in many community groups, Play group, TPS, BHPS, Junior Football, Junior Cricket, Netball, Tennis, Hockey, and more recently Golf.

I hope to be elected because I have realized that the Broomehill/Tambellup Community is very important to me and I would like to be a part of its changes and developments into the future. I am very grateful to the community of Broomehill/Tambellup and hope to play my part in its future growth.

LETTER, Carl

I live in the Broomehill-Tambellup Shire with my wife and two children and run a broad acre farming business with my two brothers and their families. I am passionate about the agricultural industry and the prosperity that it can deliver to our community in the future. I am interested in running for the position of Shire councillor because I would like the opportunity to become more involved in the community and to help to build the community for the next generation.

I feel that we live in a strong community (signified by the recent building of the new Tambellup sports pavilion) and believe that through seizing further opportunities to bring our community together and develop initiatives, we can see our Shire grow and flourish.

I am actively involved in the Tambellup Hockey club and the P&C at my children's school so have an understanding of our community and its needs.

HOLZKNECHT, Kelly

Having lived in Broomehill for ten years farming with my husband and our three young children, I recognise and appreciate the important role our small but strong community plays in our lives. In particular, I place significant value in our local schools, sporting clubs and community groups which make the Broomehill-Tambellup Shire a wonderful place to live, work and raise children.

Over the years I have volunteered for various committees and currently hold positions on the Broomehill P&C, Broomehill Complex Committee, Broomehill Netball Club and the Katanning Netball Association.

While I currently manage our farm finances and am involved on-farm during seeding and harvest, I have also previously worked in the Banking, Government and Hospitality sectors in Katanning, Kojonup, Perth and the UK where I lived and worked for three years.

I am keen to bring my pragmatic approach, diverse background and passion for our community to our Council.

FLOWERS, Lynthia

I am married to Ezzard and have one daughter and three grandchildren. I am also foster mum to eight other children and four grandchildren. I have lived in Tambellup all my life. I am also Born Again Christian and I go to the Tambellup-Katanning Evangelical Church.

My interests are golf, tennis, netball, hockey, softball and basketball. I have been on the Tambellup Golf committee, Southern Aboriginal Corporation, Noongar Economic Board, Tambellup School Council and the TAPA committee. I am currently employed by Relationships Australia as an Aboriginal Resource Worker for almost ten years in Tambellup and Kojonup Districts. I am currently on Southern Agcare committee, Aboriginal Health committee and breakfast club at Tambellup Primary School.

I would like to be nominated for council, hoping to make a difference with new ideas and also to be part of decision making for this wonderful community in which we live.

Shire of Broomehill-Tambellup Candidate Profile

PAGANONI, Mark

I was born and raised in Broomehill. I then attended Aquinas College. I completed my Trade Fabrication in Perth where I worked for five years. For the last 17 years I have lived in Broomehill and continued to farm in my family business maintaining a financial and operation management role.

I have served as a Broomehill-Tambellup Shire Councillor for the past four years. During this time I have chaired meetings and been a delegate on various committees. I was involved with recent implementation of the Tambellup Community Pavilion.

Considering the State Governments Budget constraints, it is most important for our Shire to maintain a strong, healthy and efficient operation but also to continue to focus on improving the road network and town sites within the council's means.

With my continued involvement amongst the Broomehill and Tambellup sport and social groups their views and ideas can be carried through to council.

BATCHELOR, Mike

I have lived and worked in the Broomehill/Tambellup district for most of my life. For 25 years I farmed east of Tambellup after which my wife Jan and I moved to live south-west of Broomehill and I work in rural real estate and contract at the Katanning sale yards. We have three adult daughters.

I have been involved in various community organisations and sporting clubs including: the local fire brigade, the Agricultural society, the Theatre Company, P&C, School Council and Football, Golf and Tennis clubs.

I have served as a Councillor on the Broomehill-Tambellup Shire for the past 4 years and have a strong interest in the process of local government and how the Shire can best serve its communities. I feel that I am well qualified to represent the interests of both Broomehill and Tambellup and would like the opportunity to do so for another 4 year term.

The next meeting of Council will be held on Thursday 19th October 2017 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

Council considered a draft 'Fitness for Work' policy. The draft policy is based on the WALGA model policy and is considered best practice, in helping to ensure a safe working environment is maintained.

Council considered and approved a request from the CEO to be able to take the vehicle supplied as part of his contract interstate.

Council recently advertised its tender for consulting services in relation to the WANDRRA funded flood damage road reinstatement works. In considering the tenders a number of anomalies were noted in the documentation and for this reason Council determined to reject all tenders. Council has since readvertised the tender, which closes on 9th October 2017.

Council considered the CEO's twelve month performance review, noting his satisfactory performance in the role since taking over in September 2016.

WORKS

With a focus towards the end of August on getting everything ship-shape at the Tambellup Pavilion ready for the opening, the construction crew was happy to be able to go bush again - to Beejenup Rd where they have been working on widening and resheeting a section.

The Shire's maintenance graders, assisted by contractors, have been working the following roads during September: Flat Rocks Rd, Chilicup Rd, West Peringillup Rd, Brassey Rd, Greenhills South Rd, Heron Rd, Norrish Rd, Etna Rd, Moulyerup Rd, Marshall Rd, Tieline North Rd, Curnow Rd, Thompson Rd, O'Neill Rd, Clinic Rd, Graham Rd, Pindellup Rd, Palomar Rd, Fletcher Rd, Ngopitchup Rd, Birt Rd, Poonawariup Rd, Warrenup Rd, Winspear Rd, Des Wray Rd, Bignell Rd, Noname Rd, Sorrento Rd, Komani Rd, Crosby Rd, North West Rd, Bessen Rd, Batchelor Rd and Hilder Rd.

The new gardens at the oval have been mulched, and watered on a number of occasions to bed the plants in. The rain received late in September has been beneficial in this regard - and to combat the resulting increase in mosquitoes, fogging has commenced in both towns. It is expected that this will continue on a regular basis until conditions dry out.

LOCAL GOVERNMENT ELECTIONS – 21ST OCTOBER 2017

The Shire received six nominations for the four elected member positions available in the 2017 election. The nominee's profiles are included in this edition of BT Times, and we congratulate them all for putting their hand up. The election is being conducted by the WA Electoral Commission as a postal vote, and eligible residents should shortly receive their voting package in the mail. Completed ballot papers should be returned in the envelope provided, either:

- by mail to the Electoral Commission (preferred); or alternatively
- hand delivered to the Shire offices in both Broomehill and Tambellup, where locked ballot boxes are available.

On election day, the Returning Officer will be in attendance at the Shire of Broomehill-Tambellup, 46-48 Norrish St Tambellup, between the hours of 8am and 6pm for anyone wishing to lodge their completed ballot papers.

Please ensure if mailing your ballot papers to the Electoral Commission that they are posted well ahead of time so they are received before the election date. Experience has shown that letters can take up to a week to be delivered in Perth when posted from Broomehill or Tambellup.

Local Government is the tier of Government closest to the community - you know the nominees as members of your community - and we encourage all residents to take the opportunity to make their vote count.

DOG AND CAT REGISTRATIONS

Residents are reminded that all dog and cat registrations are due for renewal on **31 October** each year. Notification will be sent to owners of dogs and cats with registration expiring in 2017. Payment for re-registration can be made at either the Broomehill or Tambellup office. If you would like more information about dog and cat registration please contact Siegrid at the Shire.

BLOOM FESTIVAL

The Bloom Festival carries on this month, running until 15th October. The program is available to view on the Shire's website www.shirebt.wa.gov.au under 'News and Events, and copies are available through local outlets.

Have you taken in any of the events yet?? This year there are around 80 events being held in communities in the Hidden Treasures region - taking in the Shires of Woodanilling, Katanning, Kojonup, Kent, Cranbrook, Plantagenet, Jerramungup, Gnowangerup and of course, Broomehill-Tambellup.

In our Shire, a number of events are being held through October:

Through the Festival period - Tuesdays to Sundays: Books and Blooms at the Henry Jones Winery and Cafe

October 7-8: Tambellup Fantasy Flowers and Craft Market,

October 7: 'Light up the Night' - Tambellup Community Pavilion

October 8: Tambellup CRC Farmers Market

October 12: Bootrock Blooms and Golf Course Gems (wildflower walk)

October 15: Water Reserve Wander (wildflower and bush tucker walk)

Our dedicated volunteers at the Broomehill and Tambellup Museums will be opening the doors at various times during the Bloom Festival, and invite you to call in and have a look through their displays.

Broomehill Museum Opening Hours:

Saturdays and Sundays through to 8th October 2017 from 10am - 2pm, or by appointment.

Maps and guide notes for the self-drive wildflower trails around the Shire are available once again, from the Shire offices and Tambellup CRC. The rain patterns so far this year have been different to last year and it will be interesting to see the impact this has on wildflowers. We would love to see your wildflower photos taken within the Shire - please contact Pam at the Shire for more information.

We thank those people who have committed to hosting events during the Bloom Festival, and encourage everyone to track down a program, get out, play the Tourist and see what our region has to offer!

RESTRICTED BURNING PERIOD

The rain experienced recently has kept things damp for now, but the warmer weather is not far away and all residents are reminded the **RESTRICTED** burning period commenced on **19 SEPTEMBER 2017**. From this date you are required to obtain a permit to burn before lighting any fires, and all conditions of the permit must be complied with. Permits to burn can be obtained from your Brigade Fire Control Officer, or the Community Emergency Services Manager, Cindy Pearce.

The **PROHIBITED** burning period commences on **1 NOVEMBER 2017**. No burning is permitted from this date until **14 FEBRUARY 2018**.

Property inspections have recently been completed and landowners will be contacted directly if mitigation works are required to be completed prior to the fire season. Please take the time to have a look around your home for potential fire hazards - the grass may be green right now but it doesn't take long to dry off. Now is the time to deal with it for a hassle free summer.

Copies of the 2017-2018 Fire Break Order booklet were distributed to all households by mail early in August, as well as being included with rates notices. Additional copies are available at the Shire Administration offices or the Tambellup Post Office.

HARVEST AND VEHICLE MOVEMENT BANS SMS SERVICE

Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. If you are currently registered for this service, it would be appreciated if you could contact Marni or Pam at the Shire on 98253555 to ensure your details are correct. Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.

TAMBELLUP SPORTS PAVILION UPGRADE

From this:

To this:

...in just over twelve months - what an achievement!

With inclement weather forecast for the 1st September, preparations were made to host 200 people for the official opening of the new Tambellup Community Pavilion, followed by afternoon tea. Luckily - the storm clouds passed over at 1.30 and the sun was shining at 2.00 for the opening, which we were able to hold outside. Shire President Garry Sheridan and CEO Keith Williams welcomed everyone on behalf of the Shire and the Tambellup Community Pavilion Association and provided an overview of the project. The redevelopment of the facilities has been discussed on many occasions by the various Councils and community groups over many years, and with the availability of funding getting less with more competition for available dollars, we are fortunate to have been able to obtain the financial support required to achieve this now.

Richard Goyder, former resident and prominent businessman, was invited by the Shire to open the facilities. Richard was pleased to be asked and related a number of stories of his years in Tambellup, particularly from his primary school years.

With the opening over, the Tambellup Community Pavilion Association hosted the rest of the day and evening. Paralympian Brant Garvey, who was presented by the Tambellup Cropping Group, conducted basketball and athletics clinics, and our local hockey star Penny Squibb ran a hockey clinic on the oval. The new bowling green was tested by a number of keen bowlers, and many more simply took the opportunity to catch up with people they hadn't seen for some time. It was lovely to see so many former residents return for the opening, some of whom were involved with the development of the original facilities through the Tambellup Community Centre committee, and others who had been involved in various discussions about redevelopment over many years.

The Association served dinner to around 200 people that evening - a task that was approached with military precision by coordinators Jane Cunningham and Holly Farrell, with all clubs contributing both food and labour. The Association also ran the bar, with accredited volunteers from the clubs as bar staff. Brant Garvey spoke about his experiences growing up and developing his athletic abilities as an amputee, and we are sure everyone gained a new respect for the term 'hard work' after hearing Brant's story. Richard Goyder also spoke about some of his experiences on his journey through the business world, and in reference to his position as CEO of the AFL Commission, happily responded to some pointy football-focussed questions from the audience.

So after a fantastic launch, what is left to say - but thank you to everyone who contributed to the development of these fantastic facilities, and the opening, in any way. There are far too many to name individually, but in particular:

- The Tambellup Community Pavilion Association, for all the hours you put in leading up to the opening, both for the opening, and for the future management of the facilities - well done!
- The Tambellup Community Cropping Group, for their financial support of the fitout of the building, and the opening
- Mrs May Penny, for her Welcome to Country
- Geraldine Merrick for the beautiful afternoon tea at the opening
- The Tambellup Cake Decorating ladies, for their impressive celebratory cake
- All sporting groups who have contributed in any way, through the new Association, and the opening
- The Shire of Katanning, for the loan of the basketball hoops
- Richard and Janine Goyder, for coming back to Tambellup to help us celebrate this achievement
- Brant Garvey, for sharing your inspirational story with us
- Community and students at the Tambellup Primary School for assisting with planting the surrounds

Apologies if we have missed anyone, your efforts are very much appreciated.

And from the Shire - thank you to our funding providers:

- Department of Infrastructure and Regional Development (National Stronger Regions Fund)
- Department of Local Government, Sport and Cultural Industries
- Great Southern Development Commission
- Department of Primary Industries and Regional Development (Country Local Government Fund)
- Lotterywest.

And our staff for their incredible work in making sure the Oval and surrounds looked amazing for the opening.

From here, the Tambellup Community Pavilion Association will soon take over the management of the facilities at the Oval, once all checks and balances have been completed. We encourage all residents to support this community led organisation and help shape a sustainable future for the Pavilion.

MOSQUITOES

And they're back! Mosquitoes are always an issue in our Shire during spring and early summer. Council baits pools of water and has commenced a fogging program of the Broomehill and Tambellup townsites in an effort to reduce the mosquito numbers.

Rainwater tanks can become breeding sites for mosquitoes that can cause severe nuisance and carry serious diseases. The Department of Health has advised that the most common mosquito found to breed in rainwater tanks is a proven carrier of Ross River virus. To prevent mosquito breeding, guttering and piping should be self-draining or fitted with drainage points. Water should not be allowed to pool under the overflow outlet or tap as these can become mosquito breeding sites. The tank should be a sealed unit to prevent mosquitoes entering. The inlet and overflow should incorporate a mesh cover to prevent access by the mosquito.

To stop mosquitoes breeding add a teaspoon of food grade paraffin oil (in small tanks up to 1,000 litres) to the water. The amount needed will vary depending upon the surface area of the water. A sufficient quantity to produce a thin film over the water surface is all that is required.

UPCOMING LOCAL GOVERNMENT ELECTIONS

All residents should have received, in the mail, their postal voting package for the upcoming Local Government election. Residents are referred to the candidate information received in those packages and also within this edition of the BT Times. All residents are encouraged to vote for their choice of four candidates to represent them on Council.

AgriFutures™ Rural Women's Award

Applications are now open for the
2018 WA AgriFutures™
Rural Women's Award

Will you, or someone you know, be the next Rural Woman of the Year?

The Award is Australia's leading award acknowledging and supporting the essential role women play in rural industries, businesses and communities. The Award provides a platform to inspire and support Australian women to use and develop their skills to benefit their industries and communities.

All Western Australian women involved in rural and regional industries, businesses and communities are encouraged to apply for the 2018 WA AgriFutures™ Rural Women's Award.

Applications are welcome from all women above the age of 18 across WA who are taking innovative approaches to challenges faced in rural and regional WA.

A \$10,000 bursary is awarded to the winner, providing the financial resources to realise their project or initiative that will benefit rural industries, businesses and/or communities. The winner will be provided with opportunities to participate in leadership development and access to a valuable alumni network. State Winners will also be considered for the National Award. The National Award Winner will be awarded an additional \$10,000 bursary and National Runner Up, an additional \$5,000 towards developing their project or initiative, this may also be used to assist in meeting national commitments such as speaking engagements.

The 2018 Award has been expanded to consider commercially focused projects and initiatives.

APPLICATIONS FOR 2018
WA AGRIFUTURES™
RURAL WOMEN'S AWARD
CLOSE 29 OCTOBER.

For more information contact Sarah Klahn-Jolley on 08 6552 2066 or Rob Leicester on 6552 1850 to discuss your application.

Broomehill Netball Team

Broomehill Netball Team has had another successful year coming off the Division 3 Grand Final win in 2016. Moving up into Division 2 brought a whole new level of game and competition. The team embraced this challenge and played some hard fought games. Finishing 2nd on the ladder, the team were defeated in the preliminary final in a competitive match vs Dumbleyung.

Congratulations to Bec Leyte who was awarded the KNA runner up Division 2 Best and Fairest, and also the Broomehill Team Best and Fairest Award.

Congratulations also to Trena Dennis for winning the Broomehill Coaches Award for the season. A huge thank you to Kelly Holzknicht for training and coaching the team for another year. Going into the teams' fifth season, Kelly will be handing over the coaching reins. Looking forward to season 2018!

Sukey Hill Shines for SWIC Finale

Seventy one riders from five motocross clubs, travelled to Cranbrook last Sunday 24 September to battle it out for the final round of the South West Interclub Championships. There was a buzz in the air as the heavens cleared and the brand new Sukey Hill track shone! Manjimup MCC took home a double whammy claiming 2017; Most Points and Champion Club trophies. Overall Champion Junior was Camball McMahon and Champion Senior Austin Ridley.

The South West Interclub Championships twenty plus year rivalry between the clubs Collie, Manjimup, Bunbury, Southern Capes and late comer Cranbrook, couldn't be possible without the organisation of series co-ordinator Kaylene Roberts. Many thanks on behalf of the clubs for your hard work. It was also pleasing to see Motorcycling WA chairman Peter Clark willing to attend the event. Riders and spectators enjoyed the boards listening ear to raise rural motocross club issues. The Cranbrook Districts MCC club has a desire to move the club to the next level and it was great to show case the potential of this new facility to Peter Clark and the Shire of Cranbrook Councillors and CEO Peter Northover.

Finally, the Cranbrook Districts MCC track committee need to be commended on presenting a national standard motocross track in less than four months after receiving the okay to start building on 17th May this year. The Greg Moss inspired track and follow up Jacob & Dale Daniels jump design has delivered a technical and different motocross track, loved by riders. The natural terrain element and liquorice all sort track surface adds to the challenge.

Story Baskets

It is never too young to read to children or tell them stories. This is how they learn language. Their vocabulary increases and they learn the structure of sentences.

When reading or telling stories provide props for your little one to manipulate and use in retelling. Collect items related to the story and make a story basket.

Use puppets, felt cut outs, magnetic pieces.
