SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 20th July 2017 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

At the June meeting, Council approved an application for a five metre extension of the NBN telecommunications tower on Lot 542 Reilly Road, subject to conditions. This extension is part of the 'Mobile Black Spot Program', and will improve mobile telecommunications in the Broomehill townsites.

Council prioritised its 2018-2019 Regional Roads Group Project submissions. These included works on the major transport routes in accordance with Council's Roads Hierarchy - Pallinup South Rd, Warrenup Rd, Broomehill-Kojonup Rd, Tambellup West Rd and Toolbrunup Rd. The submissions will be considered and prioritised by the Regional Roads Group along with those from other regional shires. Council considered and approved the specifications for the purchase of a new skid steer in 2017/2018

WASTE TRANSFER STATION – PRE PAID TIP CARDS

Residents are reminded that the orange 2016/2017 Waste Transfer Station passes expire on 31 July 2017, and will not be accepted after that date. New passes valid for 2017/2018 will be distributed with rates notices for those residents who do not receive the kerbside rubbish and recycling collections, and prepaid passes will be available to purchase at the Shire Administration offices after 1 July 2017. For more information please contact the Shire.

The purpose of a Waste Transfer Station is to minimise the amount of waste going to landfill, and maximise opportunities for recycling. By sorting your load before you go to the Tip, and making sure your recyclables are clean and uncontaminated, you will be doing your bit to help our environment.

TAMBELLUP ST JOHN AMBULANCE

Congratulations to the Tambellup St John Ambulance Sub Centre on the commencement of works to construct a new Sub Centre building on the corner of Norrish and Henry Sts. Demolition of the old building was completed very efficiently and the sand is in place ready for construction to start.

WORKS

Despite the lack of rain in recent times, our ovals are holding up pretty well. The Broomehill dams are maintaining good levels considering the warmer days we have been having and the lack of rain. The Tambellup Oval is still being reticulated with treated water, with no dam water being used to date. The Broomehill Oval has responded well to top dressing, and both ovals have been sprayed for broadleaf weeds.

Contractors will be in both townsites in coming weeks, carrying out tree pruning under power lines and to improve line of sight on main roads.

Residents in Broomehill will be able to watch the installation of the shade shelter in Holland Park over coming weeks. This is an impressive structure that will provide a full cover to the playground area. The shade sail poles on the southern side of the playground will be relocated into the RSL/Playgroup yard to allow the shade sails to remain in place over the playgroup play equipment.

Work to construct pram ramps in both town centres has commenced. This project has been funded by the Southern Inland Health Initiative.

During May, Main Roads WA signed off on Council's February flood damage estimate of approximately \$3.5 million. The tender for flood damage restoration and the associated drainage works was advertised late in May, with submissions due on 14th June. A good response was received, and Council will consider and award the tender at the July Council meeting.

Sealing on Warrenup Rd was completed during June, with some drainage work to be finished off. Contractors have finished off the sealing works on Gnowangerup-Tambellup Rd. The construction crew has been working on Beejenup Rd, carrying out gravel sheeting. The maintenance graders have been working in the north east section of the Shire, moving across to the north west section. Roads graded include: Heron Rd, Norrish Rd, Martinup Rd, Batchelor North Rd, Marshall Rd, Tieline North Rd, Curnow Rd, Graham Rd, Fletcher Rd, Winspear Rd, South Batchelor Rd and Bignell Rd.

Local Government Elections 21st October 2017

Local Government Elections for the Shire of Broomehill-Tambellup will be held on **Saturday 21st October 2017** to fill the following vacancies:

4 Councillor positions each for a 4 year term

Are you passionate about your community, and about working with people to make a difference? Do you want to learn more about why (and how) decisions affecting your community are made? Why not stand for Council?

The call for nominations for these positions will be advertised closer to the time, however if you have ever considered serving your community through this avenue, and would like to find out more about the role, you are encouraged to contact any of the serving Councillors, or alternatively, the Chief Executive Officer, who can provide more information.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Keith Williams
CHIEF EXECUTIVE OFFICER

TAMBELLUP SPORTS PAVILION UPGRADE

As can be seen by the photos included in this edition of the BT Times, the work at the Oval is progressing at a rapid rate as the completion date nears, and this is evident by the amount of hi vis around the site! In the last couple of weeks, the concreting of verandahs and paths has been completed, internal painting has progressed, tiling of wet areas has been completed, installation of floor coverings to the changerooms is finished, car parks have been sealed, kerbed and marked, car park lighting has been installed, the playground area has been defined by a limestone brick wall and excavated ready for backfill, turf has been laid on the terraces and at present the contractor installing the new synthetic bowls surface is on site.

The contractors have advised the practical completion date is estimated to be around mid-July. While this may see the completion of construction on site, there is a period before final handover to the Shire where the facilities will be closely inspected to ensure there are no defects, and if anything requires rectification, the trades will be required to return to site to complete this work. Following formal handover to the Shire, it is planned to coordinate a community busy bee in conjunction with the new Tambellup Community Pavilion Association (TCPA), to complete landscaping and creation of the nature play area. These works will be completed before the facilities are available for use by the public.

While we understand the community is eager to utilise the new facilities, it is important to ensure all aspects of the facilities are complete and working to the required standard before the public has access. We appreciate the understanding and patience of sporting clubs in particular who have been unable to host home fixtures in Tambellup since construction began, however we do need to follow due process to minimise any issues that may inconvenience the users. If clubs need further information in this regard, please feel free to contact Keith or Pam at the Shire.

We would also take this opportunity to remind people that the Pavilion remains a worksite until it is formally handed over to the Shire by the contractors. For safety reasons, access to the site is not available to members of the general public and it would be appreciated if all residents could respect this.

A number of opportunities for the community to view the completed facilities are planned, once the site has been formally handed over to the Shire. A community walkthrough hosted by the TCPA is planned for soon after handover, and on 1 September a formal opening hosted by the Shire will be followed by a community dinner hosted by the TCPA. More information will be available in due course, however at this time the Shire and TCPA ask that you note 1 September on your calendar and plan to come along and celebrate this awesome new facility!

TAMBELLUP COMMUNITY PAVILION ASSOCIATION (INC.) - TCPA

The TCPA is the new Association that has been established to manage the new facilities at the Tambellup Sports Ground. We are fortunate to have an excellent model of management in place at the Broomehill Recreational Complex (BRC), and the TCPA, in establishing their management plans, has drawn from the experiences of the BRC Committee.

The TCPA committee consists of:

Chair	Ray Squibb
Secretary	Jane Cunningham
Treasurer	Beth Schlueter

<u>Club</u>	<u>Delegate</u>	<u>Proxy</u>
Tambellup Tennis Club	Stuart Witham	Derek Sadler
Tambellup Cricket Club	Jedd Herbert	Nathan Willmott
Tambellup Hockey Club	Ray Squibb	Kellie Patterson
Tambellup junior Football	Craig Webster	Rebecca Webster
Tambellup Bowling Club	Peter Sheridan/Trixie Hampton	Trevor Prout
Community Delegates	Jane Cunningham, Beth Schlueter	

The TCPA Committee has been working diligently since late 2016 to formulate the constitution and management plan, in consultation with the sporting clubs having representation on the committee. The TCPA will be required to generate revenue to cover costs such as insurance, stock, replacement of the bowling green surface and upgrades to club infrastructure, and as one income stream, they have established an affordable membership structure in the hope that all residents will become members of the Association. More information on membership can be obtained by contacting the Secretary, Jane Cunningham, on 9825 3061. A copy of the TCPA constitution is available for viewing on the Shire's website www.shirebt.wa.gov.au under 'News and Events'.

The input from the committee members, in consultation with the user groups, has been extensive and invaluable in establishing the new association, and this investment in time and effort will pay out in having a facility that is managed sustainably by the community into the future. The Shire congratulates the committee on their efforts so far, and we encourage all residents to put their full support behind this group.

The Nationals WA

June 28, 2017

Nationals protect regional Local Government from fee hike

The Nationals WA have this week voted to disallow changes to local government vehicle licensing concessions in the Legislative Council.

The disallowance motion will prevent the State Government removing a concession which allowed local governments to pay a lower rate to license their vehicles.

Member for the Agricultural Region Hon Martin Aldridge MLC said the changes would disproportionately harm regional local governments with more vehicles and larger geographic areas to cover.

"As they have to license more vehicles, regional local governments would have borne the brunt of increased vehicle licensing fees," Mr Aldridge said.

"Local governments in my electorate have written to me expressing their concern that rates could rise by up to 10 per cent as a result of this change.

"Given the uncertainty the Labor Government has created around Royalties for Regions, The Nationals want to give local governments certainty around these concessions."

Member for the Agricultural Region Hon Colin de Grussa MLC said the removal of the concession would simply add to the burden of local government, which would be passed on to rate payers.

"Labor Governments have a tendency to neglect regional areas, in particular regional local government," Mr de Grussa said.

"This fee hike on Local Government failed to recognise the role that Local Governments in Western Australia as significant owners and maintainers of the road network.

"Local Governments in my electorate are doing it tough, particularly after a string of natural disaster events which have caused significant damage to the road network which they continue to grapple with."

Mr Aldridge said it was disappointing regional Labor MPs not only support the fee increase, but also tried to prevent the debate on the disallowance before July 1, when the increase was due to take effect.

ENDS.

RUNDLE WELCOMES NEW FOOD ALLERGY RESOURCE FOR YOUNG PEOPLE

Peter Rundle MLA, Member for Roe, welcomed the Federal Government 250k initiative – a website specifically designed to help resource the 250 000 young Australian's living with severe allergies.

Federal Assistant Minister for Health, Dr David Gillespie, launched the www.250k.com.au website yesterday, which was funded under the National Allergy Strategy.

Mr Rundle said that living with severe allergies can be challenging, and research showed that many young Australian's felt embarrassed discussing their allergies with their peers.

"Managing severe food allergies isn't as easy as watching what you eat," Mr Rundle said.

"Going out for dinner with friends, attending parties, going on school camps, travelling, even dating all present challenges for young adults managing their allergies."

The website allows users to develop their own avatar to communicate with other teenagers and young adults living with severe allergies, sharing tips and real life experiences.

The website also details practical information for young people on how to manage their severe allergy, including recognizing signs and symptoms, using an EpiPen, eating out, drinking responsibly with an allergy, tips of traveling, dating with an allergy and how to manage parents.

"Parents obviously worry about their children, and the website provides some tips on teens can work with their parents to manage any anxiety surrounding their allergies," Mr Rundle said.

www.250k.com.au was developed as part of the National Allergy Strategy, which works to improve the health and quality of life of Australians living with allergic disease.

Visit www.250k.com.au or www.nationalallergystrategy.com.au for more information.

The Biggest Morning Tea for Cancer

Australia's
**BIGGEST
MORNING
TEA**

A huge 'Thank You' goes out to the community of Tambellup for supporting The Biggest Morning Tea for Cancer. A total of \$1453 was raised on Tuesday 23rd May 2017 and forwarded to the Cancer Council of W.A.

A delicious morning tea was provided by the Kindy, Pre Primary and Year 1 children who cooked a magnificent range of sweet and savoury treats. Special thanks must also go to the school staff who also provided morning tea treats.

We would like to thank Rebecca Webster, Evelyn Brown, Erryn Beacham, Jo Hull, Amanda Bradshaw, Alex Power, Kylie Lockyer and Connie Witham for helping with the cooking. It could not have been done without your support.

After morning tea, parents and community members joined the students for an assembly where they were entertained by the School Choir, the Kindy, Pre Primary and Year 1 children and some of the Year 5 /6 children who will be performing at the annual Speech and Drama festival.

Special thanks must go to:

- staff and community members who donated prizes towards the raffle.
- staff, parents and students who helped with the organisation, heating of food, setting out of tables and chairs and packing away after the event.
- to the parents and community members who came along and supported the event.

We hope to have your continued support next year when we once again hold The Biggest Morning Tea.

Home fire safety

Fire safety in your home this winter

Factsheet

01

Fire safety in your home this winter

Every year more than 1,000 fires occur in the home causing millions of dollars damage and costing people their lives. Most deaths occur from smoke and toxic fumes. Sadly, most household fires are accidental and preventable.

Winter sees an increase in fires in the home, often due to an increased need for heating appliances. It is important to be vigilant around your home, particular throughout the winter months.

When heating your home

- Always make sure all items are at least a metre from the heater
- Never leave heaters on in bedrooms, especially children's
- Heaters should be checked once a year to make sure they are in working order, worn out electrical cords and plugs should be replaced immediately
- Check your heater, fireplace brickwork, chimney and flue before lighting the first fire of the year to make sure it is clean

Fire Safety in the kitchen

- Never leave cooking unattended
- Switch off all kitchen appliances after use
- Avoid wearing loose clothing with big sleeves when cooking as they can catch fire
- Never hang items such as tea towels near stoves or on cooking appliances

Home Fire Escape Plan

- ☐ Know two ways out of every room
- ☐ Decide where your safe meeting place is (outside your home)
- ☐ Keep keys in deadlocks to escape quickly in the event of a fire
- ☐ Provide alternatives for anyone with a disability
- ☐ Consider an escape plan for your pets
- ☐ Practise your plan with your family at least twice a year

Never throw water on burning fat or oil, it will explode and the fire will spread

If a fire does start in your home you need to be able to escape as quickly and safely as possible. Having working **Smoke Alarms** and a **Home Fire Escape Plan** will increase your chances of getting out of your house safely.

In the event of a fire

- ☐ Crawl low under smoke
- ☐ Assist or alert any people in danger, but only if it is safe to do so
- ☐ Go to your safe meeting place, such as your letter box
- ☐ Call **000** (triple zero)
- ☐ Wait for firefighters to arrive
- ☐ Do not re-enter a burning house under any circumstances

Saturday 17th June Afgri Gnowangerup Day - 2 person Ambrose

76 players on course.

Well, what can we say...this was a massive day at the Tambellup Golf Club!!

A total of 76 players headed out on course in the Afgri Gnowangerup 2 person Ambrose Day!

52 for 18 holes and 24 for 9 holes!

There were golfers and some "not-so-much" golfers, all out enjoying the day! Lots of fun was had, a couple of "golf is a stupid game" sighs were overheard, but everyone saw the competition out, a few just beating the setting sun as they returned to the clubhouse!

With many other community members joining us later, over 120 people enjoyed the warm atmosphere in the clubhouse for presentations and dinner.

Results for the day's play were as follows:

18 Hole Winners

Jeremy Groves & Glenn Norris - 59 and a half

18 Hole Runners Up

Paul Cunningham & Ian Cunningham - 62 and a quarter

Worthy mentions to:

No. 14 - Bendigo Bank - Ryan Flugge

No. 16 - Best 3rd Shot - Glenn Norris

No. 18 -Longest Drive Non-golfer -Ian Cunningham

Celebrations of a day well spent carried on late into the evening.

Safe to say any cobwebs in the old clubhouse have been removed!

A special thank you to Matt Chambers and the Afgri Gnowangerup team for their generous sponsorship for the day. We really value your support of our club, and for helping make the day such a successful event.

To all of the members and volunteers who put in the hard yards to get the day underway and sailing smoothly all day and evening, thank you! These events don't just happen, a lot of hard work goes on behind the scenes, and it is greatly appreciated. Think we can safely say it was very much worth it, a job exceptionally well done!

To everyone who came along, whether to golf, or just enjoy an evening out, thank you from all at the TGC. We hope you enjoyed the day, and that you will all return next year!

Saturday 24th June Club Day - Stroke

26 players on course.

Sandalwood Villas, Tambellup

Independent Living Seniors Accommodation

Located in Taylor Street, Tambellup, Sandalwood Villas offers contemporary accommodation for people aged 55 and over; entry is via remote controlled, electronic gates. Each of the six villas has two bedrooms plus an office/study/craft room and an open kitchen/dining/lounge area with reverse cycle air conditioning. Two villas have a fully accessible bathroom and the remaining four have an ensuite to the main bedroom (with an additional access door) and a second, separate toilet and hand basin. Construction is of brick/fibro cladding and tin and a communal gazebo and garden is centrally located behind the entrance area.

Rental is now \$180 per week for couples and \$160 per week for single people; consideration will be given to allowing tenants a small, quiet pet on a case by case basis and within twelve month lease terms (an extra \$10 per week is applicable for people with a pet).

The Shire of Broomehill-Tambellup currently has vacancies at Sandalwood Villas; if you would like further information or to view the villas, please contact Judy at our Tambellup office - 46-48 Norrish Street, Tambellup; telephone 0898 253555; or email mcs@shirebt.wa.gov.au
