Brant: 0409 086 093

RSVP attendance and nominations by 18th June

## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

**The next meeting of Council will be held on Thursday 15th June 2017 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

### FROM THE COUNCIL MEETING

Council endorsed the appointment of the following people as Fire Control Officers and Fire Weather Officers for the 2017/2018 fire season:

#### Fire Control Officers:

Broomehill East	Luke Simpson
Broomehill West	Warrick McMahon
Broomehill Central	Neil Tears
Tambellup East	Andrew Leonhardt
Tambellup West	Jarrold Thorn
Tambellup VFES	Laurie Hull
Community Emergency Services Manager	Cindy Pearce

<u>Fire Weather Officers:</u>	Ben Hewson
	Ian Cunningham
	Wayne Newbey

These appointments are made on an annual basis by the individual brigades, which are then endorsed by the Bush Fire Advisory Committee for recommendation to Council. We thank these people for their commitment to ensuring the safety of their community.

Council endorsed the 2017/2018 Firebreak Order and Information booklet. This booklet contains important information relating to fire prevention which applies to all residents, whether you are in town or on a farm. The booklet will be distributed to all households by mail in July. A copy of the booklet will also be available on the Shire's website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) under *Our Shire/Publications and Archives*.

With work on the new Pavilion progressing, and with the intent to hand over the management of the facilities to a community committee, Council considered and endorsed a draft of the lease document that will be negotiated with the new Association.

Council considered a request from the Tambellup Cake Decorating group to waive the hire fee of the Tambellup Lesser Hall for their 'Fantasy Flowers' display to be held later in the year. The group encourages a gold coin donation from those visiting the display, and all funds received are donated to the Cancer Council's Crawford Lodge (accommodation in the city for country patients requiring cancer treatment). Rather than waive the hire fee, Council determined to make a donation of \$150 (equivalent to the hire fee) to the Cake Decorating group.

As part of the lead up to the new financial year, Council reviewed its Functional Road Hierarchy. The Functional Road Hierarchy is a tool that assists Councillors and Shire staff when –

- determining the minimum maintenance required for each category of road;
- identifying upgrade and capital work requirements;
- prioritising projects for annual budgets.

The document reflects the priorities of Main Roads 'Roads 2030' strategy and their Functional Road Hierarchy for the State, as well as local access roads. An annual review is undertaken to ensure that the priority assigned to each road is still relevant, and to make any amendments to the hierarchy that have become apparent since the last review. The document was updated to include latest traffic counts and current RAV Network categories.

### THUMBS UP

To our local community groups which, through hosting of social events, demonstrate the appeal and benefits of living in a small community.

The Tambellup CRC has had a busy month during May, hosting a Mother's Day morning tea on Friday 12<sup>th</sup> May, staging the inaugural Farmers Market on Saturday 13<sup>th</sup> May and then coordinating the first of this year's 'Soup and Sweets' lunches for senior residents on Thursday 18<sup>th</sup> May. All events were well attended and we congratulate the CRC on their initiative in developing events that bring people together in a relaxed, informal environment.

The Cancer Council's 'Australia's Biggest Morning Tea' event was supported in our towns again, through a combined morning tea and market day at the Broomehill Playgroup, and morning tea prepared by junior students at the Tambellup Primary School. Unfortunately cancer is one illness that has touched most of us, and these events provide an opportunity to raise funds towards ongoing research as well as bring the community together. Well done to the Broomehill Playgroup and Tambellup Primary School!

COUNCIL ELECTIONS  
21st OCTOBER 2017

## WORKS

Sealing works scheduled for early May on Warrenup Rd and Gnowangerup-Tambellup Rd were postponed due to problems with the road surfaces. These works will be rescheduled for later in the year when conditions are suitable.

Most of the works crew has been on site at construction jobs during May, including the maintenance graders, which has limited the amount of maintenance grading completed. The Jetpatcher has been carrying out bitumen repairs across the Shire's sealed road network.

Contractors continue working to repair damage from the 2016 flood event. During May, all drainage issues were completed, with gravel repairs expected to be completed during June. This will finalise the 2016 WANDRRA event.

Staff have commenced the preparation of tender documentation for the February 2017 flooding event, which has been declared eligible for funding assistance through WANDRRA. In this shire, the cost to repair damage has been estimated at \$3.5 million. Recent changes to WANDRRA guidelines provide a temporary exemption that will allow local governments to utilise their own equipment to complete reinstatement work. This will be factored in to the 2017/2018 works program.

In town, all dams have maintained high water levels leading into winter. The Water Corporation is still providing treated water for use on the Tambellup oval, and it is expected that this will continue through til early June. An application for funding has been submitted to the Department of Water for assistance to upgrade the pipeline from the CBH dam to the Complex dam in Broomehill. This will allow the solar pumps on the CBH and Bignell dams to work at the same time, increasing the amount of water able to be transferred to the Complex dam.

Parks and gardens staff have been keeping up with mowing and weeding, and will shortly be commencing townsite weed spraying.

The installation of pram ramps at various points in the town centres will commence shortly, as part of the townscaping program. In Broomehill, these will be located at the India St/Journal St intersection, adjacent to the Henry Jones building and the Broomehill Post Office, and also at the front of the Broomehill Shire office. In Tambellup, ramps will be located on Norrish St at Henry St, Crowden St and outside the Tambellup Health Centre, and on Crowden St at the Taylor St intersection. These works have been funded by Royalties for Regions through the Southern Inland Health Initiative and will contribute to improving access to community services and facilities for people with impaired mobility.

## WASTE TRANSFER STATION – PRE PAID TIP CARDS

Residents are reminded that the orange 2016/2017 Waste Transfer Station passes expire on 31 July 2017, and will not be accepted after that date. New passes valid for 2017/2018 will be distributed with rates notices for those residents who do not receive the kerbside rubbish and recycling collections, and prepaid passes will be available to purchase at the Shire Administration offices after 1 July 2017. For more information please contact the Shire.

The purpose of a Waste Transfer Station is to minimise the amount of waste going to landfill, and maximise opportunities for recycling. By sorting your load before you go to the Tip, and making sure your recyclables are clean and uncontaminated, you will be doing your bit to help our environment.

## PENSIONER RATES REBATES

All pensioners are reminded that in order to claim the Pensioner Rebate in 2016/2017 the amount due on your rate notice needs to be paid (in full) before 30 June, 2017. If you think you may be eligible for a rebate and require further information, please contact Kim at the Shire. If you haven't registered as a pensioner please do so as soon as possible. We will require a copy of your pension card.

## CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

For all methods, please include your name and contact details so we are able to respond to you.

## COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

Keith Williams

**CHIEF EXECUTIVE OFFICER**

### TAMBELLUP SPORTS PAVILION UPGRADE

The months of April and May have seen much activity on site. Installation of all wall and ceiling linings has been completed, verandah roof lining, downpipes and door frames were installed, and internal and external doors hung. Painters started work with a first coat on external steel, and have also commenced inside the building. We hope to see some colour on the outside in coming weeks. The installation of rock pitching to the western side of the bowling green was completed and paving in various areas has commenced. The concreting of verandahs, paths and ramps was also completed.

There is still much to be achieved through June. Aside from the external painting and the completion of the bowling green, it will be full steam ahead inside, with painting, tiling, plumbing and fitting out of changerooms and toilets, the kitchen, bar, office and kids room to be completed, as well as floor coverings and window treatments throughout. We are aware works are running a few weeks behind the program, but hope the completion is not delayed too much.

The Shire, in conjunction with the Tambellup Community Pavilion Association, will be coordinating a community planting day following handover of the site, where members of the community are encouraged to come along and help with the landscaping. More information will be provided closer to the time.

Local Government Elections

21<sup>st</sup> October 2017

### Local Government Elections

for the Shire of Broomehill-Tambellup will be held on  
**Saturday 21<sup>st</sup> October 2017** to fill the following vacancies:

### **4 Councillor positions each for a 4 year term**

Are you passionate about your community, and about working with people to make a difference? Do you want to learn more about why (and how) decisions affecting your community are made? Why not stand for Council?

Council elections will be held on Saturday 21<sup>st</sup> October 2017, with four positions becoming available.

The call for nominations for these positions will be advertised closer to the time, however if you have ever considered serving your community through this avenue, and would like to find out more about the role, you are encouraged to contact any of the serving Councillors, or alternatively, the Chief Executive Officer, who can provide more information.

Concreting of verandahs

Tennis court side, pre concreting

'Wet' area of changeroom 1

Rock pitching to western side of bowling green

Bowling Green shed

The main hall (minus acoustic timber ceiling lining)

The main hall from the kitchen servery

For orders/further info please see a Broomehill Playgroup member, or email  
Broomehill Playgroup on: [birkby@bigpond.com](mailto:birkby@bigpond.com)

## Broomehill Playgroup hosts big morning tea for cancer

The Broomehill Playgroup building was packed out on Thursday for the annual Biggest Morning Tea, a national Cancer Council fundraising initiative that the Broomehill Playgroup has been on board with for more than a decade.

Morning tea connoisseurs came from far and wide to enjoy a catch up with friends, peruse beautiful regional pop up shop favourites and importantly raise money for cancer research in the stunning May sunshine.

Over \$550 was generously donated by the attendees, and much of this came from the famous playgroup raffle; all the pop up shop owners generously donated an item from their selection of wares to be raffled to raise money for cancer council, and a big thanks must go out to all the pop up shop owners - Rhonda Carnegie's Phoenix Trading, Sally C Australia, Kojonup's Gallery Aura, Farmers Wife Handpicked Hampers and Drip Designs from Cranbrook, Katanning's Designs by Emma, the lovely Karens from Society Chutney, and to Carmen from Little Nomadic Trader.

Playgroup president Jenna Green was ecstatic with the morning's result.

"We are lucky to have such a great group of playgroup mums who all pitch in and with their amazing efforts with cooking, set up and cleaning up after it makes for a fantastic day – especially in the middle of seeding", she said.

"Everyone who came loved our little event and it seems to be definitely getting a name for itself around the great southern.

"I had so many lovely comments from people about the food and what a great event we put on.

Whoever came up with the idea in the first place sure is onto a winner and it's for such a great cause", she concluded.

ALL PICS BY TRENA DENNIS (Except the one she's in!)

Top L-R - Linda Hewson, playgroup president Jenna Green and Melanie Dennis.

Pop up shop owners Sally Pell from Torbay and Emma Hobley, Katanning, Kylie Lockyer, Tambellup with Sunny Blake and baby Josephine, of Broomehill.

Middle L-R—One of the lucky raffle winners Trena Dennis, Broomehill with Playgroup's Jenna Green.

Lyn Kowald with baby Bridie, and Elaine Hewson and grandson Fergus enjoying the May sunshine.

Lisa Thompson with Diana Oprea and her baby niece Lucia.

Bottom L—Katherine Anderson and baby Bridie, and Bronwyn Justins enjoying the morning.

### Expression of Interest

The Hidden Treasures of the Great Southern committee (HTGS) is calling for Expressions of Interest (EOI) for involvement in the 2017 Bloom Festival. The 2017 Bloom Festival will run from Friday **15 September** to Sunday **15 October**, with the launch event being scheduled on Saturday 16/09/2017.

The festival is an opportunity for communities in the Hidden Treasures region to offer new or existing events. The HTGS committee and Bloom Festival Coordinator will provide overall festival coordination, run a joint advertising and marketing program and produce 10,000 festival programs that will be distributed statewide with no cost to you.

We support and encourage communities to develop complimentary Bloom Festival events such as wildflower tours, open gardens, self-guided nature trails, botanical art classes, guest speakers and other similar events with a spring/bloom theme. Businesses can participate by offering a “Bloom” themed event/ activity. If you would like support developing the theme for your event, please contact the Bloom Festival Coordinator, Katy Shekell on 0422 118 839 or via [bloom@hiddentreasures.com.au](mailto:bloom@hiddentreasures.com.au).

**Individuals and groups in Broomehill and Tambellup are encouraged to consider any options for events in our communities. The promotion that these events are given through the Bloom Festival program is extensive, and it is a very popular time of the year with visitors to the region on the wildflower trail. If you have an idea for an event and would like to discuss it, please don't hesitate to contact Emily Hardie on 9824 1239 or Pam Hull at the Shire on 9825 3555.**

**Expression of Interest forms and more information can be obtained from the Shire. EOIs must be submitted to HTGS by 4.00pm 28<sup>th</sup> June 2017.**

## *Sandalwood Villas, Tambellup*

*Independent Living Seniors Accommodation*

Located in Taylor Street, Tambellup, Sandalwood Villas offers contemporary accommodation for people aged 55 and over; entry is via remote controlled, electronic gates. Each of the six villas has two bedrooms plus an office/study/craft room and an open kitchen/dining/lounge area with reverse cycle air conditioning. Two villas have a fully accessible bathroom and the remaining four have an ensuite to the main bedroom (with an additional access door) and a second, separate toilet and hand basin. Construction is of brick/fibro cladding and tin and a communal gazebo and garden is centrally located behind the entrance area.

Rental is now \$180 per week for couples and \$160 per week for single people; consideration will be given to allowing tenants a small, quiet pet on a case by case basis and within twelve month lease terms (an extra \$10 per week is applicable for people with a pet).

The Shire of Broomehill-Tambellup currently has vacancies at Sandalwood Villas; if you would like further information or to view the villas, please contact Judy at our Tambellup office - 46-48 Norrish Street, Tambellup; telephone 0898 253555; or email [mcs@shirebt.wa.gov.au](mailto:mcs@shirebt.wa.gov.au)

DID YOU KNOW...

**Children don't need more things!**

The best toys a child can have is a parent who gets down on the floor and plays with them.

## Have you CLEANED YOUR FLUE??

Ash, soot and combustion residue can build up on the inside of a chimney flue and if not physically removed regularly can ignite causing a fire. In most cases you will see flames shooting out of the top of the chimney.

Volunteer Firefighters attend many of these types of fires during winter and most can be prevented by chimneys or flues being regularly cleaned.

We recommend that you check the heater, fireplace brickwork, chimney and flue before lighting the first fire of the year to make sure it is clean. This should be done for all metal flues and standard brick chimneys.

Additives can be purchased from your local hardware store to put in the fire while it is burning to help reduce residue build up in the chimney or flue.

If your fireplace chimney is brick, check that the surrounding fireplace brickwork has not cracked as this may identify a problem.

Flues going into the ceiling and roof space should have double or triple skins to stop radiant heat igniting roof timbers or cellulose type insulation.

Many fires are caused by the incorrect installation of wood heaters by the home handy man or unqualified operators. It is recommended that all wood heaters being installed and maintained should be done by a reputable business or tradesperson.

**If your flue or chimney catches fire call Triple Zero (000)**

Cindy Pearce – Community Emergency Services Manager

STORMS
FACTSHEET

# Preparing for storms

01

---

### PREPARING FOR STORMS

Dangerous storms are the most common natural hazard in Australia and on average, cause more damage and destruction than cyclones, earthquakes, floods and bushfires.

**Most storm damage to homes occurs from:**

- Loose and broken roof materials.
- Fallen trees and branches.
- Flooding from blocked gutters and downpipes.

**State Emergency Service (SES)**

DFES State Emergency Service (SES) volunteers help the community of Western Australia during storms and other natural hazards and emergencies. SES volunteers assist by:

- Making emergency temporary repairs to homes and businesses. It is your responsibility to organise permanent repairs and contact your insurance company.
- Clearing fallen trees.
- Rescuing trapped or injured people.
- Sandbagging areas in danger of flooding.
- Assisting in relocating people.

During a severe storm, there may be hundreds of calls for emergency assistance. Each call is prioritised so please be patient – SES volunteers will attend as soon as possible.

**Did you know...**

- Each year from May to October, storms, including, tornados, thunder, lightning, hail, flash flooding and gale force winds cause major destruction to the southern half of the State from Kalbarri to Israelite Bay.
- As storms are unpredictable, felt locally and happen in smaller areas their devastating impact is often underestimated.

**DFES has these tips to help you and your family stay safe:**

- Trim branches around the home or business to prevent them falling on roofs or cars.
- Hire a contractor to clear trees from power lines.
- Clear gutters and downpipes of leaves and blockages.
- Check the roof for cracked ridge capping, loose tiles or loose nails.
- Store or weigh down loose objects like outdoor furniture, playground equipment, trampolines and sheds.
- Clear rubbish from around the yard, balcony or patio.
- Prepare an emergency kit with a portable battery operated radio, torch, spare batteries and a first aid kit.

**STAY SAFE and be prepared this Storm Season.**

**If you need help**

- For life threatening emergencies call **000**
- If your home has been badly damaged, call the SES on **132 800**.

## **BROOMEHILL HISTORICAL NOTES**

- *Daily News Saturday 5 September 1885*

### RAILWAY PROPOSALS

...Two of the proposals with which the committee are now dealing refer to the laying down of a railway from Bunbury to Etipup which would pass through a country practically unoccupied throughout, though capable of extensive settlement were only means of transit across it afforded; and in this condition has remained ever since the first settlement of the Colony.

- *Daily News Saturday 5 September 1885*

### RAILWAY DEVELOPMENT

...The Syndicate, in formulating their proposals, which with respect to compensation, as previously mentioned, have adopted the same lines as those followed by other *concessionaires* on the land-grant system, suggest that the line of route should follow as straight a line as practicable to Boyanup (on the Preston River), thence along the right bank of that stream for a distance of about 15 miles, then on to the Blackwood River to Kojonup, and the terminus at Etipup – the distance being about 100 miles. To the people of Bunbury itself there is one feature of special importance on sanitary grounds in the Syndicate's proposals. It is the reclamation of the marshy land on the foreshore of the Estuary, some 15 acres in extent, and for which purpose it is proposed to remove a portion of the sand dunes near the lighthouse. The scheme, as a whole, has much to commend itself to the favourable consideration of the Legislature; and we hope that the committee, in their report, will reflect the highly satisfactory approval with which the scheme has been received both by the Government and everybody outside the House.

- *West Australian Saturday 26 September 1885*

### APPLICATION FOR A ROADSIDE HOUSE LICENSE

To the Worshipful the Justice of the Peace acting in and for the District of Williams in Western Australia

I, PATRICK GARRITY, MARRIED, NOW RESIDEING NEAR Etipup, do hereby give notice that it is my intention to apply for at the next licensing meeting, to be holden for this district, for a ROADSIDE HOUSE LICENSE, for the sale of fermented and spirituous liquors in the house and appurtenances thereunto belonging to me, situated at Etipup, on the road from Kojonup to the Salt River, now in the course of erection, and containing three bedrooms and two sitting rooms, exclusive of those occupied by my family, and which I intend to keep as an Inn or public house, for the accommodation of travellers. I have never held a license before.

Given under my hand this 8<sup>th</sup> day of September 1885.

PATRICK GARRITY

- *West Australian Saturday 28 November 1885*

WANTED – A FEMAL TEACHER for a Provisional Government School at Etipup, near Kojonup.

Probable Income, first year, £45 to £50, second year, fixed Salary, with Result £60.

A person able to give lessons in elementary Music, out of school hours, would receive board in return therefore, in a respectable family.

JOSEPH WITHERS Chairman D.B.E. Williams 18<sup>th</sup> Nov 1885

- *West Australian Saturday 28 November 1885*

### NEWS AND NOTES

From Etipup, under date November 13<sup>th</sup> a correspondent writes – Shearing is finished by this time and the clip has been a fairly fair one, though on some stations the sheep are rather poor considering the amount of feed there is. This shearing has been an exceptionally long one owing to wet weather which stopped operations sometimes for two or three days at a time. The rain, however, has done much good to the grass and crops. The feed is better this year than it has been for a long time past and one would think that stock of every description should be fat. Harvesting will soon commence; haymaking has already started and the barley crop is turning fast. I believe there will be a very fair yield of barley but the hay and wheat crops far below expectations, and will not be as good as they were last season. - I hear that Mr Patrick Garrity of this place is about to apply for a wayside house license. This, if obtained, will be a great convenience to travellers who now either have to depend upon the hospitality of settlers or else to camp out. Some objections are, however, raised on the ground that without Police protection in the immediate neighbourhood the sale of drink may cause trouble amongst the men. - I am glad to note that Mr Dearle has been more punctual with the mails lately. On his last trip his trap broke down about two miles from Mr Van Zuilecom's and he was obliged to bring on the mails and parcels with a pack horse. – I hear we are not to have a teacher for our school until the new year. There is a subscription list under way to purchase a harmonium for the new church. It is to be hoped success will attend this effort. – The weather has been very hot and sultry during the past few days and there is every appearance of an approaching thunderstorm.

- *West Australian Saturday 16 January 1886*

### NEWS AND NOTES

From Etipup a correspondent writes – Sheep hunting is very common this year, or last year, I should say. The shepherds are losing sheep every week, and a man no sooner finds one lot than he has to go and look for another. – I hear our new teacher for the school is a Miss Toll from Albany. I do not know the young lady in question, but it is to be hoped she is a good teacher. – The subscription list which was underway for the purchase of a harmonium for the church is, I believe, filled up, and I am glad to see everyone come forward and subscribe so liberally towards anything of this kind. – Bush fires still rage in every direction, and are doing much harm. On Sunday last about midday a fire sprang up within ten chains of Mr T Norrish's; the wind blowing up from the westward carried it in the direction of Martinup. Though all hands were there, there were great difficulty in keeping it out of a small paddock of Mr Norrish's. After a few hours hard work it was driven off from here without doing much damage. The fire is supposed to have started from some natives huts a short distance off. – Harvesting operations are in full swing.

## Cranbrook Motocross John Young Coaching clinic

Cranbrook Districts Motorcycle Club held a John Young coaching clinic on Saturday 29<sup>th</sup> April 2017 to prepare riders for the 2017 motocross season. It was exciting to see the ten participants tackle the challenging sections of the Sukey Hill track. The off camber corner proved a challenge for the older riders whilst the youngsters practiced their cornering and bike rider position. The club was encouraged to see six wee junior participants – our up and coming talent, who one day may represent the club at interclub and state level.

Motorcycling WA require competitive junior riders (Aged 7 year - 16 years) to show that they are competent **in the sport prior to racing. Junior Riders refer to this as "Kick Start" training. It consists of a theory test, practical test and attendance at a 5 hour annual coaching clinic by a Motorcycling Australia approved coach.**

Cranbrook DMCC appreciates the enthusiasm and time, coach John Young who hails from Kojonup, puts into his clinics to teach the next generation of riders.

Interested in joining? Check out the Sukey Hill track. See our website; [www.cranbrookmx.com](http://www.cranbrookmx.com) or facebook; Cranbrook Motocross. CDMC welcomes all motocross riding abilities and ages for practice or scheduled Club Days. Our upcoming events are Club Day Sunday 25<sup>th</sup> June 2017. Rider sign in from 7:30am, riding starts 9am. Canteen available and spectators are most welcome.
