Presented by the Tambellup Uniting Church

SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 16th February 2017 commencing at 2.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

At the December Council meeting, Council discussed the low rate of tenancies at the Sandalwood Villas. Currently four units are available for rent. Possible reasons for the low tenancy rate were discussed, and the following measures will be implemented in an effort to attract tenants:

- Consideration will be given to allowing tenants a small quiet pet, on a case by case basis and within twelve month lease terms;
- Rent charges will be set at \$180 per week for couples, \$160 per week for single people, and an extra \$10 per week per unit for tenants with a pet;
- The age eligibility criteria will be retained as is (currently tenants must be 55+ years).

Council will undertake a local advertising program to attract new tenants and will advertise outside the local area, on a regular basis, when one or more units are vacant.

If you would like more information please contact Judy Stewart at the Shire on 9825 3555.

Council endorsed the recommendations of the Tambellup Sports Pavilion Advisory Committee in selecting internal and external colour schemes and surface treatments for the Tambellup Sports Pavilion.

Council endorsed the Broomehill Primary School Bushfire Plan 2016-2017 following recommendation by the Local Emergency Management Committee.

Council considered quotes and specifications received for the replacement of the Caterpillar vibre roller. Council accepted the quote submitted by Caterpillar for a similar machine, with the changeover being within budget.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

For all methods, please include your name and contact details so we are able to respond to you.

WORKS

Soil testing of the Broomehill and Tambellup ovals was completed during December, and a fertiliser blend has been devised to be applied over the summer period. Coring of the Broomehill oval will be completed at the end of February, and a program to spray out red clover on the Tambellup oval will be implemented.

Western Power has inspected trees under power lines in both towns, with a number at the Broomehill Complex requiring lopping, and some large eucalypts on Saggars St requiring removal. Lopping has been completed as required, and the removal of the Saggars St trees will be completed by contractors in due course.

Nardlah Rd was the focus of much activity during December with sealing of almost the entire length of the road completed. Unfortunately the weather turned cool so a 400m section near the intersection of Tieline Rd could not be completed, however this will be done when the bitumen contractors are next in the area. The intersection of Nardlah Rd and Broomehill-Gnowangerup Rd is also yet to be completed. Broomehill-Gnowangerup Rd is controlled by Main Roads, and as such, the design of the intersection requires Main roads approval.

Following the completion of Nardlah Rd works, the construction crew moved to Pallinup Rd and Beejenup Rd to carry out gravel repairs, then on to Pallinup South Rd to prepare the road for sealing in February.

During December, the maintenance graders were working northward along the eastern side of the shire. The operators have achieved a full shire grade in six months. Roads graded during December and January included: Pallinup Rd, Eureka Rd, Peringillup East Rd, Jam Creek Rd, Gillespie Rd, Martinup Rd, Beejenup Rd, Wray Rd, Green Rd, Mattiske Rd, Collins Rd, Mindora Rd, Pallinup South Rd, Hankinson Rd, Hodgson Rd, Saggars St and Cremasco Rd.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

AUSTRALIA DAY

Broomehill and Tambellup communities celebrated Australia Day in fine form this year, with a traditional cooked breakfast in Broomehill and bowls and a BBQ in Tambellup. Both events were well attended, with plenty of flag waving and national pride evident! Well done and thank you to the organisers of our local events.

In Broomehill, those attending were able to witness a special event for Sammy and Rachel Oclarit and their family, who were conferred with Australian Citizenship on Australia Day. Congratulations to the Oclarit family!

STRONGER COMMUNITIES PROGRAM

During 2016 Council was successful in its application to the Federally funded Stronger Communities Program, for funding to assist with the construction of a solid roofed shelter over the Holland Park playground. The formalities have now been completed, and work will commence in coming months to install the kit form shelter which is being manufactured in Albany to Shire requirements.

Council appreciates the support of local member Rick Wilson MP which resulted in the allocation of grant funding of \$15,000 towards the project.

CBH FUNDING

Thanks to funding support received from the CBH Group through its 'Grass Roots Funding' program, Council was able to purchase a new solar transfer pump which has been installed at a dam adjacent to the CBH expansion site and connected into pipework to transfer water to the Recreational Complex dam.

The purchase and installation of the new pump complements the works which Council has undertaken in recent times, to increase the harvesting and storage of storm water for use on the town oval.

Council sincerely appreciates the support received from the CBH Group that enabled this component of the water projects to be completed.

PROHIBITED AND RESTRICTED BURNING PERIOD

All residents of the Broomehill-Tambellup Shire are reminded that the **PROHIBITED** burning period commenced on **1 NOVEMBER 2016** and continues through until **14 FEBRUARY 2017** inclusive. The lighting of fires during this period is prohibited.

The **RESTRICTED BURNING PERIOD** commences on **15 FEBRUARY 2017** and continues through until **15 APRIL 2017**. During this period you are required to obtain a permit prior to lighting any fires. Conditions noted on the permit must be strictly complied with. Permits can be obtained from your Brigade Fire Control Officer, or the Community Emergency Services Manager (CESM), Cindy Pearce. Please contact the Shire on 98253555 for more information.

Please note, the lighting of fires is **PROHIBITED** during the Easter period **14 -17 APRIL 2017**.

HARVEST BANS

Harvest is complete, but the risk of fire is still present, and all residents are reminded Council has a number of ways in which it communicates information relating to harvest and vehicle movement bans:

- **SMS to your mobile phone:** Is your mobile number registered with the Shire to receive this information? If not, or you need to update your information please contact Kim at the Shire on 9825 3555. (On a similar note - if you no longer wish to receive these notifications please contact Kim and your number will be removed from the list.) **Please be aware there are a number of mobile reception black spots in the Shire and this may result in delivery of messages being delayed. Do not rely on SMS as your only source of information.**
- **Radio broadcasts:** Every effort is made to ensure details of harvest and vehicle movement bans are provided to RadioWest and ABC radio for broadcast, however the timing of bans being implemented often means cut off times for broadcast can be missed. ABC radio (as the emergency broadcaster) has advised the following designated times for announcement of bans:
Weekdays - 10.05am, 12.35pm and 2.05pm **Weekends** - 12.35pm, 2.05pm.
- **Harvest Ban Hotline:** Phone **98251042** for updated information relating to the status of a harvest and vehicle movement ban. **This is the most reliable source of information from the Shire.**

Total Fire Bans and Harvest and Vehicle Movement Bans affect every resident of the Shire, whether you are in town or on a farm. The onus is on you as an individual to keep an eye on the weather conditions if you are using machinery or tools in your yard or the paddock. Stop work, step out of the machine at regular intervals, monitor weather forecasts, talk to your neighbours, and contact your brigade Fire Control Officer if you are concerned. Let's be safe this summer!

TAMBELLUP SPORTS PAVILION UPGRADE

The Tambellup Sports Pavilion Advisory Committee and Council members took the opportunity to undertake a site inspection at the Pavilion with architect Sam Brown from H&H early in December. All were impressed with the progress to date, and the scale of the building. As is often the case, the visual impact of a concrete building slab does not convey an accurate impression of the real size of any new building, and such was the case with the Pavilion.

With all exterior and interior framework erected, and roofing and wall insulation in place, the committee was able to get a real feel for the size of the facility, and the area of the bowling green.

Following the site inspection the committee met to select and recommend to Council the all-important interior and exterior colour schemes and surface treatments. This was a very positive meeting, and the selections made are contemporary and will ensure the building does not fade into the background - not that that will be possible anyway, with a 40m x 40m square of bright green bowling green adjacent to the building! Exterior colours are in keeping with the designs that are displayed at the Shire office.

Other work completed over December and January included the installation of blockwork for the terracing of the bank to the oval and ramp, installation of framework for the bar and ducting in the ceilings, and a myriad of other tasks not readily noticeable to the untrained eye. The contractors have been granted permission to install accommodation units on site, which will reduce the time and cost of travel to and from Albany and other locations, as well as maintaining a level of site security.

Council received advice that an application to the Department of Sport and Recreation for funding to assist with the development of the management plan for the new facilities had been approved. Council has engaged Kim Buttfield from Albany to assist with this process, and has invited all sporting groups which are based at the Pavilion to nominate members to participate. As it is Council's intention for the new facilities to be managed by the community, it is hoped the processes to be undertaken will provide an opportunity for discussion and development of a sound plan. This process will be complete by the time the building is complete, at which time a new Management Committee will be established through an Annual General Meeting. More information will be provided to residents as planning proceeds.

CBH GROUP

Sandalwood Villas, Tambellup

Independent Living Seniors Accommodation

Located in Taylor Street, Tambellup, Sandalwood Villas offers contemporary accommodation for people aged 55 and over; entry is via remote controlled, electronic gates. Each of the six villas has two bedrooms plus an office/study/craft room and an open kitchen/dining/lounge area with reverse cycle air conditioning. Two villas have a fully accessible bathroom and the remaining four have an ensuite to the main bedroom (with an additional access door) and a second, separate toilet and hand basin. Construction is of brick/fibro cladding and tin and a communal gazebo and garden is centrally located behind the entrance area.

Rental is now \$180 per week for couples and \$160 per week for single people; consideration will be given to allowing tenants a small, quiet pet on a case by case basis and within twelve month lease terms (an extra \$10 per week is applicable for people with a pet).

The Shire of Broomehill-Tambellup currently has vacancies at Sandalwood Villas; if you would like further information or to view the villas, please contact Judy at our Tambellup office - 46-48 Norrish Street, Tambellup; telephone 0898 253555; or email mcs@shirebt.wa.gov.au

Bushfire Warning Levels

During a bushfire, DFES under instruction from the Shire and the Department of Parks and Wildlife issue community alerts and warnings for bushfires that threaten lives and property. They are issued once firefighters have arrived at the scene and determine that there is a threat or potential threat to the community.

Understanding the Bushfire Warning System is extremely important in helping you and your family to stay alert and informed when a bushfire starts.

The Bushfire Warning System operates using four levels of warnings.

These levels change to reflect the increasing risk to your life or property and decreasing amount of time before the fire arrives.

Know the warnings and stay alert when a bushfire starts. Do not wait and see what happens, this could be deadly.

For more information about Bushfire Warnings:

- read the [Bushfire Warnings: What should you do?](#) information sheet
- visit www.dfes.wa.gov.au

- ✓ Regional Bulk Loans of large print books - titles change every four months
- ✓ Internet - on fast wireless connection @ \$2 per ½ hr, \$3 per ½ hr and \$5 per hour

Develop and Practice your Bushfire Survival Plan Now.

If you live in or near bush, fire is a real risk to you and your family.

Preparing yourself, your family and your home is your responsibility.

A Bushfire Survival Plan will help you take action and avoid making last minute decisions that could prove deadly during a bushfire.

Develop a Plan

- When developing your plan, decide if you will leave for a safer place, which may be to relocate to family or friends, or stay to actively defend your home
- If you live alone you may like to form a plan with a neighbour
- Make sure you put your plan in writing, give everybody their own tasks and have a list of actions to take if there is a bushfire
- Keep it in an easy to find place and make sure everyone knows where it is

Practice your plan

- Once you have developed your plan, practice it with your family or neighbours
- Review it every year

To learn more about how to develop a Bushfire Survival Plan: Visit the DFES website publications page at www.dfes.wa.gov.au for a range of checklists and templates to help you complete your Bushfire Survival Plan. Read the [Prepare Act Survive Guide](#) and [Bushfire Survival Plan Factsheet](#)

Dear resident,

As of 11 March next year, I have decided to hang up the boots. It has been a privilege to represent you for the last 16 years, however it is now time for me to move on.

Peter Rundle will take the baton from me and will contest the new electorate of Roe at the 2017 State election. You couldn't ask for a better future Member of Parliament.

Peter is hard-working, intelligent and genuine, but also knows when to fight and stick up for his constituents. As a farmer and businessman from Katanning, Peter understands farming and small business and will ensure the people of Roe get a fair go.

I hope Peter can count on your support and I look forward to helping him get elected on the 11th of March. In the meantime, please give him a call if you have any issues or want to get to know him better.

Thank you for your strong support over the last 16 years.

Terry Waldron MLA

Member for Wagin
