## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

**The next meeting of Council will be held on Thursday 18th August 2016 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

### **2016-2017 BUDGET OVERVIEW**

The 2016-2017 Budget was adopted by Council at a Special Meeting held on 14 July. The 2016-2017 Budget includes an increase in both Rural UV rates and townsite GRV rates of 5%, with minimum rates increasing to \$435.00 per assessment. Highlights of the budget include:

#### **ROADS**

Expenditure of \$2,423,100 has been allocated to various road construction projects for the year. Council will be assisted in meeting the costs of the projects with funds from the Regional Road Group, Commodity Routes and Roads to Recovery programs.

Council has been fortunate to receive a large amount of funding from the Regional Road Group for construction projects in 2016/17, and additional funding from the Roads to Recovery pool results in a significantly larger program scheduled for the coming year.

The following projects are planned for 2016/17 –

#### **REGIONAL ROAD GROUP**

##### **(funded 2/3 State and 1/3 Roads to Recovery)**

- Gnowangerup-Tambellup Road – reseal 2.19kms;
- Pallinup South Road – construct and seal 3.00kms;
- Warrenup Road – construct and seal 2.15kms.

##### **(funded 2/3 State and 1/3 Council)**

- Punchmirup South Road – stabilise patches and seal 6.32kms;
- Broomehill-Kojonup Road – stabilise patches and surface correction 1.90kms;

#### **ROADS TO RECOVERY (fully Federal funded)**

- Carry over widening & resheeting on Punchmirup North Road – 4.00kms
- Tieline North Road – widen and resheet 5.02kms;
- Flat Rocks Road – reseal 7.10kms.

#### **COMMODITY ROUTES (funded 2/3 State and 1/3 Shire)**

- Carry over gravel sheeting on Beejenup Road – 4.00kms
- Beejenup Road – vegetation widening and gravel sheet 6.82kms;
- Nardlah Road – construct and seal 5.40kms.

#### **ROYALTIES FOR REGIONS – COUNTRY LOCAL GOVERNMENT FUND**

Council received its 2012/13 allocation from the Country Local Government Fund of \$374,889 during 2014/2015.

Projects completed during 2014/2015 utilising these funds included the installation of a photovoltaic system at the Broomehill Administration office, and renovations to the understage area at the Broomehill Hall.

The balance of these funds has been carried forward to complete the following works in 2016/17 –

- Tambellup Hall - Building Improvements

\$50,000 has been allocated to upgrade the ablutions and replace section of the roof.

- Tambellup Pavilion - Redevelopment

\$194,889 will be utilised towards redevelopment of the Tambellup Pavilion. These funds will be used in conjunction with other grant funding, a loan and transfer from Councils Reserve.

#### **Country Local Government Fund – Regional component**

50% of Councils allocation from 2012/13 Country Local Government Fund is administered via a regional pool.

Broomehill-Tambellup has identified its regional grouping as the Southern Link VROC which includes the Shires of Cranbrook, Kojonup and Plantagenet. The funding is pooled for the group as a whole, and Council acts as the banker for the VROC. The intention of the regional groupings component is to provide financial assistance to local governments to fund larger scale infrastructure projects which demonstrate wider community benefits across a region.

The funds held in the regional pool are being used to fund construction of 'Independent Living Seniors Accommodation' in the Cranbrook and Kojonup Shires.

## OTHER PROJECTS

### Integrated Planning

The 2016/17 Budget has provided for continuing development of Councils Asset Management Plans and Long Term Financial Plan. The four year review of the Strategic Community Plan is due in 2016, and funds have been set aside to ensure compliance in this area is met. This will prompt a review of Councils Corporate Business Plan. The Long Term Financial Plan will be reviewed annually to ensure alignment with current budgets.

### Executive Residence

In 2015 Council purchased land at Lot 63 Taylor Street Tambellup, where a new executive residence will be constructed. Council awarded tender for the construction of the new residence to Wauters Enterprises, who commenced construction in April 2016. Completion of construction of the new residence has been carried over into this budget, and is fully funded by the Building Reserve.

### Tambellup Pavilion Redevelopment

Council awarded the tender for construction of the new Pavilion to Wauters Enterprises, and the tender for installation of the synthetic bowling green was awarded to Evergreen Synthetic Grass. Howard + Heaver Architects have been engaged as project managers for the construction. The project commenced with demolition of the pavilion and old changerooms towards the end of June.

To assist with the costs for construction of the new facility, funding from the following sources has been confirmed –

Department of Sport & Recreation CSRFF	\$700,000
National Stronger Regions Fund	\$950,000
Great Southern Development Commission	\$200,000
Country Local Government Fund 2012/13	\$194,889

Council also holds funds in the Tambellup Recreation Ground and Pavilion Reserve, which will be utilised for this project. The budget includes provision to raise a loan for \$1.15 million to ensure completion of the project.

Applications for further funding will be submitted to assist with fit-out of the new building which, if successful, will aid in reducing the amount required in loan funds.

The Tambellup Sports Pavilion Advisory Committee was formed by the Council with members of community groups and sporting bodies to see the redevelopment to fruition and to undertake the planning for a new management committee structure to manage the facility once complete.

### Building Maintenance

Council is responsible for the provision of buildings and other facilities, which includes public halls, sporting pavilions, administration centres and other community facilities. To ensure that Councils buildings continue to meet the required level of service, following is some of the more significant items of maintenance that are planned to be undertaken during the year –

Broomehill Administration Building – replace 3 air conditioners in Archive Repository, rectify roof & ceiling issues;

Tambellup Infant Health Clinic – replace kitchen sink & cupboards;

Broomehill Museum – repair/paint woodwork on external windows, repair office ceiling & walls, replace roof;

Tambellup Museum – exterior painting, oil verandah flooring;

Tambellup Railway Station – replace gutters & fascia, rectify sagging roof;

## CONCLUSION

The 2016/17 budget provides for the operations of the Council for the coming financial year. The total budget for the year is \$15.4million of which \$9.5m (62%) will be spent on replacement, renewal or upgrade of Councils assets.

Funds have been allocated across the following areas –

Governance	\$1,029,600	Recreation & Culture	\$4,657,000
Law, Order & Public Safety	\$221,600	Transport	\$6,978,400
Health	\$69,300	Economic Services	\$252,800
Education & Welfare	\$71,600	Other	\$296,400
Housing	\$514,100	Reserve Transfers	\$854,800
Community Amenities	\$432,800	Loan Repayments	\$52,000

Transport (which includes road construction/maintenance and plant replacement) accounts for around 45% of the overall budget. The other area of significant expenditure is Recreation and Culture (which includes redevelopment of the Tambellup Pavilion) accounting for 30% of total expenditure.

The planned capital works improvements represent a significant investment in infrastructure by the Shire over the next 12 months. Various funding programs for road construction and community projects have contributed considerably to this year's budget, which is the largest in value adopted by the Council since the amalgamation. The challenge now lies ahead to ensure that the services and projects are delivered in a cost effective, timely manner.

#### FROM THE COUNCIL MEETING

- Council approved an application lodged by CBH for open bulk heads and grain storage to remain on Lot 4 Nardlah Road, Broomehill subject to conditions.
- Council discussed a range of matters that will be presented at the Annual General Meeting of the Western Australian Local Government Association which will be held during Local Government Week in August.
- Council considered the progress report for the Strategic Community Plan to the end of June 2016. The majority of the strategies developed to progress the Plan have been achieved, or are ongoing. A small number have not been commenced, and these will be addressed during the full review of the Plan which will be completed, with community consultation, during 2016-2017. The full report will be included in Council's Annual Report for 2015-2016, to be published later in the year.
- Council granted a rate concession for the Tambellup Golf Club for the 2016/2017 financial year.
- Council considered a request from the Department of Agriculture and Food WA for a financial contribution towards a 'Mapping Food Production' project. Council determined not to make a contribution at this time.
- Council considered and prioritised Regional Road Group projects for 2017-2018. Further information will be available once funding has been confirmed.
- Council considered and approved a request from the Vietnam Veterans Association of Australia - WA Branch for assistance with a commemorative service to be held at the Tambellup Cemetery on 12<sup>th</sup> August to commemorate the Vietnam War and the 50<sup>th</sup> Anniversary of the Battle of Long Tan.

#### WORKS

The rain, while welcome, continued to impact on the works program through July. Weeding and mowing have been the main activities for the parks and gardens crew, as well as planting out gaps in gardens in both towns, and the Tambellup Cemetery. All dams are full, with a good amount of treated water accumulating ready for irrigation on to the Tambellup Oval over the summer period.

The rain has also held up the sealing works to be completed on Taylor St. This will be finished when a break in the weather and the contractors schedule allows.

Construction projects through July included gravel sheeting of a 5km section of Pallinup South Rd, 3km section of Beejenup Rd and repairs to Greenhills South Rd. Upcoming works include repairs to Flat Rocks Rd and gravel sheeting on Punchmirup North Rd.

Maintenance grading continued through July. Roads graded included Flat Rocks Rd, Chillicup Rd, Peringillup West Rd, Pallinup Rd, Brassey Rd, Greenhills South Rd, Etna Rd, Gillespie Rd, Beejenup Rd, Stock Route Rd, Poonawariup Rd, Des Wray Rd, Hassell Rd, Toolbrunup Rd and White Rd.

#### COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

#### CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

For all methods, please include your name and contact details so we are able to respond to you.

**BLOOM FESTIVAL**

Thank you to those groups who responded to the call for events for inclusion in the Bloom Festival program. The Festival runs from 16<sup>th</sup> September to 16<sup>th</sup> October, with events being held across the Hidden Treasures Shires - Woodanilling, Katanning, Kojonup, Kent, Broomehill-Tambellup, Cranbrook, Gnowangerup, Jerramungup, and new member Plantagenet. It's a great time of the year to be out and about in our region, and the Bloom Festival publicity will help to spread the word. Last year the Festival attracted around 15,000 attendees to the numerous events held.

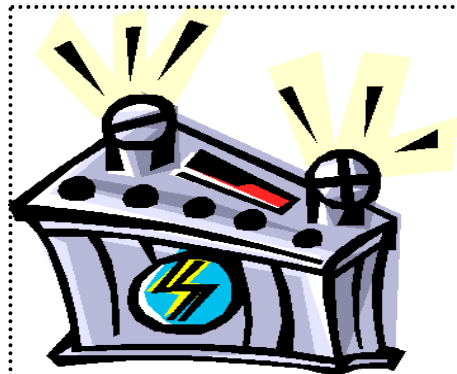

The Shire's contribution to the program is to develop a self-drive tour of points of interest around the shire. An interpretation plan for the West Broomehill Postie Run was developed for the Shire a number of years ago, with guide notes included. It is planned to promote this drive during the Festival, as well as other routes taking in heritage sites and known wildflower hotspots. With the rain we have had this year, we are hoping for a fantastic showing of wildflowers, and would like to include information on easily accessible sites with wildflowers (or other points of interest) that are not on private property. If you are aware of any such areas that could be incorporated into a drive trail, we would love to hear from you! Please contact Pam at the Shire on 9825 3555 to discuss.

## Secret Men's Business & Gather the Women

seminars with Maggie Dent

Monday 29th August

Parenting author, educator and resilience specialist Maggie Dent is heading to Cranbrook to deliver two very special women's only and men's only seminars.

### 10am-noon: Gather the Women

Every person can build their resilience, their capacity to better cope with life — to manage the good, the bad and the ugly in healthy ways. In this seminar, Maggie will explore how women can do this and why women do things differently to men. She will also help you to identify your warning signs, how to lift yourself mentally and emotionally, and how to focus on your strengths.

### 6pm-8pm: Secret Men's Business

Maggie has a deep understanding and passion for boys, lads and men, and she knows from research, from her own childhood on a farm, and from raising four sons that many men are lost and confused in today's world — many without even knowing it. In this men-only session, Maggie will explore how to be a healthy, happy man on all levels — all in her unique "broke-friendly" way.

Date: 29th August 2016

Venue: Cranbrook Sporting Club

Cost: \$30 per ticket - Women's seminar includes morning tea, men's includes a burger.

Tickets are available from the Cranbrook Playgroup Facebook site or Kelly on 0428 182 426 or from the Shire of Cranbrook.

## Media Release

Hon Terry Waldron MLA  
 Member for Wagin

18 July, 2016

### Waldron welcomes Community Chest funding for Great Southern region

The Great Southern Development Commission has recently announced the grant recipients of the region's Community Chest Fund, made possible by the State Government's Royalties for Regions program.

Member for Wagin Terry Waldron MLA said the Community Chest Fund provided one-off grants for community, public and not for profit organisations to improve and develop infrastructure and services in the region.

Projects in the Wagin electorate that are supported through the Great Southern Region's Community Chest Fund in this round include –

Recipient	Project Title	Funding amount
Shire of Cranbrook	Food for Thought Festival 2016	\$15,000
Shire of Katanning	Kodja Place Precinct – Master Planning	\$40,000
Badgeup Aboriginal Corporation	Badgeup Training and Cultural Hub	\$29,400
Shire of Katanning	Hidden Treasures, Groom Festival 2016	\$20,000
Great Southern Wine Producers Assoc.	G.S. Wine Industry Marketing Material	\$15,000
Frankland River Country Club	Kitchen Refurbishment	\$18,500
Groswaterup CRC	Hidden Treasures Rebranding Implementation	\$50,000
Friends of the Fitzgerald National Park	Competition Resourcing-Teatrup Field Studies Centre	\$24,000

A number of other proponents based outside the Wagin electorate were also provided with funding for projects that fall within the Wagin electorate, including –

### Projects across Wagin electorate –

- Taste Great Southern 2017 and 2018 (\$50,000).
- Great Southern Sustainable Living Festival 2017 and 2018 (\$15,000) – a festival including regional communities from Albany to Katanning.
- Lower Great Southern Tourism Development Strategy (\$32,500), which is a tourism strategy for the City of Albany, Shire of Denmark and Shire of Parkland.
- Science awareness in the Great Southern (\$7000) for the delivery of a program of science events.

National WA candidate for Roe Peter Rundle said the Community Chest Fund provided voluntary organisations, educational institutions and community groups with grants of up to \$50,000 to support local projects.

"This funding will support region-specific priorities that are driven by local communities to assist the development of infrastructure, services and community projects that help build vibrant regions with strong economies," Mr Rundle.

Western Australia's nine regional development commissions oversee the projects, each being allocated an equal share from which to provide the Community Chest Fund grants.

"I am pleased to see Royalties for Regions investing in such a diverse range of projects," Mr Waldron said.

"I congratulate the board of the Great Southern Development Commission in their extraordinarily difficult task in selecting from the very many worthy projects that applied."

The Liberal National Government, through the Royalties for Regions program, has invested \$10 million into the Community Chest Fund across four years.

## Ride for Logan

Logan Adams was a young 18 year old country boy who lost his battle with a Congenital Heart Defect last year, a condition that 8 children are born with in Australia each day. The Bike Ride called Logan's Ride was organized by Logan's parents, Mark and Maureen, to raise funds for an annual camp for heart kids as funds had run dry. It was with great privilege that Rural Bank was able to contribute to the Ride for Logan last week not only as a major sponsor but also in an active role and get to know all involved over the week. Langley Angel, Rural Bank's Agribusiness Manager rode the last leg from Tambellup to Albany with the crew.

A big thanks to the staff (Shelley, Nicole and Jodie) and board Anne-Marie Lockyer, Trevor Prout and Andrew Murray at Tambellup Cranbrook for providing a great welcome and inviting clients to the morning tea for the riders on Thursday morning and donations.

Over \$100k has been raised in support of Heart Kids WA and the legacy of Logan Adams which means multiple teen camps (one camp costs \$50k approx.) can now be held as a result.

I think for all involved we agree that this humbled us and was a huge honour to be involved with and we feel fulfilled as result of being involved with the 30 plus riders and crew who covered 600kms from Perth via Kukerin to Albany - most of which are still very young adults who showed remarkable emotional strength and leadership in memory of their mate.

Thank you Ride for Logan for allowing us (Rural Bank) to contribute and see firsthand the overall sense of community and teamwork. Thank you also to the people of Tambellup who came out on a very cold morning to greet the riders and share a cuppa, a chat and some of their hard-earned money in donations.

Also see the Facebook page - ride for logan which has plenty of stories and pics.

I believe you can still donate at [www.rideforlogan.com](http://www.rideforlogan.com)

# HOW TO COMPLETE THE CENSUS

**August 9 is  
Census night**

It's our moment to  
pause and play a role  
in shaping the future  
of Australia

It's important that  
everyone is counted  
in the Census

All information  
collected is secure,  
confidential and never  
shared with anyone

YOU CAN COMPLETE THE CENSUS IN ONE OF **TWO WAYS.**

## ONLINE

Completing the Census online is fast, easy, secure and environmentally friendly. You can use any internet-enabled computer or device.

## PAPER

If you choose, you can complete the Census using a paper form.

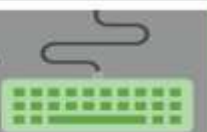

**1**

From **1 August**, households will receive a letter from the ABS with a **unique online login code** for completing the Census online **and** information on how to **order a paper form**.

**2**

On **August 9** go to **census.abs.gov.au** and login using your unique code.

**2**

Call the **Census Paper Form Request Line** on **1300 820 275** to order a paper form.

**3**

Complete the Census **fully** and **accurately** and **submit** your online form as soon as you're finished.

OUR MOMENT TO MAKE A DIFFERENCE

## FREQUENTLY ASKED QUESTIONS ABOUT THE 2016 CENSUS

# AUGUST 9 IS CENSUS NIGHT. OUR MOMENT TO **PAUSE** AND MAKE A DIFFERENCE.

### What is the Census?

The Census of Population and Housing (Census) is Australia's largest statistical collection undertaken by the Australian Bureau of Statistics (ABS). For more than 100 years, the Census has provided a snapshot of Australia, helping to shape our nation's education, health, transport and infrastructure.

### When is the next Census?

The next Census will be held on August 9.

### What does the Census mean to Australia?

The Census provides important information about Australia's people and their housing. It helps estimate Australia's population, which is used to distribute government funds and plan services for your community.

In 2016, the Census will count close to 10 million dwellings and approximately 24 million people, the largest number counted to date.

### What should people expect this Census?

From August 1, most households will receive a letter from the ABS, addressed 'To the Resident'.

The letter will include your household's unique Census Login and instructions on how to complete the Census online, as well as directions on how to order a paper form.

### How many people are expected to complete the Census online?

In 2016, more than 15 million people are expected to complete the Census online.

### Why go digital?

Completing the Census online is fast, easy, secure and environmentally friendly and helps reduce the cost of the Census to the community.

### Can I still complete a paper form?

Yes. If a household is unable to access the internet or would prefer to fill out a paper form, simply call our automated paper form request service. You will need your 12-digit Census Login from the letter you received. Paper forms must be completed and returned in the Reply Paid envelope without delay – don't wait for a Census Field Officer to collect it.

### I have received a paper form. Can I complete it online?

In some locations, households will receive a paper form upfront with the option to complete the Census online. If you're able to access the internet, just follow the simple instructions on the front of the form to complete it online.

If you complete it online, do not mail back your paper form – please recycle.

### Will personal information be shared with other government departments?

No. The personal information which you provide in the Census is not shared with any other government departments or agencies including the police, Australian Taxation Office or Centrelink.

The ABS is legally bound to protect the privacy of all Australians and will not release your information in a way that will identify any individual or household.

### What happens to my personal information after the Census?

After data collection and processing, the ABS will remove names and addresses from other household information. Names and addresses will be stored separately and securely from other Census data. Names and addresses will be destroyed four years after collection or earlier, once there is no longer any community benefit from their retention.

### Is the Census compulsory?

Yes. Everyone in Australia on Census night must complete the Census. It's the law.

### Where can I find out more information about the Census?

If you have any questions, like what to do if you're not home on Census night, how to complete the Census in a share house, or what to do if you don't receive your letter, please search [Census](http://Census.gov.au).

DID YOU KNOW...

"A good parent isn't afraid to set limits and say 'no' to their children.

One of the best lessons we can teach our children is that no one gets everything they want all of the time!"

### "READ AND PLAY BAGS"

We are currently doing an audit on the 'Read and Play bags'. If you have one at your house could you please return it so that the contents can be checked and items replaced if necessary. When they have been checked they will be available for borrowing once again.

### MINI MUSICIANS

Special thanks to Bec Webster for the fantastic music session she ran recently for our little ones and their parents/caregivers. It was lots of fun and everyone had a great time.

### BRILLIANT BOYS

Coming soon - an information session on  
'Understanding and Nurturing boys 0-6 years.

The presentation will highlight research based information on the brain and body development, social and emotional needs and interests of boys aged 0-6 years and what support you can provide, as a parent, grandparent or caregiver, that will set them up for future success!

WATCH OUT FOR YOUR INVITATION!

## Cranbrook Motocross

Seventy four motocross riders from the South West competed in the third round of the South West Interclub Series on Sunday 17<sup>th</sup> July hosted by Cranbrook Districts Motorcycle Club. This is the second year Cranbrook has been represented in this series which also includes the clubs of Bunbury, Collie, Manjimup and Busselton. With thirteen race classes the competition caters for all riding ages and abilities.

Hosting an event like this requires many volunteers and Cranbrook Motocross has added a special touch by providing Flag Marshall refreshment bags. Flaggies are a vital part of the race day stationed at Rockwell Flats track jumps and poor visibility corners, motocross competitors rely on them to inform them of any danger ahead, whether it is a fallen rider and machine or debris on the track. Flaggies ensure that events are conducted safely, fairly and that the Motorcycling WA rules and regulations are upheld.

Flaggie Koda Lucas from Broomehill (originally Kondinin) said he greatly appreciated the goodies in the Elders refreshment bags especially the home made cakes. He was at Rockwell Flats watching his nephew Bailey Smith a state WA rider representing South West Yamaha and Bunbury MCC who placed second in his division.

Cranbrook was well represented on the day with riders Matthew Adams, Jarred Smith, Kylan Black and Camball McMahan placing in their divisions. The next event in the series is at 21<sup>st</sup> August hosted by Manjimup MCC.

Inspired, come along and check out Cranbrook Motocross next event Club Day Saturday 27<sup>th</sup> August 2016. Pits open at 7am, motorbike examination and rider sign on 7:30am – 8:45am, riding starts at 9am. Please remember that every riders needs to participate with flag duties, so bring along a volunteer helper. Canteen available and spectators welcome. See [www.cranbrookmx.com](http://www.cranbrookmx.com).

#### Landmark WA road safety campaign launched

Member for Wagin Terry Waldron MLA has shown his support for last week's launch of the first two of five major road safety education campaigns.

Mr Waldron said the important new campaigns were launched in an "effort to change the behaviour of motorists who put West Australians' lives at risk".

The first two campaigns target the very best and worst drivers and are based on some of the most extensive road safety research ever conducted in Australia.

"The Zero Hero campaign recognises the 800,000 WA motorists who haven't lost a demerit point in the last three years and seeks to 'normalise' that good driving," Mr Waldron explained.

"Through these 'Zero Heroes', the State Government aims to highlight the vast majority of drivers who are doing the right thing and to encourage them to positively influence the driving of those around them, including their children, parents, friends and other loved ones," Mr Waldron said.

The second of the launched campaigns targets the 'Risk Takers' - those who speed, drink drive, use their mobile phones and do not wear seatbelts. Data shows that in 2013, 62 'Risk Takers' were killed on WA roads.

Nationals WA candidate for Roe, Peter Rundle said research showed that 'Risk Takers' seemed to endorse speeding and didn't see any of these behaviours as road safety issues.

"They just aren't motivated by possible personal injury," Mr Rundle said.

"Though research indicates that they are motivated by the threat of losing their licence, subsequent loss of freedom and negative social consequences, and this second campaign reflects that."

The 'Risk Takers' campaign documents the life of 'Nate', who has lost his licence and is forced to rely on his mother to drive him around. The campaign follows Nate over the period he has lost his licence, as the stark reality of his new life sets in.

Mr Waldron said: "This campaign aims to have those risk takers think about how their life would be negatively impacted should they end up in a similar position," Mr Waldron said.

Research shows that risk takers find this situation much more realistic, than actually dying as a result of their risky driving.

Funding of \$4 million has been allocated from the Road Trauma Trust Account to deliver the road safety education campaigns in 2016-17.

The campaigns will be shown across television, radio and online and through outdoor advertising.

#### Waldron encourages local governments to apply for youth scholarships

Member for Wagin Terry Waldron MLA is encouraging country local governments to apply for funding through the Royalties for Regions Country Local Government Fund (CLGF) Youth Development Program.

Mr Waldron said country local governments were now able to apply for funding through the program, which will see the creation of 20 traineeships providing young people with career prospects in their local communities.

The traineeships are part of a \$1.2 million investment into young people in regional Western Australia, aimed at creating entry-level jobs.

"It is really important that we continue to create job opportunities and invest in the future of our young people in the regions," Mr Waldron said.

"Local government is a respected and sought after sector in regional WA and careers in the industry are providing rewarding opportunities for young people across the State."

Nationals WA candidate for Roe, Peter Rundle, said the youth program was an excellent platform for engaging regional young people, particularly by encouraging them to consider a future in local government.

"Starting a career in local government could offer local young people the chance to make positive differences in their communities and provide them with financial security and in turn job longevity," Mr Rundle said.

Mr Waldron said while supported by Royalties for Regions, this "fantastic initiative" enabled participants to not only gain useful work skills but also encouraged them to stay in the regions through the provision of job options.

"Not only will this initiative enable participants to gain valuable skills through experience, it will enable them to stay in their community of choice."

Regional Development Minister Terry Redman said the CLGF was helping regional local governments build their capacity and identify opportunities for development.

"The Country Local Government Fund contributes towards building and maintaining a positive lifestyle for our regional communities and is an important investment for Royalties for Regions," Mr Redman said.

The CLGF Youth Development Program is one of five initiatives that has received \$5 million in funding, over two years, to improve the capacity of country local government. Under the initiative, country local governments may access up to \$5000 towards course fees per trainee and a \$15,000 wage subsidy. It also includes 40 scholarships of up to \$10,000 each for young country local government employees to undertake training and 16 two-day workshops on leadership and career development.

... **Bush fires have been numerous in this district**, especially near Etipup, and have destroyed nearly all the best grassed runs in that neighbourhood. An unfortunate man named Bridges had his house, crops, and all his livestock destroyed. The only thing he managed to save was a few bags of wheat which he had on a dray. ...

- *The West Australian Tuesday 18 January 1881*

FOR SALE, BY PRIVATE CONTRACT  
A FIRST CLASS HOMESTEAD, situated in the Kojonup District, about ten miles from Etipup, consisting of 100 acres of private land, 30 acres of which is fenced and cleared, and on which there is a good supply of permanent water.

- *The West Australian Friday 29 December 1882*

TO SELL OR LET, EITHER SEPARATELY OR IN ONE LOT, IN THE PLANTAGENET DISTRICT.

Etipup and Pootenup Estates, comprising 74,000 acres Leased Land, on all of which permanent

tanks and wells have been sunk; together with 6,000 MIXED SHEP as under, possession of which can be had on the 1<sup>st</sup> November 1883.

On the Etipup Estate is a splendid large stone **House, Barn, Shearing Shed, Mill house, Men's house** and all necessary out door conveniences; it is also well found in station requirements, besides 565 acres land purchased on the runs, securing all wells and water tanks.

The Pootenup Estate has also a good farm house, and 520 acres of freehold land and other station requirements: and at both places the lands are well fenced, and known as good crop growing farms, and, being situated relatively 90 and 60 miles from Albany, are within easy distance from the port.

The above estates are let conjointly at a rental of £550 per annum; lessee paying all leases and taxes; and will be sold or let subject to present, or at the expiration of present lease. Tenderers for leasing to have the option of term say for five or seven years, and a guarantee for due performance of the contract will be required.

The stock comprises -  
478 Good full-mouthed 4 - year Ewes  
478 Good Culls, breaking and parting  
594 Aged Ewes, for breeding  
100 Dry culls, for station use

## Watering WA to secure local water sources

Government of WA Media Statement, Friday, 8 July 2016

- **Building water capacity by funding new and improved infrastructure**
  - **Supporting dryland agricultural regional communities and economies**
- Made possible by Liberal National Government's Royalties for Regions program**

A Liberal National Government plan to secure regional water supplies for community and agricultural use and support healthy, sustainable environments has been unveiled.

Water Minister Mia Davies and Regional Development Minister Terry Redman today launched Watering WA - a \$30 million initiative made possible by Royalties for Regions, with an initial focus on more than 60 local government areas from the Mid-West to the Great Southern.

"There are three key delivery areas for Watering WA - towns, farms and rural businesses, and regional waterways. Under the town component, \$21.6 million will be spent on infrastructure in regional communities to harvest, store, treat and distribute stormwater, recycled water and bore water for irrigation and community use," Ms Davies said.

"This extends the Department of Water's Community Water Supply Program (through the Rural Water Planning Program), which has funded more than 100 successful community projects in the past 20 years. Under Watering WA, grants available to towns and communities will increase by up to \$2 million, from the \$100,000 grants currently available."

Ms Davies said \$4.4 million would be available for farmers to develop and improve on-farm water supplies, continuing more than \$36 million spent in the past two decades building on-farm capacity. "Farmers will now be able to access grants of up to \$20,000 - an increase from the \$15,000 currently available under the Farm Water Rebate Scheme, including, for the first time, farmers connected to scheme water," she said.

The third component focuses on rehabilitating the regional waterways of the Avon catchment, with \$4 million allocated for a range of on-ground works.

Mr Redman said Watering WA would help regional communities continue to be attractive places to live, work and invest.

"Regional areas support a variety of industries that contribute billions of dollars to the State's GDP every year. Access to secure, reliable, local non-drinking water sources ensures our regional communities, farms and businesses can continue to grow," he said.

### **Commemoration of the South Vietnam War. 50<sup>th</sup> Anniversary of the Battle of Long Tan.**

2016 is the dedicated year of commemoration for the Vietnam War, during the Centenary of ANZAC period.

The 18<sup>th</sup> of August 2016 also commemorates the 50<sup>th</sup> Anniversary of the Battle of Long Tan, in Phuoc Tuy Province, South Vietnam, in 1966.

In this commemorative year, to honour all 61 Western Australian soldiers killed in action in the Vietnam War, the Vietnam Veterans Association of Australia Western Australian Branch, are planning Grave Site Wreath Laying services, to acknowledge these soldiers who paid the supreme sacrifice, in service to their country.

The V.V.A.A. W.A. with the support of RSL Sub Branches, City and Shire Councils, are contacting family members of those soldiers, to co-ordinate the wreath laying services, at all KIA grave sites in Western Australia.

These services will be held at all locations, at 2.00pm, on the 12<sup>th</sup> of August, 2016.

A service will be held at Tambellup for Private Brian David Waters, killed in action, serving with the 6th Battalion, Royal Australian Regiment, South Vietnam, on the 17<sup>th</sup> of February 1967.

Other services to be held include, Albany Bunbury, Carnarvon, Collie, Geraldton, Gnowangerup, Kalgoorlie, Katanning, Moora, Mukinbudin, Nannup, Wandering, also at the Perth War Cemetery and Karrakatta Cemetery. In all, these services will be held at 14 locations across Western Australia.

These services will be one of many other events and Memorial Services to be held state wide, in the lead up to and on Vietnam Veterans Memorial Day, the 18<sup>th</sup> of August.
