SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 20th October 2016 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

- Council reviewed and endorsed the Standard Operating Procedures for Bush Fire Brigades. Copies of the reviewed document have been sent to all brigade Fire Control Officers.
- The Department of Fire and Emergency Services has requested Council's approval to commence the issue of identity cards to Shire brigade personnel. This has come about as an outcome of the Ferguson Inquiry into the Waroona and Esperance fires. More information will be made available to brigades as it becomes available.
- Main Roads WA sought Council's feedback on a proposal to amend the Restricted Access Vehicle (RAV) Network rating of Tieline Road, Kimberley Street, Nardlah Road, Old Nardlah Road and Darcy Street. Council indicated its support for permanent RAV 7 Network Rating for Tieline Road (between Great Southern Highway and Nardlah Road), Kimberley Street (between Tieline Road and the entry to the CBH site), Nardlah Road, between Darcy Street and Tieline Road, and Old Nardlah Road. These were supported subject to conditions. Council did not support the amendment to the RAV Network rating for Darcy St. Main Roads WA will advise the outcome of the proposal in due course.

CBH GROUP GRASS ROOTS FUND INFRASTRUCTURE ROUND

We are pleased to advise an application to the above funding round by the Shire was successful. Funding of \$13,500 has been granted to allow for the purchase of a transfer pump to be installed at a dam off Nardlah Rd which Council has been able to access, for collection and transfer of stormwater to the dam at the Broomehill Recreational Complex. This project complements the works already completed in recent years to increase the amount of water harvested for use at the Complex.

WORKS

It has been a recurring theme in the Shire's notes throughout the year, and it goes without saying - the rain we have had this year is very much appreciated, and will make the summer maintenance of our sporting and recreation facilities less stressful, but it also has brought its own challenges, as the farming community will appreciate! Aside from the never-ending weeds that present to our parks and gardens staff, the many rainy days we have had, and water logging of open spaces has meant the gardeners have been restricted in their mowing and spraying program. Road construction and maintenance has also been held up due to wet days. We are hopeful of a stretch of fine weather to enable everyone to catch up.

The footpath lights along the railway pathway in Broomehill have been repaired, with the light fittings being replaced with LED bulbs. We hope this will result in less maintenance being required.

The construction crew has been working on gravel repairs to many roads around the Shire during September, while funded road projects have been put on hold due to wet weather. The maintenance graders have been working in the south west section of the Shire, and a contract grader was engaged to carry out grading on roads in the north of the shire to assist with the backlog due to wet days. The following roads were graded by Shire graders during September: Eureka Rd, Jam Creek Rd, Pindellup Rd, Sorrento Rd, Nymbup Rd, Crosby Rd, North West Rd, Bessen Rd, Burridge Rd, Moonies Hill Rd, Peter Valley Rd, Sprigg-Simpson Rd, Nazzari Rd, Dartnall Rd and Gittens Rd.

Vegetation widening has been completed on a section of Warrenup Rd in preparation for resealing later this year. Tieline North Rd has also been widened ready for gravel resheeting.

The maintenance crew has focused on repair of bitumen edges and potholes.

CULTURAL AWARENESS WORKSHOP

A small group of residents, Shire Councillors and staff attended an Aboriginal Cultural Awareness workshop on 22nd September presented by Robbie Minter for the Wirrpanda Foundation. The workshop covered many aspects of aboriginal culture, and more specifically Noongar culture, and helped participants understand the issues that have impacted the indigenous community over many years.

Many thanks to Robbie and his offsider Sean for their time.

NOTICE OF ROAD CLOSURE

The Shire of Broomehill-Tambellup wishes to advise all residents that a section of Norrish St, Tambellup will be closed to all traffic on **SATURDAY 8TH**

OCTOBER 2016, for the purpose of the staging of the Tambellup Show. The section which will be closed is from the Tambellup Community Resource Centre to Henry St, with the closure in effect from 6.00am – 6.00pm on this day. Any enquiries regarding the road closure can be directed to the CEO.

RESTRICTED AND PROHIBITED BURNING PERIOD

All residents of the Broomehill-Tambellup Shire are reminded that the **RESTRICTED** burning period commenced on **19 SEPTEMBER 2016** and continues until **15 APRIL 2017** inclusive. During this time you are required to obtain a permit to burn before lighting any fires.

The **PROHIBITED** burning period commences on **1 NOVEMBER 2016** and continues through until **14 FEBRUARY 2017** inclusive. The lighting of fires during this period is prohibited, however if residents need to do **PROTECTIVE BURNING** during the Prohibited Burning Period they must first obtain a permit from a Fire Control Officer and then observe all the conditions of the permit. **PROTECTIVE BURNING** is to be carried out between the hours of 6.00pm and midnight on the same day. No Protective burning is to be carried out after December 20 2015. Permits to burn can be obtained from your Brigade Fire Control Officer, or the Community Emergency Services Manager (CESM), Cindy Pearce.

All residents should assess the fuel loads on their property, and take steps to reduce this risk well before summer. Although spraying and slashing of tall grass is an effective treatment for reducing fire risk, if it is done too late in the season the dried grass still presents as a hazard. For more information or advice on hazard reduction please contact CESM Cindy Pearce on 0417 071567.

CONGRATULATIONS....

To Lisa Thompson and Linda Hewson for the organisation of a very successful long table lunch which was held in Sheridan's Garden recently. The garden looked a picture, and the menu presented by Anna Gare was well received. Yet another community initiated event in Broomehill - well done!

COUNCIL AGENDAS AND MINUTES

"Truck Trek" – Saturday 1st October 2016

Calling in to Tambellup at 10.30am

A number of Warren Blackwood Car Club members are doing a "Truck Trek" covering a 600km distance through the towns of Manjimup, Bridgetown, Boyup Brook, Kojonup, Tambellup, Gnowangerup, Katanning, Narrogin, Williams and Darkan, then back to Boyup Brook. The trucks date from 1934 to circa 1973 and most are in excellent show condition.

The trucks are passing through towns and raising funds for the Royal Flying Doctor Service (RFDS) on their way.

Come and have a look at these lovely old trucks as they pull up at the layby opposite the Tambellup Hotel before carrying on with their trek to Gnowangerup.

These photos represent a sample of the trucks that will be passing through.

Any donations towards the Royal Flying Doctor Service are sure to be appreciated.

TAMBELLUP SPORTS PAVILION UPGRADE

Works are progressing on track at the Oval, with the slabs for the Pavilion and change rooms being laid, and the completion of the retaining wall on the tennis court side and around the bowling green site. The bowling green area has been filled and resembles a beach at the moment. The next couple of weeks will see the steel framework going up, and the terracing of the bank in front of the building will be started.

Behind the scenes, the Advisory Committee which has assisted with the design and development of the plans for the new facility will be looking at the management processes that need to be established before the facility is finished. It is Council's preference that the new facility will be managed by a management committee with representation from user groups and the community, and the time spent in developing the 'rules' of the new committee will help to ensure the facility runs well and is sustainable into the future. We thank the members of the Advisory Committee - Beth Schlueter, Ray Squibb, Peter Bradshaw, Jane Cunningham, Nick Lockyer and Martin Sadler - for their assistance to date.

We Welcome Women

'A Little Bit of Monica in My Life.' by Monica Nazzari.

I feel compelled to write 'a little bit' to explain my thoughts about the creation of We Welcome Women and to introduce our first event.

Just over a year ago I was diagnosed with Hodgkin's Lymphoma and to say this past year has been difficult would be an understatement. Without going into details about my medical treatment, I can safely say my 'Mind' went on a roller coast ride that I wasn't prepared for. Depression and negative emotions plagued my days and also my nights, sleep was a foreign word. While I tried to hide my feeling, my diagnoses, my treatment, my 'self' from the world, the world just wouldn't listen, wouldn't leave me the *%#\$ alone.

A few friends that got past the barbwire fence that I had surrounded myself with, patiently, persistently, listened and supported me without judgement. I needed those friends and I was slowly able to talk and **tell them what was in my head, even though they may have thought I was a complete 'nutter' at the time, they just listened, or changed the subject or took me out. Talk to your family I hear you say, I couldn't, it was too hard, too emotional, too raw.**

There's a problem with living in a small town, everyone knows your business. There's a bonus in living in a small town, everyone knows you. I thank and am extremely grateful for each person that was in my life during that time. Every time I met someone that I knew and they smiled and we had a chat, those moments meant the world to me. I began to see all the wonderful people that surrounded me. I began to think that there may be other people around that may be the same as me, lost and in a storm that they needed help finding their way out of. So on one of the many nights that I was awake and with the help of friends ideas I thought We Welcome Women might work to help all women come together to help support each other, whether in a storm or not. Friendship, community, support, compassion, understanding, guidance, fun, laughter, exercise, wellbeing may be some of the reasons to come along.

From the Daffodil Night the group has a Bucket list of ideas to work our way through, this is also on display at the CRC, if you have more ideas Facebook, text or call the CRC with your suggestions. I realise many people have busy lives, work, children etc, so we will aim to hold a variety of events during the day and night. If you are keen to host an event please post it on Facebook and text me (0429898906) so we can spread the word. To make life easier for the host, they just need to provide **the venue and the teas and coffees and all guests need to BYO the rest. If it's a money event it will be user pays.**

First Event for We Welcome Women is a Garden Party at the Tambellup CRC Oct 28, 2-4; please see the Topics Flyer for more details.

Preparing an Emergency Kit

Having an emergency kit is an important step to prepare and protect your household for an emergency such as a bushfire.

Keep your Emergency Survival Kit in a storage container in a location that is easy to get to and where the whole family knows about.

Things to include in your kit are:

- Portable battery-operated AM/FM radio
- Waterproof torch
- Spare batteries
- First aid kit with manual
- Candles with waterproof matches
- Woolen blankets
- Emergency contact numbers

And don't forget to prepare for your pets as well. Make sure your pet is wearing an identification tag. If you're leaving, take a leash, basket, medication, food and a familiar toy for your animal. It will help reduce stress.

For more information:

- Visit the DFES website at www.dfes.wa.gov.au
