The next meeting of Council will be held on Thursday 16th June 2016 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

The May meeting provided another opportunity for Council to become familiar with the Policy Manual, with a number of existing policies reviewed and two new policies adopted. Council is required to review all policies at least every three years. Policies provide for consistency and equity in decision making, promptness in responding to customer needs and operational efficiency.

Council endorsed the appointment of Ben Hewson as Chief Bush Fire Control Officer and Ian Cunningham and Wayne Newbey as Deputy Chief Bush Fire Control Officers for 2016/17 and 2017/18. Council also endorsed the appointments of Brigade Fire Control Officers for 2016-2017:

Broomehill East - Gavin Guerini
 Broomehill West – Warrick McMahon
 Broomehill Central – Lara Hugill
 Tambellup East - Kim Oliver
 Tambellup West – Jarrod Thorn
 Tambellup VFES – Laurie Hull

Thanks are extended to these people for taking on the challenge of these roles.

Council also discussed the practice adopted to date of formally appointing Dual Fire Control Officers to act at incidents crossing Shire boundaries. Due to an inconsistent approach taken to these appointments within the region, Council has determined that formal appoints will not be made, and the provisions of s.39A (2) of the *Bush Fires Act 1954* will apply – that is, a brigade FCO or member may take charge of a bush fire incident in an adjoining Shire if a brigade FCO or member of that Shire is not present. This practice has also been adopted by our neighbours.

Council endorsed the 2016-2017 Fire Break Order and Information booklet. The booklet will be distributed with rates notices early in the new financial year.

With budget deliberations looming, a number of significant documents have been reviewed to ensure information is accurate. Firstly, Council reviewed the Ten Year Plant Replacement Program. The plan has been developed to give Council an overview of the future requirements of the organisation and has been incorporated into the Long Term Financial Plan and Corporate Plan. It plays a major role in the asset management plan and includes estimates for future replacement costs, which assists with development of the annual budget.

Council also reviewed the Functional Road Hierarchy. The road hierarchy is just one of the tools that assist Council in setting the priorities for its road construction and road maintenance program and the annual budget requirements. The road hierarchy takes into consideration a number of factors, including physical traffic counts, and Restricted Access Vehicle (RAV) ratings. An annual review is undertaken to ensure that the priority assigned to each road is still relevant and to make any amendments to the hierarchy that have become apparent since the last review.

Council considered and supported three requests for proposals to amend RAV ratings on roads in the Shire:

- Amend the section of Warrenup Road between Albany Highway and the intersection of Nookanellup Road from Network 3 to Network 4, subject to conditions;
- Amend the section of Nookanellup Road between Warrenup Road and the Broomehill Kojonup Road from Network 3 to Network 4, subject to conditions; and
- Amend the RAV rating of Tie Line Rd between Great Southern Highway and the Gnowangerup Shire boundary from existing Networks 3, 4 and 5 to Network 7 with conditions.

Main Roads WA will be advised of Councils support for these proposals and will carry out the required assessments of the roads.

WORKS

Well, what can we say. The dams are full! The gardeners have recently taken delivery of their latest plant order, and will be busy planting to fill bare spots over coming weeks, while managing the inevitable weeds that come with the rain.

Sealing and kerbing on Taylor St in Tambellup is still to be completed. We are hopeful this will be finished early in June, including correction of some of the driveway kerbing.

Katanning Cherry Pickers have been in town during May, trimming trees under powerlines in the Broomehill and Tambellup townsites.

The construction crew finished sealing works on South Pallinup Rd (2.85km) and resealing on Gnowangerup-Tambellup Rd (3.5km) during May. Both jobs were funded by Regional Roads Group funding. Other road projects to be completed prior to the end of June are gravel sheeting on Beejenup Road, Punchmirup North Rd and Norrish Road. These works are funded by Roads to Recovery. Motorists in the area of these works are asked to observe signage on site and drive to the conditions.

Under the terms of the Western Australian Natural Disaster Relief and Recovery Arrangements funding approved following the flood event in January, the Shire was required to tender the road repairs and reinstatement of damaged roads. Riverhill

Contracting was awarded the tender and will be commencing works in the near future.

The maintenance graders have been working in the south eastern part of the shire where some roads required grading after the flood damage. While shire graders were in the southern part, two contract graders were bought in to help grade roads in the north of the shire.

TAMBELLUP SPORTS PAVILION UPGRADE

Residents may soon see some activity at the Pavilion, with the tender for the construction being considered at the May Council meeting and awarded to Wauters Enterprises (Pavilion construction and overall site works) and Evergreen Synthetic Grass (bowling green). Both companies submitted competitive prices, and are highly regarded in their respective industries. We look forward to a positive working relationship and an excellent end result in both areas.

Aside from the excitement of the imminent construction activity, other matters involving the management of the new facility will take precedence for the Tambellup Sports Pavilion Advisory Committee. Council's preference is for a Management Committee to be established to take over the management of the facility on completion, and to assist in the transition, the Advisory Committee will be working through the governance requirements and processes that the incoming committee will need. We are fortunate to have a number of successful management models within our neighbouring communities to look to, and these committees have indicated they are willing to share their experiences. This assistance is greatly appreciated.

Last month we advised that 3D drawings of the new facility would be available for perusal at the Shire office in Tambellup. Unfortunately these have been delayed, but the architects have assured us they will be on hand in the very near future. Residents are welcome to call in and check out the plans – when they arrive!!

BLOOM FESTIVAL

Hidden Treasures of the Great Southern is calling for expressions of interest in organisation of events through the region during the 2016 Bloom Festival. In 2015, the 'Blooms of Broomehill' photographic exhibition was held at the Henry Jones Winery and Café, with 'wildflower hotspot' maps available, and the Cake Decorating ladies created a beautifully realistic display of icing flowers, which were on display at the Tambellup CRC.

What can we do to showcase our district for 2016?? Some other events held over the past few years have included wildflower displays, wildflower walks and drives, open gardens, markets, art and craft exhibitions, long table lunches, guided bush tucker walks, flower arranging and propagation workshops, dawn and dusk guided bird and bush walks – and all with a 'Bloom' theme.

An evaluation of the Festival completed following the 2015 event found 11,240 people attended the events over the two week period. It would be great to see Broomehill and Tambellup feature in the program once again this year.

Expression of Interest forms are available by contacting Pam at the Shire on 9825 3555, and should be submitted by Monday 6th June to the Hidden Treasures Bloom Festival Coordinator. For more information on hosting an event during the Festival, please contact Rebecca Cassells, (Acting) Bloom Festival Coordinator, on 0428 760 336 or via email to bloom@hiddentreasures.com.au.

THUMBS UP

To our fantastic community groups who, through their activities, add vibrancy to our communities:

To our proactive Tambellup CWA ladies, who, during regular group walks, have been picking up rubbish at various locations in and around the townsite. Your efforts have been noticed, and are sincerely appreciated! Thank you all for leading by example.

To the organisers of 'Biggest Morning Tea' events – the Broomehill Playgroup and Tambellup Primary School – a great opportunity for the locals to get together and catch up over a cuppa, for a good cause. To the Tambellup CRC, for their hosting of monthly 'soup and sweets' events for the seniors in the community, and those who volunteer to provide the meal. Seniors are a special part of our community and deserve to be looked after!

To the Tambellup Lions Club, who go out regularly on wood cutting missions, with the wood provided to residents who are unable to do this.

And to the Broomehill P&C, for their staging of their Monster Auction, what a resounding success! And a great day out for all who attended – well done!

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

For all methods, please include your name and contact details so we are able to respond to you.

THUMBS DOWN

To those inconsiderate people who insist on stealing toilet paper supplies from the public toilets in Broomehill and Tambellup. These facilities are there not only for your personal convenience, but also the wider public – locals and visitors alike.

Thankyou to all that responded to our request for Life Skill Volunteers.

However we are now going to have Gail Blaszczyk coming to talk about the 'Million Stars to End Violence' Project and show us how to make the woven stars. The One Million Stars to End Violence Project is a worldwide campaign that aims to bring people together to weave stars as an expression of support for ending all forms of violence.

The woven stars are a symbol of light and courage. Each star represents a commitment to resist violence, honouring peoples' right to safety and respect. Woven stars will then become part of a giant installation on display at the Gold Coast Commonwealth Games in 2018. Gail will begin working with the Senior Room on this project in early June.

'Preparing for Storms'

Dangerous storms are the most common natural hazard in Australia and on average, cause more damage and destruction than cyclones, earthquakes, floods and bushfires.

Each year from May to October, storms, including, tornados, thunder, lightning, hail, flash flooding and gale force winds cause major destruction to the southern half of the State from Kalbarri to Israelite Bay. They are unpredictable and the damage they can cause should not be underestimated.

Most storm damage to homes occurs from loose and broken roof materials, fallen trees and branches and flooding from blocked gutters and downpipes. You can stay safe and reduce damage to your home by being prepared.

Preparing your home is your responsibility. Make preparing your home inside a priority to minimise damage from storms.

MEDIA RELEASE

LONG TERM CEO TO RETIRE

The Chief Executive Officer of the Shire of Broomehill-Tambellup, Joanne Trezona, has advised Council of her intention to retire from the position in August 2016.

Mrs Trezona, who commenced her Local Government career in Tambellup in 1989, was the Chief Executive Officer of the Shire of Tambellup from 1999 – 2008, and following the amalgamation of the Shires of Broomehill and Tambellup in 2008, has served as the Chief Executive Officer of the new Shire of Broomehill-Tambellup.

Council commenced the recruitment process earlier this year, and have appointed Keith Williams to the position. Mr Williams will be relocating to Tambellup from his current position as Executive Manager Development Services at the Shire of Collie, and brings a broad range of experience to the role through working within regional local governments and the private sector over many years.

Shire President Cr Garry Sheridan said, 'While we are saddened to see Joanne leave the Shire after so many years, we are confident Keith will work effectively with our staff and the community, and continue to take our Shire forward. We look forward to welcoming Keith to the community.'

Mr Williams will commence duties with the Shire on 1 September 2016.

PRESS RELEASE

19 May 2016

Now open: EOI for 2016 Hidden Treasures Bloom Festival – 16 September to 16 October

The Hidden Treasures of the Great Southern committee (HTGS) is now calling for Expressions of Interest (EOI) for involvement in the 2016 Bloom Festival!

Now in its sixth year, the popular Hidden Treasures Bloom Festival promotes forty or more 'events' over four weeks, across eight shires, or 16 communities. Bloom Festival events and activities entice some 15,000 visitors a year to the wonders of the Hidden Treasures region.

For community groups and local businesses, it is an opportunity to offer new or existing events to help promote and showcase their towns. In turn, event holders benefit from a range of marketing campaigns and great exposure, at no cost.

There has been an exciting rebranding of the Hidden Treasures of the Great Southern recently and Bloom Festival event holders and participants can expect clearer, fresh new promotional material this year.

HTGS Chair, Cassandra Hughes, said, "A diversity of events and activities is vital to create a vibrant and successful 2016 Bloom Festival. Some of the most popular examples in the past have been guided walks and tours, long table lunches, art exhibitions, open gardens, interactive workshops and entertainment events, to name a few."

Groups or individuals interested in being involved can find the Expressions of Interest form online from the Hidden Treasures website (www.hiddentreasures.com.au), or contact the 2016 Bloom Festival Coordinator, Rebecca Cassells (bloom@hiddentreasures.com.au). There are also a number of sponsorship opportunities available.

Expressions of Interest are due 4:00pm Monday 6 June 2016, to bloom@hiddentreasures.com.au or fax (08) 9827 1636.

COOKING WITH CHILDREN

From a young age, children can help with food preparation.
If your little one helps they are more likely to try new foods.
With supervision they can cut, grate, crush and mix ingredients.

Let them . . .

- * spread the margarine and vegemite on their sandwich.
- * peel apples and mandarins
- * mix cake batters
- * grate cheese for pizzas
- * thread fruit on skewers for fruit kebabs
- * roll a spoonful of biscuit mix before cooking

It is also really important to let them help with the cleaning up.
Supervise them while they wash and wipe the dishes.

Waldron pleased Country Age Pension Fuel Card to continue

Local regional pensioners will continue to benefit from the Country Age Pension Fuel Card, thanks to a further investment of \$140.1 million over the next four years through the State Government's *Royalties for Regions* program.

Local Member Terry Waldron said the investment - announced in the recent 2016-17 State Budget - would help local regional pensioners remain mobile and independent by supporting access to different transport options.

"The Country Age Pension Fuel Card plays an important role in assisting regional pensioners, including age pensioners and people with disabilities, to remain independent through the purchase of fuel and taxi services," Mr Waldron said.

"The regional community does not have access to the same level of public transport as metropolitan areas and the fuel card enables recipients to travel to medical appointments, get to community events and recreational activities, and visit family and friends more easily."

"Many regional residents have long distances to travel to access medical and health services and I'm proud that *Royalties for Regions* is assisting pensioners with these travel costs."

Nationals WA candidate for Roe Peter Rundle said existing cardholders would automatically be issued with a new card in July, provided they continued to meet the eligibility criteria.

"The value loaded onto the Country Age Pension Fuel Card will increase from \$565 to \$575 from 1 July, 2016," Mr Rundle said.

To be eligible for a fuel card, applicants must live in an eligible regional location in WA and receive a Centrelink Age Pension, Carer Payment, Disability Support Pension, Wife Pension or Widow B Pension, or a Department of Veterans' Affairs Service Pension, Social Security Age pension or Income Support Supplement.

Since 2008, the State Government through the *Royalties for Regions* program has invested a total of \$158 million to fund the Country Age Pension Fuel Card Scheme.

New applicants may apply by presenting a current Pensioner Concession Card and lodging a form at participating country Post Offices. To find the nearest participating Post Office, applicants may call the Fuel Card Information Line on 1300 666 609.

Royalties for Regions investment provides infrastructure and services that help to build vibrant regional communities with strong economies.

Since 2008, the State Government has invested \$6.9 billion into more than 3700 *Royalties for Regions* funded projects and programs.

For media enquiries please contact Terry Waldron on 9881 1225, email terry.waldron@mp.wa.gov.au or Peter Rundle - M: 0418 959 810, E: peter.rundle@nationals.wa.com

Royalties for Regions delivers new weather stations for Wagin electorate

Eleven new weather stations have been installed across the State, including three new stations in the Wagin electorate providing more accurate information ahead of grain season, thanks to *Royalties for Regions* (RfR).

Member for Wagin Terry Waldron MLA said the 11 new stations would complement the State's existing 145 weather station network.

"These new weather stations will provide real-time information including rainfall, temperature, humidity, evaporation rates, and wind speed and direction," Mr Waldron said.

"Local stations provide grain growers with valuable, localised information, helping them to understand the weather in their region and help their crops reach their maximum potential."

Soil moisture probes will also be installed in coming months to complement the weather stations, as part of the \$10 million eConnected Grainbelt Project funded by RfR.

Mr Waldron said the installations would be located on eDemonstration sites hosted by local grower groups, which would provide feedback to the project on how weather data could be better applied to help growers to deliver more productive and profitable crops.

"These eDemonstration sites provide a unique opportunity for growers, consultants and industry to get together and learn about, compare and contrast all of the decision support tools, systems and technologies available for on-farm decision making."

The eDemonstration sites in Wagin include:

- Facey Group, Wickiepin
- Southern DIRT, Kojonup and West Arthur Trials Group, Darkan
- Stirlings to Coast Farmers, Mount Barker and Gillamie Centre, Cranbrook

Regional Development Minister Terry Redman said the eConnected Grainbelt project would enable the agricultural sector to meet growing demand and strengthen regional communities where agriculture was a major economic activity.

"The project is connecting growers to the information they need to make appropriate decisions that are tailored for their paddocks, their business, and the variable conditions they face each season," Mr Redman said.

The weather data is available on the Department of Agriculture and Food WA's website online at www.agric.wa.gov.au or through the department's Weather app.

The \$10 million eConnected Grainbelt project is part of the \$300 million *Royalties for Regions* funded Seizing the Opportunity Agriculture Initiative.

KATANNING & DISTRICTS GARDEN CLUB NEWS.

K.D's Garden Centre was the venue for our May meeting, although Karina or Debbie couldn't be there, the staff on duty made us very welcome, we even conned Sarah into judging our floral art entries. Once again we had a very good attendance of members and visitors, with most members taking part in the competitions, with the results as follows,

FLORAL ART: 1.Helen Bignell, 2. Barb Groves, 3. Leonie King. **FLOWERS:** 1. Barb Groves, 2. Helen Bignell, 3. Leonie Daw. **TREE or SHRUB:** 1. Leonie King, 2. Ailsa Thomas, 3. Leonie King. **MY BEST FLOWER:** 1. Norma White, 2. Norma White, 3. Leonie King. **FRUIT or Vege:** 1. Helen Bignell, 2. Lorraine Poett, 3. Barb Groves. **POT PLANT:** 1. Barb Groves 2. Margaret Wise, 3. Shirley Brokenshire. **The raffle was won by Roxaine O'Toole.**

During the month we held our first Floral Art workshop, with Helen Bignell as the instructor, Helen demonstrated a Pave design & a tapestry design, 8 ladies took part with some lovely finished arrangements, another workshop was planned for later in May, a demonstrator would be coming from Mt Barker, We are hoping to run these workshops on a monthly basis, probably the 3rd Tuesday in each month, anyone is welcome to take part, for any information call Helen or myself.

Our congratulations to Barb Groves on being awarded the St John Ambulance Medal for her dedicated service, Barb received the award at Government House.

June meeting will be at Helen Kowald's home(22 Amber Street) on June 14th at 1.30 pm, Presentation of vouchers for the overall competition winners for the past twelve months will take place. Members are asked to bring a plate of afternoon tea to this meeting.

Members past & present and visitors always welcome

Cranbrook Motocross Officials Training

Severe weather warning dampened the motocross rider participation at the last Cranbrook Districts Motorcycle Club Day on Saturday 21st May, with only 21 riders racing. With a delayed start digging channels to drain the Rockwell Flats track and the day being cut short with the flaggies and riders bitterly cold and wet, it seems that yes motocross is definitely a winter sport!

For those of you who would like to become more involved with Cranbrook motocross then flagging and spectating Motorcycling WA our affiliated body is offering officials training courses in Cranbrook in June or July this year. Officials are the backbone of all motocross clubs and without them the day could not function. There are four main officials at each competitive event being, Steward, Clerk of Course, Race Secretary and Bike Scrutineers all positions require Motorcycling WA training every four years or proof of participation in that role.

The Race Secretary is the person responsible for the organization and pre event and post event management of a race meeting. The Race Secretary is responsible for affiliation, permits and licencing and checks that the motocross rider has filled out the entry and indemnity form correctly and has a valid licence. This is all done prior to racing so plenty of time to **watch the day's events!**

Scrutineer/Machine Examiner is the person responsible to ensure that every competing motorbike conforms to the regulations stipulated by Motorcycling WA and the event. The scrutineer also inspects all helmets and riding apparel to **ensure compliance. This is also all done prior to racing so plenty of time to watch the day's events also!**

Clerk of Course is the person responsible for the actual running of a race meeting. He or she ensures that the meeting is conducted in accordance with the Motorcycling WA policies and is responsible for all issues of safety. The Clerk of Course conducts the riders brief (meeting) prior to the commencement of the day.

The Steward is the "Top Dog" on the race day. All officials are answerable to him/her and their primary job is to handle disputes.

If you are interested in contributing to the CDMC Club Days in one of these roles register your interest with cranbrookmx@gmail.com. These courses are free and the participant must complete an online 24/7 level 1 operational course prior see www.motorcyclingwa.org.au

Cranbrook Motocross welcomes all motocross riding abilities and ages for practice or scheduled Club Days, Our upcoming events are Club Day Saturday 25th June 2016. This event has competitive and non competitive races. Pits open at 7am, motorbike examination and rider sign on 7:30am – 8:30am and riding starts 9am. Please remember that every riders needs to participate with flag duties so bring along a volunteer helper. Canteen available and spectators welcome. See website cranbrookmx.com for more information.
