SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday **19th May 2016** commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

Governance matters formed a large part of the Council agenda at the April meeting, with Council reviewing and implementing a number of policies relating to meetings convened to swear in newly elected Councillors, election of President, Deputy President, Committee members and Council representatives, private works, use of Shire equipment by community groups, advertising and portable directional signage, and street verge development.

With works about to commence on the redevelopment of the Tambellup Sports Pavilion, Council has determined that the annual club levies charged to sporting groups for use of the Pavilion and Oval will be waived for the 2016-2017 financial year.

Council determined that application would be made to Main Roads Western Australia to have the condition of 'no tri axle dollies' removed from the following roads to allow for the application of Restricted Access Vehicle Network 4 rating: Broomehill Kojonup Road, Fairfield Road, Tie Line Road, Tie Line North Road, Marshall Road, Old Broomehill Kojonup Road, Flat Rocks Road, Heron Road.

CONGRATULATIONS.....

Council extends its congratulations to the Broomehill Historical Society, Tambellup Lions Club and Tambellup CWA for their hosting of Anzac Services in Broomehill and Tambellup. The events continue to attract good numbers, a trend that is being mirrored across the country by all accounts. It is pleasing to see an increase in the number of young people from our community taking part in the local commemoration. Well done to all involved.

TAMBELLUP SPORTS PAVILION UPGRADE

Keen readers of the 'West Australian' and local newspapers may have noticed Council advertised the tender for the construction of the new sports pavilion and bowling green during April. The tender closes on 11th May and Council will consider the matter of awarding the tender at the meeting on 19th May. We are hopeful of a good amount of interest from the construction industry, at a price that fits Council's budget! More information will be provided in next month's BT Times. In the meantime, we anticipate a set of colour elevations showing the proposed construction will be available in coming weeks; these will be on display at the Tambellup Shire Administration office for anyone wishing to view them.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

WORKS

The rain received over the past couple of months has finally made an impact on our dams. In 2013, Council, along with the Shires of Cranbrook, Kojoonup and Plantagenet, was fortunate to receive funding through the Royalties for Regions Country Local Government Fund to implement works to increase the amount of storm water able to be harvested. This water is specifically for use on our ovals, parks and gardens. Works were completed in December 2015.

In Broomehill, activities included the expansion of the Broomehill town dam, expansion of a dam adjacent to the CBH site on Nardlah Rd, and installation of transfer pumps and pipeline to connect both dams to the Complex dam. In Tambellup, works included the construction of two concrete water tanks at the Tambellup Sports Ground, connection of these tanks to the oval reticulation, Jam Creek (No. 1) dam and Diprose Park reticulation, the expansion of the Bowling Club dam and, and installation of pumps and pipework required to connect the dam to the Oval tanks.

Works were completed just in time for the unseasonal rain in January, February and March. In Broomehill, the dams at the CBH are both full, and the expanded town dam was at one point only half a metre off being full. Water has since been transferred from the town dam to the Complex dam. In Tambellup, water has been transferred between dams at Jam Creek, with good levels available. Levels at the Railway dam have not changed significantly, indicating some work is needed on the catchment.

The Broomehill oval has been vertimowed and fertilised, and works to improve drainage will commence shortly. The Tambellup oval has also been fertilised recently, and is being mowed weekly with continuing rains. The use of treated waste water over the summer period, in conjunction with summer rain, sees the oval in peak condition and looking fantastic. Fortunately, the Hockey Club has been able to schedule a home game before works commence on the Pavilion upgrade, to take advantage of the excellent condition of the grass.

The maintenance crew has been involved in a wide range of activities over the last month with numerous town jobs, sealing and resealing. They have also been working on Taylor Street getting ready for contractors to seal and install new kerbing.

The construction crew has been working on Pallinup South Road between rain interruptions. Sealing of the section was due to be completed by the end of April, weather permitting. When this task is finished, the crew will continue with gravel sheeting on Norrish Rd, Punchmirup North Rd and Beejenup Rd. Sealing of stabilised patches on Toolbrunup Rd has been completed, and with funding left in the budget from this job, a one kilometre stretch of resealing will be carried out in tandem with the Pallinup South Rd sealing.

Maintenance grading continues, with the recently acquired CAT 12M grader on the job along with Council's older 12M. Roads graded during April included Pallinup Rd, Eureka Rd, Peringillup East Rd, Jam Creek Rd, Martinup Rd, Beejenup Rd, Fletcher Rd, Wray Rd, Green Rd, Collins Rd, Toolbrunup Rd, Stirling Access Rd, Anderson Rd, North Stirling Rd, Tallents Rd and Cremasco Rd.

KATANNING & DISTRICTS GARDEN CLUB NEWS

Maxine Potter welcomed us to her home and garden for our April meeting, although a wet & cold day we still had a good attendance. Plans were made for a floral art workshop to be held the following week, about 8 members indicated they were interested, Helen Bignell was to be the instructor for the day & leaflets were handed out on what to bring, I will report on the workshop next month.

Our Katanning Show information has been handed in to the Ag. Society, so now we just have to wait for the schedule to be printed, however if anyone wants to know what the classes are I have copy and will be only too pleased to pass on any information.

Barb Groves & Norma White had attended a seminar “Beyond Gardens”, Barb had taken lots of notes, hopefully we will be able to share these with you another time.

Competition results were: FLORAL ART: 1. Gerry Watson, 2. Barb Groves, 3. Maxine Potter. FLOWERS: 1. Norma White, 2. Isabel Woodall, 3. Fay Trudgeon. TREE or SHRUB: 1. Lorraine Poett, 2. Leonie King, 3. Ailsa Thomas. MY BEST FLOWER: 1. Norma White, 2. Gerry Watson, 3. Norma White. FRUIT or VEG: 1. Barb Groves, 2. Leonie King. POT PLANT: 1. Barb Groves, 2. Maxine Potter, 3. Ailsa Thomas. The Raffle was won by Gerry Watson.

Our May meeting will be held at K'D's Nursery & garden centre on Tuesday May 10th at 1.30pm.

Until next month take care and we will look forward to welcoming members & visitors to the Garden Centre.

Cheers, Alisa.

Old Fellas Footy Fun and Laughter (OFFAL) 2016

Offal, Season 7 commenced back on 8 February this year, and continued on for eleven subsequent weeks, to conclude with our special night on 18 April. Original thinking was to go through for an extra week, to Anzac Day, however with green grass that needed spraying and school holidays concluding, finishing a week earlier seemed the way to go.

Our first 10 weeks of training featured a few highlights that revolved around having three different coaches in consecutive weeks, as the regular one went about overcoming a tweaked hammy/calf muscle. 14 March saw Mick "Don't call me Micky" Batchelor take charge, adopting the mantra of "do as I say, not as I do", which works just fine at a gig like OFFAL.

The next week David "the Innovator" P-J came with the idea of actually practising marking the ball, and shooting for goal with a torpedo punt (something PJ does all the time).

Our final guest coach was Bill "Mr 2 Questions" from Dogtown. With the help of his Auskick training guide book, and a few kids home for Easter, we set a world record of 152 clean, clanger-free, red ball hand balls before Andy Webster (who carried Broomehill almost single handedly this year) found himself with 2 balls to deal with. Regardless, Coach Bill took all the credit for this record and one suspects he is eyeing the top job on a permanent basis.

On 11 April, those in attendance were graced with the presence of "Living Treasures" – Gloria Hilder and Pip Newing who came along to check out the buzz and feed the mozz. Even though OFFAL is an old fellas thing, having the ladies along was fun – tummies were tucked in just that little bit tighter and skills just that little bit sharper. Somewhere Gloria has a photo, and we hope to see it one day.

Our last and special night was 18 April. The turnout was tremendous with more than 70 blokes out to train plus others to observe and listen to our special guest. That special guest was "Tim the Toolman", a 30 year veteran of the Australian Army, who spent the last 28 of those years, doing charity work all over the world. We were very privileged to receive an intimate insight into Tim's work, the drive that it takes to get there and the ethos that guides men like Tim and his fellow charity workers to do the work they do. This was the first time that Tim had addressed a group of men other than his army colleagues, and it is hard to express in the written word how fortunate we were to listen to and ask questions of him. Last year's special guest Luc Longley has represented Australia at 3 Olympic Games, yet you could argue that Tim has represented his country with greater distinction, yet very few people know about it.

At the end of the evening Tim headed for home with a special flat stone, suitable for building a dry stone wall, (thanks David Lee Roth), a jar of the most tastiest pickled yabbies (thanks Capper Cant), two bottles of fine Wadjekanup wine (thanks Zizza), a black and tan male kelpie pup (thanks Dion new Dad Letter) resplendent with purple collar and lead (thanks Holly Farrell)!

Tim was totally chuffed, we were happy that 6320 had done it again, and OFFAL was done for another season.

Logistics for Season 8 in 2017 may be a bit tricky, but somehow we hope to see you all and more on the track. "Every Monday night is a beautiful night for training".

Broomehill Bowling Club Wind-Up

The Broomehill Bowling Club held it's 2015/16 wind-up on the 3rd April 2016. Along with traditional activities, some formalities took place which included club awards. The club would like to thank David and Jo Kempin for cooking lunch on the day.

After winning 9 out of 13 pennant matches during the home & away season, the Broomehill boys were found wanting a little during the finals which were held at Jerramungup. On a very slick green, Broomehill could not match the locals in their first game and then went down to Borden who ended up taking out the title. Thank you to all who represented our club throughout the year.

The Valentines Day Carnival was again a successful event. Thank you to the sponsors Primaries and Perrett's Painting Service. The club singles championship sponsored by the Bassanese Family at Broomehill Transport, was again played over the final weekend in January.

The Broomehill Bowling Club announced Charles Russell as the club singles champion for 2015/16. Charles defeated 8 time winner John Dye 25-18 in what was a very impressive display of concentration and determination from the youngster.

Charles became the youngest man (32) to win the title since the clubs foundation in 1962. This achievement was not only an historical moment in the bowling club. In 2015, Charles won the Broomehill Golf Club Champion for the second time.

Charles became only the second person to win both golf and bowls titles in the same year since the Broomehill Recreational Complex was opened in 1987. Bruce Thompson achieved it in 1995, some 21 years ago.

The Broomehill Bowling Club would like to congratulate Charles on this achievement and all other trophy winners for the 2015/16 bowls Season:

Singles Runer-Up - John Dye

Plate Winner - Dennis Ballarino

Plate Runner-Up - Andy Webster

H/cap Singles - Tom Kempin

H/cap Singles Runner-Up - Brian Sanger

Pairs Winners - Ross Thomas & Jose' Barrera

Pairs Runners-Up - Charles Russell & Brian Sanger

The club would also like to thank Captain/President John Dye for running the show this year.

We would like to invite all members and non-members to our winter jack-club competition which commences in June and next years summer competition, commencing in October.

NEWS OF THE MONTH

The Eucla Expedition will positively start from Perth today. The party will consist of Mr John Forrest, leader; Mr Alex Forrest, second in command; W. H. Osborne, blacksmith, and Police constable McLarty; & Tommy Winditch and Billy, native assistants. From Kojonup, Mr Forrest intends to travel via Etipup to Jerramungup, and thence to Esperance Bay. Sixteen horses will be taken, and the schooner, Adur, will leave about the 6th proximo, conveying the larger part of the stores, keeping up communication with the party along the coast. The vessel will proceed as far as Eucla Harbour and return to Fremantle, but the Expedition, after Mr Forrest has reconnoitred the country and made his observations, will proceed by the stations at Fowler's and Streaky Bays to Adelaide.

Hon Terry Waldron MLA
MEMBER FOR WAGIN

INATIONALS
for Regional WA

Media release

April 22, 2016

***Royalties for Regions* grants available for sporting equipment**

Royalties for Regions is continuing to support regional sporting clubs with the latest round of the Community Sporting Club Equipment Subsidy Scheme now open.

Member for Wagin Hon Terry Waldron MLA said the program allowed regional sporting clubs across WA to apply for a \$500 grant to spend on sporting equipment for the club.

"To date, more than 890 regional sporting clubs have received \$445,000 through the Community Sporting Club Equipment Subsidy Scheme," Mr Waldron said.

"The grants are a great way of giving back to sporting clubs, who provide more than just an outlet for physical activity in regional communities.

"Sporting clubs can also provide an important social outlet, foster the development of our regional youth, and help people of all ages to remain physically active, mentally healthy and engaged in their community."

Mr Waldron said the \$500 subsidies would be spent on equipment such as balls, bats, racquets, bibs, protective gear, team uniforms, First Aid kits, shade tents and safety gear.

"Having new and easily accessible equipment also makes it easier for clubs to attract new players to their sport, helping new people to get involved and further benefiting the community and the club," he said.

Minister for Regional Development, Terry Redman MLA said the subsidy would help clubs provide the equipment they required to keep pace with the growing population in regional WA.

"Sporting equipment is expensive and this investment provides support for regional residents to remain active," Mr Redman said.

"*Royalties for Regions* recognises that sporting clubs are close to the heart of thriving regional communities."

Administered by the Department of Sport and Recreation, the four-year scheme will deliver \$1 million to regional clubs.

For more information and to apply visit www.dsr.wa.gov.au/club-equipment

Applications close May 13, 2016.

For media enquiries please contact Terry Waldron on 9881 1225 or email terry.waldron@mp.wa.gov.au

ASHER BUSINESS GROUP provides a wide range of services designed to help people and businesses avoid conflict or issues at work or at home. Our two most popular services include:

DISPUTE RESOLUTION (MEDIATION & NEGOTIATION)

"Dianne Madden from Asher Group was recommended to us to assist in resolving a complaint we had received from a client. The matter was complicated, a number of parties were involved and clearly our business was the "soft target" for compensation. We had spent numerous hours and consulted various bodies in an attempt to resolve the matter. When confronted with the prospect of legal action we were clearly out of our depth.

From our initial meeting Dianne was professional, highly organised, efficient and clearly well equipped to advise and act on our behalf, if necessary. She was consultative, offering informed advice, options and instructions whilst respecting our wishes and desire to reach an amicable conclusion for both our client and our business. We were happy with the outcome and only wish we had known of Dianne's services earlier."

Steve & Denise Amato, Owners of Bathroom Decor & Tiles, Albany

Conflicts can arise at home or at work, such as breakdowns in relationships or financial issues. Whatever the cause of your personal conflict, you can be rest assured that we can be there to help. Dianne Madden, our Personal Dispute Resolution expert can help individuals in areas of conflict that include:

- Resolving Community Disputes;
- Settle family succession planning disputes;
- Preparing claims, gathering evidence and negotiating on your behalf;
- Commercial & business disputes; and
- Property settlements.

Our goal is to help you and the other party achieve a mutually-beneficial agreement that will help you save time and money and keep you free from stress.

At the same time, make no mistake, businesses have crumbled as a result of minor misunderstandings that have snowballed into major problems. Any and all conflicts should be dealt with immediately by a professional.

Overall benefits of Mediation & Dispute Resolution are: solves problems, saves time, saves money, less stress, better health, more happiness and harmony, more productivity and better bottom line.

Professional help is important because as much as we want them to, problems don't automatically go away; giving a problem "time" just prolongs the agony and dealing with situation incorrectly can exacerbate the problem.

Mediation & Conflict Resolution is a complex and delicate process, which has taken years of skill and practice for a good mediator to refine and perfect. No matter what the problem, we can work toward a mutually beneficial solution through mediation and dispute resolution.

CASH FLOW FINANCE

Some of the most successful businesses have gone under as a result of cash flow problems. Don't let this happen to you. We can assist by helping you find and obtain the most cost-effective and suitable cash flow finance for your specific needs. We help with legal and procedural processes and we liaise with banks, legal and accounting firms.

The overall benefits of our cash flow finance services are: stay in business; grow with confidence; reduce stress and increase productivity and positivity.

For a friendly, obligation-free chat about our Dispute Resolution or Cash Flow finance services, please visit our website: www.ashergroup.com.au or call Dianne Madden on 08/9847-4996 or 0410 456 060.
