## Regional Roadshow GardenWise Seminar

**Sunday 3rd April**  
**10am - 1pm**  
**Tambellup Hall**  
**Norrish street**  
**Tambellup**

### Ideal for all gardeners

- Understanding and improving your local soil
- Waterwise and fertiliserwise tips and tricks
- Principles of good design
- Growing food at home with far less water
- Waterwise irrigation
- Gardening myths the TV shows don't tell you
- Questions and Answers
- ....and much more....

Always fun and informative these seminars dispel popular myths and replace them with a host of practical tips that increase the WOW factor. ....and it's all FREE!

*Proudly sponsored by :*

**Please tell everyone  
information, fun, free and  
we even feed you!**

The Beyond Gardens Team will also be visiting:

Eaton, Bridgetown, Nannup, Manjimup,  
Pemberton, Walpole, Denmark, Albany,  
Kojonup, Katanning, Dumbleyung

see [www.beyondgardens.com.au](http://www.beyondgardens.com.au) for details

Registrations can be directed to Marni at the Shire, by phone on 9825 3555, email to [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au), or in person at the Broomehill or Tambellup Shire Offices.  
Please RSVP by Wednesday 30<sup>th</sup> March 2016 for catering purposes.

**...and it's FREE!**

**We still guarantee no  
sales pitches just free,  
practical advice**

## SHIRE OF BROOMEHILL-TAMBELLUP

**Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)**

**The next meeting of Council will be held on Thursday 17th March 2016 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

### FROM THE COUNCIL MEETING

Council accepted the tender submitted by Wauters Enterprises for the construction of a new staff residence at 63 Taylor St, Tambellup. It is anticipated works will commence on site in the very near future. Council supported a proposal submitted by Main Roads WA to amend the Restricted Access Vehicle Network rating for a section of Peter Valley Rd south of Paul Valley Rd to the Cranbrook Shire boundary, from Network 2 to Network 4, subject to conditions. Council considered and endorsed townscape plans for Broomehill and Tambellup. Provision was made in the 2015-2016 budget for Council to engage the services of a consultant to develop townscape plans for the Broomehill and Tambellup townsites. Council has established a reserve fund for townscape improvements, and planned works will be programmed into future budgets. Copies of the townscape plans are available for perusal at the Shire Administration offices.

### ANNUAL ELECTORS MEETING

The Annual Electors meeting held on the 8<sup>th</sup> December 2015 saw a small turnout of interested electors. Matters discussed included the appointment of the Community Emergency Services Manager, the timing of the Annual Electors meeting, and Restricted Access Vehicle (RAV) Network ratings. The minutes of the meeting and the Shire's 2014-2015 Annual Report are available for perusal at the Shire Administration offices, and also on Council's website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au).

### CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

For all methods, please include your name and contact details so we are able to respond to you.

### TAMBELLUP SPORTS PAVILION UPGRADE

A Christmas bonus for the Pavilion project was received from the Federal Government with the announcement early in December that our application to the National Stronger Regions Fund Round 2 had been approved. \$950,000 has been awarded to the project, providing a welcome cash injection. In this round, funding of \$293 million was awarded to 110 projects across Australia, with combined total project costs of \$841 million. The demand on this funding opportunity is extremely competitive, with applications requiring a high level of detail, planning and broad support, so staff involved in preparing the application are extremely happy with this outcome!

Following the close of the public comment period for the draft Pavilion plans at the end of November, the committee met with the architect in December to consider all feedback and prioritise issues. Amended plans were considered and discussed extensively by Council and the Committee during February, and pending modification, we are hopeful the design and site plan will be finalised early in March. Council is obliged to commence construction before the end of the financial year, with some major steps to be completed before then, including finalising the Federal funding agreement, development of the tender specifications and advertising/awarding the tender for the construction, and of course endorsing the final design.

The completion date for the project at this stage is estimated to be September 2017. The community is advised that once demolition of the Pavilion, including the caravan park ablutions, has commenced, there will be no toilet facilities available at the oval. The oval lights will also be unavailable. We apologise for any inconvenience this may cause, but look forward to unveiling the new facilities and the increased opportunities for community sport and recreation that they will bring.

### COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

## WORKS

The significant rains experienced during January and February have caused some headaches, with a number of gravel roads in the south east and north west sections of the Shire damaged. The State Government has declared the event a natural disaster, and the Shire will be able to access funding to repair the affected roads.

As the works are required to be completed by contractors, once the assessment of damage has been completed and repairs costed, Council will be required to call for tenders to complete the estimated \$1 million of reinstatement works. This will be a lengthy process, and Council asks for your patience as these requirements are met.

Council has had a two week period after the first rainfall event to make roads trafficable, however the cost of any works completed after this period are not able to be claimed back. In the meantime, please exercise due caution when travelling on gravel roads throughout the Shire.

The rain has not been all bad news, with water levels in Shire dams particularly in Broomehill increasing noticeably. This has allowed water to be transferred to the Complex dam to be used on the oval. The gardens are also looking great, however the flush of weeds and grass is keeping staff busy. Mosquito fogging has been carried out in both towns on a number of occasions since the rain to control numbers.

With the works crew taking leave over Christmas and January, the road construction program slowed a little, however everyone is back on deck and works are continuing. Through December and February, gravel resheeting was completed on sections of Toolbrunup Rd, Johnston Rd, and Pindellup Rd. Upcoming construction works include the stabilising of a section of Toolbrunup Rd, and the resealing of a section of Gnowangerup-Tambellup Rd.

The maintenance graders have been working through the western part of the Shire over the past couple of months, and following the rain, the maintenance crew and graders carried out works to open up flood damaged roads.

## BUDGET 2016-2017

Council is about to commence preparation of the 2016-2017 annual budget. As part of that process, community and sporting groups are invited to submit requests to Council for consideration in the budget. Written submissions should be forwarded to the Chief Executive Officer, 46-48 Norrish Street Tambellup by close of business on Thursday 24th March 2016.

## BEYOND GARDENS

We are pleased to advise the Beyond Gardens team will be making a return visit to Tambellup to present their Regional Roadshow 'GardenWise Seminar' on Sunday 3<sup>rd</sup> April, 10am-1pm at the Tambellup Hall. Gardeners of all abilities are invited to attend this free session presented by John Colwill (former ABC weatherman and gardening guru) and Garry Heady, who will discuss matters such as improving your local soil, waterwise and fertiliserwise tips and tricks, growing food at home with less water, and much, much more.

***Morning tea will be provided, and those interested are asked to contact Marni at the Shire on 9825 3555 for catering purposes, by Wednesday 30<sup>th</sup> March 2016.***

Beyond Gardens last visited Tambellup in 2011, when we had 70 people in the hall to listen to what they had to share. The Regional Roadshow program is sponsored by the Water Corporation.

## DID YOU KNOW.....?

### **That it is prohibited to exercise dogs on either of the town ovals?**

Council's parks and gardens staff, and sporting groups have reported the amount of dog poo on the ovals in Broomehill and Tambellup is steadily increasing again. Residents are reminded that in accordance with the ***Shire of Broomehill-Tambellup Dogs Local Law 2008*** dogs are **prohibited absolutely** from the Broomehill Recreational Complex and the Tambellup Sports Ground. Contravention of this Local law may see a fine of up to \$2000 imposed on the person in control of the dog at the time of the offence.

The Local Law also states that it is an offence for a dog to excrete in a public place and a fine of \$200 may be imposed on the person/s in control of the dog if they fail to remove the excrement.

Council has set aside designated dog exercise areas in both townsites for off leash exercising of dogs. These areas are located at:

- Reserve 634 Javelin St Broomehill
- Reserve 1698 Spencer Rd Broomehill
- Lot 24 Broomehill-Kojonup Rd Broomehill
- Part of Reserve 19757 East Terrace Tambellup (not including the oval and immediate surrounds)
- Reserve 22607 Garrity St Tambellup.

If you would like more information about these locations, please call in to either Shire Administration Office to view a townsite map.

Your cooperation in this regard will be sincerely appreciated by users of the ovals.

**RESTRICTED BURNING PERIOD**

All residents are advised the **RESTRICTED** burning period commenced on **15 FEBRUARY 2016** and continues through until **15 APRIL 2016** inclusive. You are required to obtain a permit prior to lighting any fires during this period.

Permits can be obtained through your Brigade Captain/Fire Control Officer, or the Chief Fire Control Officer:

Chief Fire Control Officer	Ray Squibb	0407 984250
Deputy Chief Fire Control Officers	Ben Hewson	0417 969975
	Ian Cunningham	0428 253062
Broomehill East	Gavin Guerini	0488 241012
Broomehill West	Anthony Witham	0428 241087
Broomehill Central	Andy Webster	0439 629209
Tambellup East	Kim Oliver	0427 258157
Tambellup West	Nigel Sheridan	0427 253097
Tambellup Town	Laurie Hull	0428 251177
Community Emergency Services Officer	Cindy Pearce	0417 071567

**Please note the lighting of fires is PROHIBITED during the Easter holiday period, Friday 25<sup>th</sup> March to Monday 28<sup>th</sup> March inclusive. No permits will be issued during this period.**

**HARVEST AND VEHICLE MOVEMENT BANS/ROAD CLOSURES**

Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. If you would like to register for this service, or no longer wish to receive notifications, please contact Kim at the Shire on 9825 3555.

*For your information - while outgoing SMS messages are generated by the Shire, they are sent via an online service based in the Eastern States. Please do not respond directly to the text message – these are not monitored at all. If you need to respond to the Shire or Chief Fire Control Officer please ensure you have the correct phone numbers.*

*Our next day will be Saturday 19th March. Everyone welcome. Bring your own lunch, tea and coffee supplied. We do have a Mystery Quilt project running if you would like to take part, otherwise bring along your own project and show us what you are doing.*

## Emergency + app

You're driving along a rural road and you suddenly come across the scene of a motor vehicle accident. You find that there are passengers in the car that are notably injured. You need an ambulance urgently but you don't know where you are. There are no street signs and you have no idea what road you're on. How is the ambulance ever going to find you?

This is just one of the many scenarios where having the Emergency + (Emergency Plus) app for smartphones may truly save your or others' lives in the event of an emergency. The Emergency + app is the official application produced by the National Triple Zero Awareness Work Group.

The app has been developed to encourage people in Australia to call the correct number for help in emergency and non-emergency situations, such as Triple Zero (000) for emergencies and 132 500 for SES flood and storm situations.

Free of charge, it uses the existing GPS functionality of smartphones to enable callers to provide emergency call-takers with their location information as determined by their smartphone. Latitude and longitude details appear on the opening screen and can be relayed to an emergency operator along with address and suburb details.

Statistics show that nationally, 66 per cent of all incoming calls to Triple Zero (000) are made from mobile phones. Many of these emergencies occur in circumstances where callers are unfamiliar with their exact location. This includes places like beaches, parklands or long stretches of highway.

The Western Australia Police proudly supports the Emergency+ app, which is also endorsed by state and territory governments. It encourages everyone to install Emergency+ on their phone to ensure help can be sent as soon as possible to the right location in an emergency situation.

It is worth noting that mobile coverage is not universally available outside major population centres and people should not assume they can be located accurately and quickly anywhere in Australia. If people travel into areas without mobile coverage, they should take personal safety precautions and consider using other mobile safety devices such as personal locator beacons. Visit the [Emergency+ site](#) or click on your phone's store to download the app.

The more we do things in the community for our own mental health, the stronger the community becomes. The stronger the community we live in, the better for our mental health.

**A c t - B e l o n g - C o m m i t**  
[www.actbelongcommit.org.au](http://www.actbelongcommit.org.au)

Volunteering can give people a purpose in life – which is a great contributor to one's mental health.

Helping out at the school canteen, or the footy club, or through Lions or Rotary, or visiting someone who is housebound, not only makes for a stronger community but is also good for your mental health.

**A c t - B e l o n g - C o m m i t**

I would like to thank all the farmers who have paddocks on the Great Southern Highway. When my grandchildren visit me from Perth, they see the mounds near the fences, these mounds are from your bins which you empty while harvesting.

I tell them they are dinosaurs poo. Well, the excitement in the car is electric. They have seen dinosaur heads, tails and the odd body in the trees at the rear of the paddocks.

So I thank the farmers for supporting my grandchildren's imagination. One day they are going to tell me there are no living dinosaurs today Nanna, but while I can capture their imaginations with dinosaur poo, well it's dinosaur poo

Lynn Dille

DID YOU KNOW...

"Never do for a child something he is capable of doing himself."

Elizabeth Hainstock

### DEVELOPING RESILIENCY AND INDEPENDENCE IN OUR CHILDREN

As adults we don't like to see our children struggle with a task or activity.

We will often do it for them or step in and help without giving them time to have-a-go by themselves.

Children learn by having-a-go, making mistakes and practising. We did not learn to walk, talk or read on our first attempt and neither will your little one.

Give them time to experiment, practise and develop their confidence.

They will succeed and in the process learn valuable lessons. They will learn

- ◆ Persistence
- ◆ Confidence
- ◆ Resilience
- ◆ Independence
- ◆ Problem solving skills
- ◆ Determination
- ◆ and the joy of succeeding

If your little one is struggling with an activity break it down into manageable steps to make it easier.

Encourage but don't take over and do it for them.

Praise all attempts.

## Bushfire

## Safer places in a bushfire

Factsheet

09

ARE YOU  
BUSHFIRE  
READY?

areyouready.wa.gov.au

## Where to go as a last resort

It is important to identify places where you can go as a last resort if you are unable to leave or implement your bushfire survival plan. A 'safer place' is somewhere you can shelter during bushfire. These places may include a local open space, a dam or beach. Identify and plan where your family safer place will be.

## Consider the use of a safer place as part of your backup plan when:

- ☐ You are not able to carry out your Bushfire Survival Plan.
- ☐ Your plan was to stay and actively defend however the fire has worsened and your home is no longer a safe place to shelter. Leaving your home in this situation is now your safest option.

## Once you have arrived at your safer place you need to:

- ☐ Keep up to date with fire information by radio, mobile phone or whatever means of communication you have.
- ☐ Make sure all doors and windows are sealed as best as possible if your safer place is a building.
- ☐ Seek protection from radiant heat and embers as best you can if your safer place is an open space. Cover any exposed skin with blankets or clothing and lie flat on the ground as the fire passes.
- ☐ Remain vigilant for possible ember attack and new fire fronts.

**If you or a family member have special needs you should think about what assistance may be needed at a safer place. You will need to consider this in your Bushfire Survival Plan. Refer to Factsheet #1.**

**Safer places have their limitations. There are things that you will need to consider if you do plan to use a safer place in your bushfire survival planning:**

- ☐ They do not guarantee safety in all circumstances. You and your families' safety should be your first priority.
- ☐ There may be a risk with travelling to your safer place. Check to see if the route is safe and clear, have a contingency route or safer place in your back-up plan.
- ☐ Firefighters may not be there, they may be fighting the main fire front elsewhere.
- ☐ Your safer place caters for animals or pets. You will need to consider this in your bushfire survival plan.
- ☐ Your safer place may not cater for animals or pets. You will need to consider this in your bushfire survival plan.
- ☐ Your safer place may not provide shelter from the elements of a bushfire, particularly flying embers and hot weather. Keep woollen blankets in your car to give you shelter from flying embers and a supply of drinking water.

# KIDSPORT™

Department of  
Sport and Recreation

**SPORT<sup>A</sup>4ALL**  
Project

Because every WA kid deserves a fair go

## **WINTER SPORTS ARE NEARLY HERE AGAIN – ARE YOUR CHILDREN ELIGIBLE FOR KIDSPORT FUNDING??**

KidSport enables eligible Western Australian children aged 5-18 years to participate in community sport and recreation by offering them financial assistance towards club fees. The fees go directly from the local government to the registered KidSport clubs participating in the program.

### **Are your kids eligible??**

- Applicant must be aged 5-18 years.
- Applicant must have a Health Care Card or Pension Concession Card.

Applicant primary place of residence must be in the local government area they are applying to.

### **What else?**

- Funding will cover the cost of fees to join the nominated registered sport or recreation club (*this may include other related costs as identified by the club*).
- Maximum of up to \$200 per child per calendar year.
- Fees are only for the nominated registered season.
- No retrospective fees will be paid.

No limitation to number of applications per family as long as criteria is met.

Applications can be obtained from the Shire Administration offices in Broomehill and Tambellup, or alternatively visit the Department of Sport and Recreation website [www.dsr.wa.gov.au/kidsport](http://www.dsr.wa.gov.au/kidsport) and follow the links to download an application.

For more information please contact Marni or Pam at the Shire on 9825 3555.

## **Broomehill and Holland Track Souvenirs For Sale**

- Holland Track mug \$5.00;
- Holland Track stubbie holder \$4.00;

### TAMBELLUP BOWLING CLUB

The Hammers Mixed Triples were held in Tambellup on Sunday 21st February. Sixteen teams competed in this very popular event sponsored by Hammers Furniture, Albany. Pictured are the winning team from Gnowangerup Kevin Heberle, Maureen Heberle and Victor Wellstead with Anne De Jager from Hammers, Club Captain Martin Sadler and President Colin Kingston.

**Hon Terry Waldron MLA**  
MEMBER FOR WAGIN

**THE NATIONALS**  
for Regional WA

Media release

February 16, 2016

#### Thank a Firey on National Red Balloon Day

The Nationals WA are calling on regional communities to hold a sausage sizzle or a morning tea to help raise funds and awareness for WA's volunteer fire fighters on February 28 for National Red Balloon Day.

Member for Wagin Terry Waldron MLA said 2016 had been a particularly challenging year for volunteer fire fighters, with savage bushfires devastating communities and claiming lives across the State.

"Our volunteer fire fighters often leave their homes, families and communities to protect yours. They are the true heroes of regional WA," Mr Waldron said.

"Since beginning in 2014, National Red Balloon Day has raised more than \$43,000 for organisations which support fire fighters in times of hardship."

Funds raised through National Red Balloon Day in WA go towards the Association of Volunteer Bush Fire Brigades WA.

"You can help out this wonderful initiative by purchasing a red balloon or other merchandise, such as car bumper stickers, online, or by organising a community fundraiser."

Mr Waldron said a sausage sizzle, morning tea, or a raffle were simple and easy fundraising ideas which could yield great results.

"Every dollar helps, and by flying a red balloon from your letterbox, fence, or place of business, you can show support for the many volunteer fire fighters in your area and across the State."

The Nationals WA are also supporting emergency services volunteers with the roll-out of the *Royalties for Regions* funded Emergency Services Volunteer Fuel Card.

The \$2000 per annum fuel card was launched late last year, and will be sent out to eligible fire brigades, State Emergency Services, St Johns Ambulance, and Volunteer Marine Rescue Services in regional WA.

"The first round of Fuel Cards has now been signed off on, and organisations who have put in a successful application should expect to receive their cards within the next month," Mr Waldron said.

"It's our small way of giving something back to the many regional volunteers who sacrifice so much to protect families and communities during times of crisis."

To purchase merchandise or register your event online, visit [www.nationalredballoonday.org](http://www.nationalredballoonday.org) or visit [www.facebook.com/NationalRedBalloonDay](https://www.facebook.com/NationalRedBalloonDay)

For media enquiries please contact Terry Waldron on 9881 1225 or email [terry.waldron@mp.wa.gov.au](mailto:terry.waldron@mp.wa.gov.au)

**Hon Terry Waldron MLA**  
MEMBER FOR WAGIN

**THE NATIONALS**  
for Regional WA

Media release

February 9, 2016

#### Three million dollars to revitalise regional pools thanks to *Royalties for Regions*

Public swimming pools and aquatic centres in regional Western Australia will be in top shape this summer, thanks to a funding boost made possible by *Royalties for Regions* and The Nationals WA.

Member for Wagin Terry Waldron MLA welcomed Friday's announcement of almost \$3 million in funding for the Community Pool Revitalisation Program – which will be put towards 94 aquatic centres, swimming pools and water playgrounds in regional communities.

"The program was a Nationals WA election commitment, and will help local governments with the funding necessary to maintain and upgrade their aquatic facilities, purchase new equipment, provide staff training, or to subsidise the cost of entry to the pool," Mr Waldron said.

"With the warm summer weather we're currently experiencing, there's no better time to get down to the pool and cool off. As well as being a recreational hub, local pools are often the first place many regional residents learn and develop a love for swimming."

In the current round of the Community Pool Revitalisation Program \$2,938,667 has been made available through *Royalties for Regions*. Annual funding of up to \$32,000 per aquatic centre and \$10,000 per water playground, when attached to a primary aquatic facility, is available.

Mr Waldron said the following local government areas in the Wagin electorate had received funding:

- |                    |                        |
|--------------------|------------------------|
| - Boddington       | - Dumbleyung           |
| - Gnowangerup      | - Jerramungup          |
| - Katanning        | - Kojonup              |
| - Kulin            | - Lake Grace           |
| - Mt Barker        | - Pingelly             |
| - Wagin            | - West Arthur (Darkan) |
| - Wickepin         | - Williams             |
| - Town of Narrogin |                        |

"*Royalties for Regions* is ensuring community swimming pools continue to be safe and vibrant places to enjoy physical activity and a healthy lifestyle," Mr Waldron said.

Minister for Sport and Recreation and acting Minister for Regional Development Mia Davies announced the funding on Friday.

"Particularly in regional and remote communities, aquatic centres are important facilities because there's evidence that when they are well patronised, they contribute to a reduction in chronic disease and improved educational and social outcomes," Ms Davies said.

"We also know that active children learn better, aside from the mental and physical benefits, there are also great community and social outcomes for kids who are active."

For a full list of successful Community Pools Revitalisation Program recipients, visit [www.dsfr.wa.gov.au/cprp-successful](http://www.dsfr.wa.gov.au/cprp-successful)

## Improvement grants for aged care services

Tuesday, 2 February 2016

- Up to \$19 million available to improve residential aged care and dementia care
- Grants available in Great Southern, Goldfields, Mid-West, South-West and Wheatbelt regions
- Part of Southern Inland Health Initiative, funded by *Royalties for Regions*

Aged care organisations are invited to apply for one-off grants aimed at helping older people living in regional towns, remain independent and engaged in their community.

The grants, worth \$19 million, are part of the Southern Inland Health Initiative and made possible by the State Government's *Royalties for Regions* program.

Health Minister Kim Hames said the funds would be available to private and not-for-profit organisations, able to enhance facilities and services that help regional people stay living in their communities as they age.

"There is a global focus on how best to cater for people as they age and to ensure they remain healthy, active and engaged in the community," Dr Hames said.

"This is also supported through age friendly communities and age-appropriate housing where older people can maintain links to social networks and activities, in an environment that is familiar, safe and secure."

Proposals which reflect contemporary aged care practices, partnerships and investment beyond the allocated grant will be considered favourably. Information about the grants can be accessed on the Tenders WA [website](http://www.tenders.wa.gov.au).

Acting Regional Development Minister Mia Davies said it was important to provide regional seniors with the opportunity to remain in their communities as they age.

"The best residential aged care options are strengthened through collaboration and therefore, I encourage eligible private providers to apply for these grants," Ms Davies said.

"*Royalties for Regions* is transforming the way health and aged care services are delivered in regional WA, to ensure the sustainability of our regional communities."

#### Fact File

- The Federal Government has overarching responsibility for aged care throughout Australia and is introducing a raft of changes to the sector over 10 years
- The WA Country Health Service supports the concept of ageing in place, which makes it easier for older people to stay socially and physically connected with their community
- For more information, visit <http://www.health.wa.gov.au/southerninland>

Albany 20<sup>th</sup> Oct 1869

- *The Perth Gazette and West Australian Times*  
Friday 4 March 1870

### FOR SALE

The following Estates are offered for Sale by the Executors of the will of the late EDWARD MAY SPENCER, Esq, by whom Tenders for the same, or any part thereof, will be received, addressed under cover to the Rev. A. K. MacSorley, Albany, or E. W. Landor, Esq, Perth -

### Freeholds -

... No. 4 - Kojonup Locations Nos. 12, 26 and 38, containing together 125 acres, more or less, situate at Eticup. ....

- *The Inquirer and Commercial News (Perth)*  
Wed 30 March 1870

### NEWS OF THE MONTH

The Eucla Expedition will positively start from Perth today. The party will consist of Mr John Forrest, leader; Mr Alex Forrest, second in command; W. H. Osborne, blacksmith, and Police constable McLarty; & Tommy Winditch and Billy, native assistants. From Kojonup, Mr Forrest intends to travel via Eticup to Terra-mungup, and thence to Esperance Bay. Sixteen horses will be taken, and the schooner, Adur, will leave about the 6<sup>th</sup> proximo, conveying the larger part of the stores, keeping up communication with the party along the coast. The vessel will proceed as far as Eucla Harbour and return to Fremantle, but the Expedition, after Mr Forrest has reconnoitred the country and made his observations, will proceed by the stations at Fowler's and Streaky Bays to Adelaide.

- *The Western Australian Times Friday 16 October 1874*  
**GOVERNMENT GAZETTE**

RESERVES - His Excellency the governor has been pleased, on the recommendation of the commissioner of Crown Lands, to set apart the following lands as public reserves: The whole of the island called Mistaken Island or Rabbit Island, situate near the south-western shore of King George's Sound, for acclimatisation purposes; 50 acres for Roman Catholic Church purposes at Eticup, near Kojonup; about 29 acres, on each side of the centre of the bed of the Moore River, for New Norcia Mission purposes; 100 acres for Roman Catholic Glebe at Dardanup; and 32,000 acres for commonage at the Irwin, in lieu of the reserve gazetted a few weeks ago.

## KATANNING & DISTRICTS GARDEN CLUB NEWS.

Our first meeting for 2016 just happened to be on the hottest day for this summer, however we held the meeting in the Arts & Crafts rooms which was air conditioned and proved to be a successful afternoon with 12 members attending despite the weather.

Competitions were well supported, considering the heat that we had experienced members managed to find something to bring along. The competition results were as follows:- FLORAL ART : 1. Helen Bignell, 2. Pam Garlick, 3. Maxine Potter. FLOWERS: L. Ailsa Thomas, 2. Ailsa Thomas, 3. Pam Garlick. TREE or SHRUB: L. Gerry Watson, 2. Pam Garlick, 3. Pam Garlick.

MY BEST FLOWER: L. Ailsa Thomas, 2. Pam Garlick, 3. Ailsa Thomas. FRUIT or VEGE: 1. Anne Rees, 2. Leonie Daw, 3. Anne Rees. POT PLANT: 1. Leonie Daw, 2. Ailsa Thomas. The raffle was won by Helen Bignell.

The Katanning Show was discussed with only a few alterations to the schedule, cuts, specimens and the decorative bowls will remain almost the same, with a few different classes in the Floral Art. We also hope to reintroduce a novice section in the floral Art.

The Great Southern Iris championship has been applied for once again, hoping that people will have irises this year, unlike last year when the season was too early. This year is the 125th year for the show in Katanning so we are hoping to be able to have a wonderful display.

Condolences were expressed to Anne Rees on the loss of her mother-in-law, Alice Harris. Alice had been a dedicated club member for several years and had hosted several meetings in her home, she passed away after suffering for many years with Kidney problems, I am sure she will be sadly missed but we have wonderful memories of her time with us.

Gerry read out some garden hints, here are just a few, give plants a deep watering, shallow watering is useless in the summer, dead head agapanthus before they set seed, give roses a summer pruning to get more blooms in the autumn, mulch & water tomatoes to avoid fruit rot.

Our March meeting will be on Tuesday March 8th at 1.30pm at Shirley Brokenshire's home 43 Daping Street. For anyone that hasn't been to Shirley's, it is a garden with a difference so be prepared for a pleasant surprise, the meeting will be held in the garden under a canopy of trees.

All for this month will look forward to seeing you at Shirley's, Cheers Ailsa.

### For Sale

A list of some of the recent arrived stock.

#### MISCELLANEOUS –

- Nostalgia Electrics retro vertical shush maker, red, \$10.00.
- Shoe rack, white plastic covered metal, holds 9 pairs of shoes, \$2.00.
