SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 19th November 2015 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

Council set the following ordinary Council meeting dates for 2016:

18 February	17 March	21 April	19 May	16 June	21 July
18 August	15 September	20 October	17 November	15 December.	

Council endorsed the reviewed Memorandum of Understanding between the Shire, Department of Fire and Emergency Services and the Tambellup Volunteer Fire and Emergency Service (VFES), which supports the operations of the VFES for a further five year period.

Council endorsed the reviewed 'Standard Operating Procedures for Bushfire Brigades 2015-2016'. This document contains guidelines and management practices relating to the operations of our volunteer bushfire brigades, and is available on Council's website www.shirebt.wa.gov.au/shire/publications.php for perusal. Copies have been sent to all Fire Control Officers. If you would like a copy please contact Kim at the Shire on 9825 3555.

In response to feedback from the review of Waste Transfer Station operations completed in June 2015, which highlighted concerns with users' ability to easily empty wheelie bins into the waste bins, Council considered a proposal to purchase two powered bin lifters at a cost of approximately \$17,000. Council determined to request a demonstration of the proposed unit to determine its suitability prior to making a decision.

Council considered two requests to support applications to Main Roads WA to upgrade existing and consider new Restricted Access Vehicle assessments on a number of roads within the Shire.

A Special Meeting of Council was held on Wednesday 21st October to swear in our new and returning Councillors – Cr Garry Sheridan, Cr Scott Thompson and Cr Michael White. Cr Sheridan was elected Shire President for his second term, and Cr Thompson was elected Deputy President. Membership of the various Committees of Council and Occasional Committees were also determined at this meeting, as follows:

Audit Committee	Building, Planning and Economic Services Committee	Technical Services Committee	Independent Living Seniors Accommodation Committee
All Councillors	Cr Sheridan Cr Paganoni Cr Batchelor Cr White	Cr Sheridan Cr Dennis Cr Prout Cr White	Cr Batchelor Cr Prout Cr Thompson

Cr Sheridan (Delegate)

Cr Prout (Delegate)

Council to advertise for a Community Representative

WORKS UPDATE

The strong winds experienced during early October created havoc with the shade sails over the playgrounds in both towns. A number of sails were torn, some of the steel cables snapped and in Broomehill, one pole was bent which indicates the intensity of the winds. The damaged sails have been removed, and staff are investigating other alternatives for shelters in these areas.

The leak in the Complex dam wall in the vicinity of the pump shed has been repaired, which will allow other work to be completed without interfering with the shed, pipework or electrics.

The gardening crew have had their hands full with mowing, whipper snipping, town spraying and checking reticulation in recent weeks. Low water levels in dams are of concern, particularly the town dam and Complex dam in Broomehill. This will be monitored closely as the season progresses. In Tambellup, the situation is a little better, with water from the No. 1 dam being available for the oval, along with the water from the Water Corporation Treatment Plant, however levels continue to be monitored.

In Tambellup during October a focus was on preparing the centre of town in readiness for the Tambellup Show. The wind in the days beforehand resulted in some extra street sweeping, but all was well by the Saturday. Thanks to all staff for their efforts.

The construction crew has been working on road repairs across the shire, and have also commenced the Roads to Recovery-funded works on Toolbrunup Rd. The maintenance graders have been working across the northern part of the shire. Roads graded during October included Punchmirup North Rd, Chillicup Rd, Brassey Rd, Greenhills South Rd, Etna Rd, Thompson Rd, Stock Route Rd, Washington Rd, Holland Track, Cemetery Rd, Rae Rd, Kings Cross Rd and Bowman Rd. The maintenance crew has been working on signage and bitumen repairs.

TAMBELLUP SPORTS PAVILION UPGRADE

At the October Council meeting, Council endorsed the new membership of the Tambellup Sports Pavilion Advisory Committee. Ray Squibb, Jane Cunningham, Beth Schlueter, Nick Lockyer, Peter Sheridan and Martin Sadler have all nominated for the committee and we thank them for their interest. We would also take this opportunity to thank all the sporting and community group representatives who have been involved with the project so far for their time and input.

The new-look committee will work with Council to progress the construction of the new facility. Alongside this they will also be developing new management processes ready for when the building is complete and can be handed over to the new management committee.

The latest drafts of the design for the Pavilion were also considered at the October Council meeting, with Council resolving that they be advertised for public comment until 30th November 2015.

The plans are included in this issue of BT Times, with large scale copies available for inspection at the Shire office in Tambellup, during office hours of 8.30am – 4.30pm Monday to Friday. We encourage all residents to call in and have a look, and welcome your feedback. Comments should be made in writing, and can be mailed to the Shire at 46-48 Norrish St Tambellup 6320, or emailed to mail@shirebt.wa.gov.au.

Members of the Advisory Committee and Council staff will also be available to discuss the plans on **Thursday 12th November from 2pm-4pm, and Tuesday 24th November from 10am-12 noon** and we encourage residents to take the opportunity to hear firsthand about the project and provide input.

Once the Pavilion design has been finalised and consultation with the Bowling Club regarding the specifications for the new bowling green has been completed, the overall site plans can then be finalised and tender specifications developed. We are hoping to advertise the tender early in the New Year, with works to commence prior to the end of the financial year. Watch this space!

TAMBELLUP SHOW

Congratulations are extended to the Tambellup Agricultural Society and all helpers on presenting a successful show once again. It was great to see so many people come together to celebrate our community.

It goes without saying that the committee would greatly appreciate any assistance from members of the community in the lead up to next year's event, so if you are interested, keep an eye out for the date of the next meeting.

HIDDEN TREASURES OF THE GREAT SOUTHERN

Congratulations to all those involved in the staging of the 2015 Bloom Festival which concluded recently, particularly Emily Hardie for her coordination of the event. Local events were well supported by the local community and visitors, and we hope our towns will be represented again next year.

Council was advised recently that Di Holly, who has represented our communities on the Hidden Treasures committee for 15 years, would be retiring from her role as committee chairperson and Shire representative. Since recognising the need and opportunity for small regional communities to diversify into small scale tourism, Di has worked tirelessly to promote not only our shire, but all participating shires, as an alternative tourism experience, with the result that the Hidden Treasures group has achieved some remarkable outcomes over its lifetime.

Council sincerely appreciates the contribution that Di has made towards promoting the Shire and our communities through this forum, and wishes her well in her future endeavours.

Following Di's retirement, Council is now seeking expressions of interest from the community for a new Hidden Treasures delegate. This is a voluntary position. The person appointed to this role will represent the Shire of Broomehill-Tambellup and our communities, and will work with the Hidden Treasures committee on local and regional events and activities. For more information regarding this opportunity, or to nominate for the role, please contact Pam at the Shire on 9825 3555.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Joanne Trezona

CHIEF EXECUTIVE OFFICER

PROHIBITED BURNING PERIOD

All residents of the Broomehill-Tambellup Shire are reminded that the **PROHIBITED** burning period commenced on **1 NOVEMBER 2015** and continues until **14 FEBRUARY 2016**. During this period the lighting of fires is **PROHIBITED**.

For more information please contact:

Chief Fire Control Officer	Ray Squibb	0407 984250
Deputy Chief Fire Control Officers		
Ben Hewson	0417 969975	
Ian Cunningham	0428 253062	
Broomehill East	Gavin Guerini	0488 241012
Broomehill West	Anthony Witham	0428 241087
Broomehill Central	Andy Webster	0439 629209
Tambellup East	Kim Oliver	0427 258157
Tambellup West	Nigel Sheridan	0427 253097
Tambellup Town	Laurie Hull	0428 251177
CESM	Cindy Pearce	0417 071567

HARVEST AND VEHICLE MOVEMENT BANS

The safety of our community during harvest and the fire season is of paramount concern, and the Chief, Deputy and Brigade Fire Control Officers communicate regularly to monitor conditions, imposing bans on harvesting and vehicle movement in paddocks when required. These calls are not made lightly, however they are essential to reduce the risk of fire in our district.

Harvest and vehicle movement bans are communicated to residents by Council in a number of ways:

Harvest Ban Hotline: Residents can phone **98251042** 24/7 to hear pre-recorded information about the status of harvest and vehicle movement bans. This is the most up to date and reliable source of information available.

Harvest Ban SMS: Residents can register their mobile phone number with the Shire, to receive notification of imposing and lifting of harvest and vehicle movement bans, road closures and other emergency information. To register your number for these notifications, please contact Kim at the Shire on 9825 3555. Please be aware that not all areas of the shire experience full mobile signal, and this may result in notifications being delayed. For this reason the SMS system should not be relied on as a sole source of information.

Local Radio: Harvest and vehicle movement ban information is broadcast on ABC radio at 10.05am, 11.05am, 12.35pm and 2.05pm, and on RadioWest 1071 at various times during the day. While every effort is made to ensure local information is provided to the radio stations for broadcast at these times, weather conditions can change quickly, and bans may need to be imposed at relatively short notice. Again, please do not rely on this as a sole source of information.

Residents are directed to the Harvest Ban Hotline – 98251042 – as the most up to date and reliable source of information.

If you think the weather conditions have deteriorated to the point where you feel it is unsafe to continue harvesting – make a judgement call and STOP – whether a ban has been imposed or not.

**Broomehill Recreational Complex
Management Committee
Annual General Meeting 20
October 2015**

BRC would like to thank outgoing President **Jerome Hardie** for his years of service to the committee especially the last 3 years as President.

Thanks also go to **Sam Richardson** for his commitment as Bar Manager & **Simon Hanna** as Golf rep.

Congratulations to the new President, **Brant Dennis**, Bar Manager **Charles Russell** and welcome to the new committee members, **Scott Newbey, Kelly Holzknecht, Steve Penny, Jason Leyte & Steve Irvine.**

Good luck to the bowlers, cricketers and basketballers representing Broomehill this summer!

See you at the Christmas party Sunday 20th December 2015

All bookings and enquiries to Secretary Colleen Paganoni 0418950277, paganoni@iinet.net.au

**Tambellup Business
Centre**

The AGM of the Tambellup Business Centre will be held at the Centre on Wednesday November 18th

Tambellup Lions Club presents the

Support your local P&C

The Shire of Broomehill-Tambellup in conjunction with the Tambellup P&C will be holding a drumMUSTER collection on **Friday 6 November 2015.**

All farm chemical users are encouraged to bring their empty, properly cleaned, non-returnable, steel & plastic farm chemical containers to the facility for inspection and collection.

PLEASE MAKE SURE DRUMS ARE:

-  Rinsed & free from ANY visible chemical residue
-  Clean & Dry
-  Punctured if they're metal
-  With ALL lids removed

Containers with dirt, rust & dye stains **ARE** accepted; any unclean or partly filled containers **WILL NOT BE** accepted and will remain the property of the chemical users.

Council and the Tambellup P&C look forward to your support in rinsing out, rounding up and running in all your farm chemical containers.

DELIVERY BOOKINGS ARE ESSENTIAL:

P&C contact: Jane Cunningham 98253061 or 0438160577. The drum muster compound is located at the rear Shire Depot on Gordon St, TAMBELLUP.

For any other information please contact Coral Green at the Shire on 9825 3555.

Tambellup Bowling Club

Opening day of Bowls for the 2015/16 season was held on Sunday 18th October.

Life memberships were awarded to two long serving stalwarts of the club, Dot Lockyer and Stan Aylmore.

Congratulations to Dot and Stan for the recognition they received for their many years of dedicated work

Volunteer Bushfire Fighters Are Preparing For The Fire Season..... Are You?

Will this truck fit down your driveway to your home?

The volunteers from the Broomehill Central Bushfire Brigade recently had training day to familiarize themselves with the new fire truck, followed by a small burn and a BBQ lunch.

Brigade members are asking property owners to prepare their properties now by clearing high vegetation areas, cleaning gutters, ensuring fire breaks are in place and grass is mowed.

Other things that need to be taken into consideration are;

- Have a Bushfire plan. A plan will ensure you don't make irrational decisions in what can be a very stressful and frightening time.
- How will you get water if the power goes off?
- What will you do with your pets.

More information can be located on the DFES website – www.dfes.wa.gov.au

Government of Western Australia
Department of Local Government and Communities

Is your dog microchipped?

The *Dog Act 1976* provides that on and after 1 November 2015, the owner of a dog that has reached three months of age must ensure that the dog is microchipped.

How do I get my dog microchipped?

A veterinarian (vet), veterinarian nurse or a person with the relevant qualifications from a registered training provider is able to implant a microchip in your dog.

To find out how you can arrange for your dog to be microchipped, contact your regular vet or local government to obtain information on where you can take your dog to be microchipped.

My dog is old and unwell, is it still required to be microchipped?

A dog is exempt from the microchipping requirement if a vet issues a certificate stating that the implantation of a microchip in the dog may adversely affect the health and welfare of the dog.

Such a certificate cannot apply in respect of a dog that is under three months of age.

When will I be required to prove my dog is microchipped?

When you re-register your dog, you will be required to provide proof that the dog has been microchipped, by providing the local government with the microchip number.

How will microchipping my dog assist me?

If you lose your microchipped dog, it will make it easier for you to be reunited. The dog's microchip can be scanned by the ranger or a vet, which will reveal the owner's contact details.

If your dog is impounded and it is discovered that it has not been microchipped, you may be liable for a fine. As a result, it is in your best interests to ensure your dog is microchipped.

What happens if I do not get my dog microchipped?

A person who fails to ensure their dog is microchipped on and after 1 November 2015 is liable for a fine of up to \$5,000.

For more information visit
www.dlgs.wa.gov.au/dogs

Have you tried ??

Mosquito Yard Spray

1x Large Bottle Blue cheap Mouthwash

3 Cups Epsom Salt

3x 12oz stale beer

Mix ingredients together until salt is dissolved.

Spray anywhere outside, wont harm plants and should last for 80 days

WANSLEA FOSTER CARE

Wanslea Foster Care offers foster care in the Great Southern region of Western Australia. The Great Southern comprises the [City of Albany](#) and the Shires of [Broomehill-Tambellup](#), [Cranbrook](#), [Denmark](#), [Gnowangerup](#), [Jerramungup](#), [Katanning](#), [Kent](#), [Kojonup](#), [Plantagenet](#) and [Woodanilling](#). Wanslea is a caring, community-based organisation providing respite, emergency, short, medium and long term foster care services for children under 18 years. Non-denominational and not for profit, Wanslea has been serving Western Australian families for over 70 years.

There are times when families are faced with a crisis or trauma that is too much for everyone to deal with. The support systems may not be there or parents may not have the skills and experience to handle the particular situation. It's times like this when foster care may be a good option for a child. It's not easy, particularly for your child, but it provides valuable time and space for your family to work through your issues. It may also be in the best interest of your child especially if there is the risk of some kind of abuse or neglect. The length of time a child stays in foster care can vary from one night to several weeks and sometimes months or years. It depends on the situation.

Some of reasons that children may need to stay in foster care include:

- Conflict in the home
- A parent needing respite while sick or injured or in hospital
- Risk of sexual, physical or emotional abuse and neglect

There are 181 children in foster care in the Great Southern region. They are always in need of blankets (any size for dolls to a 17 year old, can be made of any mediums, polo fleece, knitted, sewn, etc.), babies and children's clothes, teddies or dolls, toiletries (comb, brush, toothbrush, flannel, etc.), bags; the items can be second hand as long as they are in good condition. A quote from their letter: *"A blanket or quilt made with love wraps them up when they need comfort and warmth... I have watched children sleep cuddling their toiletries pack because they're never owned a hairbrush before..."* If you would like to be involved by donating any of the above items, please drop them in the box provided at the Broomehill Op-shop or contact Carole 0488944416 for details or collection; or to Albany Wanslea Foster Care or to become a Foster Friend contact 9843 0077.

A reminder that if the ambulance is required you must ring **triple zero**
Precious time is lost if you try to contact volunteer ambulance officers at their home for the
ambulance. The volunteer may not be available for the call, not in town.
The ambulance cannot be dispatched to the emergency unless the request goes through the
State Operations Centre (SOC) so even if you phone a volunteer privately they cannot attend
unless they get the call from SOC.
So if you need the ambulance stay calm, ring 000 and answer their questions and take their
advice.

Enjoy the Ride

A message to our precious rural communities this harvest.

Harvest is upon us and the RACE is on again,
Got to get the headers out and gather in the grain.
Got to keep the PACE up, the road trains in top gear,
It's a crazy, hectic, HELL FOR LEATHER, stressful time of year.

Everything is FLAT OUT from the farmhouse to the sheds,
Answering the two way, taking phone calls, making beds,
Cooking meals, drying grain, kids home off the bus,
Moving gear from paddocks with a minimum of fuss.

Harvest is a time to push, to drive the horse power home,
To work long days, and sleep short nights, feel knackered to the bone.
Two weeks down, stress levels high, the team show signs of strain,
The chaser driver hangs on in, with secret hopes for rain.
But harvest stops for no man, and the drive does not subside,
The record year upon us at the forefront of our minds.

Run the lunch out, wash the clothes –
Fix the bust hydraulic hose.
Ring the truckie, feed the chooks –
Update the BAS and office books.

Shift the silo, move the bin –
Which ute was the grease gun in?
Check the bearings, order fuel –
Where's the mobile set of tools?

Note grain prices, load the truck –
WHERE'S he got the chaser stuck?!
Change the tyre, switch to Mace –
Can we keep up at this pace?

Test the sample, take the grain
To CBH then back again,
Pick up parts, drive to town...
AND NOW'S YOUR CHANCE TO STOP - SLOW DOWN.

Leave speed behind you when you put your vehicle on the road,
Rebel against the rush and put yourself in BACK OFF mode,
Make your car your sanctuary, and shut the door on speed,
And from fast-paced harvest pressure let yourself recede.

Let's get through this season, a community together.
Avoid the pain road trauma leaves, the scars that last forever.
Stuck behind a road train? Don't struggle to get past,
When all those tiny seconds saved could end up as your last,
And if you're choked with gravel dust, stress rising deep inside,
BACK OFF, breathe deep, and tell yourself - '

'Slow Down – Enjoy the Ride'

WA Country Health Service

Media Statement

1 October 2015

Great Southern nurse bridging the gap between physical and mental health

Residents in the Central Great Southern are benefiting from a holistic approach to mental health care, thanks to local WA Country Health Service-Silver Chain Nurse Practitioner Deirdre Louw.

As a qualified Nurse Practitioner, Deirdre is able to provide a wider range of health services to communities that are without a GP some of the time or require extra support to existing regular GP services.

Deirdre holds regular clinics in Katanning and Tambellup, in addition to home visits in Gnowangerup, Kojonup, Woodanilling, Broomehill, and appointments at aged care facilities. A typical day might include writing prescriptions, ordering pathology tests, providing information about healthier diet and exercise or managing wound care. One of the most important parts of Deirdre's role is to screen for physical illnesses that may be affecting a mental health client's overall wellbeing.

"Mental health clients often have poor physical health, and don't always manage their chronic conditions properly or access services that can help them," Deirdre said.

"I will complete a physical assessment for the client and then I can help them access the treatment or services they may need to improve their health and wellbeing.

"The clinics are held in local communities, which are convenient and less daunting than having to travel to an unfamiliar town away from family and friends. For this reason, some clients who otherwise wouldn't access a health service will access help locally."

In addition to helping mental health clients improve their physical health, Deirdre has the opportunity to screen for mental health issues when a patient seeks treatment for a physical condition.

According to Deirdre this holistic approach has resulted in some patients receiving the mental health support they needed when they might otherwise have fallen through the cracks.

"When mental health clients have physical health needs, these can be addressed and referred to the most appropriate person to deal with the issue," Deirdre said.

"We do this in collaboration with mental health staff, making it less stressful for the client. Collaborative care is very reassuring for this group of clients."

An important part of Deirdre's work is to bridge the gap between the GP, mental health services and other health services to ensure patients in more remote areas receive access to services they need, regardless of where they live.

"I enjoy working in country WA where I can get to know my patients properly. Although I work alone, I collaborate extensively with other health professionals – we have a strong team approach and as a result, better outcomes for the patient," she said.

Deirdre has worked in regional WA for 11 years and has been a Nurse Practitioner since 2007. She works for Silver Chain as part of WA Country Health Service's half a billion dollar Southern Inland Health Initiative, a program that is finding new ways to deliver important health services to people in the remotest towns in the state's south. Since 2012 WA Country Health Service has led the introduction of Nurse Practitioners across the south of our state in partnership with Silver Chain.

Manager of Great Southern Mental Health Service Janette Kostos said the involvement of a Nurse Practitioner was benefitting mental health clients and the Great Southern mental health team.

"Mental health clients often have complex needs including co-morbid mental illness and physical health conditions," Janette said.

"Access to a GP or hospital can be difficult in outlying areas of the Great Southern and Southern Wheatbelt. Having a Nurse Practitioner available in these areas improves access to services and health for vulnerable patients.

"Deirdre works in communities with high levels of disadvantage. This SIHI program has improved service provision to areas of need, which has in turn helped to improve the wellbeing and recovery of people in the district with mental illness."

Nurse practitioners: fast facts

- To become a Nurse Practitioner, a Registered Nurse must achieve a required amount of advanced nursing practice plus complete a Masters degree.
- Nurse Practitioners are qualified to diagnose and treat some illnesses as well as order routine diagnostic imaging tests, order routine pathology tests, prescribe some medications and issue medical certificates for lost work days.
- The Southern Inland Health Initiative is a Royalties for regions-funded plan to transform health care in the state's south. It includes significantly improved GP services, 24-hour emergency response across the districts, major upgrades of six district hospitals, major boosts to primary care and a massive investment in telehealth technology.

For information on the Southern Inland Health Initiative visit www.health.wa.gov.au/southerninland

About Silver Chain Group

- In September 2011, Silver Chain in Western Australia and RDNS in South Australia, two like-minded not-for-profit organisations, merged to become one of the largest in-home health and care providers in Australia. With more than 2,940 staff, 400 volunteers, the Group assists over 83,000 people to remain living in their homes and community every year.
- The Silver Chain Group's purpose is to build community capacity to optimise health and wellbeing. For more information, see www.silverchain.org.au.

TAMBELLUP SPORTS PAVILION UPGRADE

The latest draft of plans for the upgrade of the Tambellup Sports Pavilion is now available for inspection and comment by members of the public. The plans will be on display in the foyer of the Shire Administration Office in Tambellup from 1st – 30th November 2015, from 8.30am – 4.30pm Monday to Friday. Members of the public are encouraged to call in and have a look at what is planned, your feedback is welcomed.

Members of the Tambellup Sports Pavilion Advisory Committee and Council staff will be in attendance to discuss the plans and take feedback on two occasions: Thursday 12th November from 2pm-4pm, and again on Tuesday 24th November from 10am-12 noon. These sessions provide a great opportunity for you to hear firsthand about the project, where it's at now, what we hope to achieve, and also to have your comments noted for consideration by the Committee and Council.

If you are unable to visit during these times to speak with a member of the Committee, Council staff are available during office hours to discuss the project and note any comments you may wish to make. Alternatively, comments may be submitted in writing, and either mailed to the CEO, Shire of Broomehill-Tambellup, 46-48 Norrish St, Tambellup 6320, or emailed to mail@shirebt.wa.gov.au.

We encourage all residents to call in and have a look. It is proposed that the new facility will cater for a range of community events and activities as well as sport, and it is important to get the design right in the first instance. Your feedback will help with that process.

For more information about the project, please contact the CEO, Joanne Trezona, or Pam Hull at the Shire on 9825 3555.

Cranbrook Motocross 2015 Season Wrap

October marks the final month of motocross action at the Rockwell Flats track home of Cranbrook Districts Motorcycle Club Inc. for the 2015 season. Weather conditions for club days this year varied from monsoonal to dry dusty desert, a challenge for riders and spectators. This did not deter the club who rallied together to produce another year of exciting events, starting with our annual season opener come and try day, six club days with competitive and non-competitive races for all riding abilities, three coaching days and the highlight, hosting the South West Interclub Series for the first time.

The season was capped off with a windup awards night following our final club day on Saturday 17th October. Congratulations to all motocross rider award recipients, to the many volunteers who run the club including the flaggies and to our 2015 club sponsors, Elders Cranbrook, Southern Forest Kawasaki, Mt Barker Country Bakery, Direct Line Haulage, Mt Barker Steel Fabrications, Mt Barker Co-op, W & N Horton and Tims Tyres & More. We would also like to thank our prize sponsors Elders Cranbrook, The Postage Stamp Cranbrook, Bills of Tenterden, InSwing Albany, Great Southern Fuel Supplies, GT Karts, Albany Motorcycles, Albany Kawasaki, Tims Tyres & More, Auto One, and Supercheap Autos.

The club would also like to congratulate the riders who represented Cranbrook District Motorcycle Club Inc. in the South West Interclub Series, particularly those who placed being, Kylan Black Champion for Junior Lites, Dale Wyland & Neil Preston overall second and third for Novice division.

Dale Wyland, Kylan Black & Neil Preston

CANDIDATES ELECTED UNOPPOSED

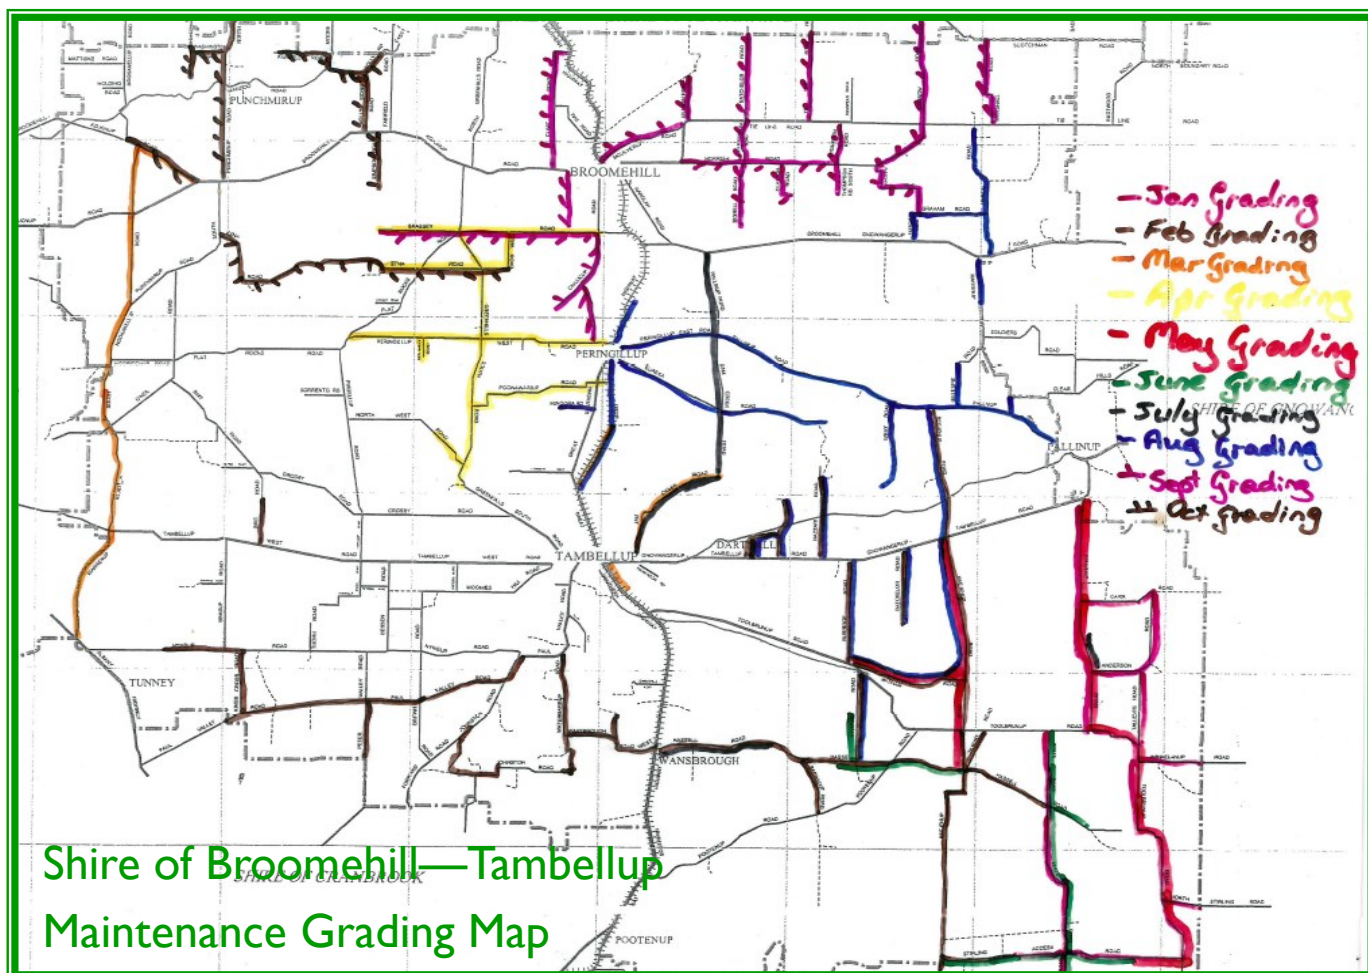

District	Expiry of term
SHERIDAN, Garry	4 year term
THOMPSON, Scott	4 year term
WHITE, Michael	4 year term

Garry SHERIDAN, Scott THOMPSON and Michael WHITE are elected as Councillors for the Shire of Broomehill-Tambellup and will hold office until 19 October 2019.

Elizabeth SCHLUETER
RETURNING OFFICER

WESTERN AUSTRALIAN
Electoral Commission

KATANNING & DISTRICTS GARDEN CLUB.

Jo Kempins home at Broomehill was the venue for our October meeting. Jo's farm garden was very interesting, Jo said the garden was about twenty years old and she grows mostly natives, when she first went there, several gum trees and clay had to be removed, better soil was carted in to replace the clay, now a very lush garden exists. Jo resists the use of sprays, she likes to encourage several species of birds and has guinea fowls and other poultry roaming the garden.

We were happy to welcome two new members, Pauline Smith & Lorraine Poett have now joined us and we hope they will enjoy our casual and informative afternoons.

Plans are well in hand for the Katanning Show and by the time you read this the show will be all over, however I will have the results for you next month.

Competition results for October were: FLORAL ART: 1. Helen Bignell, 2. Gerry Watson, 3. Karen Bessell-Browne. FLOWERS: 1. Leonie Daw. TREE or SHRUB: 1. Ailsa Thomas, 2. Shirley Brokenshire, 3. Ailsa Thomas. MY BEST FLOWER: L. Norma White, 2. Pauline Smith, 3. Helen Bignell. POT PLANT: L. Barb Groves, 2. Ailsa Thomas.

The raffle was won by one of our newer members, Irene Doyle.

Our November meeting and the last for the year will be at Barb Groves's home, 18 Shirley Street at 1.30 pm, all members and guests welcome.

Looking forward to seeing you at Barb's,
Cheers Ailsa.

We are all looking for better health and with this nutritional based company you can achieve anything.

Feel your best, look your best, be your best and have the vitality to enjoy life.

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Etipup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Etipup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Wool – When Thomas Norrish undertook in the late 1860s to pay off his father's debt to W. D. Moore, the Fremantle merchant, by working the 42 acres and adjoining pastoral lease at Ettakup Pool he took his wool clip up to Fremantle for four years with the last trip in November 1872. There were two bales over and he later headed for Albany with these but they were caught in a bushfire and lost. The return trip to Fremantle used to take TN 16 days but it is expected that he had a few days rest before turning for home.

Following shearing time each year, October, the roads to Albany would have been busy with wagons carting wool. In 1888, however, after the Great Southern Railway Line had crossed the road that is now the east end of Brassey Road, arrangements were made with the W.A Land Company to provide railway trucks at Etipup to take the wool clip to Albany by train. During November and December, TN trucked 91 bales of wool to Albany. Other settlers who sent their wool by train at this time were L. F. Van Zuilecom, Lady Campbell, George Norrish, Patrick Garrity, James Annice. Unfortunately the Company's promises of trucks were not always fulfilled and there was a fair amount of checking and disappointment. One day when no truck had been left for the wool, TN stayed at the siding all night. The train arrived at 4 o'clock the next day and TN accompanied the load to Albany, possible because he had heard that a previous load had been left on the side of the line at Albany and not picked up by the Bank whose responsibility it had apparently been. The Company charged 6/- per bale freight and 18 bales filled one truck.

In December 1890 TN received advice that his wool cheque of £141.0.0 had been paid into the Bank: he got 1/6d per lb (454g). In November 1899, TN sent 10 bales of wool, 1 bale of locks and 1 bale of skins to Edward Barnett at Albany to ship to London. This would not have been his only overseas shipment nor was he the only farmer from the district who exported wool.

Wort, John – On 28th December 1863 Jack Wort sent word to WHG that he could lend him a bag of flour and three months later he came into Nannmillup for some poison. In June 1879, he came to Gob lup for 5 bushels of barley. He was at Gob lup on two occasions in 1880, the first with TN's brother George, on the way to the North-East for sandalwood. He was killed on 20th January 1883 by his wagon going over his head when he was the worse for drink. On 5th March TN's brother Richard called at Gob lup on his way to see the sandalwood that Jack had gathered.

Would, Joseph – Called at Gob lup on 26th October 1882 looking for his horses and is believed to have employed sandalwood cutters in 1883.

Wray, John – Elder son of John and Celia of Albany and brother of Christen Norrish and William Plumpton Wray, and who had property at Warriup. He met TN in Albany on 12th February 1892 to see if TN would rent him Sunnyside after his brother William left there, but TN decided to let his sons work that property. In 1895, John Wray was a member of the Gob lup shearing team. He went to Katanning on 9th November to shear for Piesse, returning on 14th and leaving again on 16th after TN had settled with him. On 25th March 1897, John Wray came to Gob lup with a team of men to sink a tank for Lord Brassey in the Whearup paddock. They started work the next day and on 19th April, TN paid Wray £40 on 480 yards. They finished the tank on 25th May and next day TN measured the work and declared it "all right" and gave Wray an order for £100 to settle with his men. They had taken out 14300 cubic yards (about 1000 cubic meters). The Chinamen had taken out 190 cubic yards.

Wray, William Plumpton – Brother of Christen Ann Norrish. Arrived at Gob lup on 24th June 1883 with William Thomas and his team to start the work on the new house at Sunnyside. In June 1890, he arranged with his brother-in-law to lease Sunnyside for two years and on 14th he came up from Albany and put in a crop. On 3rd July the lease was signed – two years at £50 per year. On 9th July, he let three rooms of his Albany house to James Douglas and two days later he and his wife Agnes (nee Young) arrived at Sunnyside with their furniture which cost £2.6.3 in freight. A diary written by W.P. Wray from June to October 1890 contains references to doing farm work at Sunnyside – rolling and scrubbing and carting, boring jam posts with the help of TN's son George. These posts were for the fencing of Sunnyside which Wray undertook for his brother-in-law and completed by the end of 1891. On 11th January 1892 TN paid him £60 on the fencing – 6 miles 41 chains 67 links (nearly 17km) and on 5th February TN paid him in full £88.15.3.

In September 1890, J.F.T. Hassell (Lord Brassey's agent) opened the tenders that had been received for fencing at Gob lup – putting up jam posts and boring three holes for wires. Wm Wray tendered £17.8.6 per mile but Rudolph Krakouer won with £17.4.0. The job totalled nearly 19km. The following month Wray tendered and won the contract for carting jam posts for the Gob lup fencing - £1.4.0 per hundred. This was for carting the posts only, not providing them. It transpired in later years that some of William and Agnes' family thought that their father had been Manager at Gob lup. Unfortunately this misunderstanding has been perpetuated in printed material.

It is quite likely that William Wray had already selected land east of Broomehill under the SOL program when he leased Sunnyside; the two years would have given him the time to carry out improvements on his block. TN used the name Roundwood on 14th May 1892 when his son, Richard, went over there to get two horses from William Wray, and entries that month and in June suggest one or other of TN's elder daughters went to Sunnyside from Gob lup to stay with their Aunt Agnes while William was away at Roundwood. On 5th February 1893, TN wrote "Wm Wray made up the accounts for the time he was at Sunnyside for sheep and stores he had off me and for work he did for me while there."

On 25th December 1895, William, Agnes and two children came over to Gob lup for Christmas Day and stayed overnight. On Boxing Day they all went to the school evening picnic put on for the children at Alpha Hall. On 31st December 1895 TN met William Wray in Broome Hill loading railway trucks with teams and chaff for Southern Cross to leave that night; TN paid all expenses for Wray – teams, chaff and William's fare - £24.10.1. There was regular family contact between the Norrish's and the Wray's. The Norrish daughters always enjoyed visiting Roundwood but in the early 1900s, Sara was unlucky enough to lose her engagement ring in the garden there; it was never found.

ABN: 73 272 987 956

For all your electrical needs

The Petticoat Lane Op-Shop

42 India Street. Open Thursdays 12pm-3:30pm
& the 4th Saturday 10am-12pm.

All clothing and shoes – nothing over \$1.00.

4kg bag of cut rags \$5.00 each, great for workshop, garage and household use.

Come in and pick up some sheets, pillowcases, cushions, doona covers, bedspreads or lamps to stylise your bedroom.

Watch for our "Op-shop open" signs as you drive through Broomehill.

After hours inquiries contact Carole 0488944416.
