## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

The next meeting of Council will be held on Thursday 15<sup>th</sup> October 2015 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### COUNCIL ELECTIONS

The nomination period for the 2015 Council elections closed on the 10<sup>th</sup> September. Nominations for the three vacancies were received from incumbents Cr Garry Sheridan and Cr Scott Thompson, and new candidate Michael White. All three were elected unopposed for a four year term expiring in 2019. Congratulations are extended to Garry, Scott and Michael for their commitment to their community. The new (and returning) Councillors will be sworn in at an upcoming Council meeting.

Retiring Councillor Kym Crosby did not re-nominate in this election, and we thank him for his contribution to the Shire of Broomehill-Tambellup, and previously the Shire of Broomehill.

### WORKS UPDATE

The Royalties for Regions-funded Storm Water Harvesting project recently received approval for a variation, to allow for the expansion of an existing dam opposite the CBH site on Nardlah Rd. This dam will capture overflow from the settling pond on the CBH site, which will then be transferred via the pipeline to the dam at the Recreation Complex. Another variation was approved for the expansion of the Bowling Club dam on Jam Creek Rd, and connection of this dam to the storage tanks at the Tambellup Sports Ground. Council appreciates the assistance provided by the Department for Regional Development in enabling these projects to be implemented. It is anticipated that the earthworks will commence in the near future.

The maintenance graders have been working in the north east part of the Shire during September. Roads graded included Heron Rd, Norrish Rd, Gillespie Rd, Martinup Rd, Marshall Rd, Curnow Rd, Thompson Rd, Graham Rd, Fletcher Rd and Winspear Rd. During October the graders will be heading to the western side of the Shire.

### NOTICE OF ROAD CLOSURE

The Shire of Broomehill-Tambellup wishes to advise all residents that a section of Norrish St, Tambellup will be closed to all traffic on **SATURDAY 10<sup>TH</sup> OCTOBER 2015**, for the purpose of the staging of the Tambellup Show. The section which will be closed is from the Tambellup Community Resource Centre to Henry St, with the closure in effect from 6.00am – 6.00pm on this day. Any enquiries regarding the road closure can be directed to the CEO.

### HIDDEN TREASURES OF THE GREAT SOUTHERN BLOOM FESTIVAL

The Bloom Festival continues until Monday 12<sup>th</sup> October with many events being conducted across the region. Why not check out their website [www.hiddentreasures.com.au](http://www.hiddentreasures.com.au) and download the booklet? Alternatively, copies are available at the Tambellup CRC, Tambellup Post Office and the Shire of Broomehill-Tambellup Administration offices.

### CMCA NATIONAL RALLY

Another significant event in our region, the 2015 National Rally of the Caravan and Motorhome Club of Australia, will be held in Albany from 26th October – 1st November 2015. The event will see hundreds of participants with their recreational vehicles making their way from around the country to Albany during the weeks before and after these dates. Centennial Oval will be transformed into a giant campground for the duration of the rally, and the region will be a hive of tourism activity.

We welcome all visitors to the Great Southern, especially to Broomehill-Tambellup, and hope they enjoy their stay. **With the extra traffic expected on major roads throughout the region, we would also caution all motorists to take extra time and care on the roads, exercise patience, courtesy and common sense, and make sure that we all get to where we need to go – safely!**

### DOG AND CAT REGISTRATIONS

Residents are reminded that all dog and cat registrations are due for renewal on **31 October** each year. Notification will be sent to owners of dogs and cats with registration expiring in 2015. Payment for re-registration can be made at either the Broomehill or Tambellup office. If you would like more information about dog and cat registration please contact Siegrid at the Shire.

### BETTER PRACTICE REVIEW

Council administration staff recently participated in a 'Better Practice Review' - a pilot program developed by the Department of Local Government and Communities to support continuous improvement in local government. The program involved a team from the Department working closely with staff to review areas of the Shire's activities and operations, including governance, planning and regulatory functions, Integrated Planning and Reporting, assets and finance, community consultation, workforce planning, and facilities. It was pleasing to receive a very positive report, with many areas of best practice and achievement noted by the Department. The Shire was acknowledged for its participation at a recent WALGA Zone meeting held in Albany.

### TAMBELLUP SPORTS PAVILION UPGRADE

As advised in the September BT Times, Council is seeking expressions of interest from people in the community who may be interested in assisting with the next stage of the project. We are looking for up to six people who will work with Council to:

- Assist with development of management processes
- Promote the project within the community
- Disseminate information to community groups
- Provide input and seek feedback from community groups on matters associated with the construction of the new facility.

This committee will be established for a fixed term, which will end on handover of the new facility to the new Management Committee. It is anticipated the committee will meet towards the end of October 2015 to consider the revised plans for the Pavilion, prior to them being made available for public inspection and comment. If you would like to be involved please contact Pam Hull at the Shire on 9825 3555. ***It is important to emphasise – everyone groans when they think of yet another committee – but this is not a 'life sentence' type of committee..... Once the construction is complete the management will be handed over to the Management Committee and your work will be done! This is possibly the most important stage of the project and the ongoing success of the new facility relies heavily on the ground work being completed by this committee. We encourage anyone interested to put their hand up.***

### RESTRICTED BURNING PERIOD

All residents of the Broomehill-Tambellup Shire are reminded that the **RESTRICTED** burning period commenced on **19 SEPTEMBER 2015** and continues until **1 NOVEMBER 2015** inclusive when the Prohibited burning period commences. During the Restricted burning period you are required to obtain a permit to burn before lighting any fires. Permits to burn can be obtained from your nearest Fire Control Officer, or the Community Emergency Services Manager, Cindy Pearce as follows:

Chief Fire Control Officer	Ray Squibb	0407 984250
Deputy Chief Fire Control Officers	Ben Hewson	0417 969975
	Ian Cunningham	0428 253062

Tambellup West	Nigel Sheridan	0427 253097
Tambellup Town	Laurie Hull	0428 251177
CESM	Cindy Pearce	0417 071567

### HARVEST AND VEHICLE MOVEMENT BANS

Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. If you are currently registered for this service, it would be appreciated if you could contact Kim at the Shire on 98253555 to ensure your details are correct. Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.

### MOSQUITOES

And they're back! Mosquitoes are always an issue in our Shire during spring and early summer. Council baits pools of water and will undertake regular fogging of the Broomehill and Tambellup townsites in an effort to reduce the mosquito numbers.

Rainwater tanks can become breeding sites for mosquitoes that can cause severe nuisance and carry serious diseases. The Department of Health has advised that the most common mosquito found to breed in rainwater tanks is a proven carrier of Ross River virus. To prevent mosquito breeding, guttering and piping should be self-draining or fitted with drainage points. Water should not be allowed to pool under the overflow outlet or tap as these can become mosquito breeding sites. The tank should be a sealed unit to prevent mosquitoes entering. The inlet and overflow should incorporate a mesh cover to prevent access by the mosquito.

To stop mosquitoes breeding add a teaspoon of food grade paraffin oil (in small tanks up to 1,000 litres) to the water. The amount needed will vary depending upon the surface area of the water. A sufficient quantity to produce a thin film over the water surface is all that is required.

### CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

For all methods, please include your name and contact details so we are able to respond to you.

### COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

## Is your dog microchipped?

The *Dog Act 1976* provides that on and after 1 November 2015, the owner of a dog that has reached three months of age must ensure that the dog is microchipped.

**How do I get my dog microchipped?**

A veterinarian (vet), veterinarian nurse or a person with the relevant qualifications from a registered training provider is able to implant a microchip in your dog.

To find out how you can arrange for your dog to be microchipped, contact your regular vet or local government to obtain information on where you can take your dog to be microchipped.

**When will I be required to prove my dog is microchipped?**

When you re-register your dog, you will be required to provide proof that the dog has been microchipped, by providing the local government with the microchip number.

**How will microchipping my dog assist me?**

If you lose your microchipped dog, it will make it easier for you to be reunited. The dog's microchip can be scanned by the ranger or a vet, which will reveal the owner's contact details.

If your dog is impounded and it is discovered that it has not been microchipped, you may be liable for a fine. As a result, it is in your best interests to ensure your dog is microchipped.

**What happens if I do not get my dog microchipped?**

A person who fails to ensure their dog is microchipped on and after 1 November 2015 is liable for a fine of up to \$5,000.

**My dog is old and unwell, is it still required to be microchipped?**

A dog is exempt from the microchipping requirement if a vet issues a certificate stating that the implantation of a microchip in the dog may adversely affect the health and welfare of the dog.

Such a certificate cannot apply in respect of a dog that is under three months of age.

A reminder that if the ambulance is required you must ring **triple zero**

Precious time is lost if you try to contact volunteer ambulance officers at their home for the ambulance. The volunteer may not be available for the call, not in town.

The ambulance cannot be dispatched to the emergency unless the request goes through the State Operations Centre (SOC) so even if you phone a volunteer privately they cannot attend unless they get the call from SOC.

So if you need the ambulance stay calm, ring 000 and answer their questions and take their advice.

### Cranbrook Motocross Risk Management

It seems that 'Risk Management', usually thought of in a business environment, can also be applied to the sporting arena, as highlighted by Rick Gill Executive Director of Motorcycling WA when he met with the Cranbrook District Motorcycle Club Inc. committee members on Tuesday 15<sup>th</sup> September.

Risk management was a Motorcycling WA 'hot topic' at their AGM held on 30<sup>th</sup> March 2015, and Rick is visiting and presenting at all 45 Motorcycling WA affiliated clubs, which includes the disciplines of super cross, vintage, endure, bike speedway. Although not mandatory, a formal documented club risk management policy is highly recommended by Motorcycling WA.

So what exactly is risk management? It is the course of action key people, including committee members, management, and volunteers, take to reduce potential legal liability and seeks to address potential problems before they occur. Risk management aims to be pro-active rather reactive – creating a safer environment and legally safer operational procedures.

Rick Gills presentation covered four areas of concern to motorcycling clubs. These were, the constitution, officials Working With Children check and Motorcycling WA training, accountability to Motorcycling WA and of monetary records, and lastly management of the club assets (vehicles used to maintain the track are serviced and safe.)

He then went on to say that risk management was really an ongoing process that should be applied to all Cranbrook DMCC policies and procedures. Motorcycling WA has compiled a list of thirty recommended areas and suggested that there be two focus area discussed at each committee meeting to spread the workload and maintain a 'live' risk management document.

A good 'live' risk management plan ensures good governance when handing on committee roles, in addition to the benefits of improved safety, budget certainty, effective management of events, improved compliance with the affiliated body and law and enhanced club image and reputation. The good thing for our club Cranbrook DMCC is that we have many of these risk management procedures in place, we just need to compile a 'live' formal risk management document for current and future reference.

Want to race your motorbike? Come along for our final 2015 season event, Club Day on Saturday 17<sup>th</sup> October, followed by an awards night. This is a non-competitive event and all riders of all abilities are welcome. Pits open at 7am, motorbike examination and rider sign on 7:30am – 8:45am, and riding starts 9am. Please remember that every rider needs to participate with flag duties, so bring along a volunteer helper. Canteen available and spectators welcome. See website [cranbrookmx.com](http://cranbrookmx.com) for more information.

### Important Changes to the 2015/2016 Fire Break Order.

There have been a number of blocks of land close to town sites that have been covered with long dry grass during the summer period.

Local fire fighters raised concern last year with the Bushfire Advisory Committee regarding the length of this grass and the impact it would have on fighting a fire as well as fire fighter safety if a fire was to start on one of these blocks.

Council considered recommendations put forward by the Bushfire Advisory and the following change was implemented to limit grass height on land under the following zonings.

*Extract from the 2015 / 2016 Fire Break Notice*

#### **Land Zoned Residential, Town Centre, Industrial (Townsite Land)**

During the period from 31<sup>st</sup> October 2015 to 15<sup>th</sup> April 2016 inclusive you shall have fire breaks in the following positions:

On land which is 4000 square metres (one acre) or less in area, you shall remove all flammable material from the whole of the land, except living standing trees.

#### **Land which exceeds 4000 square metres**

Land which exceeds 4000 square metres (one acre) or more of area clear fire breaks not less than 2 metres completely surrounding and not more than 20 metres from the perimeter of all buildings, haystacks and fuel storage area situated on the land.

**The height of all grass on the land is to be less than 150mm in height.**

#### **Land Zoned Rural Residential /Special Rural (Townsite and Suburban Areas)**

During the period from the 31<sup>st</sup> October 2015 to 15<sup>th</sup> April 2016 inclusive you shall have fire breaks in the following positions:

Clear fire breaks not less than 2 metres completely surrounding and not more than 20 metres from the perimeter of all buildings, haystacks and fuel storage areas situated on the land.

Minimise fire hazardous material to the satisfaction of the Chief Fire Control Officer by stocking, slashing or other means. **The height of all grass on the land is to be less than 150mm in height.** Properties will be inspected and orders may be issued.

Property compliance is required by the 1<sup>st</sup> November.

Local Fire Break Contractors have been notified of the changes to assist them in their works program.

If you require further clarification or details please contact your local Fire Control Officer or Cindy Pearce the Shires Community Emergency Services Manager on 0417 071 567.

## **KATANNING & DISTRICTS GARDEN CLUB.**

It was a beautiful spring day for our September meeting when we travelled out to Marj Winstanley's at Woodanilling.

We were very happy to welcome 4 new members, Irene Doyle, Fay Trudgen, Leonie King & Jo Kempin. They are all keen to be involved, Leonie & Jo already participating in the competitions.

As always Marj's garden was very interesting, it just seems to keep on extending with interesting plants & nick-nacks throughout.

A Floral Art workshop has been organized for October 6th in the Arts & Crafts rooms at 1.30pm.

Anyone is welcome to come along, there will be a small charge, Helen Bignell will be the demonstrator, we will also be giving hints on general flower exhibiting in the lead up to the Katanning Show. If you would like to attend and need to know more about it contact Helen Bignell (98241270) Gerry Watson (98211648) or myself (98211828).

The Katanning show is only a few weeks away & we are looking forward to receiving entries from the general public as well as own members. Please read the schedule carefully and NOTE NO LATE ENTRIES.

Competition results for September were:

FLORAL ART: 1. Gerry Watson, 2. Maxine Potter. FLOWERS: 1. Barb Groves, 2. Leonie King 3. Helen Bignell.

TREE or SHRUB. 1. Leonie King, 2. Margaret Wise, 3. Gerry Watson. My BEST FLOWER: 1. Shirley

Brokenshire, 2. Francine Caldwell, 3. Ailsa Thomas. FRUIT or VEGE: 1. Margaret Wise, 2. Margaret Wise, 3 Jo Kempin.

The raffle was won by Margaret Wise.

Our next meeting is on October 13th at Jo Kempin's (Broomehill) , we will be leaving from the Katanning Town Hall car park at 12.30 for anyone wishing to car pool or travel in convoy.

Looking forward to seeing members and visitors at Jo's, until then take care. Ailsa.

Hon Terry Waldron MLA  
MEMBER FOR WAGIN

**THE NATIONALS**  
for Regional WA

Media Release

24 September, 2015

### Equipment subsidies available for regional clubs

Sporting clubs in the Wagin electorate will get a chance to freshen up their equipment stocks in time for summer codes thanks to the Community Sporting Club Equipment Subsidy Scheme.

Applications for the Royalties for Regions-funded scheme are now open, giving regional sporting clubs the chance to receive a one-off \$500 subsidy for shared sporting equipment accessible to all club members.

Local MP Terry Waldron said the scheme was part of the \$2 million Supporting Community Sport initiative, which also comprises the Athlete Travel Subsidy Scheme.

"Together these two Royalties for Regions programs are helping regional sporting club members stay active and strive to do their best in their code of choice," Mr Waldron said.

"Keeping equipment up to date and in a safe condition for use is important for those participating in club sport, whether it be at training or on game day."

To date, 770 regional clubs have benefited from a total of \$385,000 in equipment subsidies made available through the scheme.

The subsidy may be used to help in the purchase of a wide range of equipment from bats and balls, uniforms and protective gear to first aid kits, shade tents and line markers.

Sport and Recreation Minister Mia Davies said a number of clubs had been able to field more teams because they had more equipment to use.

Regional Development Minister Terry Redman said the subsidy would assist clubs to provide the equipment they required to keep pace with the growing population in regional WA.

"Sporting equipment is costly and this investment will provide support for regional residents to remain active and have a better quality of life," Mr Redman said.

Administered by the Department of Sport and Recreation, the four-year scheme will provide \$1 million to metropolitan clubs and \$1 million to regional clubs.

This round closes on October 16 this year, with another scheduled to open in March 2016.

Mr Waldron said this week the State Government was also celebrating a sporting milestone, having supported 50,000 Western Australian children to play sport through the KidSport program.

If you are interested in viewing the products, having a Beauty Party,  
a one-on-one skin consultation or just wanting to try some samples,  
call me anytime.

There are some fabulous new products out to keep your skin healthy  
and hydrated.

Also available:  
Gift vouchers and Gift Baskets to suit your budget.

Regards, your Mary Kay Beauty Consultant
