The next meeting of Council will be held on Thursday 16th October 2014 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE COUNCIL MEETING

- Council has granted permission for the Tambellup Tennis Club to renew its Club Restricted Liquor License for the 2014-2015 season.
- Council supported a proposal to rename the section of Norrish Road from the Great Southern Highway to the Tieline Road intersection to Tieline Road. Landowners in the vicinity have been contacted and the proposal is to be advertised for comment before Council makes its final decision to proceed.

COUNCIL WORKS

Maintenance grading and patching of gravel roads has been completed on the following roads during September: Punchmirup North Rd, Chillicup Rd, West Peringillup Rd, Brassey Rd, Greenhills South Rd, Clinic Rd, Holly Siding Rd, Palomar Rd, Pindellup Rd, Stock Route Rd, Simpson Rd, Washington Rd, Des Wray Rd, Withams Rd, Parnell Rd, Cemetery Rd, Moore Rd, Toolbrunup Rd, Pallinup South Rd, and White Rd. Works continued on the widening of the next section of Tambellup West Rd.

Council greatly appreciates residents advising of trouble spots in the Shire's gravel road network. Staff are working to repair known blowouts, and will attend as soon as possible.

ETNA ROAD

As residents may be aware, Etna Road is closed to all traffic at present. Etna Road incurred significant damage when the grader became bogged while maintenance grading in the area. Works to repair the damage are underway, however the road needs to be brought back to shape and the area is still very wet, which is hampering efforts at the moment. When the road has dried out, repairs will be completed and the road will be opened as soon as possible. We apologise for any inconvenience, but ask for your patience, as repairs that are not done correctly at this time will fail once heavy traffic is using the road.

TAMBELLUP SPORTS PAVILION UPGRADE

The Tambellup Sports Pavilion Advisory Committee met with the project architect at its last meeting, to discuss the feedback received from clubs on the concept plans developed for the Pavilion upgrade. The architect explained that there were no suggestions presented that could not be accommodated within the plans for the new facility, and that it came back to the budget available for the project. Council's application to the Department of Sport and Recreation's CSRFF program was submitted in September, and we anticipate we will have an outcome by December or January. At that time the budget will be confirmed and the plans can be further refined in consultation with user groups. Feedback received from the clubs will be considered, however all groups should be aware that there will need to be compromise all round, as the funds allocated to the project will not cover every request.

The next stage of the project is to determine the management requirements for the new facility. It is Council's preference that the facility be managed by a representative Management Committee. The Management Committee will be responsible for running the facility, including hiring and events, and as such, will require sound procedures and policies to be in place. We will be talking to other Management Committees in the region to find out how they are set up, and what works well before embarking on this process.

The committee is still seeking expressions of interest from anyone in the community who might be interested in new and innovative ways of raising funds for the upgrade project. Many communities in the region have come up with some successful proposals to fund community projects in their towns, so if you are interested, please contact Pam at the Shire on 98253555.

NOTICE OF ROAD CLOSURE

The Shire of Broomehill-Tambellup wishes to advise all residents that a section of Norrish St, Tambellup will be closed to all traffic on **SATURDAY 11TH OCTOBER 2014**, for the purpose of the staging of the Tambellup Show. The section which will be closed is from the Tambellup Community Resource Centre to Henry St, with the closure in effect from 6.00am – 6.00pm on this day. Any enquiries regarding the road closure can be directed to the CEO.

HIDDEN TREASURES OF THE GREAT SOUTHERN BLOOM FESTIVAL

The Bloom Festival continues until Sunday 19th October with many events being conducted across the region in that time. Why not check out their new website www.hiddentreasures.com.au and download the booklet?

CONGRATULATIONS

While we are on the subject of the Bloom Festival, congratulations are extended to the Tambellup Cake Decorating Group for their stunning display of handcrafted icing flowers at the Tambellup CRC over the past two weeks. The intricate handiwork is amazing, and the blooms are incredibly lifelike. We hear the group is proposing to make it bigger and better for next year – so if you are interested please contact Gloria Hilder for more information.

ROADSIDE CLEARING

Residents in the western parts of the Shire will be aware that roadside clearing is being completed on a number of roads at present. This task is required to enable programmed construction works to be completed, including the gravel resheeting of Pindellup Rd. The mulch head being used is more cost efficient than the methods previously used, and is doing an excellent job. The objective of the exercise is to improve the safety of the road for all users, and this activity is a necessary component of the works. It is disappointing to note that a contractor engaged to complete the job has experienced vandalism to his equipment when left onsite overnight, and his staff have been intimidated by passers by whilst on the job. This is not appropriate behaviour, and anyone with any information about the vandalism to the contractors equipment is asked to contact the Shire.

DOG AND CAT REGISTRATIONS

Residents are reminded that all dog and cat registrations are due for renewal on **31 October** each year. Notification will be sent to owners of dogs and cats with registration expiring in 2013. Payment for re-registration can be made at either the Broomehill or Tambellup office. If you would like more information about dog and cat registration please contact Siegrid at the Shire.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

RECYCLE BIN EXCHANGE SERVICE

Residents are reminded the recycle bin exchange service has commenced at the Broomehill and Tambellup Waste Transfer Stations. This service is provided for residents who do not receive a fortnightly kerbside recycling collection. Those residents wishing to use the service can bring their full recycling bin to either the Broomehill or Tambellup waste transfer station and swap it for an empty one. The Transfer Station attendant will empty the full bin into the recycling container and put that bin into the exchange stock.

Please be aware bins must be in a clean and tidy condition, and must not be damaged. Damaged or excessively dirty bins will not be exchanged.

It should be noted this service applies to recycling only. Any bins found to contain mixed waste will result in the relevant fee being charged to the person presenting the bin.

BULK RUBBISH COLLECTION

Residents are reminded that the Shire will be providing a Bulk rubbish pickup for Broomehill and Tambellup townsites residents on the 6th and 7th October 2014. The bulk pick up is for items that are not normally collected as part of the weekly wheelie bin pick up service.

All residents in the Broomehill and Tambellup townsites are invited to neatly stack bulk rubbish items out on the verge between now and 3rd October 2014. Warren Blackwood Waste will collect all rubbish and disused materials on Monday 6th and Tuesday 7th October 2014.

All rubbish and disused materials on the verges will be collected. If you have vehicles or other large items on your property that you wish to be picked up, please contact Marni at the Shire office on 9825 3555 by 30th September 2014 with your address and the number of vehicles/items you wish to be picked up. Warren Blackwood Waste will bring the necessary equipment to retrieve large items from your property if required.

A NIGHT TO REMEMBER

On Friday 29th August, students from the Narrogin Agricultural College travelled to the Rendezvous Grand Hotel, Scarborough for the Annual Ball – “A Night Under the Stars”.

Arriving to a pre-ball non-alcoholic cocktail party, parents were able to take photos of their beautifully dressed daughters and handsomely dressed sons.

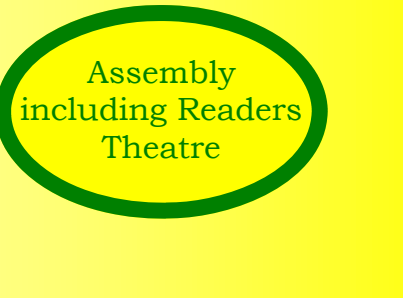

Moving from the cocktail party the students walked the red carpet to be announced and welcomed into the ballroom.

The Ball commenced with a formal sit down 3 course dinner followed by dancing – modern and ballroom. The highlight of the ball was the crowning of the Belle of the Ball – Awhina Porter from Brookton and Beau Ben Hankinson from Tambellup. The night was enjoyed by all students who conducted themselves maturely and behaved responsibly.

Tambellup Junior Football Club 2014 Round Up

Season 2014 has proved a real triumph for the Tambellup Junior Football Club.

With record numbers of Auskick participants and a highly competent team of 25 under 13 players; being around footy in TA this year has been a lot of fun.

The culmination of our season was the under 13's end of season trip to Perth on the weekend of August 30 and 31 to play the Mosman Park Redbacks footy team in a tour match.

All, bar four members of our under 13 team boarded the bus in TA early on the Saturday morning, along with parents and grandparents. In Dougie's words- supergranny Hazel bought everything but the kitchen sink! After picking up the "tardy" Paganonis' in BH we cruised on to the big smoke, arriving at Medibank Stadium in time to take in most of the Reserves and all of the League WAFL matches between Claremont and East Perth. The day was a celebration for the Tigers, winning all three matches, however they had to share the "play of the day" with our boys who managed to deflate the bouncy castle!

Saturday night was spend at Tom Perrott Reserve, in the Mosman Park Football Club's clubhouse facility. When walking into the clubrooms, we were greeted with "wall to wall memorabilia" and excellent facilities.

Bounce down for the big game between TA and the Redbacks was on Sunday at 10am, however, this didn't stop President Mario Cristinelli having everyone awake and out of bed by 6am. The strategy apparently being to keep the boys to his normal farm wake up time!

The pre-game build up was great, with Tambellup's most famous football product Jeff Farmer Jnr giving the boys a wonderful pep talk. Jeff spoke about the love and enjoyment he got out of playing football regardless of how big his opponents were. It didn't matter who he was playing for, be it the Freo Dockers on Subiaco Oval, Melbourne Demons on the MCG or Tambellup FC on the Tambellup Oval- it made no difference. Running onto the ground, the boys were greeted with a banner to run through and a wonderful crowd of supporters many of whom were former Tambellup residents keen to check out the lads.

Unfortunately, we were a bit slow out of the blocks in the first quarter conceding 4 goals to the Redbacks, before our boys got into it and the game evened up a bit. By fulltime everyone was stuffed and we went down by 3 goals.

Despite the result we sang the team song anyway. For the coach, it was the highlight of the weekend as our boys were joined in the change room by all the Tambellup supporters to sing the song.

Our trip home was smooth and a chance for Mandrake Penny to display his card trick talents.

We would sincerely like to thank Tambellup man Crawford Taylor who organised everything for us at the Mosman Park end, coached the Redbacks and with the help of his family, made the banner that the boys loved running through!

Thanks also to Darcy Coffey at the Claremont Football Club, who arranged entry passes for us to the WAFL game, and provided an alternative playing strip for the Redbacks to wear (thus avoiding a clash with the red and black colours.)

Thanks to Ben Taylor and Coleman Cristinelli for umpiring the match. To Mario Cristinelli our dynamic club President and Kim Taylor we say thanks for your organisation and running around on our behalf whilst in Perth. Thanks also to Mark Paganoni for driving the bus very competently around Perth.

Finally, a big thanks to all the parents, grandparents and past and present Tambellup folk who came along to watch the game at Mosman Park.

A great end to a great season,
Justin Taylor

Tambellup Golf Club says a big “THANK YOU!”

Support of local community members and businesses as well as sponsors from surrounding districts were key contributing factors to the successful three day carnival event held at the Tambellup Golf Club at the end of August. The 2014 Southern Districts Golf Association (SDGA) Championships attracted over 100 golfers from 16 different clubs in WA, including representatives from all 12 clubs in the SDGA.

The committee and members of the Tambellup Golf Club gratefully acknowledge the vital role of Tambellup community non-golfing members for their generous contribution of food, assistance in the kitchen, bar and on the course. Local businesses also got in the spirit of the event and gave discount on services/goods provided. It is truly the spirit of a small country town at its best!

Thanks to our sponsors whose support made this event possible:

The Tale of the Carnival

Our diligent Captain calls out the field at the beginning of play ...one wondered...will he have any hair left by the end of the carnival?

Out in the rain the intrepid golfers went... the farmers were happy and the golfers were in good spirits in spite of all odds as they guided that little white ball towards it's planned destination...

The weather improved as the weekend progressed and our President (left) strutted his stuff taking off the Association Champion presented by major sponsor Bendigo Bank reps John Howard (2nd left) and Anne-Marie Lockyer (rt) with r/up Mike Hilder and Assoc. Pres. Don Pomery (left)

We welcomed home some ex-Tambellupians (Noel Sewell, Brian Bowan, Mark Durack, Steve Mirco, Michael Hilder). Dean did get to keep his hair and from all reports everyone had a great time. Thanks to our merry band of helpers, sponsors & participants!

Cranbrook Motocross

38 motocross riders slammed whoops, carved berms and flew high over jumps at Cranbrook Districts Motorcycle Club Inc (CDMC) Club Day on Saturday 13th September 2014. As this was a non-competitive event our affiliated body Motorcycling WA stipulates that race results are not to be published.

Motorcycling WA also require competitive junior riders (under 16 years) to show that they are competent in the sport prior to racing. Junior Riders refer to this as "Kick Start" training. It consists of a theory test, practical test and attendance at a 5 hour annual coaching clinic by a Motorcycling Australia approved coach.

This year John Young from Kojonup hosted CDMC "Kick Start" and general training clinic on Saturday 27th September at the Rockwell Flats Track. CDMC appreciates John's enthusiasm and motocross knowledge in teaching the next generation of riders.

For the 2015 season, CDMC plan to hold 3 competitive events, where club members who ride will earn points towards a trophy.

Interested in joining? Check out the Rockwell Flats track. See our website; www.cranbrookmx.com or facebook; Cranbrook Motocross. CDMC welcomes all motocross riding abilities and ages for practice or scheduled Club Days. Our upcoming events are **Club Day Saturday 11th October 2014, followed by Club Windup and Presentation evening at the Cranbrook Sporting Club. Community members are welcome.** Rider sign in from 7:30am, riding starts 9am. Canteen available and spectators are most welcome.

ETICUP TO BROOMEHILL

When word went out in the 1880s that possibly a railway would be built between Albany and Perth settlers around Kojonup and Etipup, like all those dwelling between the two major centres, yarned long and hard as to its possible route. (So too did Arthur River and Williams.)

For a variety of reasons each town, was disregarded. Etipup was superseded for the new town of Broomehill—named after the Governor of WA—Sir Frederick Napier Broome.

Once the actual route became public Etipup's astute business men assessed their options; no way did they sit on their hands.

J.J. Garrity, Etipup's postmaster made sure he continued as Broomehill's postmaster. Storekeepers, Patrick and John Garrity both ensured they had stores with a gallon licence situated in the new centre. Similarly the brothers David and Rudolph operated businesses in Broomehill.

Patrick Carmody eventually obtained the license for running the Refreshment Room on the railway station.

One by one Etipup townsfolk forsook their small homes, their gardens, their orchards and drifted elsewhere—perhaps to Broomehill; some to be near Kojonup friends, while other adventurous ones to the promising growing town of Katanning.

As the railway line from Albany snaked closer and closer settlers took the opportunity to buy produce from the railway storekeepers such as boots and work gear. In turn they sold fresh rations to the gangs who were not slow at frequenting the hotels so much so that complaints were made of drunken navies and the police had to make more frequent visits.

The Norrish family augmented their annual income by Mrs Thomas Norrish, it is said, to have sold to the gangsters, 200 loaves of bread a day for some weeks—all with home-made yeast and cooked in a wood-fired oven.

As construction drew nearer district residents used the train for personal reasons—to procure goods from Albany; send skins and sandalwood down the line to buyers; and even for social reasons such as taking a ride to enjoy a couple shopping days and sight-seeing in the picturesque seaside town, the cost being 3 pennies a mile.

However farm work was not neglected. Crops were planted; sheep shorn. The Climie brothers acted as agents for the farmers situated along the line and in 1888 the Etipup farmers sent to Albany their combined wool clip to be sold—eight trucks. Each truck held 18 bales with freight being 60 cents per bale. Agriculturally Broomehill district has come a long way since then.

KATANNING & DISTRICTS GARDEN CLUB.

Helen Bignell's new home at Broomehill was our September meeting place, Helen has only been there six and a half months and starting a garden from scratch has already had great results, Helen had brought many plants from her previous garden and with a lot of tender loving care and help from Sheryl her landscaper friend the garden is already proving to be very interesting, we will certainly look forward to another visit maybe in twelve months time.

The usual monthly competitions took place with the results being ;

FLORAL ART: 1. Gerry Watson, 2. Marj Winstanley. FLOWERS: 1. Ailsa Thomas, 2. Leonie Daw. TREE or SHRUB: 1. Ailsa Thomas, 2. Leonie Daw, 3. Gerry Watson. MY BEST FLOWER: 1. Ailsa Thomas, 2. Ailsa Thomas. POTPLANT: 1. Ailsa Thomas. FRUIT or VEGE: 1. Leonie Daw.

This will be the last newsletter before the show, please keep in mind we look forward to receiving entries from anyone , also a reminder that this year the flowers will be judged on Friday afternoon, if you have any queries regarding this section in the schedule please contact either Gerry Watson (98 211648) or myself (98 211828).

Things to do in the garden, prune hibiscus after risks of frosts are over, also native plants respond well to a springtime prune, plant tomato seeds or already established seedlings, spray roses regularly for aphids, liquid feed ferns fortnightly, pick sweet pea flowers to help produce more flowers for a longer period of time.

The club's next meeting will be at my home (40 Amber St) on October 14th at 1.30pm, members & visitors welcome.

Until next month take care ,

Cheers, Ailsa.
