## Congratulations **LAURIE HULL**

Who was recognised for his contribution to Fire and Emergency Services in the 2014 Queens Birthday Honours List.

This award acknowledges Laurie's dedication to duty and length of service for the Tambellup Volunteer Emergency Services Unit.

The VES are a multitasking unit that aid in road crash recovery, fire fighting, land search, road safety and many other emergency situations.

Laurie has been involved in the Tambellup VES since its inception in 2006 and prior was long time member of the town fire brigade. Currently he is the Fire Manager, Road Crash Rescue Manager and Trainer for the VES. He also attends monthly meetings, training sessions and provides full support when required in emergency call outs.

Laurie also received a DFES Award of Excellence in 2013. We thank Laurie for the countless hours he donates to his community and although humble in receiving this award it is well deserved and we thank you.

## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

The next meeting of Council will be held on Thursday 17th July 2014 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### FROM THE JUNE COUNCIL MEETING

Following the removal of the community notice board in Broomehill from the Post Office corner, Council has determined that it will be reinstalled adjacent to the Broomehill RSL building.

Council formally appointed Mrs Di Holly as its delegate to the Hidden Treasures of the Great Southern committee.

Council endorsed the 2014-2015 Shire of Broomehill-Tambellup Fire Break Order and Information Booklet. This will be distributed with rates notices and will also be available at the Shire offices later in July.

### COUNCIL WORKS

The construction of the new water tanks at the Tambellup Sportsground is nearing completion, with the infrastructure to connect the tanks to the Water Corporation Treatment Plant, and then to the oval reticulation system being installed. During July, the area surrounding the tanks will be fenced off to restrict access. The commissioning of the treated waste water into the system will also be completed in July.

Construction of the attendant huts at the Waste Transfer Stations is underway, and they will be ready for the opening of the facilities on 3 July.

The construction crew is currently working on Warrenup Rd, carrying out gravel resheeting. Contractors have been engaged to assist with this project, with some roadside vegetation clearing yet to be completed.

A second construction crew is working on the Beejenup Rd/Gnowangerup-Tambellup Rd intersection, which is a Black Spot funded project. As a result maintenance grading this month has been limited to one grader, with two graders working on the construction projects to have them finalised by the end of the financial year. Sealing of the Beejenup Rd works will be completed in the next financial year. The maintenance grader has been working west of Broomehill.

### COMMUNITY EMERGENCY SERVICES MANAGER

Council recently entered into a partnership agreement with the Shire of Katanning and the Department of Fire and Emergency Services to engage a Community Emergency Services Manager (CESM) to work with the Fire brigades and emergency services in both shires. We are pleased to advise that Cindy Pearce will start in the new shared role on 1 July 2014.

Cindy has for the past few years been employed in the same role with the Shires of Katanning, Woodanilling, Wagin and West Arthur, and brings a wealth of experience in onground incident management, volunteer management, training, and administrative and legislative compliance. Welcome Cindy!

### COMMISSIONERS VISIT

Mr Wayne Gregson, Commissioner for the Department of Fire and Emergency Services, will be visiting Tambellup on Sunday 13<sup>th</sup> July. All bushfire brigade and VES volunteers are invited meet with Mr Gregson over lunch, to be held at the Tambellup VES Shed, from around 11.30am. If you would like to attend, please RSVP to Pam at the Shire on 9825 3555 by Wednesday 9<sup>th</sup> July 2014.

### CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

For all methods, please include your name and contact details so we are able to respond to you.

### COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

**WASTE TRANSFER STATIONS**

As residents will be aware, the Waste Transfer Stations will commence operations at the Broomehill and Tambellup Tip Sites from Thursday 3 July 2014. Warren Blackwood Waste have been contracted by Council to manage both sites, which will be manned and open at the following times:

Day	Broomehill	Tambellup
Thursday	1.00pm - 4.30pm	8.30am - 12.00pm
Friday	1.00pm - 4.30pm	8.30am - 12.00pm
Sunday	9.00am - 12.00 noon	1.00pm - 4.00pm
Monday	8.30am - 12.00 noon	1.00pm - 4.30pm

From 3 July 2014 there will be no public access to the tip face at either site. Waste delivery will be accepted with an approved Shire of Broomehill-Tambellup Waste Transfer Station Pass, which can be purchased from the Shire Offices Monday-Friday 8.30am-4.00pm. Passes are available in 5 token (\$14.00), 10 token (\$28.00) and 20 token (\$45.60) 'denominations'. Please note charges only apply to waste that cannot be recycled – all clean, sorted and uncontaminated recyclables are FREE.

Property owners who do not receive a weekly kerbside rubbish collection should have received their Annual 52 token Tip Pass in the mail late in June, along with a request that they apply for additional Tip Passes for residents of other homes on their properties. We encourage you to do this early, to minimise inconvenience to your tenants.

For residents who receive rubbish and recycling collection services, this will be unchanged. If you need to take additional waste to the Waste Transfer Station, you will need to purchase a Tip Pass from the Shire office. The intent of constructing the Waste Transfer Stations is to control the amount and nature of waste going to landfill in our shire, thereby extending the lifespan of our tip sites. All residents are encouraged to recycle where possible – and it is free to deposit recyclables!

For more information on waste management in our shire, please contact the Shire on 9825 3555, or go to [www.shirebt.wa.gov.au/services/waste](http://www.shirebt.wa.gov.au/services/waste).

**ROYALTIES FOR REGIONS – COUNTRY LOCAL GOVERNMENT FUND 2012-2013**

Council has recently been advised that the Shire's Country Local Government Fund 2012-2013 allocation which had been withdrawn, has been reinstated as part of the State Budget. At the June meeting, Council confirmed the following projects will be carried out using this source of funding:

Tambellup Sports Pavilion Upgrade	194,889
Broomehill Administration Office Solar Energy - <i>To install a photovoltaic system to help offset energy costs associated with the Broomehill Archive Repository</i>	50,000
Broomehill Hall Building Improvements - <i>To complete renovation works to the under-stage area of the Hall. Works include lining of the walls, new flooring and lighting.</i>	50,000
Tambellup Hall – Roof and Ablutions Renovations - <i>To carry out structural repairs to the roof of the Hall and renovations to ablutions.</i>	80,000
Total funding	\$374,889

## ***TAMBELLUP INDEPENDENT LIVING SENIORS ACCOMMODATION***

Councillors and staff were invited to a site inspection of the units during June, to see first hand the works that have been completed so far. External works have been largely completed, with all services connected, paving completed, the gazebo is under construction and fencing is underway. The driveways and landscaping will be commencing in July. Internally, kitchen, bathroom and laundry cabinets are being installed, tiling of wet areas has been completed and painting is underway.

The project manager advises that although they are running a couple of weeks behind schedule, they are confident of making this time up, to finish at the end of September as planned.

A number of applications for rental of a unit have been received already, which is fantastic. If you are thinking of applying, we encourage you to contact Pam or Judy at the Shire for the information you will need.

### **Catholic Churches Mass Timetable**

Our Lady of Fatima, Broomehill – Saturday July 12 at 6pm.

Saint Michael's, Tambellup – Saturday July 5 & 19 at 6pm.

Our next meeting will be held on Thursday July 3 at 10:30am in the Broomehill Museum office. Everyone is welcome to join our little gathering. Please bring along your prettiest plate.

Inquiries contact Carole 0488944416 or Margaret 98214861.

Perfect IT training & services would like to inform all of the wonderful clients & local/surrounding residents that I've decided to take extended leave from delivering courses at the Tambellup CRC after the birth of Baydon, to squeeze & cuddle my 3 kids just a little bit longer. Please be reassured that I will certainly be back delivering courses with more training under my belt to provide a wider variety of packages & after completing my Certificate IV in Training & Assessment late last year, I'm hoping to be able to provide some certified training.

I'm still available to help with anything at all over the phone or one on one training at my home. Phone for available times. It's never too much trouble & no question is ever a silly one when it comes to the confusing world of technology! Be sure to keep in touch.

Thank you, Zita Boyle.

## BANNERS IN THE TERRACE

The Annual Local Government Convention will be held in August this year.

The 2014 Banners in the Terrace Competition is one of the State's largest single community arts projects. This annual event is a colourful and vibrant display with up to 90 colourful entries being displayed along St Georges Terrace and Adelaide Terrace in Perth.

If you are in Perth at any time between Sunday 27<sup>th</sup> July and Saturday 9<sup>th</sup> August it is worth going to have a look. Make sure you look out for the Broomehill-Tambellup Banner.

We would like to thank and congratulate Corena Witham and everyone involved with working with the children from the Broomehill Primary School for this year's fantastic entry.

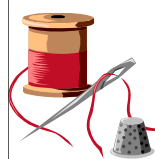

Expressions of interest are called for the following positions:

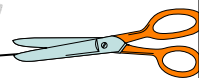

Education Assistant, Education Assistant Special Needs and Cleaner.

Broomehill Primary School requires Education Assistants and Cleaners interested in relief / casual work at our school.

Application packages and information is available, contact  
 The Registrar, Mrs Sherryl Altus 9824 1250

# Threads On Line

Railway Station,  
Tambellup WA 6320

Phone: 08 98251542 Email: coralgreen@bigpond.com

*We are open Tuesdays and Thursdays from 10 am and closing at 3 pm.*

## **PATCHWORK/CRAFT DAY**

Our Patchwork/Craft days are held on the third Saturday of each month at the Tambellup Business Centre starting at 9am and finishing when we decide to head home, usually late in the afternoon. You are welcome to come along and join us, bring your own lunch, tea and coffee provided. Our next day will be on the 20th July. You are welcome to come out and say hello and have a cuppa.

## **COMFORT QUILTS AGAINST CANCER HAND STITCHERS WANTED**

We are looking for anyone interested in doing some hand stitching. We are continuously making quilts for this worthy cause and need someone who would like to hand stitch the binding down around the edge of the quilt. It would be totally at your own pace and whenever you feel like stitching. If you are interested come and see Coral at Threads on Line or call 0477 812 672.

Comfort Quilts Against Cancer is a charity organization which supplies beautiful hand made quilts to people who are undergoing treatment for breast cancer in the regional areas of Australia.

Do you know anyone with breast cancer? Would you like to nominate them to receive a quilt? Come and see Coral at Threads On Line for a nomination form or go to the website [www.facebook.com/ComfortQuiltsAgainstCancer](http://www.facebook.com/ComfortQuiltsAgainstCancer).

## **CBH HARVEST CASUAL WORK 2014**

APPLICATIONS NOW OPEN at [careers.cbh.com.au](http://careers.cbh.com.au)

### **POSITIONS AVAILABLE INCLUDE:**

- **Receival Point Operators**  
(Plant Operators at Port Terminals)
- **Grain Samplers**  
(including weighbridge duties)

CBH are looking for people to work at our grain receival points across the state for the harvest period commencing early October. If you don't have industry experience, training is provided before you start.

To find out more information or to apply – visit the Careers page on our website today.

Applications close 31 July, 2014

[www.cbh.com.au](http://www.cbh.com.au)

## DID YOU KNOW . . .

"Character formation cannot be taught. It comes from experience and not from explanation."

Maria Montessori

The A.G.M. of Tambellup's 'A Smart Start' was held early in June. The following people are on the committee. If you have any questions, queries or suggestions please don't hesitate to ask one of these people.

Chairperson - Sue Sheridan

Treasurer - Connie Witham

Secretary - Jane Cunningham

Committee members - Carolyn Cunningham, Fiona Thorn, Kendall Lange, Kylie Sadler, Amanda Ede

### *Your invitation is coming . . .*

In early August there will be an information session facilitated by a dietician. This workshop will cover

- \* the reading of food labels
- \* the requirements for a healthy diet
- \* when to introduce different foods into your child's diet.

We are also looking into organising a workshop on 'Grief— how to talk to you child about the death of a family member or a pet.

## ***PREPARING YOUR HOME FOR A STORM***

Preparing your family and home for a storm is your responsibility. If you live in a storm prone area, you should make it a priority between March and May to get your home ready inside and out for the winter period. There are a few simple steps that could help assist you minimise damage.

- Check your roof and gutters for damage or loose material.
- Clear gutters and downpipes of leaves and blockages.
- Trim branches near your home and hire a contractor to clear trees from power lines.
- Clear rubbish from your yard, balcony or patio and put away loose objects.
- Prepare an emergency kit with portable radio, torch, spare batteries, first aid kit and family emergency plan.
- Ensure you family understand storms and the risk.
- Prepare an emergency plan including a relocation plan in case your home becomes flooded. Consider what you will do with your pets and know how to turn off the gas electricity and water supplies.
- Display a list of emergency phone numbers.
- Check you have adequate home and contents insurance.

If your home has been badly damaged and you need help call the SES on 132 500.

Additional information on storm preparedness is available on the DFES website [www.dfes.wa.gov.au](http://www.dfes.wa.gov.au) or by contacting the Shires Community Emergency Services Manager Cindy Pearce on 0417 071 567.

# The Wandoo's

## Community Interest

### Interest

In my interest group we did cooking and it was a fantastic success. We made self-saucing pudding, mars bar slice and a pear cake and they were delicious; we learnt lots of things and life skills that we will need to know in life. I chose this activity because I like to cook and follow instructions. A BIG thanks to Mrs Pratt.

By Whyatt

### Community Interest

Thank you for teaching us how to cook all of those yummy recipes. When the class had some of those cakes and slices, they loved them. Thank you very much Mrs Pratt.  
From Charlotte

Mrs Pratt taught my group how to make self-saucing pudding, Mars bar slice and a pear cake. My favourite thing to make was the Mars bar slice.

By Aaron Hayward

Our group in community interest did cooking with Mrs Pratt and we cooked lots of things. I liked mars bar slice; it was delicious and fun to make. Thanks for teaching us Mrs Pratt.  
From Giselle

Jess:

My group and I were doing cooking, it was awesome. I really liked it. Mrs Pratt was our teacher ;she was nice and I hope we get to do it again. We made mars bar slice, pear cake etc. and I have learned if you want to make desert then you can make that. Now I know how to make mars bar slice etc.

Mrs B was our craft teacher and she helped us a lot. She was nice, kind and caring and I hope she can be our teacher again sometime. Our craft activity she chose for us, reusing eggshells was really fun. We got to use water paints and paint the inside of our egg shells when they weren't smashed. Then we got to smash them when we finished painting the inside of our egg. Mrs B told us that the best part was smashing the eggs. And I agree! J We painted the inside of the egg shells because the water colours were brighter in the white inside of the egg shell. And the outside of the eggshell was dark and brown. And we got to design what we wanted to do with the eggshells.

By Nina

I did craft for community interest with Mrs B.it was really fun. For craft we did egg shell paintings. I did a caterpillar on a branch in the sun set. Thankyou Mrs B.

Natalie

My favourite part of the craft was crushing the egg shells and gluing them onto a piece of paper. Then when it was dried I put it on the bench.

By Alex

Our group did craft with Mrs B. it was so much fun we made wonderful pictures out of painted than crushed egg shells. Mrs B taught us which paints dry quicker, how to get the yolk out without cracking the whole egg and some little skills on how to make the picture look better. The egg shell pictures were a great success.

From Sarah

**KNITTING**

For Community Interest my group was doing knitting and I made a scarf. It was pink and blue. It was a bit hard but I think I know how to do it now. It was fun.

By Tamsyn

*Thank you Mrs Skinn for donating your time to come and teach us to knit you have been a wonderful teacher. Thank you.*  
From Konnah

We got to do knitting with Mrs Skinn. It was easy to knit and we made a scarf. It was pink and black. We got to take it home. I have been knitting at home.

By Liam

Knitting My favourite part of knitting was when I started to do pearl which is a little confusing because pearl is backwards. By Tahnee-Anne

This year I participated in Photography. We learnt what angles to take the picture from, where the sun should be and lots more. All Thanks To Mrs Bignell! We all hope she can come back next year. GRACE

*This year I participated in photography. Our teachers were Mrs Bignell and Mrs Kempin. I learnt how to take a good photo. We went around taking photos while Mrs Bignell and Mrs Kempin were teaching us how to take a photo and how to use a camera. It was fun and a good experience for me and the group. We hope to see you next year.*

*When I did photography I did it with Mrs Bignell and Mrs Kempin. It was fun going outside and taking photos and having lots of fun. But it was much more fun trying to be a professional photographer.*  
By Jasmine

Haydn:

I had a great time doing wood work with Mr Dilley, cutting and nailing wood. It was great fun. I made a truck with a crane on the back. Thanks to Mr Dilley it turned out great. Without his help I don't know what it would have looked like. THANKS SO,SO,SO MUCH.

*For the last three weeks my group has been doing woodwork with Mr Dilley. Haydn made a truck with a crane on the back. I made a thing that can hold magazines in it and on the bottom you can put little objects in it. Thank you for teaching us how cut wood. I could not build anything without you.*

BY AIDAN

**The Senior Room from Broomehill Primary School would like to thank all the wonderful community volunteers for donating their time and expertise.**

# TAMBELLUP POLICE STATION

Welcome to the first of what I believe may be a regular article from the Tambellup Police Station. For those who don't yet know who I am, my name is Simon Bickers and I am the Officer in Charge of the Tambellup Police Station. The Tambellup Police Station covers the Broomehill – Tambellup Shire including the communities of both Tambellup and Broomehill.

The focus of the first of these articles will be on traffic management. There is a commitment made by the Western Australia Police to manage road users. This typically takes one of two directions; either education (such as this article) or enforcement (traffic infringement notices or charges in court). As one of the major contributing factors to road deaths is driving whilst intoxicated it probably makes sense to start there. Thus the topic of this article is Alcohol Enforcement.

The following points help to emphasise why alcohol and driving are a bad combination:

- Alcohol is one of the three major contributing factors in fatal and serious crashes in WA (the other factors are speeding and not wearing restraints).
- Alcohol impairs one's ability to control a vehicle: research suggests at a blood alcohol concentration (BAC) of 0.05 per cent, the risk of being involved in a crash is doubled.
- With a BAC of 0.08, you are 7 times more likely to crash and 25 times more likely with a BAC of 0.15.
- In 2013, 18% of fatal crashes attended by WA Police were reported to have involved a driver or rider with a BAC equal to or greater than 0.05.

For those who have not been in the position to experience the legal ramifications of driving with an excessive BAC here are a few points:

- The penalties for Drink Driving have increased.
- Novice Drivers will lose their licence (on conviction) and will have to retake their driving test before driving again.
- It is illegal to drive with a BAC of 0.05 and above. The **minimum** penalty is 3 demerit points and a \$250 fine. At 0.08 and above you are disqualified from driving for a **minimum** of 6 months (first offence).
- A person located driving with a BAC in excess of 0.08 will be sent to court and will also be immediately subject to a Disqualification Notice. This notice prohibits driving immediately on service for a period of 28 days.

The point made by the WA Police is that driving with an elevated BAC has a massive cost to the community as well as to the individual. There are however steps to be taken to prevent you becoming a statistic:

- Plan ahead. If you are going out plan a way of getting home that does not involve you driving (consider a taxi).
- If that is not possible plan to stay with friends or designate a reliable person to remain alcohol free for the evening.
- Party hosts should serve water, soft and low-alcohol drinks and plenty of food. Consider providing taxis for your guests.
- Men should not drink more than 2 standard drinks in the first hour and 1 standard drink every following hour. Women should not drink more than 1 standard drink every hour.

Please remember that taking responsibility for your own actions is only part of the solution. A good friend takes care of those they are drinking with and will not let someone else drink and drive. Here at Tambellup Police Station alcohol detection is just one focus of our traffic management plan for July, so please expect to see Senior Constable WALKER and I on the roads soon.

Please drive safe.

Simon BICKERS  
Sergeant 9651

## **Cranbrook Motocross at Manjimup 15,000**

Landmark Mt Barker, and Penrite Oils, sponsored backstage Family Pit Pass to Penrite Oil Honda Racing Team Ben Townley Motocross Trailer at the Manjimup 15,000 recently. Lucky Cranbrook Districts Motorcycle Club Inc. (CDMC) club member winners were the Baxter Family. Simon, Jean, Cassie and Jack said they all had an excellent time.

Manjimup 15,000, held at the Cosy Creek Circuit Manjimup WA on the Foundation Day long weekend 30<sup>th</sup> May – 1<sup>st</sup> June is the states mecca for motocross. The event, first held in 1980, takes place over 3 days, incorporating a practice session on Friday open to all competitors, junior motocross riders on Saturday and the main race on Sunday. This is the spectator event of the year with National and International riders competing for a podium position racing against WA's finest.

Results were KTM Motocross Team Kirk Gibbs of South Australia Winner, Penrite Oil Honda Racing Team Ben Townley of New Zealand Second, and Husqvarna Racing Team Brock Winston of Queensland Third.

If you feel inspired to race your motorbike after reading this article, check out the Rockwell Flats track. See our website; [www.cranbrookmx.com](http://www.cranbrookmx.com) or facebook; Cranbrook Motocross. CDMC welcomes all motocross riding abilities and ages for practice or scheduled Club Days. Our upcoming events are **Club Day – Saturday 26<sup>th</sup> July 2014**, Club Day Saturday 16<sup>th</sup> August 2014. Rider sign in from 7:30am, racing starts 9am. Canteen available and spectators are most welcome.

## KATANNING & DISTRICTS GARDEN CLUB.

Although a wet and cold day we had a good attendance at our June meeting held at Roxaine O'Toole's home, most of braved the elements and wandered around Roxaine's large and lovely garden.

It was also our A.G.M the 45th for the club, election of office bearers took place with all positions remaining the same, i.e. President Gerry Watson, Secretary Ailsa Thomas, & Treasurer Irene Matthews. Subs will remain at \$10 and the monthly competitions will continue, a new schedule for these has been drawn up for the next 12 months with only a few minor changes being made.

Vouchers were presented to the winners of the monthly competitions for the past 12 months, those winners were, Gerry Watson, Ailsa Thomas & Margaret Wise.

Competition winners for June were : FLORAL ART: 1. Maxine Pottter. FLOWERS: 1. Margaret Wise, 2. Margaret Wise, 3. Norma White. TREE or SHRUB: 1. Karen Bessell Brown, 2. Norma White. MY BEST FLOWER: 1. Karen Bessell Brown, 2. Ailsa Thomas, 3. Margaret Wise. POT PLANT: 1. Ailsa Thomas, 2. Leonie Daw, 3. Margaret Wise. FRUIT or VEG: 1. Leonie Daw, 2. Leonie Daw, 3. Margaret Wise.

Marj Winstanley has confirmed the date for her open garden day, this will be Saturday October 11th as part of the Hidden Treasures Bloom Festival, everyone is welcome to attend hopefully I can have more details for you as it gets closer.

We are happy to welcome Helen Kowald as a member, Helen has allowed us to use her home and garden as a venue in the past and has already agreed to us having our July meeting at her home, Helen's address is 22 Amber Street.

Some gardening chores for the month, plant Brussel sprouts, kale, white & brown onions. Pot plants are slowing in growth ,now is the time to pot them on into larger pots. It is good month to dig animal manure and compost into the soil to improve productivity.

Until next meeting on the 8th July at Helen's, take care,  
Cheers, Ailsa.

## Broomehill Historical Notes

*Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.*

**Taylor, N** – Land Agent at Broome Hill. On 7<sup>th</sup> September 1907, TN's sons, Richard and Will, went to Broome Hill to a farewell social for N Taylor.

**Taylor** – A shoemaker referred to by TN in 1879 and 1880 only. He worked at Goblup from 14<sup>th</sup> June to 5<sup>th</sup> July 1879 when TN settled with him for the work he had done for the men. He was at Goblup seven times during January, February, March and April 1880 but TN does not indicate whether he did any work. On the last call he was accompanied by a man named McGuinness. On 12<sup>th</sup> May 1880 a Mrs Taylor and another woman called at Goblup.

**Thomas, George** – Worked with his brother William of the Albany firm of builders, Green & Thomas. Married Joseph Nelson's elder daughter Charlotte and was grandfather of Ivan and Eric Thomas of Katanning. George was a member of the first team to come up from Albany to build Sunnyside in 1883.

**Thomas, J** – On 28<sup>th</sup> May 1862 when told by Crossland what Thomas was doing with the fowls, WHG rode to Eticup and found the fowl in the pot. Thomas was tried at Albany on 25<sup>th</sup> June for stealing WHG's fowl and got 3 months. On 25<sup>th</sup> June 1863, J Thomas was at Eticup having come from Pootenup.

**Thomas, William** – Partner in the building firm Green & Thomas of Albany and married to Christen Norrish's sister Celia. He and Green were builders of Sunnyside Broome Hill. In January 1892, William and his brother George were working in Broome Hill. Soon after this, William's son Henry spent several months working at Sunnyside with his uncle William Wray (Christen's brother) who was leasing from TN. In December 1892 William Thomas worked at Goblup doing some plastering. He was back in August 1895 to plaster some of the other buildings at Goblup and in September he erected the headstone on the grave of TN's and Christen's son George at the Eticup cemetery and the railing around the Norrish plot.

**Thomson, "Elephant"** – Came to Fairfield on 6<sup>th</sup> December 1864 and WHG took him on for a week at 2/- a day. His work included mowing and cocking hay, carting stuff for the hay stathels and hay carting. Finished 20<sup>th</sup> December.

**Thomson** – Unidentified. On 2<sup>nd</sup> February 1893, the road Board let £10 of road work to Thomson.

**Thompson** – The Thompson's of Nardlah did not come to Broome Hill until after TN's death and are not mentioned in his diaries. A booklet held at the Broomehill Museum gives the early history of Nardlah.

## MOBILE PHONE RECYCLING IN THE SHIRE OF BROOMEHILL-TAMBELLUP

There are at least 30 million mobile phone subscribers currently in Australia. There are also more than 23 million unused phones hiding in drawers, cupboards and garages across Australia, that's one old phone for every Australian. That's the equivalent of 2,450 tonnes of metals, minerals, plastic and glass – things that the planet desperately needs us to recycle. With the average person replacing their mobile phone every 18-24 months.

Mobiles should never be thrown out. They are not biodegradable, and may contain some potentially environmentally hazardous material. Did you know that recycling 50,000 handsets can replace the need to mine 110 tonne of gold ore, 123 tonne of silver bearing ore or 11 tonne of copper sulphide ore.

When recycled, over 90% of the materials in mobile phones can be recovered and used as raw materials for new products. The materials recovered can be used to make everything from plastic fence posts to stainless steel products.

The Shire of Broomehill-Tambellup is working with MobileMuster, the official product stewardship program of the telecommunications industry in Australia, to provide a free recycling service to its residents. MobileMuster accepts all brands of mobile phones, plus their batteries, chargers and accessories. Everything collected is recycled to the highest environmental standard for resource recovery with nothing being resold. We do encourage deleting or removing any data that you want to keep from your SIM card or mobile phone, although any data left on the device is destroyed in the recycling process.

MobileMuster recycle envelopes are available at the Shire of Broomehill-Tambellup, the Tambellup Post Office and the Broomehill Post Office.

Where to recycle your old mobiles:

- Tambellup Post Office
- Broomehill Post Office

More information on MobileMuster can be found by visiting [www.mobilemuster.com.au](http://www.mobilemuster.com.au)
