## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

The next meeting of Council will be held on Thursday 18th September 2014 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### COUNCIL WORKS

A number of major construction jobs are underway on roads at present. Tambellup West Rd and Broomehill-Kojonup Rd are both undergoing widening works, with sealing to be completed later in the year when the weather is warmer. Vegetation widening has been completed on Pallinup Rd and Warrenup Rd, and the vegetation mulcher has been working on Tambellup West Rd.

The maintenance crew has been cleaning culverts across the Shire, and working to complete the extension to the culvert on South Pallinup Rd when the weather has been favourable. The crew will be widening culverts on construction jobs in coming weeks.

Finishing touches are being completed on the Stormwater Harvesting/Waste Water Reuse projects in both towns. The funding received from the Country Local Government Fund (Royalties for Regions) through the Southern Link VROC enabled Council to install three 135 kilolitre concrete tanks at the oval, which will hold treated waste water from the Water Corporation treatment plant. This will be reticulated onto the oval and town parks and gardens. The fencing around the tanks has been completed, and the Water Corporation is finalising the installation of equipment required to transfer the water from the treatment plant to the tanks.

In Broomehill, the works included the expansion of the town dam, which was completed some months ago. More recently, the fencing around the dam has been completed, trees inside the dam have been removed and the pipe from the dam to the school has been buried.

With water being harvested from the new CBH hardstand area on Nardlah Rd, Council has installed a solar pump on the holding pond located there, and will install piping to enable this water to be transferred to the rec Complex dam.

### HIDDEN TREASURES OF THE GREAT SOUTHERN BLOOM FESTIVAL

As you may have heard on ABC radio, the Hidden Treasures Bloom Festival is on again. The Festival runs from 13th September to 19th of October, with a range of events happening across the Hidden Treasures region including self-drive tours, wildlife and wildflower walks, long table lunches, train rides, garden tours, family fun, art exhibitions and market days. The Hidden Treasures region includes the Shires of Woodanilling, Kent, Katanning, Kojonup, Broomehill-Tambellup, Gnowangerup, Jerramungup and Cranbrook.

The official opening will be held in Woodanilling on Friday 5<sup>th</sup> September, and John Cecil from the ABC will be broadcasting the Great Southern morning program from there.

Programs for the event are available at the shire offices in Broomehill and Tambellup, the Tambellup CRC and the Tambellup Post Office. Why not grab a copy and see what our part of the world has to offer?

### COUNCIL AGENDAS AND MINUTES

**THUMBS DOWN.....**

.....to those responsible for smashing the plate glass windows at the Tambellup Sports Pavilion. Last time these were broken the cost to repair was in the vicinity of \$2600, and we don't expect that this will be any cheaper. Security photos taken at the time provide clear images of children in the area who can be identified – are they yours??

It is also disappointing to note the vandalism to the Diprose park signs – these were purchased especially to help brighten up the park area, at a cost of around \$6000, having been assured they would withstand vandalism and graffiti. This is obviously not the case, especially when something like a golf club is used to belt dents into the signs, as was witnessed by people in the area. Police have been notified and enquiries are continuing.

Council has taken steps to install security cameras in many public areas of both communities, and the images are clear enough to assist the Shire and Police in identifying people who in the area at the time incidents such as those above are committed.

**We are fortunate to live in two small communities where we all know each other, and our children are able to move around the community freely in safety. However, this can lead to complacency by parents and other adults. Yes, your children are safe, but what about where they are playing and who they are with? Do you know?**

**If you have any information relating to the two incidents above, please contact the Shire on 98253555, or call in at the Tambellup office.**

**FIRE BREAK ORDERS**

The 2014-2015 Fire Break order has been distributed with rates notices to all rate payers. If you have not received a copy, they are available at both Shire offices and the Tambellup Post Office. Please take the time to have a look and check your responsibilities as a land owner or occupier with regard to the removal of fire hazards from your property.

The Fire Brigades will be undertaking inspections of townsite properties during September to check for fire hazards. Owners of properties deemed to present an unacceptable fire risk will be requested to undertake works to remove the hazard, and additional inspections will be undertaken to ensure compliance. This activity is aimed at reducing the risk of fire, not only for you, but your neighbours and the community in general.

**RESTRICTED AND PROHIBITED BURNING PERIOD**

All residents of the Broomehill-Tambellup Shire are reminded that the **RESTRICTED** burning period commences on **19 SEPTEMBER 2014** and continues until **15 APRIL 2015** inclusive. During this time you are required to obtain a permit to burn before lighting any fires.

The **PROHIBITED** burning period commences on **1 NOVEMBER 2014** and continues through until **14 FEBRUARY 2015** inclusive. The lighting of fires during this period is prohibited, however if residents need to do **PROTECTIVE BURNING** during the Prohibited Burning Period they must first obtain a permit from a Fire Control Officer and then observe all the conditions of the permit. **PROTECTIVE BURNING** is to be carried out between the hours of 6.00pm and midnight on the same day. No Protective burning is to be carried out after December 20 2014.

Permits to burn can be obtained from your nearest Fire Control Officer, or the Community Emergency Services Manager, Cindy Pearce as follows:

**HARVEST AND VEHICLE MOVEMENT BANS**

Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. If you are currently registered for this service, it would be appreciated if you could contact Kim at the Shire on 98253555 to ensure your details are correct. Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.

**TAMBELLUP INDEPENDENT LIVING SENIORS UNITS**

*From this – December 2013.....*

*to this – August 2014*

They are finished!! On 22 August, Councillors and staff were invited to inspect the new units with the project manager, and they are fantastic – light, airy and spacious – and new! Congratulations to all who were involved with the construction.

We are in the process of organising an official opening, which we anticipate will be held late in October or early November. More information will be made available in the near future.

To date, the ILSA Committee and Council have considered three applications for tenancy. Anyone in Broomehill or Tambellup thinking of applying is urged to contact either Judy or Pam at the Shire to obtain an application pack or more information.

## Broomehill Primary School Busy Bee

On Sunday 10<sup>th</sup> August the Broomehill Primary School P and C Committee organized a busy bee to lay paving behind the Junior Room. A number of Junior Room parents contributed their time to

ensuring the job was completed professionally on the day. As the photos show the area looks fabulous and the workmanship first-rate. The Broomehill Primary School P and C would like to acknowledge the contribution of a number of people who made the task possible. A BIG thank you to Damien Gale whose expertise in paving and under whose direction and energy the job was able to be completed. Damien also supplied all the paving equipment. Thank you to Jacko Guazzelli who donated his time as well as his truck and bobcat. Thank you also to the Shire of Broomehill-Tambellup who donated the sand. Finally a thank you to those parents and children who very generously donated their time on the

day- Steve Penny, Craig and Sara Bignell, Jason and Rebecca Leyte; Scott and Lisa Thompson, Andrew and Donna Gibson, Buddy Holzkecht and his apprentice- Rhys, Justin and Erin Urquhardt, Gavin and Haydn Guerini, Mark and Aidan Paganoni, Melanie Black, Marg Holmes (Principal), Nicki and Ryan Tuffley.

The 6<sup>th</sup> Annual Daffodil Day Fundraising Evening was held in Tambellup on Friday 22 August to raise money for the Cancer Council. 96 ladies came from far and wide wearing their Mad Hatters hats to enjoy a night of shopping, socialising and be entertained. Daffodil Day is designed to give hope in the fight against cancer with all monies raised going towards research, prevention and support services. This year we raised an amazing **\$2139.30!**

Our guest speaker was Charmaine Gedenne who is a survivor of breast cancer, we thank her for sharing her journey. Charmaine was also a part of our entertainment, Tribal Thunder, from Mt Barker. We were treated to a bedazzling array of belly dancing from the group as well as a dance off between the Tribal Thunder group and Free Gypsies Dancers pack from Perth who just happened to be travelling past on the Friday night. How lucky were we!

Many thanks also go to Craig Beacham and Marie Sheridan for presenting another amazing meal, Holly Farrell and Amelia Simpson for their donations and help, Tambellup Primary School for the use of their PA system and to the 12 stall holders who came along to the evening: Phoenix Trading, Jewelpati, Mary Kay Cosmetics, Its All Sweet, Enjo, Scentsy, Arborne International, Tribal Thunder, Avon, Lay N Go Australia, Thermomix and Your Home Inspiration.

Thank you and see you next year – Friday 28 August 2015.  
Rhonda, Evelyn and Kristy

P.S – If anyone is interested in organising this event next year please step forward, it does not involve much and the impact is huge.

## Farmer Family Plant Tree in Avenue of Honour

A group of about fifty members of the community gathered for a few words at the top of the Deserted Mounted Corp Memorial, Mt Clarence on Friday.

Ted Farmer, who MC-ed the ceremony, shared the story about their family connection to the Anzac legend and the great efforts of their Indigenous Ancestors who died in France in WW1. He honoured the two Farmer brothers who served their country, Larry and Augustus Farmer. Mr Garry Adams representing the City of Albany, acknowledged the local noongar men saying that in recognising the Farmer family and sharing of this story, we enable people to understand that the grief of war touched everybody and that the sacrifices made were made across all sections of our community. Peter Aspinall, President of RSL Albany Sub Branch acknowledged the contributions of the Farmer family and said that they may have been the last of casualties of the Great War from the Great Southern. He said he was proud to part of the tree planting and unveiling of plaques and said through the efforts of the family Larry and Augustus Farmer will be recognised and remembered in the Avenue of Honour.

Following the ceremony, the group took part in the tree planting, unveiling of plaques and laying of wreaths.

There were five generations of the Farmer family at the ceremony and tree planting ceremony.

## DID YOU KNOW ...

**Strong language and literacy skills are essential for children's success in school and in life.**

- Cate Heroman and Candy Jones

The Parents and Caregivers who attended the Healthy Eating workshop on Monday 4th August found it both interesting and informative.

**Thank you** to Jacinta Robinson from Amity Health for her presentation and Fiona Thorn, Lee Lay and Carolyn Cunningham for their efforts in the crèche.

### Language Development:

- Children learn language by listening and imitating.
- As a parent you play a very important role in helping your little one develop their language.
- Children who do not speak clearly or use incorrect grammar will often have difficulties with writing.
- Children who are learning to write, will write how they speak. If they say — "Him going to the shop", they are more than likely going to write that.
- Children who are successful learners generally have a large vocabulary.
- You can help build your child's vocabulary by talking and reading to them.
- When naming items give them the correct label - eg: a sheep is not a baa baa, a horse is not a horsey. Giving items the correct label stops children from becoming confused.
- If you would like to know more about the ages and stages of language acquisition please ask. (Sue Sheridan)

## KATANNING & DISTRICTS GARDEN CLUB.

Only a small number of members were able to attend our August meeting, but that didn't prevent us from having an interesting afternoon. Competitions were generally well supported by those in attendance, making it difficult to find a judge for the various classes, however we managed with results as follows .

**FLORAL ART:** 1. Gerry Watson. **FLOWERS:** 1. Anne Rees, 2. Gerry Watson, 3. Leonie Daw. **TREE or SHRUB:** 1. Margaret Wise, 2. Margaret Wise, 3. Margaret Wise. **MY BEST FLOWER:** 1. Ailsa Thomas, 2. Ailsa Thomas, 3. Leonie Daw. **POT PLANT:** 1. Ailsa Thomas, 2. Margaret Wise. **FRUIT or Vege:** 1. Leonie Daw, 2. Margaret Wise, 3. Anne Rees.

Former club member and floral artist, Sue Wheatley now a member of the Bunbury Floral Designers has just taken part in their annual exhibition with outstanding results. Sue gained most points overall, 1<sup>st</sup> for designer of the year and a highly recommended (equal to 3<sup>rd</sup>) for a contemporary arrangement. Sue although originally self taught has shared her talent and taught most of our current floral artists to be able to achieve their beautiful creations. Congratulations Sue.

A trip to the Tulip Farm is planned for the 23<sup>rd</sup> September, anyone wishing to join us are most welcome (not just Garden Club Members) We plan on leaving Katanning at 9am and could meet up with anyone from Broomehill or Tambellup in Kojonup at 9.30am. I will need numbers though so if you would like to go please contact me (Ailsa) 98211828 or leave a message if phone is unanswered.

Show time is not far away, the schedules are out, the garden club organizes the flower section but we welcome & encourage entries from the general public. Please note staging of exhibits and judging time has been changed to Friday afternoon.

Our September meeting will be at Helen Bignell's home, if you wish to travel in convoy or car pool be at the Town Hall car park by 12.50 pm for a 1pm departure.

Till next month, take care,  
Cheers Ailsa .

## Broomehill Historical Notes

*Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.*

**Thornely, David** – Came to Sunnyside on 9<sup>th</sup> January 1889 to take over Gypsy Jack's flock at the Gordon. Two days later he left with TN to take Climie's sheep to Pootenup, staying overnight at Killibinup. They reached Jack Wells' at the Gordon on 13<sup>th</sup> and, at Pootenup on the 15<sup>th</sup> the sheep from Bones' flock was added to Thornely's – totaling 1115. TN drafted off 21 for the railway navies if required.

**Timber** - In his diary WHG refers to using she-oak for slabs and shingles; mahogany for slabs for the wall; white gum for cart stuff; yat for cart shafts. On 18<sup>th</sup> December 1863 he wrote "The peach tree (quongdong) turned out some most beautiful boards." Jam (Strawberry Jam Wattle) was used from earliest days until fairly recently for very efficient fence posts, many still standing.

**Tom** – Unidentified. In November 1864, Tom was working in the garden at Fairfield and haymaking. On 8<sup>th</sup> he was sent to Jim Watson with rations and to be his hutkeeper. The next day he brought Charlie's things in. On 26<sup>th</sup> January 1865, Maher told WHG that Tom was lost in the bush and when Jim Watson went out to his flock, WHG sent two natives with him to look for Tom. On 27<sup>th</sup> Whitehead came from Ewleymartup and said Tom had not been found, but two days later Constable Preston arrived with Tom who had found his way to Haddleton's. WHG settled with him and he left for Albany with P.C. Preston.

**Toovey, Henry** – On 7<sup>th</sup> December 1880, TN sent him 11 culls and in May 1886 TN referred to a tank between Townsend's and Toovey's – that is near Pootenup. In March 1888, Toovey was granted a contract to supply forage to the railway men and TN sent Charlie Ward to do the carting. In May Harry came to Sunnyside for chaff and returned in October to cart TN's sheepskins for Climie – 670lbs at 2½. Per lb – together with some of Lady Campbell's.

**Townsend, Henry James** – "Silver Grass" – property near Pootenup, below Pingelup. TN regularly called on Henry Townsend whenever he was in the area visiting his shepherds or on route to or from Albany, and was minding some of Townsend's sheep. In March 1886 Townsend bought 20 bushels of wheat £7, 4 bushels barley £1. On 28<sup>th</sup> July Townsend was witness in the Court case at Kojonup against Baggs, Kain and Finefellow for being drunk and neglecting TN's sheep. On 30<sup>th</sup> September, Paddy and Finefellow were sent to bring Townsend's sheep up for shearing. On 6<sup>th</sup> November 1886 Henry called on TN at Sunnyside to see about his sheep and two days later they both went to Balgarup to see if Joseph Spencer would take the flock, but Joseph had rheumatism so TN agreed to keep his sheep for another year at £6 per hundred and to attend to one shepherd. A. Moir was given the flock and started for Townsend's with 955 wethers. However when Townsend visited Sunnyside for several days in November 1888, TN apparently had the sheep still as he made the flock up to 991 and in January 1889 paid £40 sheep rent. Mrs Townsend visited Gobrup in January 1893 and TN drove her over to Broome Hill to go home on 2<sup>nd</sup> February.

**Travelling Agents** – On 16<sup>th</sup> June 1892 TN and Mrs Norrish went into Broome Hill to Carmody's where they bought £10.3.6 worth of clothing from Woolf & Co representative. In February 1893 and agent for Singer Sewing Machines called at Gobrup and three days later brought back a machine for the ladies to try. The machine was kept and TN paid £11.5.0. In March that year Sanderson's man called to see if TN wanted any machinery. TN ordered a hand sowing machine so that his son Richard could sow wheat at Sunnyside.

# GOLF

Calling all budding golfers, enthusiastic wannabes and keen caddies you are invited to play in this year's Frankland River Golf Classic! The event takes place on Saturday the 18th of October at Frankland River Golf Club. This year's Golf Classic is once again proudly sponsored by Frankland Rural Landmark.

The day starts off at 10am with a sausage sizzle before budding golfers tee off at 11am. Lovely local ladies will be serving some great food throughout the day keeping golfer's energy high and encouraging you to play your best game ever! The Frankland Club will keep golfers "hydrated" throughout the day with drinks available from the clubhouse and the drink carts. Golfers later adjourn to the Frankland River Hall for presentations, dinner and to listen to the band. Beer, wine and softdrink available for purchase at the bar (Sorry No BYO)

This year golfers have twice the opportunity to win big bucks. Hit a hole-in-one on Hole 2 (sponsored by Landmark Real Estate Kattaning) and you walk away with \$6000, or hole 11 (sponsored by Albany Toyota) you win \$10,000! We will also need to get a bigger table this year to accommodate the ever growing bounty of prizes up for grabs. That's right, thanks to all our generous sponsors we are set to present even more prizes this year.

The day of golf will cost you \$65 which includes; green fees, morning tea, lunch, dinner and entry to the band. For non-golfers: dinner and band only tickets are \$35. Children under 15 eat free kid's meal (bookings essential) A \$10 late fee applies to payments made on the day.

Can't find a babysitter? This year we are set to provide a creche for the day run from the community centre. Pricing to be confirmed should there be enough interest.

The band The Shaky Reed Trio will keep us entertained from 7pm playing some of your favourite rock classics. Entry to the band after 8pm is \$20, all welcome.

So brush the dust off your golf clubs, grab some mates and join in the fun of the day. If you only play golf once this year then make sure you play in the Golf Classic. Who knows you may even win one of the many prizes of the day. See you there!

To register to play or for more details call Alison on 0437566315 or email [frcc@westnet.com.au](mailto:frcc@westnet.com.au)  
Bookings are essential.

*Thank you to all who helped run our Pink Day at our home fixture. Despite the weather we had a successful day.*

*Due to a very wet field the fixture for 2<sup>nd</sup> August was changed from Kojonup to the turf at Gnowangerup. Everyone had a great time playing on the turf and a few muscles and knees were sore for a few days after!*

*Our final fixture for the season is on Saturday 30<sup>th</sup> August. It would be great to see you all come and support all our teams for the last game of the season.*

*Thank you to everyone for their support this year and well done to the new Ladies and Mens teams who made a very positive beginning for the club.*

*It just shows that you can be any age to hold a hockey stick and have a run! We look forward to another great year next year.*
