## SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

The next meeting of Council will be held on Thursday 20 March 2014 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### FROM THE FEBRUARY COUNCIL MEETING

- Council carried out a review of the annual budget as at 31 January 2014. This process allows Council to see how various projects are tracking financially, and make any adjustments required.
- Council discussed the issues relating to the ongoing vandalism to the standpipe controllers in the shire, the inability to accurately account for water usage and the options for repair or replacement of the controllers. It was determined that initially, Council will obtain a quote to relocate the controller on the Crawford St standpipe to the Tambellup West Rd standpipe. Replacement of all four controllers will be considered as part of the 2014/2015 budget deliberations.
- As part of the Waste Transfer Station works approvals obtained through the Department of Environmental Regulation (DER), Council is required to develop and submit to DER a Post Closure Management Plan for each of its tip sites. These Plans outline strategies and tasks that will be required to be undertaken by Council to progressively close the sites after they have reached the end of their useful lives. These documents have been accepted by DER. Council will consider, as part of budget deliberations, the establishment of a new Reserve Fund to meet the financial requirements associated with these strategies.
- Council adopted the Independent Living Seniors Accommodation Housing Management Manual and Management Practices. The adoption of these documents, which provide the 'rules' for the operation and administration of the seniors units, is an important step closer to the completion of the project.
- Council discussed the naming of the new Seniors Units, and proposed that the collective name for the units be 'Sandalwood Villas'. Public comment on this proposal is invited until 14<sup>th</sup> March 2014, and should be submitted:
  - in writing to the Chief Executive Officer,  
Shire of Broomehill-Tambellup,  
46 – 48 Norrish St, Tambellup 6320; or  
by email – [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au); or  
by contacting Pam at the Shire on 9825 3555.
- Council will establish a new Reserve Fund, as part of budget deliberations, to cover long term maintenance and renewal/replacement of the Seniors Units. The Reserve will be funded from the balance of rents paid not utilised in operational costs of the units.
- Council expressed its support of initiatives currently being implemented by local police – 'ewatch', 'Rural Crime Prevention' and 'Keeping Kids in Schools'.
- Council indicated its support for the proposal to establish a 'Bus Zone' on the northern side of Howard St adjacent to the school grounds. It is anticipated this will reduce traffic congestion and improve safety for students.
- Council agreed to a request from the Water Corporation to utilise the existing concrete tanks at the Tambellup Sports Ground to store treated waste water for reticulation onto the Tambellup Oval. This will be a temporary measure until new concrete tanks are constructed at the Sports Ground for this purpose.

### BUDGET 2014/2015

Council is about to commence the first stages of the preparation of the 2014/2015 budget. As part of that process, community and sporting groups are invited to submit requests to Council for consideration in the budget. Submissions are to be in writing and forwarded to the Chief Executive Officer, 46-48 Norrish Street Tambellup by close of business on Thursday 27th March 2014.

### COUNCIL WORKS

Water (and the supply of) has been a recurring theme throughout the summer months, with ongoing watering, monitoring of dam levels, vandalism to standpipes, people turning off pumps and taps that are necessary to water our ovals, parks and gardens, vandalism and repairs to reticulation and pipelines and installation of new reticulation in newly established gardens. These activities have kept our Parks and Gardens crew busy through February, and we can only imagine how they are waiting for some decent rain!

Works at the Waste Transfer Stations are nearing completion, with final sealing and kerbing, the construction of an evaporation pond and an office building to be completed in Broomehill, and final kerbing and the office building to be completed in Tambellup.

Clearing has been carried out in Broomehill near the cemetery in readiness for the Water Corporation to relocate the India St standpipe to the corner of Cemetery Rd and Broomehill-Kojonup Rd.

Works have been underway on Pallinup South Rd to install a new culvert, and stabilising a widened section of Broomehill-Kojonup Rd prior to sealing.

 of school age students on the autism spectrum

**Workshop: 2014WAPC1 Location: Albany**

The Positive Partnerships initiatives have been developed and delivered by Partnerships between Education and the Autism Community (PEAC) and funded by the Australian Government Department of Education, through the Helping Children with Autism package.

### What will you learn?

As a result of participating in the workshops and information sessions as parents/carers you will gain:

- a greater understanding of the impact of autism on your child, both at school and at home
- knowledge about how to develop effective parent, school and teacher partnerships
- specific strategies on how to:
  - advocate for your child
  - support your child's participation at school
  - develop an awareness of ongoing learning needs
- information about your local school system's processes
- opportunities to network and share strategies with other parents/carers and key community members
- opportunities for discussion around a range of topics relevant to students with an ASD and their families

Some key community representatives that support families living with autism will be identified and invited to participate in the workshop with a view to supporting a community focus beyond the workshop.

#### Regional Children's Services Plan – Great Southern

RDA Great Southern is proud to have been awarded the contract to deliver the Department for Communities Regional Children's Services Plan in the Great Southern. The Plan is a two year project which aims to develop strategic long term approaches to community managed education and care services in regional WA. The project is funded through The Regional Community Child Care Development Fund. RDA Great Southern's Executive Officer Simon Lyas said "the project provides an excellent opportunity for the RDA network to add value to key community networks across the entire region".

RDA Great Southern has appointed Regional Development Officer Janelle Price to deliver the project. During the next six months Janelle will be speaking with providers and families about their concerns, and communicating closely with six other Development Officers working throughout other regions. As well as consulting locally, online and other surveying will be available.

Janelle says she's "looking forward to working at a grass roots level to discover local innovation and initiatives in children's and family services, and this is a great opportunity for parents and service providers to have their views heard".

Once completed RDA Great Southern's on-ground work will inform a state-wide Plan; RDA regions will be planned for in the context of local considerations and the challenges faced by local communities. It is intended the WA plan will help achieve a more strategic and coordinated approach to the development of services that support families and children in regional Western Australia.

The Draft Plan is expected to be available for comment by August 2014. Provision of support for community managed regional services is a key component of the project, with a focus on recommended implementation strategies happening in the second year.

Contact Janelle on 9842 5800 or visit the RDA Great Southern website at [www.rdagreatsouthern.com.au](http://www.rdagreatsouthern.com.au)

# Pink Stumps Day

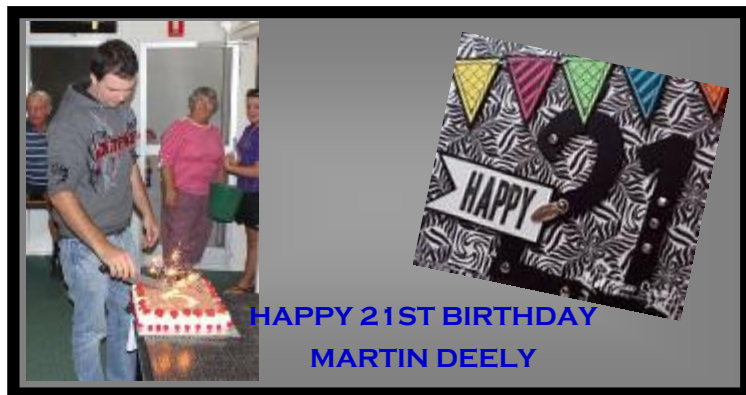

On Saturday the 22nd of February Tambellup Cricket Club held a Pink Stumps Day To help raise money for the McGrath Foundation. The McGrath Foundation raises funds to place McGrath Breast Care Nurses in communities right across Australia and increase breast awareness in young Australian women. The Tambellup Community once again came together to Raise an amazing amount of \$2760.00.

This day couldn't have been possible without the Generosity of volunteers, a massive thanks goes out to Emily and Matt Yiend for collecting all our donations and operating the merry-go-round (which was donated by the Tambellup Ag society) , Beth Trezona, Fiona Thorn and the CWA Ladies that made some amazing cakes for our cake auction which alone raised \$300.00. Also a big thank you to Sue Sheridan and Belinda Hankinson for the slices which sold out during the day. As well as the support of the Community Members we also have to thank the businesses that donated from Tambellup, Albany, Katanning, Broomehill, Pemberton, and Kojonup. The day wouldn't have been possible without the awesome donations for the raffle prizes.

So once again thank you to everyone who donated and thank you to the Tambellup Cricket Club for hosting this awesome fundraiser, Kendenup cricket club (the opposition) for their support and Broomehill and Katanning cricket boys for stopping in to support the cause.

It was nice to see the boys dressed for the occasion you all looked so CUTE.

## LIONS CLUB NEWS

## 2014 Tambellup Corporate Bowls

A very successful four weeks of Corporate Bowls was completed on Friday 21st February. There were 16 teams participating and the competition was very keen.

The eventual winners with a measure to decide the last end was The Gang. Allan Hankinson, Matt Kay, Johny Farmer and Belinda Hankinson. They edged out the Scotties ( 312 years of combined experience) who then had to survive a countback from the Teachers.

The TA Angels won the NYW prize, as well as accolades for the best uniform. Great job girls.

*Martin Deely was presented with a 21st cake, congratulations Martin.*

We especially thank our sponsors over the four weeks, QFH Multiparts, Primaries Livestock, Tambellup CRC, Landmark, Tambellup Cranbrook Community Bank, and Jewelpati.

Thanks to all those who participated.

Thanks also to all the workers in the kitchen, cooking at the BBQ, at the bar and the guys working under J Hull getting the greens up.

See you all next year.

## WOULD UP TO \$200 PER CHILD HELP PAY FOR THEIR SPORTING CLUB FEES?

KidSport will assist eligible families to receive up to \$200 annually for each of their children aged between 5 – 18 years, to subsidise fees to join a sport and recreation club.

Eligible families include those with health care cards or pension concession cards, or those referred by other community groups such as schools, juvenile justice teams, government agencies and health practitioners. These groups are known as referral agents.

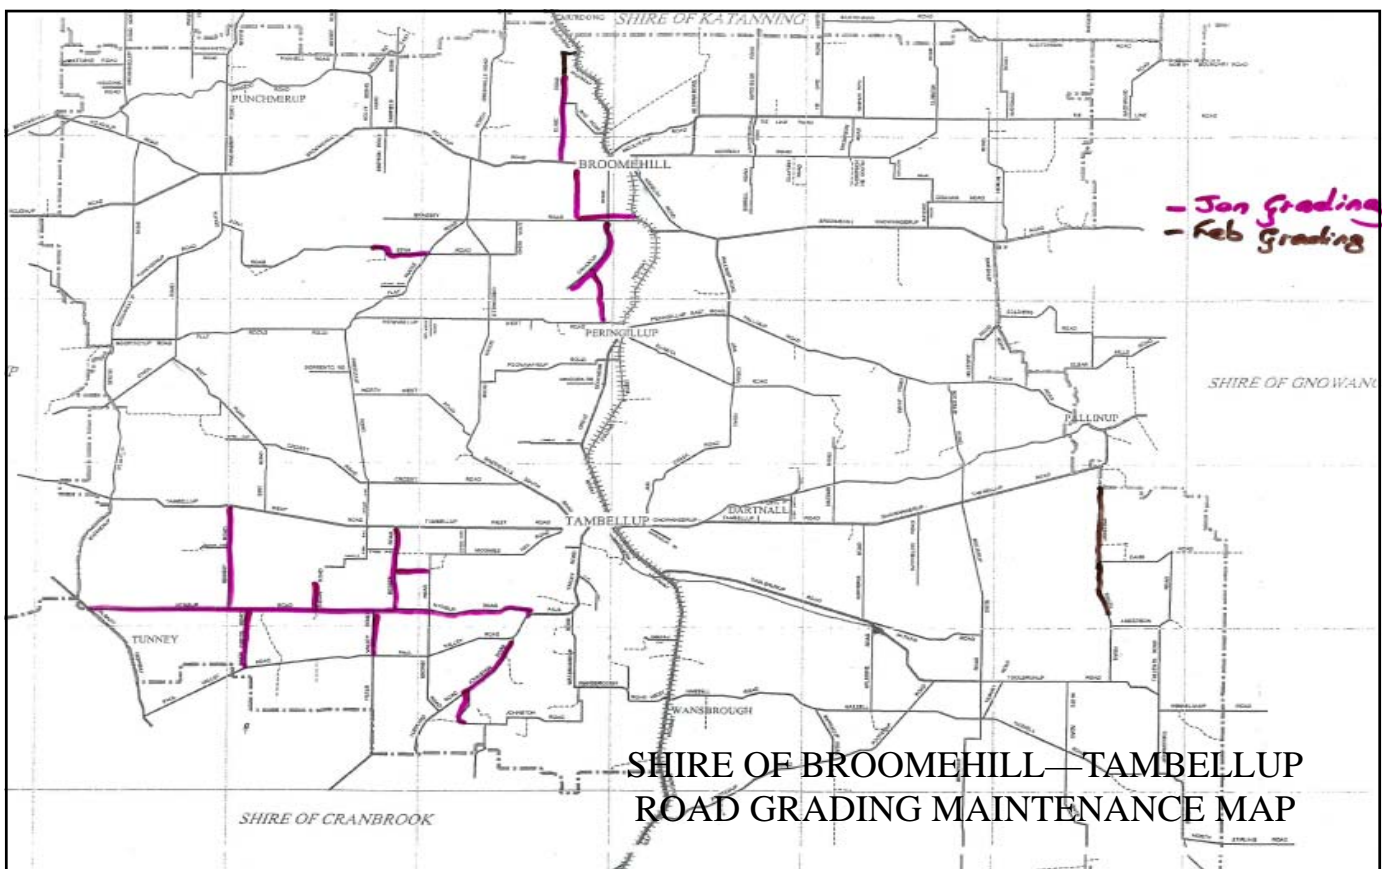

*The process for accessing KidSport is simple!*

Kids and parents/guardians can complete the application by picking one up from the Shire of Broomehill-Tambellup office or their website. The parent/guardian fills in the application and takes it to be validated at the local government they reside in. A photocopy of the health care card or pension concession card must be attached.

Alternatively, referral agents may assist in filling out the application, complete their section on the back and give it to the parent/guardian to sign. The parent/guardian will take the voucher to the sport or recreation club for processing when registering their children. The club will then invoice the Shire. It's that easy! - *To find out who the Referral Agents are in your community please contact the Shire.*

For more information regarding **KidSport** please contact the Shire of Broomehill-Tambellup by calling (08) 9825 3555, visit the Shire website [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) or call/email the Club Development Officer, Amelia Simpson, on 0417 484 619, [cdo@shirebt.wa.gov.au](mailto:cdo@shirebt.wa.gov.au)

### TAMBELLUP INDEPENDENT LIVING SENIORS ACCOMMODATION

The swarm of tradies in hi-vis shirts onsite is making rapid progress on the units, which is exciting to see. As the construction continues, work is also continuing on making sure the management and administration of the complex is in place ready for tenants to move in as soon as possible after completion.

The newly formed Independent Living Seniors Accommodation (ILSA) committee met recently to consider the drafts of the 'Housing Management Manual' and 'Management Practices', documents which are required to provide the 'rules', systems and processes for the management of the units. Council adopted these documents at the February meeting, and with that, another important milestone is ticked off.

We have been advised the estimated completion date is the end of September 2014. With that in mind, we will shortly be contacting those people who have already indicated they are interested in renting a unit, to confirm they are still interested. We also invite others in the community who may be interested to contact Pam at the Shire on 9825 3555. The main criteria is that you must be over the age of 55 years to be eligible.

**At the February Council meeting, the matter of naming of the units was considered. Council has determined that the unit complex will be named 'Sandalwood Villas', and now invite public comment. We would love to hear what you think – is this appropriate? Love it? Hate it? Do you have an alternative?? Let the Shire know by 14<sup>th</sup> March, either in writing, to the Shire at 46-48 Norrish St, Tambellup 6320, by email to [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au) or by contacting Pam on 9825 3555.**

### ALDRIDGE WELCOMES PARLIAMENTARY INQUIRY INTO PATS

The Patient Assisted Travel Scheme (PATS) is set to be the subject of a parliamentary committee inquiry, after an announcement from the Standing Committee on Public Administration to Parliament this morning.

Nationals Member for the Agricultural region, Martin Aldridge MLC welcomed the announcement, saying that a review of the PATS system was well overdue.

"This is the first step toward making PATS an even more responsive program to the medical needs of regional people," Mr Aldridge said.

"PATS provides an invaluable service to patients required to travel to access specialist medical care, however was designed for a different era."

The inquiry will help examine all aspects of PATS in an endeavour to make specialist medical care more accessible to those living in the regions.

Mr Aldridge moved a motion late last year in the Legislative Council calling for a review into the *Royalties for Regions*-funded PATS, which was strongly supported by his Nationals colleagues.

In the motion, Mr Aldridge identified several aspects of the scheme in need of review, all of which are reflected in the Inquiry's terms of reference. These include:

- The level of funding applied to the transport and accommodation subsidies provided;
- Eligibility for PATS funding;
- The administration process; and
- Whether there is consideration of exceptional circumstances.

"Regional patients at times are at significant disadvantage when compared to their city cousins and that imbalance must be addressed," Mr Aldridge said.

"The Nationals have played a pivotal role in securing this inquiry to help PATS evolve into a more modern and responsive program."

The Standing Committee on Public Administration plans to advertise the Inquiry as soon as possible and public submissions will be open until mid-May.

### RAC Community Sponsorships program open – Aldridge

Community groups in the Agricultural Region can apply for grants of up to \$20,000 to help with initiatives designed to empower and strengthen local communities, thanks to the RAC.

Nationals Member for the Agricultural Region, Martin Aldridge MLC is encouraging groups and individuals to apply for the RAC's Community Sponsorships program, which since its launch in 2011 has provided over \$435,000 to 77 projects.

Mr Aldridge said that the Community Sponsorships program was providing funding for community driven innovative solutions within the RAC's focus areas of 'safe driving', 'less emissions', 'moving around', and 'for the better'.

"The range of sponsorships offered by the RAC through this program are about empowering local communities across Western Australia to deliver unique and enriching initiatives," Mr Aldridge said.

"The four focus areas are guidelines to achieve goals that will improve driver safety, lower vehicle emissions, encourage the use of active and public transport and ultimately make Western Australia a better place to live."

Through these four themes, the RAC delivers two categories of funding – Grass Roots funding, which is open all year round; and Project funding, of which there are three rounds per year.

The RAC have been an active part of the Western Australian community for more than 100 years, and they are keen to work with all levels of government, business and community to continue to improve road safety outcomes in Western Australia.

Mr Aldridge urged communities to contact the RAC Sponsorship team at [sponsorship@rac.com.au](mailto:sponsorship@rac.com.au) or phone (08) 9436 4584.

### Royalties for Regions and country Local Governments under attack

Nationals Member for the Agricultural Region Martin Aldridge MLC has today criticised some Liberal MPs for being out of touch with regional Western Australia.

As Parliament resumed this week, two Liberal Members voiced their support for the amalgamation of regional local governments, and another has called for *Royalties for Regions* to be scrapped.

In a speech to the Legislative Assembly yesterday, Hillarys MLA Rob Johnson called directly for the scrapping of *Royalties for Regions*, claiming the program was untenable, discriminatory and its abolition was morally the right thing to do.

Mr Johnson also claimed that others in the Liberal Party supported his view.

Mr Aldridge condemned Mr Johnson's claims, saying *Royalties for Regions* was essential to address the gap that still exists between services and infrastructure available in WA's regions compared to metropolitan Perth.

"In 2008 the retiring chief executive of the WA Country Health Service described regional health as 'blatantly bloody unsafe' and blamed metro centric bureaucrats and politicians for inaction," Mr Aldridge said.

"*Royalties for Regions* is rebuilding hospitals and nursing posts, attracting and retaining GPs, supporting ambulance services, building aged care facilities, introducing technology into medical centres through telehealth, funding the Royal Flying Doctor Service and will this year launch the State's second dedicated medical rescue helicopter in the South West of the State.

"If Mr Johnson and his Liberal colleagues feel morally obliged to abolish *Royalties for Regions*, they can bring a bill to the Parliament to do just that, however, The Nationals will vigorously oppose any attack on Australia's most important regional development program."

Mr Johnson was a Member of Parliament and a member of the Cabinet that approved the creation of *Royalties for Regions* by legislation following the 2008 State election.

"At the last state election The Nationals said that the only way to protect *Royalties for Regions* was to vote for us, and it now seems we were right," Mr Aldridge said.

"Our regions contribute significantly to the State's economy and will play a large part in the future growth of our State.

"We must recognise and support that contribution with the continuation of *Royalties for Regions*."

## Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up

farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

**Stenhouse** – In January 1898 Stenhouse built a sheep dip for TN – cost £5.15.0

**Stevens** – Early in 1888 Gibson & Annadale of the WA Land Company arranged with TN to sink a tank on Sunnyside land and use the water and on 9<sup>th</sup> March Stevens came to start work. TN spent 30<sup>th</sup> March helping him and on 12<sup>th</sup> April some of the railway men came to clear out the well and have use of the water.

**Stevens** – (unidentified) On 10<sup>th</sup> February 1893 a man named Stevens who had been staying in the paddock for a few days started for the Dundas Hills searching for gold.

**Stevens, Daniel** – Police Constable. Came to Sunnyside on 7<sup>th</sup> January 1907 to say there had been no tidings of the man King. TN's son Richard had been told that young Ireland had seen King at the races in Perth. Constable Stevens was back on 11<sup>th</sup> February to take census for the year.

**Stone, C.H.A** – Manager of the Union Bank, Broome Hill. On 17<sup>th</sup> April and 17<sup>th</sup> September 1892, called at Gobrup with members of the Sweeney family. On 3<sup>rd</sup> June he borrowed £100 from TN for 6 months at 8%. On 6<sup>th</sup> June TN received from the Bank Manager 2 Life Policies, 1 Land Title and a Promissory Note from R.S. Climie for £100 due on 2<sup>nd</sup> December 1892. C.H.A. Stone was a member of the Agricultural Society and he and TN opened tenders for the new shed at the Showgrounds on 1<sup>st</sup> September 1892. On 8<sup>th</sup> October he told TN that he was leaving Broome Hill and TN received correspondence from him in 1893.

### **Strongfellow Sunnyside**

**Surveyors** – Assistant Surveyor William Phelps worked in the district early in 1862. In February he surveyed WHG's 40 acres (16.2 ha) at Nannamillup and in April he surveyed Yowangup for Quartermaine in tending to go to Drolf's 40 acres at Mullidup but he learned from one of Treasure's men that the Mullidup and Martinup springs were dry and the nearest water was 7 miles from Martinup. He therefore decided to leave Drolf's block and go to Wttakup and Nannamillup.

On 8<sup>th</sup> November 1881, a survey party comprising John Forrest, H. S. Ranford and several others including Hicks, Price and Clifton arrived at Gobrup and set up camp by the tank; ten of their horses were put in the stables. On the 11<sup>th</sup> Forrest and Ranford went to Martinup and may have stated there as TN refers to Mr Forrest and survey party returning on 25<sup>th</sup> November. The next day the survey party, accompanied by Edward Treasure left for Yowangup. On 9<sup>th</sup> March 1886, William Angove and a Mr Cheesewright and their man Nettle had dinner at Sunnyside. They were going to Albany along the railway route. Mr Angove paid 10/- for himself and horses. On the 8<sup>th</sup> August 1890, TN went to Eticup to see the surveyors who were surveying Lord Brassey's property.

## KATANNING & DISTRICTS GARDEN CLUB NEWS.

A happy group of members gathered at the Arts & Crafts rooms for the first meeting of the year. The usual monthly competitions were held as well as general garden topics discussed.

The competition results were: FLORAL ART : 1. Gerry Watson, 2. Pam Garlick. FLOWERS: 1. Ailsa Thomas, 2. Anne Rees, 3. Gerry Watson. TREE or SHRUB: 1. Ailsa Thomas, 2. Pam Garlick, 3. Ailsa Thomas. MY BEST FLOWER: 1. Ailsa Thomas, 2. Ailsa Thomas, 3. Anne Rees. POT PLANT: 1. Ailsa Thomas, 2. Ailsa Thomas, 3. Pam Garlick. VEGETABLE: 1. Anne Rees.

Venues have been organized for the next few months, next month the meeting will be in the garden of Shirley Brokenshire at 43 Daping Street in Katanning. Shirley has warned us to expect something quite different to the normal setup, the meeting will actually be held in the garden under a canopy of trees, weather permitting, we have to wait and see what else Shirley has planned, so don't miss out on what could be a very interesting afternoon. The date for the meeting will be March 11<sup>th</sup> at 1.30 pm.

We have once again applied to the WA Horticultural Society to stage the Great Southern Iris Championship at this year's Katanning Show. Already we are giving thought to the show schedule, a few minor changes will be made but in general will be the same as last year.

Some things to do in the garden this month, trim lavenders lightly, prepare soil for sweet pea planting towards the end of March, keep feeding pot plants with a liquid fertilizer, peas & beans like lime in the soil, thin out camellia buds to 2-3 to each stem, select bulbs ready for Autumn planting.

Looking forward to seeing members & visitors at the March meeting,

Cheers Ailsa.
