SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 20 February 2014 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE DECEMBER COUNCIL MEETING

The Annual Electors Meeting will be held on Thursday 6th February 2014 at 7.30pm in the Tambellup Council Chambers. Copies of the Annual Report are available at both the Broomehill and Tambellup offices.

At the December Council meeting the development of a new Local Planning Strategy to replace the current Shire of Broomehill Town Planning Scheme and Shire of Tambellup Town Planning Scheme continued, with Council considering the final draft of the document following input from the Department of Planning. The document will now be submitted to the Western Australian Planning Commission/Department of Planning for approval to advertise for public comment for a period of 42 days. Copies of the document will be made available to the public at both the Broomehill and Tambellup offices, once it is advertised.

With works ongoing at both the Tambellup and Broomehill Rubbish Tips to complete the transition to manned Waste Transfer Stations, a number of matters relating to public access were considered. More information will be made available to residents closer to the completion of works. Initially, Council has endorsed the opening times for the Broomehill and Tambellup Waste Transfer Stations:

- Thursdays and Fridays from 1.00pm to 4.30pm;
- Sundays from 10.00am to 4.00pm; and
- Mondays from 8.00am to 1.00pm

and that the opening hours be reviewed as part of the annual budget process.

Council also endorsed the implementation of the Tip Pass system for the Broomehill and Tambellup Waste Transfer Stations, whereby passes containing a number of tokens are available:

- a one off annual distribution to residents with no weekly rubbish collection; and
- for sale to residents who receive a weekly rubbish collection and residents requiring additional access to the Waste Transfer Stations.

Each token will have a face value to be determined by Council as part of the annual budget process.

Fees and charges relating to the operations of the Broomehill and Tambellup Waste Transfer Stations will be advertised in accordance with *Section 6.19 of the Local Government Act 1995*.

Council endorsed the *Appointment of Bush Fire Control Officers* policy which states mandatory training will be required for Chief, Deputy and Brigade Fire Control Officers in order for their nomination to these positions to be endorsed by Council.

In accordance with Occupational Safety and Health legislation, Council has a duty of care to all its brigade volunteers to provide as safe a working environment as possible. This extends to ensuring Fire Control Officers are appropriately skilled to manage a fire incident, and the volunteers assisting at the incident.

The requirement for officers to complete appropriate training will assist in meeting this duty of care, and will ensure the people appointed to these positions are appropriately qualified to manage a fire incident.

It is timely that DFES has advised they will be conducting a Fire Control Officers course in Jerramungup on 14th March 2014. Brigade members wishing to nominate, particularly anyone who may be stepping up to the role of Fire Control Officer for the next fire season, are asked to contact Kim at the Shire for more information.

Nominations close on Wednesday 26 February 2014.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with a disability.

Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

COUNCIL WORKS

With most of the works crew taking leave over the Christmas and New Year period, the 'skeleton crew' has been holding the fort.

Through December, work was carried out resheeting and grading a section of Beejenup Rd which was causing problems. Final trim and sealing was completed on Gnowangerup-Tambellup Rd, and the Tambellup West Rd reconstruction section and reseal were

Completed.

Contractors will finish gravel widening and final trim and seal on the Broomehill-Kojonup Road in the New Year.

Graders continue to work in the south eastern corner of the Shire.

GRAVEL ROADS

Following the successful harvest that has just been completed, residents will be aware our gravel road network has suffered through the volume of heavy vehicle traffic during this period. We appreciate feedback as to the condition of the roads, and ask for your patience as the graders work to address the issues. In the meantime, please consider the condition of the roads you are travelling on, and drive according to the conditions.

TAMBELLUP INDEPENDENT LIVING SENIORS UNITS

Work at the Units site stopped for a couple of weeks over Christmas and New Year, but the crew are now back onsite and the building is progressing. All house pads were laid early in December and the timber framing was erected prior to Christmas. These tasks were completed within a very short period, providing a real 'wow' factor. After so many years of working to secure the funding for the project, it is exciting to see the development take place so rapidly.

Congratulations Tiffany

A big congratulations to Tiffany Bradshaw from Tambellup, winner of the BN Taylor Leadership Award. Tiffany is the second person to win the annual \$250 award, sponsored by Tambellup Cranbrook Community Bank and is open to 15 to 18 year-olds for education or life experiences.

It is named after one of the founding directors of the local Tambellup Cranbrook Community Bank® branch, Brian Taylor, to help young people gain valuable interview, public speaking and leadership skills as they embark on their journey through life and highlights the bank's community commitment. To present the award, the Bendigo Bank State Manager Simone Ellul travelled from Perth to join the board and staff in congratulating Tiffany earlier this month. The award will come in handy for Tiffany as she is travelling to Malaysia later this year as part of a school hockey trip through Great Southern Grammar.

The award required entrants to give a three minute talk on how social media can help small communities thrive and be interviewed by a panel including a representative of the Taylor family.

"Using social media can help small country communities thrive through many different ways," Tiffany said. "It can help by advertising local businesses, notifying people of upcoming events and news, connect people who would otherwise not be in touch and by keeping up with the rest of the world."

Applications for 2014 will be advertised in September.

Tambellup Police News

As the Officer In Charge of the Tambellup Police Station I am often asked if I will compile a regular article for either the Tambellup Topics or the B.T. Times. The short answer is no. Not because I do not value either publication (quite the opposite), nor because I have nothing to say to my community. The reason being the WA Police have a different system for communicating to members of the public. This system is much more direct and targets the people who want to hear what I have to say, and those who have an interest in crime and security in our community.

The E-watch program is still very new, and like all new things new it is taking me a little time to master it. That being the case I ask you to be patient and forgiving of my mistakes. I have now published (sent) the first of what I hope to be a monthly newsletter to all of the people who are currently subscribed. I have placed information cards at the Tambellup Post Office, the Broomehill Post Office, the Tambellup Shire Office and the Broomehill Shire Office. These cards show how to sign up as a subscriber free of charge.

It is my intention to include in the newsletters a recap in relation to events of the previous month as well as a topic to consider (usually involving our planned operations) for the current month. As always I am open to suggestion and there is a simple process to provide feedback.

If you would like more information in relation to the E-watch Program please use the following link or contact me at the Tambellup Police Station on 9825 1003.

<http://ewatch.com.au>

Should you wish to discuss any issues with me please feel free to contact either myself or First Class Constable Bev BRADY at the Tambellup Police Station.

WOULD UP TO \$200 PER CHILD HELP PAY FOR THEIR SPORTING CLUB FEES?

KidSport will assist eligible families to receive up to \$200 annually for each of their children aged between 5 – 18 years, to subsidise fees to join a sport and recreation club. Eligible families include those with health care cards or pension concession cards, or those referred by other community groups such as schools, juvenile justice teams, government agencies and health practitioners. These groups are known as referral agents.

The process for accessing KidSport is simple!

Kids and parents/guardians can complete the application by picking one up from the Shire of Broomehill-Tambellup office or their website. The parent/guardian fills in the application and takes it to be validated at the local government they reside in. A photocopy of the health care card or pension concession card must be attached.

Alternatively, referral agents may assist in filling out the application, complete their section on the back and give it to the parent/guardian to sign. The parent/guardian will take the voucher to the sport or recreation club for processing when registering their children. The club will then invoice the Shire. It's that easy! - To find out who the Referral Agents are in your community please contact the Shire.

For more information regarding **KidSport** please contact the Shire of Broomehill-Tambellup by calling (08) 9825 3555, visit the Shire website www.shirebt.wa.gov.au or call/email the Club Development Officer, Amelia Simpson, on 0417 484 619, cdo@shirebt.wa.gov.au
