## Broomehill-Tambellup Candidate Profile

### BROOMEHILL-TAMBELLUP WARD

#### BATCHELOR, Mike

I have lived and worked in the Broomehill/Tambellup district for most of my life. For 25 years I farmed east of Tambellup. My wife Jan and I now live south-west of Broomehill and I work in rural real estate and contract at the Katanning sale yards. Jan and I have three daughters, I was educated at Tambellup Primary School, Katanning High School and Hale School. I have been involved in various community organisations and sporting clubs including the local fire brigade, the Agricultural society, the Theatre Company, P&C, School Council and Football, Golf and Tennis clubs. I am interested in the process of local government and feel that I would be well qualified to represent the interests of both the Broomehill and Tambellup communities which together, make up one of the newest shires in WA.

#### PAGANONI, Mark

I was born and raised in Broomehill. I attended Broomehill Primary School and Aquinas Secondary College. I completed my Trade in Fabrication in Perth where I worked for five years. In 2000 I returned to Broomehill where I currently farm in partnership with my father Alf and brother Gerard along with our wives and children. I am a passionate farmer with a strong focus on profit and sustainability. I am committed for the long term to this industry and to the many businesses that work alongside it. With my active involvement in local school, social and sporting groups I will be able to listen to the community members views and ideas and bring them to the Council.

#### TURNER, Melanie

**No Photo  
Supplied**

I have been a resident and active community member of Broomehill for fifteen years. As a shire councillor in recent years, I participated in progressing the amalgamation of the shires of Broomehill and Tambellup, and making it work for the benefit of both communities. More recently I have been involved in the Local Government Reform process which forced us to consider the sustainability of our shire, further amalgamations, and the threat of forced amalgamations. Throughout these processes my concern has always been to ensure a strong local government for the benefit of all in the Shire, while ensuring that both Broomehill and Tambellup remain strong and vibrant communities with their own identities. I believe that as a shire councillor I have listened to the community, and contributed to decisions that benefit the community. I hope to continue to serve the community in this way for a further four-year term.

Phone: 98253555 Fax: 98251152 Email: [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

The next meeting of Council will be held on Thursday 17 October 2013 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

### TAMBELLUP INDEPENDENT LIVING SENIORS ACCOMMODATION

And the big news this month is..... the units are ready to go! At a special meeting of Council held in September, Council awarded the tender for the construction of the six units to Wauters Enterprises. Wauters are a respected building company based in Albany, and have had a great deal of experience both in Albany and regionally.

Wauters will be working with H & H Architects, who are managing the project on Council's behalf, and we anticipate site works will commence within weeks. After so much time spent in the planning, it is gratifying to see one of Council's biggest single projects getting underway, and we will watch its progress keenly.

### UPCOMING LOCAL GOVERNMENT ELECTIONS

All residents should have received, in the mail, their postal voting package for the upcoming Local Government election. Residents are referred to the candidate information received in those packages and also within this edition of the BT Times. All residents are encouraged to vote for their choice of four candidates to represent them on Council.

### DOG OWNERS – REGISTRATIONS ARE NOW DUE

All dog registrations are due for renewal at **31<sup>st</sup> October** each year. If you own a dog then your dog **MUST** be registered and **MUST** be contained on your property. If you are in a public place your dog **MUST** be on a leash unless it is in a designated dog exercise area.

Under the Dog Act 1976 if you look after someone else's dog, you are responsible for its actions. Dogs found wandering that are not wearing a registration tag and your name and address will be impounded and fines will be imposed.

Notification will be sent to owners of dogs with registration expiring in 2013. Payment for re-registration can be made at either the Broomehill or Tambellup office. Please contact Siegrid at the Shire for more information.

**\*\* BE A RESPONSIBLE DOG OWNER \*\*\***

### CAT ACT 2011

From 1 November 2013, the Cat Act 2011 comes into effect, and will require that all domestic cats over the age of six months are to be microchipped, sterilised and registered with the relevant local government. Cats will be required to wear a collar and registration tag to ensure that owned cats can be easily identified and returned to their owner.

The purpose of the Cat Act 2011 is to encourage responsible pet ownership and reduce the number of unwanted cats in the community, and the number that are euthanised each year.

The State Government has set the following fees in relation to cat registrations:

1 year registration	\$20.00
3 year registration	\$42.50
Lifetime registration	\$100.00
Breeders registration	\$100.00 per cat (male or female)

Registrations for cats which are not sterilised or microchipped are not able to be accepted.

### Responsible cat ownership checklist

As a responsible pet owner you are encouraged to:

- Keep your cat confined to your property, especially at night.
- Ensure your cat is easily identifiable with a collar and a name tag.
- Microchip your cat.
- Sterilise your cat.
- Register your cat
- Vaccinate your cat.

For more information regarding registering your cat, please contact the Shire, or go to the Department of Local Government website - [www.dlg.wa.gov.au](http://www.dlg.wa.gov.au).

## HARVEST BAN ZONES

Following a request from the Broomehill-Tambellup Fire Advisory Committee, Council has established Harvest Ban Zones in the Shire, to allow for occasions where weather conditions requiring a harvest ban may not affect the entire Shire, or where assistance is required for mopping up after a fire. The Shire has been divided into two zones - the Eastern Zone and the Western Zone - with the Great Southern Highway being the dividing line. Notification of bans only affecting part of the shire will be in accordance with our established procedures - that is, broadcast over ABC radio and Radiowest, SMS to registered contacts, and recorded message on the Harvest Ban Hotline (98251042).

**All residents please note: If a ban is imposed which only applies to one zone, both townsites are included in the ban.**

**Any fires resulting from vehicle movement in paddocks, open fires or hot works during periods where a Harvest and Vehicle Movement Ban is in force, either in a single zone or across the entire Shire, may result in court action and significant fines.**

## Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

**Smith, Samuel-** Known to have worked for WHG as a teamster in 1873 and by May 1879 was employed by TN. His duties during the rest of the year included carting hurdles and rails to various lambing stations; carting timber for Lady Campbell's tank and water to shepherds; going with TN and Joe Louthier to Pootenup to mend a tank; taking chaff to Gobrup from George Norrish's and carting sheepskins and wool to Albany and taking six rams imported from Adelaide to Gobrup. On 22<sup>nd</sup> December he went with Connors and Smart to Josiah Norrish's for Christmas but did not get back until 28<sup>th</sup> although TN expected him earlier. In January, February and March 1880 Sam made several trips to Albany with TN's wool. He also carted sandalwood to the Gordon, did some ploughing in the garden and took wheat to Van Zuilecom's to be cracked. On 29<sup>th</sup> June 1880 Sam went with TN to chipper's sale in Kojonup and was apparently given leave as he did not return until 6<sup>th</sup> July. In the next few months he carted firewood for the brick kiln, took rations to Robinson and went looking for the horse Charley- unsuccessfully. On 9<sup>th</sup> September 1880, Sam Smith and Devaler started for Albany with 2 loads of sheepskins – 1312lbs (595.6 kg). Arrived in Albany on 13<sup>th</sup> September, drunk. He was too drunk to start out on the 14<sup>th</sup>, and still drunk on 15<sup>th</sup> so TN took the team himself. Sam got back to Gobrup on 21<sup>st</sup> September having got a ride with Patrick Carmody. In October 1880 Sam was given a flock to shepherd in "the Paddock" and at the end of April was shifted to Pallinup. On 10<sup>th</sup> November 1881 Sam accompanied TN to Treasure's sale at Martinup but on the return journey with TN's purchases on the 13<sup>th</sup>, had to leave the wagon at the Two Mile as the horses could not get it out of the creek. Sam took his flock pout again on the 15<sup>th</sup> November but they got in the poison and he brought them back again on 2<sup>nd</sup> December for drafting. Six sheep had died, TN killed one in the yard and over 50 were sick. TN believed that Smith got drunk at Rogers' on grog that John Holland's teamster had brought out from Albany. In 1882 Sam's wages as a shepherd were £45 per annum with rations and his flock was usually about 850 animals. On 19<sup>th</sup> November 1882 he said he was not well and on 2 occasions his flock was given over to Croker to mind. However on 21<sup>st</sup> March 1883 TN wrote "Sam Smith appears to have gone out of his head. He talks all sorts of nonsense and could not be found this morning. He has since been seen by John Garrity going towards the Gordon without a hat. Said he had to meet me there." Two days later, Louthier brought Sam in. "He is still very bad. Raves all night ." By mid-May he appears to have recovered as on 16<sup>th</sup> he helped lay iron troughing and on 19<sup>th</sup> he was sent to Thomas O'Brien to follow the lambing flock, an arrangement that did not last long as O'Brien could not get on with either Sam or Leeds Bill and did not want them. On 11<sup>th</sup> June Sam and Leeds Bill complained about O'Brien's handling of the lambs but TN let them go. Sam stayed in the area for a few months, coming to Sunnyside on a few occasions, once with William Peate to help him cut his chaff. Entries resume in 1886 when Finefellow brought 15 sheep from Martinup to Sunnyside on 9<sup>th</sup> February – one animal representing the 10/- that Sam Smith owed TN, so it is possible he was working for Treasure. Sam came himself twice in November and helped press wool. On 7<sup>th</sup> February 1888 TN paid John Garrity £7 on Sam's account and on 19<sup>th</sup> TN visited Sam Smith's camp. So he had obviously been re-employed. On 24<sup>th</sup> February 1888 the place for Sam's station was burnt out and TN shifted him to the Gordon River minding the sheep while Sam pitched a tent for himself. On 23<sup>rd</sup> March Sam gave 1 months notice per TN's son George and TN arranged for Peter McEvoy to take the flock until shearing. On 22<sup>nd</sup> April 1888 George and Sam came in, leaving McEvoy with the sheep at Watagarup, and TN settled with Sam for shepherding.

## KATANNING & DISTRICTS GARDEN CLUB NOTES.

Maxine Potter's home was the venue for our September meeting.

President Gerry Watson opened the meeting asking us to observe a minutes silence in memory of our keen & active member Bess Parrott. Bess passed away after a brief illness and will be sadly missed at our meetings and at the Katanning Show, at last years show Bess was awarded several prizes including most points overall. Several members attended her funeral and Sue (Wheatley) had sent a message of thanks to those members on behalf of the family.

Plans for a trip to Busselton on 16th & 17th October have been made. We will be visiting several gardens including past member Sue Wheatley's and two ex Dumbleyung ladies, Sue is making arrangements with a couple of other interesting gardens that she knows of in the area.

The Katanning show is not far away and we encourage members of the public to exhibit in the plants & flowers section. Unfortunately the workshop we were planning to hold has been cancelled due to unforeseen circumstances, however if anyone is interested in coming to our October meeting we will be happy to go through the schedule and explain how to stage exhibits and what the judges look for.

September competition winners were: FLORAL ART: 1. Gerry Watson, 2. Marj Winstanley, 3. Maxine Potter. FLOWERS: 1. Norma White, 2. Margaret Wise, 3. Ailsa Thomas. TREE or SHRUB : 1. Gerry Watson, 2. Shirley Brokenshire, 3. Norma White. MY BEST FLOWER: 1. Ailsa Thomas, 2. Marj Winstanley, 3. Gerry Watson. FRUIT or VEGE: 1. Margaret Wise. POT PLANT: 1. Ailsa Thomas. The raffle was won by Norma White.

A walk around Maxine's interesting garden and afternoon tea completed another interesting afternoon.

Our next meeting is on October 8th at Leonie Daw's home 27 Carew Street at 1.30 pm visitors welcome.

All for now, cheers, Ailsa.

## Desperately seeking cockies

Have you seen any black-cockatoos with white tails lately? Maybe you used to see them but they have disappeared recently. If so, BirdLife Australia wants to hear from you.

BirdLife Australia is asking people across the Wheatbelt and Great Southern Regions to be on the lookout for the large, white-tailed black-cockatoos known as Carnaby's Black-Cockatoos between now and Christmas, and report any sightings.

The population of Carnaby's Black-Cockatoos has been shrinking since the 1950s, and BirdLife Australia is keen to hear from anybody who sees the birds so that we can determine how many there are and exactly where they still occur.

Farmers, townies, schoolkids, Landcare and community groups can all take part and play a vital role in helping us to save this iconic species. It's important that local communities get behind the survey — it will make a significant difference to the birds' survival.

Their survival depends on overcoming various different factors — the loss of nesting and feeding habitat, competition for nesting hollows, illegal shooting and poisoning, being hit by cars and trucks, climate change... the list goes on and on, but across the Wheatbelt and Great Southern regions, the loss of feeding habitat near their nesting sites is the greatest risk, at least in the short term.

If you'd like to get involved, or would like more information, contact BirdLife Australia's Matt Fossey on (08) 9287 2204. It is important that any sightings be reported as soon as possible. The easiest way to do this is via the BirdLife Australia website (<http://www.birdlife.org.au/projects/carnabys-black-cockatoo-recovery/breeding-range-survey>); it takes only a few moments to complete.

### Aldridge urges incoming Federal Government to prioritise agriculture

Nationals WA Agricultural Region member Martin Aldridge MLC is calling on the incoming Federal Government to ensure the State's agriculture industry is not snubbed in place of implementing its "stop the boats" policy.

Mr Aldridge said Australia's diplomatic relationship with Indonesia, its closest neighbour and major trading partner, should be a priority for the Liberal-National Government.

"Under the Federal Labor Government's short-sighted policies, including the sudden and disastrous live export ban in June 2011, agriculture in WA has suffered for the last six years," Mr Aldridge said.

"I urge Prime Minister elect Tony Abbott to work collaboratively with Indonesia and reconsider some of his election priorities such as turning back boats to Indonesia and buying unseaworthy Indonesian fishing boats, plans that seem unlikely to succeed."

Mr Aldridge said preventing further deaths at sea and securing Australia's borders should be a federal priority, however, he emphasised that caution and due diligence was necessary to achieving a positive outcome.

"Indonesian sovereignty should be respected and the relationship with our neighbours should be consolidated, not destabilised by implementing policies unsupported by the Indonesian Government," Mr Aldridge said.

Indonesian foreign minister Marty Natelegawa has expressed concern in relation to some of the proposed policy measures before a meeting of his parliament's foreign affairs commission.

Live cattle exports to Indonesia still remain at low levels after the Australian Government's sudden live export ban in 2011, however, there are signs the situation is improving.

Mr Aldridge welcomed a recent announcement by the Indonesian Government that it intends to scrap the rigid quota system in place in an attempt to reduce imported beef prices locally.

"A first priority for the new minister for agriculture, the Hon Barnaby Joyce MP should be to visit Indonesia and start rebuilding our nation's trade relationship and strengthen export markets for our agricultural sector," Mr Aldridge said.

### Fact File

- Indonesia is Australia's largest wheat export market importing more than 3.5 million tonnes valued at A\$1.1 billion in 2011.
- In 2012-13, Australia's beef and live cattle export market was worth an estimated A\$5.2 billion.
- In 2010, Australia exported 517,026 live cattle to Indonesia at a value of \$444 million.
- By 2012 this figure decreased by 46% to 278,581 at a value of \$272 million.
